The 2018 General Assembly Session

How Bills Become Laws
The process of introducing legislation to be considered by the General Assembly and ultimately enacted into law is outlined in the Constitution of Virginia, Rules of the Senate, and the Rules of the Virginia House of Delegates

(See Virginia General Assembly Home Page http://virginiageneralassembly.gov for these publications and other legislative resources.)

• Bills may originate in either the Senate or the House of Delegates.

• A Senator or Delegate, as requested by constituents, prepares to introduce legislation by explaining the proposal he/she has in mind to a staff attorney in the Division of Legislative Services. A staff attorney checks existing law and the constitutionality of the proposed legislation.
Prefiling Legislation for 2018

The 2018 session is the 1st year of a two year session cycle. Bill numbers begin with House Bill 1 and Senate Bill 1.

Introduced by: Michael J. Webert | all patrons … notes | add to my profiles

SUMMARY AS PASSED HOUSE: (all summaries)

Recognition of out-of-state concealed handgun permits; photo identification. Provides that a person holding a concealed handgun permit who is at least 21 years of age is authorized to carry a concealed handgun in Virginia if (i) the person has completed a course of instruction, a-a-day means of verification of the validity of the permits issued in that state, if available; (ii) the person carries a government-issued photo identification and displays it upon demand of a law-enforcement officer; and (iii) the person has not previously had a Virginia concealed handgun permit revoked. The bill requires the Superintendent of State Police (Superintendent) to enter into agreements for reciprocal recognition with other states that require an agreement to be in place before the state will recognize a Virginia concealed handgun permit as valid in the state. In addition, the bill requires the Superintendent, within 60 days of the effective date of the bill, to enter into agreements for reciprocal recognition of concealed handgun permits or licenses with other states in existence on December 1, 2015. This bill incorporates HB 12 and is identical to SB 610.
