That §§ 2.1-342.01, 8.01-195.9, 8.01-588.1, 15.2-1527, 15.2-1533, 15.2-2702, 32.1-127.3, 51.1-1130 and 54.1-106 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding in Chapter 14 of Title 2.1 an article numbered 2.2, consisting of sections numbered 2.1-191.5 through 2.1-191.16, as follows:

Article 2.2.

Division of Risk Management.

§ 2.1-191.5. Division of Risk Management.

The Division of Risk Management (the Division), formerly within the Department of General Services, is hereby transferred to the Department of the Treasury and shall exercise the powers and duties described in this article.

§ 2.1-191.6. Property and insurance records to be maintained.

The Division shall establish and maintain a file of state-owned buildings and contents, hereinafter inclusively referred to as buildings or properties, and the actual cash value or replacement cost value if insured or replacement cost basis thereof, and the amount of fire and extended coverage, vandalism and malicious mischief, optional perils or all risk insurance coverage thereon. All agencies of the Commonwealth shall keep the Division informed as to the status of all properties under their control.

§ 2.1-191.7. Inspection of state-owned properties for insurance purposes; determination of coverage; procurement, discontinuance, etc., of insurance.

A. The Division may inspect or may administer a program of self-inspection for all state-owned properties and confer with the proper officials or employees of the several agencies of the Commonwealth for the purpose of determining (i) insurance coverages which shall be carried on or with respect to properties under their control and (ii) the manner whereby savings and costs of such insurance may be made. It may seek the assistance of insurance companies and their representatives and the Fire Marshal of the Commonwealth, in devising means by which hazards may be reduced or eliminated. The Division shall have final responsibility with respect to coverage, noncoverage, provisions of policies, quantity and type of fire and extended coverage, vandalism and malicious mischief, and optional perils or all risk insurance coverage. The Governor may exempt any agency, institution of higher education, or part thereof from any part of the risk management and insurance program.

B. The Division shall have the authority to change or discontinue fire and extended coverage, vandalism and malicious mischief, optional perils or all risk insurance coverage carried pursuant to bond indentures and other contractual requirements, provided such change or discontinuance meets with the written approval of the trustee or trustees of the bond indenture and those signatory to the contracts.

C. As its programs are implemented, the Division shall assume the sole responsibility, with the approval of the Governor, for purchasing insurance, self-insuring or combining insurance and self-insurance (i) on all properties of the Commonwealth or (ii) for protection of liabilities or other casualties.

§ 2.1-191.8. State Insurance Reserve Trust Fund.

A. The State Insurance Reserve Trust Fund established under former § 2.1-526.5 is continued. The fund shall consist of the payments required by subsection B of this section. The fund shall be under the management and control of the Department of the Treasury, through the Division of Risk Management, and any claims for losses payable out of the fund shall be at the direction of the Division. The fund shall be invested as provided in § 2.1-185, and interest shall be added to the fund as earned.

B. Each agency, department, division, or institution of state government having control over any state structure and contents thereof, or which participates in any program of insurance operated by the Division of Risk Management, shall pay each year into the State Insurance Reserve Trust Fund, or any trust fund established pursuant to the provisions of this article, amounts necessary to maintain the trust at levels of funding deemed adequate by the Division. The Division shall set the premium and

administrative costs to be paid to it for providing an insurance plan established pursuant to this section. The premiums and administrative costs set by the Division shall be payable in the amounts, at the time and in the manner that the Division in its sole discretion requires. Premiums and administrative costs need not be uniform among participants but shall be set to best insure the financial stability of the plan. Whenever any building or structure is under the control of two or more agencies, departments, divisions or institutions of the Commonwealth, the payment required herein shall be prorated upon the basis of percentage of the area controlled.

