(a) he has actual knowledge of it; or

(b) he has received a notice or notification of it; or

(c) from all the facts and circumstances known to him at the time in question he has reason to know that it exists.

A person "knows" or has "knowledge" of a fact when he has actual knowledge of it. "Discover" or

"learn" or a word or phrase of similar import refers to knowledge rather than to reason to know. The time and circumstances under which a notice or notification may cease to be effective are not determined by this act.

(26) A person "notifies" or "gives" a notice or notification to another by taking such steps as may be reasonably required to inform the other in ordinary course whether or not such other actually comes to know of it. A person "receives" a notice or notification when

(a) it comes to his attention; or

(b) it is duly delivered at the place of business through which the contract was made or at any other place held out by him as the place for receipt of such communications.

(27) Notice, knowledge or a notice or notification received by an organization is effective for a particular transaction from the time when it is brought to the attention of the individual conducting that transaction, and in any event from the time when it would have been brought to his attention if the organization had exercised due diligence. An organization exercises due diligence if it maintains reasonable routines for communicating significant information to the person conducting the transaction and there is reasonable compliance with the routines. Due diligence does not require an individual acting for the organization to communicate information unless such communication is part of his regular duties or unless he has reason to know of the transaction and that the transaction would be materially affected by the information.

(28) "Organization" includes a corporation, government or governmental subdivision or agency, business trust, estate, trust, partnership or association, two or more persons having a joint or common interest, or any other legal or commercial entity.

(29) "Party," as distinct from "third party," means a person who has engaged in a transaction or made an agreement within this act.

(30) "Person" includes an individual or an organization (See § 8.1-102).

(31) "Presumption" or "presumed" means that the trier of fact shall find the existence of the fact presumed unless and until evidence is introduced which would support a finding of its nonexistence.

(32) "Purchase" includes taking by sale, discount, negotiation, mortgage, pledge, lien, *security interest*, issue or re-issue, gift or any other voluntary transaction creating an interest in property.

(33) "Purchaser" means a person who takes by purchase.

(34) "Remedy" means any remedial right to which an aggrieved party is entitled with or without resort to a tribunal.

(35) "Representative" includes an agent, an officer of a corporation or association, and a trustee, executor or administrator of an estate, or any other person empowered to act for another.

(36) "Rights" includes remedies.

(37) 1. "Security interest" means an interest in personal property or fixtures which secures payment or performance of an obligation. ~~The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer as specified in § 8.2-401 is limited in effect to a reservation of a "security interest."~~ The term also includes any interest of a *consignor and a buyer of accounts, or chattel paper, which a payment intangible, or a promissory note in a transaction that is* subject to Title 8.9A. The special property interest of a buyer of goods on identification of such goods to a contract for sale under § 8.2-401 is not a "security interest," but a buyer may also acquire a "security interest" by complying with Title 8.9A. ~~Unless a lease or consignment is intended as security, reservation of title thereunder is not a "security interest" but a consignment is in any event subject to the provisions on consignment sales as specified in § 8.2-326. Except as otherwise provided in § 8.2-505, the right of a seller or lessor of goods under Title 8.2 or Title 8.2A to retain or acquire possession of the goods is not a "security interest," but a seller or lessor may also acquire a "security interest" by complying with Title 8.9A. The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer under § 8.2-401 is limited in effect to a reservation of a "security interest."~~ Whether a lease is intended as security is to be determined by the facts of each case; however, (a) the inclusion of an option to purchase does not of itself make the lease one intended for security and (b) an agreement that upon compliance with the terms of the lease the lessee shall become or has the option to become the owner of the property for no additional consideration or for a nominal consideration does make the lease one intended for security.

2. Whether a transaction creates a lease or security interest is determined by the facts of each case; however, a transaction creates a security interest if the consideration the lessee is to pay the lessor for the right to possession and use of the goods is an obligation for the term of the lease not subject to termination by the lessee, and:

(a) The original term of the lease is equal to or greater than the remaining economic life of the goods;

(b) The lessee is bound to renew the lease for the remaining economic life of the goods or is bound to become the owner of the goods;

179 (c) The lessee has an option to renew the lease for the remaining economic life of the goods for no  
 180 additional consideration or nominal additional consideration upon compliance with the lease agreement;  
 181 or

182 (d) The lessee has an option to become the owner of the goods for no additional consideration or  
 183 nominal additional consideration upon compliance with the lease agreement.

