

VIRGINIA ACTS OF ASSEMBLY -- 2000 SESSION

CHAPTER 406

An Act to amend and reenact §§ 54.1-1129 and 54.1-1131 of the Code of Virginia, relating to licensure of liquefied petroleum gas fitters and natural gas fitter providers.

[H 523]

Approved April 4, 2000

Be it enacted by the General Assembly of Virginia:

1. That §§ 54.1-1129 and 54.1-1131 of the Code of Virginia are amended and reenacted as follows:

§ 54.1-1129. Necessity for licensure.

A. Beginning July 1, 1995, no individual shall engage in, or offer to engage in, work as a tradesman as defined in § 54.1-1128 unless he has been licensed under the provisions of this article. Individuals shall not be subject to licensure as a tradesman when working under the supervision of a tradesman who is licensed in the specialty for which work is being performed. Individuals holding a license in one specialty shall not be required to have a tradesman license in another specialty when performing work which is incidental to work being performed under their own specialty license.

B. Beginning July 1, 1998, no individual shall present himself as a certified backflow prevention device worker as defined in § 54.1-1128 unless he has been certified under the provisions of this article. Individuals certified as backflow prevention device workers shall not be required to hold any other professional or occupational license or certification; however, nothing in this subsection shall prohibit an individual from holding more than one professional or occupational license or certification. The certification program set forth in this article concerning backflow prevention device workers shall be voluntary and shall not be construed to prevent or affect the practice of backflow prevention device workers by those not certified by the Board, so long as any requirements of the applicable local governing body's programs relating to backflow prevention device workers are met. All local governing bodies shall accept certification by the Board of backflow prevention device workers as proof of experience and training without requiring additional examination.

C. Beginning ~~July 1, 1999~~ *one year after the effective date of the Board's final regulations*, no individual shall engage in, or offer to engage in, work as a liquefied petroleum gas fitter or natural gas fitter provider as defined in § 54.1-1128 unless he has been licensed under the provisions of this article.

§ 54.1-1131. Exemptions.

A. An individual certified or licensed by any one of the following agencies shall not be required to fulfill the examination requirement specified in § 54.1-1130 for a tradesman license:

1. The Board of Housing and Community Development prior to July 1, 1995.
2. Any local governing body prior to July 1, 1978.
3. An apprenticeship program which is approved by the Virginia Apprenticeship Council.

Individuals applying for a tradesman license between July 1, 1995, and July 1, 1998, shall be deemed to have fulfilled the examination requirement if they are able to demonstrate that they have the required number of years of discipline-free experience set forth in Board regulations.

B. Upon satisfactory evidence to the Board, the following individuals shall not be required to fulfill the examination requirement specified in § 54.1-1130 to be certified as a backflow prevention device worker or licensed as a liquefied petroleum gas fitter:

1. Individuals approved, or recognized as having expertise, by a local governing body prior to July 1, 1998, to perform backflow prevention device work;

2. Individuals applying for certification as a backflow prevention device worker between July 1, 1998 and July 1, 1999, who are able to demonstrate that they have the required number of years of discipline-free experience and education or training set forth in Board regulations; or

3. Individuals applying for licensure as a liquefied petroleum gas fitter ~~between July 1, 1999 and July 1, 2000~~ *within one year of the effective date of the Board's final regulations*, who are able to demonstrate that they have ~~the required number of years of discipline-free experience and education or training set forth in Board regulations~~ *at least five years' experience as a liquefied petroleum gas fitter*.

C. The provisions of this article shall not apply to any individual who is performing work on (i) any ship, boat, barge or other floating vessel or (ii) a single-family residence where the value of the work performed is less than \$250 and such individual does not hold himself out to the general public as a tradesman.

D. Individuals applying for a natural gas fitter provider license ~~between July 1, 1999 and July 1, 2000~~ *within one year of the effective date of the Board's final regulations*, shall be deemed to have fulfilled the examination requirement if they are able to demonstrate that they have five years' prior experience as a natural gas fitter provider.

E. Individuals applying for a natural gas fitter provider license between July 1, 1999 and July 1,

2004, shall be deemed to have fulfilled the examination requirement if they are able to demonstrate that they have at least five years' experience in an apprenticeship capacity under the direct supervision of a gas fitter.

F. Individuals applying for licensure as a liquefied petroleum gas fitter between July 1, 2000 and July 1, 2005, shall be deemed to have fulfilled the examination requirements if they are able to demonstrate that they have at least five years' experience in an apprenticeship capacity under the direct supervision of a gas fitter.