C. In the event of loss or damage exceeding \$1,000 to property on which there is no insurance recovery or limited insurance recovery as a consequence of any action by the Division of Risk Management resulting in noncoverage, reduced insurance, elimination of insured perils or otherwise, the Division shall determine the amount, if any, payable out of the fund, and such amount, when approved by the Governor, shall be final. The amount payable shall be used for the purpose of restoring the damaged structure or rebuilding the same, as the circumstances may require, but in no event shall the amount payable on account of such loss exceed the actual cash value or the replacement cost value of the property in accordance with the basis of insurance, nor shall the amount payable when added to the insurance recovered exceed the actual cash value or the replacement cost value of the property, as recorded in the property and insurance records of the Division of Risk Management.

D. In addition to the amounts payable under subsection C, the costs of operating the Division which are properly allocated to its functions concerning the State Insurance Reserve Trust Fund and other administrative and contractual costs of the Division not otherwise provided for shall be paid out of the State Insurance Reserve Trust Fund, for which purposes such funds are hereby appropriated.

§ 2.1-191.9. Insurance of state motor vehicles.

A. Subject to the approval of the Governor, the Department of the Treasury through its Division of Risk Management shall establish an insurance plan, which may be purchased insurance, self-insurance or a combination of self-insurance and purchased insurance:

1. To provide protection for the Commonwealth, its officers and employees and other authorized persons against tort liability and incidental medical payments arising out of the ownership, maintenance or use of motor vehicles owned or leased by the Commonwealth or used by state employees or other authorized persons in the course of their employment; and

2. If the Division of Risk Management is informed by the Attorney General's office that it will not provide a defense due to a conflict or other appropriate reason, to provide for payment of attorneys' fees and expenses incurred in defending such persons and entities concerning any claim which arises from their governmental employment or authorization.

B. The insurance plan shall provide for the establishment of a trust fund or a contribution to the State Insurance Reserve Trust Fund for the payment of claims covered under such plan arising out of the ownership, maintenance or use of motor vehicles owned or leased by the Commonwealth or used by state employees or other authorized persons in the course of their employment. The funds shall be invested as provided in § 2.1-185, and interest shall be added to the fund as earned. The plan shall also provide for payment of the expenses related to the administration of a motor vehicle insurance program for the Commonwealth. The insurance plan shall be submitted to the Governor for approval prior to implementation.

C. Any insurance plan for state motor vehicles established pursuant to this section shall provide (i) protection against the uninsured motorist at limits not less than those provided in § 46.2-472, (ii) incidental medical payments of not less than \$5,000 per person to state employees and other authorized persons, and (iii) recovery of damages for loss of use of a motor vehicle, as provided in § 8.01-66.

§ 2.1-191.10. Insurance plan for state-owned buildings and state-owned contents of buildings.

A. Subject to the approval of the Governor, the Department of the Treasury through its Division of Risk Management shall establish an insurance plan which may be wholly self-insurance or a combination of self-insurance and purchased insurance for the purpose of providing coverage on (i) state-owned buildings and (ii) state-owned contents of buildings owned by the Commonwealth or of buildings not owned by the Commonwealth which are occupied in whole or in part by an agency of the Commonwealth.

B. Any insurance plan established pursuant to this section may provide, but not be limited to, physical damage coverage against the perils of (i) fire and lightning, (ii) extended coverage, being defined as windstorm, hail, smoke, explosion other than that caused by steam pressure vessels, riot, riot attending a strike, civil commotion, aircraft and vehicles not owned by the Commonwealth, (iii) vandalism and malicious mischief, (iv) optional perils, and (v) all risk insurance.

C. Any insurance plan established pursuant to this section shall provide for the establishment of a trust fund or contribution to the State Insurance Reserve Trust Fund for the payment of claims covered under such a plan, which are not recoverable from purchased insurance. The funds shall be invested as provided in § 2.1-185, and interest shall be added to the fund as earned. The trust fund shall also provide for payment of administrative costs, contractual costs and other expenses related to the administration of such a plan.

D. The insurance plan for state-owned buildings and state-owned contents of buildings shall be

submitted to the Governor for approval prior to implementation.

§ 2.1-191.11. Insurance plan for public liability.