184 3. A transaction does not create a security interest merely because it provides that:

185 (a) The present value of the consideration the lessee is obligated to pay the lessor for the right to  
 186 possession and use of the goods is substantially equal to or is greater than the fair market value of the  
 187 goods at the time the lease is entered into;

188 (b) The lessee assumes risk of loss of the goods, or agrees to pay taxes, insurance, filing, recording,  
 189 or registration fees, or service or maintenance costs with respect to the goods;

190 (c) The lessee has an option to renew the lease or to become the owner of the goods;

191 (d) The lessee has an option to renew the lease for a fixed rent that is equal to or greater than the  
 192 reasonably predictable fair market rent for the use of the goods for the term of the renewal at the time  
 193 the option is to be performed; or

194 (e) The lessee has an option to become the owner of the goods for a fixed price that is equal to or  
 195 greater than the reasonably predictable fair market value of the goods at the time the option is to be  
 196 performed.

197 4. For purposes of this definition:

198 (a) Additional consideration is not nominal if (i) when the option to renew the lease is granted to the  
 199 lessee the rent is stated to be the fair market rent for the use of the goods for the term of the renewal  
 200 determined at the time the option is to be performed or (ii) when the option to become the owner of the  
 201 goods is granted to the lessee the price is stated to be the fair market value of the goods determined at  
 202 the time the option is to be performed. Additional consideration is nominal if it is less than the lessee's  
 203 reasonably predictable cost of performing under the lease agreement if the option is not exercised;

204 (b) "Reasonably predictable" and "remaining economic life of the goods" are to be determined with  
 205 reference to the facts and circumstances at the time the transaction is entered into; and

206 (c) "Present value" means the amount as of a date certain of one or more sums payable in the future,  
 207 discounted to the date certain. The discount is determined by the interest rate specified by the parties if  
 208 the rate is not manifestly unreasonable at the time the transaction is entered into; otherwise, the discount  
 209 is determined by a commercially reasonable rate that takes into account the facts and circumstances of  
 210 each case at the time the transaction was entered into.

211 (38) "Send" in connection with any writing or notice means to deposit in the mail or deliver for  
 212 transmission by any other usual means of communication with postage or cost of transmission provided  
 213 for and properly addressed and in the case of an instrument to an address specified thereon or otherwise  
 214 agreed, or if there be none to any address reasonable under the circumstances. The receipt of any  
 215 writing or notice within the time at which it would have arrived if properly sent has the effect of a  
 216 proper sending.

217 (39) "Signed" includes any symbol executed or adopted by a party with present intention to  
 218 authenticate a writing.

219 (40) "Surety" includes guarantor.

220 (41) "Telegram" includes a message transmitted by radio, teletype, cable, any mechanical method of  
 221 transmission, or the like.

222 (42) "Term" means that portion of an agreement which relates to a particular matter.

223 (43) "Unauthorized" signature means one made without actual, implied or apparent authority and  
 224 includes a forgery.

225 (44) "Value". Except as otherwise provided with respect to negotiable instruments and bank  
 226 collections (§§ 8.3A-303, 8.4-207.2 and 8.4-207.3) a person gives "value" for rights if he acquires them:

227 (a) in return for a binding commitment to extend credit or for the extension of immediately available  
 228 credit whether or not drawn upon and whether or not a charge-back is provided for in the event of  
 229 difficulties in collection; or

230 (b) as security for or in total or partial satisfaction of a pre-existing claim; or

231 (c) by accepting delivery pursuant to a pre-existing contract for purchase; or

232 (d) generally, in return for any consideration sufficient to support a simple contract.

233 (45) "Warehouse receipt" means a receipt issued by a person engaged in the business of storing  
 234 goods for hire.

235 (46) "Written" or "writing" includes printing, typewriting or any other intentional reduction to  
 236 tangible form.

(4) In addition Title 8.1 contains general definitions and principles of construction and interpretation applicable throughout this title.

§ 8.2-210. Delegation of performance; assignment of rights.

(1) A party may perform his duty through a delegate unless otherwise agreed or unless the other party has a substantial interest in having his original promisor perform or control the acts required by the contract. No delegation of performance relieves the party delegating of any duty to perform or any liability for breach.