A. Subject to the approval of the Governor, the Department of the Treasury through its Division of Risk Management shall establish an insurance plan, which may be purchased insurance, self-insurance or a combination of self-insurance and purchased insurance:

1. To provide protection against liability imposed by law for damages resulting from:

a. Any claim made against any department, agency, institution, board, commission, officer, agent, or employee thereof for acts or omissions of any nature while acting in an authorized governmental or proprietary capacity and in the course and scope of employment or authorization;

b. Any claim made against participants, other than professional counsel, in student disciplinary proceedings at state institutions of higher education for nonmalicious acts or omissions of any nature in the course and scope of participation in such proceedings; or

c. Any claim resulting from an authorized indemnification agreement entered into by a state institution of higher education, which agreements the institutions are hereby authorized to execute if the Governor considers in advance of execution (i) the institution's analysis of the relevant public benefit and risk of liability, (ii) the Division of Risk Management's charge to be assessed the institution for providing insurance or self-insurance coverage for the claims resulting from the indemnification agreement, and (iii) the Office of the Attorney General's comments, and the Governor determines that execution is necessary to further the public's best interests, provided the indemnification agreement limits the institution's total liability thereunder to a stated dollar amount and the agreement notifies the contractor that the full faith and credit of the Commonwealth are not pledged or committed to payment of the institution's obligation under the agreement;

2. To further provide protection against tort liability and incidental medical payments arising out of the ownership, maintenance or use of buildings, grounds or properties owned or leased by the Commonwealth or used by state employees or other authorized persons in the course of their employment; and

3. If the Division of Risk Management is informed by the Office of the Attorney General that it will not provide a defense due to a conflict or other appropriate reason, to provide for payment of attorneys' fees and expenses incurred in defending such persons and entities concerning any claim which arises from their governmental employment or authorization, which arises from their participation in such student disciplinary proceedings, or which is described in any such indemnification agreement.

B. Any insurance plan established pursuant to this section shall provide for the establishment of a trust fund or contribution to the State Insurance Reserve Trust Fund for the payment of claims covered under such plan. The funds shall be invested as provided in § 2.1-185, and interest shall be added to the fund as earned. The trust fund shall also provide for payment of administrative costs, contractual costs, and other expenses related to the administration of such plan.

C. The insurance plan for public liability shall be submitted to the Governor for approval prior to implementation.

D. The insurance plan established pursuant to this section shall provide protection against professional liability imposed by law for damages resulting from any claim made against a local electoral board, electoral board member or general registrar for acts or omissions of any nature while acting in an authorized governmental or proprietary capacity and in the course and scope of employment or authorization, subject to the limitations of the insurance plan.

E. The insurance plan established pursuant to this section shall provide protection against any claim made against any soil and water conservation district, director, officer, agent or employee thereof (i) arising out of the ownership, maintenance or use of buildings, grounds or properties owned, leased or maintained by any such district or used by district employees or other authorized persons in the course of their employment or (ii) arising out of acts or omissions of any nature while acting in an authorized governmental or proprietary capacity and in the course and scope of employment or authorization.

F. The insurance plan established pursuant to this section shall provide protection against professional liability imposed by law for damages resulting from any claim made against a local school board selection commission or local school board selection commission members for acts or omissions of any nature while acting in an authorized governmental or proprietary capacity and in the course and scope of authorization, subject to the limitations of the insurance plan.

G. The insurance plan established pursuant to this section shall provide coverage for any matter that involves or could involve an action or proceeding against a judge occurring on or after September 8, 1993, the nature of which is designed to determine whether discipline or other sanction of the judge for malfeasance or misfeasance is appropriate or to otherwise determine the fitness of such judge to hold office or to continue his employment. No coverage nor indemnification shall be made pursuant to this subsection when the Supreme Court of Virginia finds that the judge should be censured or removed from office pursuant to Section 10 of Article VI of the Constitution of Virginia or statutes enacted pursuant thereto.

§ 2.1-191.12. Insurance plans administered by the Department of the Treasury, Division of Risk Management, for political subdivisions and constitutional officers.