(2) *Except as otherwise provided in § 8.9A-406*, unless otherwise agreed all rights of either seller or buyer can be assigned except where the assignment would materially change the duty of the other party, or increase materially the burden or risk imposed on him by his contract, or impair materially his chance of obtaining return performance. A right to damages for breach of the whole contract or a right arising out of the assignor's due performance of his entire obligation can be assigned despite agreement otherwise.

(3) *The creation, attachment, perfection, or enforcement of a security interest in the seller's interest under a contract is not a transfer that materially changes the duty of or increases materially the burden or risk imposed on the buyer or impairs materially the buyer's chance of obtaining return performance within the purview of subsection (2) unless, and then only to the extent that, enforcement actually results in a delegation of material performance of the seller. Even in that event, the creation, attachment, perfection, and enforcement of the security interest remain effective, but (i) the seller is liable to the buyer for damages caused by the delegation to the extent that the damages could not reasonably be prevented by the buyer and (ii) a court having jurisdiction may grant other appropriate relief, including cancellation of the contract for sale or an injunction against enforcement of the security interest or consummation of the enforcement.*

(4) Unless the circumstances indicate the contrary a prohibition of assignment of "the contract" is to be construed as barring only the delegation to the assignee of the assignor's performance.

(4) (5) An assignment of "the contract" or of "all my rights under the contract" or an assignment in similar general terms is an assignment of rights and unless the language or the circumstances (as in an assignment for security) indicate the contrary, it is a delegation of performance of the duties of the assignor and its acceptance by the assignee constitutes a promise by him to perform those duties. This promise is enforceable by either the assignor or the other party to the original contract.

~~(5)~~ (6) The other party may treat any assignment which delegates performance as creating reasonable grounds for insecurity and may without prejudice to his rights against the assignor demand assurances from the assignee (§ 8.2-609).

§ 8.2-326. Sale on approval and sale or return; rights of creditors.

(1) Unless otherwise agreed, if delivered goods may be returned by the buyer even though they conform to the contract, the transaction is

(a) a "sale on approval" if the goods are delivered primarily for use; and

(b) a "sale or return" if the goods are delivered primarily for resale.

(2) ~~Except as provided in subsection (3),~~ Goods held on approval are not subject to the claims of the buyer's creditors until acceptance; goods held on sale or return are subject to such claims while in the buyer's possession.

~~(3) Where goods are delivered to a person for sale and such person maintains a place of business at which he deals in goods of the kind involved, under a name other than the name of the person making delivery, then with respect to claims of creditors of the person conducting the business the goods are deemed to be on sale or return. The provisions of this subsection are applicable even though an agreement purports to reserve title to the person making delivery until payment or resale or uses such words as "on consignment" or "on memorandum." However, this subsection is not applicable if the person making delivery~~

~~(a) complies with an applicable law providing for a consignor's interest or the like to be evidenced by a sign, or~~

~~(b) establishes that the person conducting the business is generally known by his creditors to be substantially engaged in selling the goods of others, or~~

~~(c) complies with the filing provisions of the title on secured transactions (Title 8-9).~~

~~(4)~~ (3) Any "or return" term of a contract for sale is to be treated as a separate contract for sale within the statute of frauds section of this title (§ 8.2-201) and as contradicting the sale aspect of the contract within the provisions of this title on parol or extrinsic evidence (§ 8.2-202).

§ 8.2-502. Buyer's right to goods on seller's repudiation, failure to deliver, or insolvency.

(1) Subject to subsection (2) *and* (3) and even though the goods have not been shipped a buyer who has paid a part or all of the price of goods in which he has a special property under the provisions of the immediately preceding section (§ 8.2-501) may on making and keeping good a tender of any unpaid portion of their price recover them from the seller if:

(a) *in the case of goods bought for personal, family, or household purposes, the seller repudiates or fails to deliver as required by the contract; or*

(b) *in all cases, the seller becomes insolvent within ten days after receipt of the first installment on their price.*

(2) *The buyer's right to recover the goods under subsection (1) (a) vests upon acquisition of a special property, even if the seller had not then repudiated or failed to deliver.*

(3) If the identification creating his special property has been made by the buyer he acquires the right to recover the goods only if they conform to the contract for sale.

§ 8.2-716. Buyer's right to specific performance or detinue.

(1) Specific performance may be decreed where the goods are unique or in other proper circumstances.

(2) The decree for specific performance may include such terms and conditions as to payment of the price, damages, or other relief as the court may deem just.

(3) The buyer has a right of detinue for goods identified to the contract if after reasonable effort he is unable to effect cover for such goods or the circumstances reasonably indicate that such effort will be unavailing or if the goods have been shipped under reservation and satisfaction of the security interest in them has been made or tendered. *In the case of goods bought for personal, family, or household purposes, the buyer's right of detinue vests upon acquisition of a special property, even if the seller had not then repudiated or failed to deliver.*

§ 8.2A-103. Definitions and index of definitions.

(1) In this title unless the context otherwise requires:

(a) "Buyer in ordinary course of business" means a person who in good faith and without knowledge that the sale to him or her is in violation of the ownership rights or security interest or leasehold interest

of a third party in the goods, buys in ordinary course from a person in the business of selling goods of that kind but does not include a pawnbroker. "Buying" may be for cash or by exchange of other property or on secured or unsecured credit and includes receiving goods or documents of title under a pre-existing contract for sale but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.

(b) "Cancellation" occurs when either party puts an end to the lease contract for default by the other party.

(c) "Commercial unit" means such a unit of goods as by commercial usage is a single whole for purposes of lease and division of which materially impairs its character or value on the market or in use. A commercial unit may be a single article, as a machine, or a set of articles, as a suite of furniture or a line of machinery, or a quantity, as a gross or carload, or any other unit treated in use or in the relevant market as a single whole.

(d) "Conforming" goods or performance under a lease contract means goods or performance that are in accordance with the obligations under the lease contract.

(e) "Consumer lease" means a lease that a lessor regularly engaged in the business of leasing or selling makes to a lessee who is an individual and who takes under the lease primarily for a personal, family, or household purpose.

(i) The lessor does not select, manufacture, or supply the goods;

(A) The lessee receives a copy of the contract by which the lessor acquired the goods or the right to possession and use of the goods before signing the lease contract;

(B) The lessee's approval of the contract by which the lessor acquired the goods or the right to possession and use of the goods is a condition to effectiveness of the lease contract;

(C) The lessee, before signing the lease contract, receives an accurate and complete statement designating the promises and warranties, and any disclaimers of warranties, limitations or modifications of remedies, or liquidated damages, including those of a third party, such as the manufacturer of the goods, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods; or

(D) If the lease is not a consumer lease, the lessor, before the lessee signs the lease contract, informs the lessee in writing (a) of the identity of the person supplying the goods to the lessor, unless the lessee has selected that person and directed the lessor to acquire the goods or the right to possession and use of the goods from that person, (b) that the lessee is entitled under this title to the promises and warranties, including those of any third party, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods, and (c) that the lessee may communicate with the person supplying the goods to the lessor and receive an accurate and complete statement of those promises and warranties, including any disclaimers and limitations of them or of remedies.

(h) "Goods" means all things that are movable at the time of identification to the lease contract, or are fixtures (§ 8.2A-309), but the term does not include money, documents, instruments, accounts, chattel paper, general intangibles, or minerals or the like, including oil and gas, before extraction. The term also includes the unborn young of animals.

(i) "Installment lease contract" means a lease contract that authorizes or requires the delivery of goods in separate lots to be separately accepted, even though the lease contract contains a clause "each delivery is a separate lease" or its equivalent.

(j) "Lease" means a transfer of the right to possession and use of goods for a term in return for consideration, but a sale, including a sale on approval or a sale or return, or retention or creation of a security interest is not a lease. Unless the context clearly indicates otherwise, the term includes a sublease.

(k) "Lease agreement" means the bargain, with respect to the lease, of the lessor and the lessee in fact as found in their language or by implication from other circumstances including course of dealing or usage of trade or course of performance as provided in this title. Unless the context clearly indicates otherwise, the term includes a sublease agreement.

(l) "Lease contract" means the total legal obligation that results from the lease agreement as affected by this title and any other applicable rules of law. Unless the context clearly indicates otherwise, the term includes a sublease contract.

(m) "Leasehold interest" means the interest of the lessor or the lessee under a lease contract.

(n) "Lessee" means a person who acquires the right to possession and use of goods under a lease.