A. The Department of the Treasury, through its Division of Risk Management, shall establish an insurance plan or plans subject to the approval of the Governor, which may be purchased insurance, self-insurance or a combination of self-insurance and purchased insurance to provide protection against liability imposed by law for damages and against incidental medical payments resulting from any claim made against any county, city or town; authority, board, or commission; sanitation, soil and water, planning or other district; public service corporation owned, operated or controlled by a locality or local government authority; constitutional officer; state court-appointed attorney; affiliate or foundation of a state department, agency or institution; or the officers, agents or employees of any of the foregoing for acts or omissions of any nature while in an authorized governmental or proprietary capacity and in the course and scope of employment or authorization.

B. Participation in such insurance plan shall be voluntary and shall be approved by the participant's respective governing body or by the State Compensation Board in the case of constitutional officers, by the office of the Executive Secretary of the Virginia Supreme Court in the case of state court-appointed attorneys, and by the Department of the Treasury, Division of Risk Management. Upon such approval, the Division shall assume sole responsibility for plan management, compliance, or removal.

C. The Division of Risk Management shall provide for the legal defense of participating entities and shall reserve the right to settle or defend claims presented under the plan. All prejudgment settlements shall be approved in advance by the Division of Risk Management.

D. An insurance plan established pursuant to this section shall provide for the establishment of a trust fund for the payment of claims covered under such plan. The funds shall be invested in the manner provided in § 2.1-185, and interest shall be added to the fund as earned.

The trust fund shall also provide for payment of legal defense costs, actuarial costs, administrative costs, contractual costs and all other expenses related to the administration of such plan.

E. The Division of Risk Management shall, in its sole discretion, set the premium and administrative costs to be paid to it for providing an insurance plan established pursuant to this section. The premiums and administrative costs set by the Division shall be payable in the amounts at the time and in the manner that the Division in its sole discretion shall require. The premiums and administrative costs need not be uniform among participants but shall be set so as to best insure the financial stability of the plan.

§ 2.1-191.13. Blanket surety bond plan for state and local employees.

A. Subject to the approval of the Governor, the Department of the Treasury through its Division of Risk Management shall establish a program of blanket surety bonding to provide surety for the faithful performance of duty for all state employees required by statute to be bonded, and for other agency employees handling funds or having access to funds whose function, in the opinion of the agency head and the Division, should be bonded.

B. Local employees, including superintendents and jail officers of regional jail facilities as described in § 53.1-110, local constitutional officers, and those employees of the Supreme Court for whom the Commonwealth pays all or part of the costs of surety bonds shall be required to participate in the blanket surety bond program promulgated by the Division through the Comptroller and the Compensation Board. The Division of Risk Management shall exclude from the provisions of this section clerks of the circuit court with respect to the moneys they hold pursuant to § 8.01-582 insofar as coverage is provided under § 2.1-191.14 for their faithful performance concerning those moneys. Before implementing the program, the Division shall determine that such program will be of less cost to the Commonwealth than the aggregate of individual bonds costs.

C. The blanket surety bonding plan for state employees shall be submitted to the Governor for approval prior to implementation.

D. Employees or officers of a public service authority created under the Virginia Water and Sewer Authorities Act (§ 15.2-5100 et seq.) are authorized to participate in the blanket surety bond program promulgated by the Division through the Comptroller and the Compensation Board whenever any federal or state agency lends or guarantees funds to a public service authority created under the Virginia Water and Sewer Authorities Act where the funds are utilized in the construction or capitalization of projects authorized under the Act, and there is a condition of such loan or guarantee that those employees or officers of the authority who have access to such funds be bonded. Participation by such employees or officers shall be approved by the governing body of the county or city which created the authority or is a member of the authority, with approval of the Department of the Treasury, Division of Risk Management.

§ 2.1-191.14. Blanket surety bond plan for moneys under control of court.