423 Unless the context clearly indicates otherwise, the term includes a sublessee.

424 (o) "Lessee in ordinary course of business" means a person who in good faith and without  
 425 knowledge that the lease to him or her is in violation of the ownership rights or security interest or  
 426 leasehold interest of a third party in the goods leases in ordinary course from a person in the business of  
 427 selling or leasing goods of that kind but does not include a pawnbroker. "Leasing" may be for cash or  
 428 by exchange of other property or on secured or unsecured credit and includes receiving goods or  
 429 documents of title under a pre-existing lease contract but does not include a transfer in bulk or as  
 430 security for or in total or partial satisfaction of a money debt.

431 (p) "Lessor" means a person who transfers the right to possession and use of goods under a lease.  
 432 Unless the context clearly indicates otherwise, the term includes a sublessor.

433 (q) "Lessor's residual interest" means the lessor's interest in the goods after expiration, termination, or  
 434 cancellation of the lease contract.

435 (r) "Lien" means a charge against or interest in goods to secure payment of a debt or performance of  
 436 an obligation, but the term does not include a security interest.

437 (s) "Lot" means a parcel or a single article that is the subject matter of a separate lease or delivery,  
 438 whether or not it is sufficient to perform the lease contract.

439 (t) "Merchant lessee" means a lessee that is a merchant with respect to goods of the kind subject to  
 440 the lease.

441 (u) "Present value" means the amount as of a date certain of one or more sums payable in the future,  
 442 discounted to the date certain. The discount is determined by the interest rate specified by the parties if  
 443 the rate was not manifestly unreasonable at the time the transaction was entered into; otherwise, the  
 444 discount is determined by a commercially reasonable rate that takes into account the facts and  
 445 circumstances of each case at the time the transaction was entered into.

446 (v) "Purchase" includes taking by sale, lease, mortgage, security interest, pledge, gift, or any other  
 447 voluntary transaction creating an interest in goods.

448 (w) "Sublease" means a lease of goods the right to possession and use of which was acquired by the  
 449 lessor as a lessee under an existing lease.

450 (x) "Supplier" means a person from whom a lessor buys or leases goods to be leased under a finance  
 451 lease.

452 (y) "Supply contract" means a contract under which a lessor buys or leases goods to be leased.

453 (z) "Termination" occurs when either party pursuant to a power created by agreement or law puts an  
 454 end to the lease contract otherwise than for default.

§ 8.2A-303. Alienability of party's interest under lease contract or of lessor's residual interest in goods; delegation of performance; transfer of rights.

(1) As used in this section, "creation of a security interest" includes the sale of a lease contract that is subject to Title 8-9 8.9A, Secured Transactions, by reason of subdivision (1) (b) (a) (3) of § 8.9-102 § 8.9A-109.

(2) Except as provided in ~~subsections~~ *subsection (3) of this section* and (4) of this section § 8.9A-407, a provision in a lease agreement which (i) prohibits the voluntary or involuntary transfer, including a transfer by sale, sublease, creation or enforcement of a security interest, or attachment, levy, or other judicial process, of an interest of a party under the lease contract or of the lessor's residual interest in the goods, or (ii) makes such a transfer an event of default, gives rise to the rights and remedies provided in subsection (5) (4) of this section, but a transfer that is prohibited or is an event of default under the lease agreement is otherwise effective.

(3) A provision in a lease agreement which (i) prohibits the creation or enforcement of a security interest in an interest of a party under the lease contract or in the lessor's residual interest in the goods, or (ii) makes such a transfer an event of default, is not enforceable unless, and then only to the extent that, there is an actual transfer by the lessee of the lessee's right of possession or use of the goods in violation of the provision or an actual delegation of a material performance of either party to the lease contract in violation of the provision. Neither the granting nor the enforcement of a security interest in (i) the lessor's interest under the lease contract or (ii) the lessor's residual interest in the goods is a transfer that materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the lessee within the purview of subsection (5) of this section unless, and then only to the extent that, there is an actual delegation of a material performance of the lessor.

(4) (3) A provision in a lease agreement which (i) prohibits a transfer of a right to damages for default with respect to the whole lease contract or of a right to payment arising out of the transferor's due performance of the transferor's entire obligation, or (ii) makes such a transfer an event of default, is not enforceable, and such a transfer is not a transfer that materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the other party to the lease contract within the purview of subsection (5) (4) of this section.