The Department of the Treasury through its Division of Risk Management shall establish a program of blanket surety bonding to provide surety for the faithful discharge of duty with respect to moneys held pursuant to §§ 8.01-582 and 8.01-600 by all general receivers and clerks. General receivers and clerks shall participate in the program. The Division's cost of obtaining and administering the blanket surety bond shall be paid from those moneys covered by the bond.

§ 2.1-191.15. Sovereign immunity.

Although the provisions of this article are subject to those of Article 18.1 (§ 8.01-195.1 et seq.) of

Chapter 3 of Title 8.01, nothing in this article shall be deemed an additional expressed or implied waiver of the Commonwealth's sovereign immunity.

§ 2.1-191.16. Loss prevention.

The Division may develop and implement risk management and loss prevention programs related to insurance plans established pursuant to the provisions of this article. The Division may confer with the proper officials or employees of all agencies and institutions of the Commonwealth and of participating entities and persons pursuant to § 2.1-191.12, for the purpose of determining risk management and loss prevention programs which shall be carried on with respect to properties and governmental operations under their control and may determine the manner in which such programs may be developed, implemented and enforced. The Division may seek the assistance of risk management consulting companies, insurance companies, loss prevention engineering companies, and their representatives, the Fire Marshal of the Commonwealth, and the Division of Engineering and Buildings in devising means by which causes of loss may be reduced or eliminated. The Division shall have the final responsibility with respect to implementation or nonimplementation of a plan or plans by an agency or institution of the Commonwealth and by a participating entity or person pursuant to § 2.1-191.12. Information contained in investigative reports of any state or local police department, sheriff's office, fire department or fire marshal relevant to insurance plans established pursuant to the provisions of this article shall be made available to the Division of Risk Management upon request. The relevant information requested shall be furnished within a reasonable time, not to exceed thirty days.

§ 2.1-342.01. Exclusions to application of chapter.

A. The following records are excluded from the provisions of this chapter but may be disclosed by the custodian in his discretion, except where such disclosure is prohibited by law:

1. Confidential records of all investigations of applications for licenses and permits, and all licensees and permittees made by or submitted to the Alcoholic Beverage Control Board, the State Lottery Department, the Virginia Racing Commission, or the Charitable Gaming Commission.

2. State income, business, and estate tax returns, personal property tax returns, scholastic and confidential records held pursuant to § 58.1-3.

3. Scholastic records containing information concerning identifiable individuals, except that such access shall not be denied to the person who is the subject thereof, or the parent or legal guardian of the student. However, no student shall have access to (i) financial records of a parent or guardian or (ii) records of instructional, supervisory, and administrative personnel and educational personnel ancillary thereto, which are in the sole possession of the maker thereof and which are not accessible or revealed to any other person except a substitute.

The parent or legal guardian of a student may prohibit, by written request, the release of any individual information regarding that student until the student reaches the age of eighteen years. For scholastic records of students under the age of eighteen years, the right of access may be asserted only by his legal guardian or parent, including a noncustodial parent, unless such parent's parental rights have been terminated or a court of competent jurisdiction has restricted or denied such access. For scholastic records of students who are emancipated or attending a state-supported institution of higher education, the right of access may be asserted by the student.

Any person who is the subject of any scholastic record and who is eighteen years of age or older may waive, in writing, the protections afforded by this subdivision. If the protections are so waived, the public body shall open such records for inspection and copying.

4. Personnel records containing information concerning identifiable individuals, except that access shall not be denied to the person who is the subject thereof. Any person who is the subject of any personnel record and who is eighteen years of age or older may waive, in writing, the protections afforded by this subdivision. If the protections are so waived, the public body shall open such records for inspection and copying.

5. Medical and mental records, except that such records may be personally reviewed by the subject person or a physician of the subject person's choice. However, the subject person's mental records may not be personally reviewed by such person when the subject person's treating physician has made a part of such person's records a written statement that in his opinion a review of such records by the subject person would be injurious to the subject person's physical or mental health or well-being.