(5) (4) Subject to ~~subsections~~ *subsection (3) of this section* and (4) of this section if § 8.9A-407:

(a) If a transfer is made which is made an event of default under a lease agreement, the party to the lease contract not making the transfer, unless that party waives the default or otherwise agrees, has the rights and remedies described in subsection (2) of § 8.2A-501;

(b) Subdivision (a) of this subsection is not applicable and if a transfer is made that (i) is prohibited under a lease agreement or (ii) materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the other party to the lease contract, unless the party not making the transfer agrees at any time to the transfer in the lease contract or otherwise, then, except as limited by contract, (i) the transferor is liable to the party not making the transfer for damages caused by the transfer to the extent that the damages could not reasonably be prevented by the party not making the transfer and (ii) a court having jurisdiction may grant other appropriate relief, including cancellation of the lease contract or an injunction against the transfer.

(6) (5) A transfer of "the lease" or of "all my rights under the lease," or a transfer in similar general terms, is a transfer of rights and, unless the language or the circumstances, as in a transfer for security, indicate the contrary, the transfer is a delegation of duties by the transfer to the transferee. Acceptance by the transferee constitutes a promise by the transferee to perform those duties. The promise is enforceable by either the transfer or the other party to the lease contract.

(7) (6) Unless otherwise agreed by the lessor and the lessee, a delegation of performance does not relieve the transferor as against the other party of any duty to perform or of any liability for default.

(8) (7) In a consumer lease, to prohibit the transfer of an interest of a party under the lease contract or to make a transfer an event of default, the language shall be specific, by a writing, and conspicuous.

§ 8.2A-307. Priority of liens arising by attachment or levy on, security interests in, and other claims to goods.

(1) Except as otherwise provided in § 8.2A-306, a creditor of a lessee takes subject to the lease contract.

(2) Except as otherwise provided in ~~subsections~~ *subsection (3) and (4) of this section* and in §§ 8.2A-306 and 8.2A-308, a creditor of a lessor takes subject to the lease contract unless

(a) the creditor holds a lien that attached to the goods before the lease contract became enforceable;

(b) The creditor holds a security interest in the goods and the lessee did not give value and receive delivery of the goods without knowledge of the security interest; or

(c) The creditor holds a security interest in the goods which was perfected (§ 8.9-303) before the

lease contract became enforceable.

(3) A lessee in the ordinary course of business takes the leasehold interest free of a security interest in the goods created by the lessor even though the security interest is perfected (§ 8.9-303) and the lessee knows of its existence.

(4) A lessee other than a lessee in the ordinary course of business takes the leasehold interest free of a security interest to the extent that it secures future advances made after the secured party acquires knowledge of the lease or more than forty-five days after the lease contract becomes enforceable, whichever first occurs, unless the future advances are made pursuant to a commitment entered into without knowledge of the lease and before the expiration of the forty-five day period.

(3) *Except as otherwise provided in §§ 8.9A-317, 8.9A-321, and 8.9A-323, a lessee takes a leasehold interest subject to a security interest held by a creditor of the lessor.*

§ 8.2A-309. Lessor's and lessee's rights when goods become fixtures.

(1) In this section:

(a) Goods are "fixtures" when they become so related to particular real estate that an interest in them arises under real estate law;

(b) A "fixture filing" is the filing, in the office where a *record of a mortgage* on the real estate would be filed or recorded, of a financing statement covering goods that are or are to become fixtures and conforming to the requirements of ~~subsection (5) of § 8.9-402~~ *subsections (a) and (b) of § 8.9A-502*;

(c) A lease is a "purchase money lease" unless the lessee has possession or use of the goods or the right to possession or use of the goods before the lease agreement is enforceable;

(d) A mortgage is a "construction mortgage" to the extent it secures an obligation incurred for the construction of an improvement on land including the acquisition cost of the land, if the recorded writing so indicates; and

(e) "Encumbrance" includes real estate mortgages and other liens on real estate and all other rights in real estate that are not ownership interests.

(2) Under this title a lease may be of goods that are fixtures or may continue in goods that become fixtures, but no lease exists under this title of ordinary building materials incorporated into an improvement on land.

(3) This title does not prevent creation of a lease of fixtures pursuant to real estate law.

(4) The perfected interest of a lessor of fixtures has priority over a conflicting interest of an encumbrancer or owner of the real estate if:

(a) The lease is a purchase money lease, the conflicting interest of the encumbrancer or owner arises before the goods become fixtures, the interest of the lessor is perfected by a fixture filing before the goods become fixtures or within ten days thereafter, and the lessee has an interest of record in the real estate or is in possession of the real estate; or

(b) The interest of the lessor is perfected by a fixture filing before the interest of the encumbrancer or owner is of record, the lessor's interest has priority over any conflicting interest of a predecessor in title of the encumbrancer or owner, and the lessee has an interest of record in the real estate or is in possession of the real estate.