Where the person who is the subject of medical records is confined in a state or local correctional facility, the administrator or chief medical officer of such facility may assert such confined person's right of access to the medical records if the administrator or chief medical officer has reasonable cause to believe that such confined person has an infectious disease or other medical condition from which other persons so confined need to be protected. Medical records shall only be reviewed and shall not be copied by such administrator or chief medical officer. The information in the medical records of a person so confined shall continue to be confidential and shall not be disclosed by the administrator or chief medical officer of the facility to any person except the subject or except as provided by law.

For the purposes of this chapter, statistical summaries of incidents and statistical data concerning patient abuse as may be compiled by the Commissioner of the Department of Mental Health, Mental Retardation and Substance Abuse Services shall be open to inspection and copying as provided in

§ 2.1-342. No such summaries or data shall include any patient-identifying information. Where the person who is the subject of medical and mental records is under the age of eighteen, his right of access may be asserted only by his guardian or his parent, including a noncustodial parent, unless such parent's parental rights have been terminated or a court of competent jurisdiction has restricted or denied such access. In instances where the person who is the subject thereof is an emancipated minor or a student in a public institution of higher education, the right of access may be asserted by the subject person.

6. Working papers and correspondence of the Office of the Governor; Lieutenant Governor; the Attorney General; the members of the General Assembly or the Division of Legislative Services; the mayor or chief executive officer of any political subdivision of the Commonwealth; or the president or other chief executive officer of any public institution of higher education. However, no record which is otherwise open to inspection under this chapter shall be deemed exempt by virtue of the fact that it has been attached to or incorporated within any working paper or correspondence.

As used in this subdivision:

"Working papers" means those records prepared by or for an above-named public official for his personal or deliberative use.

"Office of the Governor" means the Governor; his chief of staff, counsel, director of policy, Cabinet Secretaries, and the Director of the Virginia Liaison Office; and those individuals to whom the Governor has delegated his authority pursuant to § 2.1-39.1.

7. Written advice of the county, city and town attorneys to their local government clients and any other records protected by the attorney-client privilege.

8. Legal memoranda and other work product compiled specifically for use in litigation or for use in an active administrative investigation concerning a matter which is properly the subject of a closed meeting under § 2.1-344.

9. Confidential letters and statements of recommendation placed in the records of educational agencies or institutions respecting (i) admission to any educational agency or institution, (ii) an application for employment, or (iii) receipt of an honor or honorary recognition.

10. Library records which can be used to identify both (i) any library patron who has borrowed material from a library and (ii) the material such patron borrowed.

11. Any test or examination used, administered or prepared by any public body for purposes of evaluation of (i) any student or any student's performance, (ii) any employee or employment seeker's qualifications or aptitude for employment, retention, or promotion, or (iii) qualifications for any license or certificate issued by a public body.

As used in this subdivision, "test or examination" shall include (i) any scoring key for any such test or examination and (ii) any other document which would jeopardize the security of the test or examination. Nothing contained in this subdivision shall prohibit the release of test scores or results as provided by law, or limit access to individual records as provided by law. However, the subject of such employment tests shall be entitled to review and inspect all records relative to his performance on such employment tests.

When, in the reasonable opinion of such public body, any such test or examination no longer has any potential for future use, and the security of future tests or examinations will not be jeopardized, the test or examination shall be made available to the public. However, minimum competency tests administered to public school children shall be made available to the public contemporaneously with statewide release of the scores of those taking such tests, but in no event shall such tests be made available to the public later than six months after the administration of such tests.

12. Applications for admission to examinations or for licensure and scoring records maintained by the Department of Health Professions or any board in that department on individual licensees or applicants. However, such material may be made available during normal working hours for copying, at the requester's expense, by the individual who is the subject thereof, in the offices of the Department of Health Professions or in the offices of any health regulatory board, whichever may possess the material.

13. Records of active investigations being conducted by the Department of Health Professions or by any health regulatory board in the Commonwealth.

14. Records recorded in or compiled exclusively for use in closed meetings lawfully held pursuant to § 2.1-344. However, no record which is otherwise open to inspection under this chapter shall be deemed exempt by virtue of the fact that it has been reviewed or discussed in a closed meeting.