(5) The interest of a lessor of fixtures, whether or not perfected, has priority over the conflicting interest of an encumbrancer or owner of the real estate if:

(a) The fixtures are readily removable factory or office machines, readily removable equipment that is not primarily used or leased for use in the operation of the real estate, or readily removable replacements of domestic appliances that are goods subject to a consumer lease, and before the goods become fixtures the lease contract is enforceable;

(b) The conflicting interest is a lien on the real estate obtained by legal or equitable proceedings after the lease contract is enforceable;

(c) The encumbrancer or owner has consented in writing to the lease or has disclaimed an interest in the goods as fixtures; or

(d) The lessee has a right to remove the goods as against the encumbrancer or owner. If the lessee's right to remove terminates, the priority of the interest of the lessor continues for a reasonable time.

(6) Notwithstanding subdivision (4) (a) of this section, but otherwise subject to subsections (4) and (5) of this section, the interest of a lessor of fixtures, including the lessor's residual interest, is subordinate to the conflicting interest of an encumbrancer of the real estate under a construction mortgage recorded before the goods become fixtures if the goods become fixtures before the completion of the construction. To the extent given to refinance a construction mortgage, the conflicting interest of an encumbrancer of the real estate under a mortgage has this priority to the same extent as the encumbrancer of the real estate under the construction mortgage.

(7) In cases not within the preceding subsections, priority between the interest of a lessor of fixtures, including the lessor's residual interest, and the conflicting interest of an encumbrancer or owner of the real estate who is not the lessee is determined by the priority rules governing conflicting interests in real

estate.

(8) If the interest of a lessor of fixtures, including the lessor's residual interest, has priority over all conflicting interests of all owners and encumbrancers of the real estate, the lessor or the lessee may (i) on default, expiration, termination, or cancellation of the lease agreement but subject to the lease agreement and this title, or (ii) if necessary to enforce other rights and remedies of the lessor or lessee under this title, remove the goods from the real estate, free and clear of all conflicting interests of all owners and encumbrancers of the real estate, but the lessor or lessee must reimburse any encumbrancer or owner of the real estate who is not the lessee and who has not otherwise agreed for the cost of repair of any physical injury, but not for any diminution in value of the real estate caused by the absence of the goods removed or by any necessity of replacing them. A person entitled to reimbursement may refuse permission to remove until the party seeking removal gives adequate security for the performance of this obligation.

(9) Even though the lease agreement does not create a security interest, the interest of a lessor of fixtures, including the lessor's residual interest, is perfected by filing a financing statement as a fixture filing for leased goods that are or are to become fixtures in accordance with the relevant provisions of the title on secured transactions (Title 8.9 8.9A).

§ 8.4-208. Security interest of collecting bank in items, accompanying documents and proceeds.

(a) A collecting bank has a security interest in an item and any accompanying documents or the proceeds of either:

(1) in case of an item deposited in an account to the extent to which credit given for the item has been withdrawn or applied;

(2) in case of an item for which it has given credit available for withdrawal as of right, to the extent of the credit given, whether or not the credit is drawn upon or there is a right of charge-back; or

(3) if it makes an advance on or against the item.

(b) If credit given for several items received at one time or pursuant to a single agreement is withdrawn or applied in part, the security interest remains upon all the items, any accompanying documents or the proceeds of either. For the purpose of this section, credits first given are first withdrawn.

(c) Receipt by a collecting bank of a final settlement for an item is a realization on its security interest in the item, accompanying documents and proceeds. So long as the bank does not receive final settlement for the item or give up possession of the item or accompanying documents for purposes other than collection, the security interest continues to that extent and is subject to Title 8.9 8.9A but:

(1) no security agreement is necessary to make the security interest enforceable (~~subsection (1) (b) of § 8.9-203 subdivision (b) (3) (A) of § 8.9A-203~~); and

(2) no filing is required to perfect the security interest; and

(3) the security interest has priority over conflicting perfected security interests in the item, accompanying documents or proceeds.

§ 8.5A-117.1. Security interest of issuer or nominated person.

(a) An issuer or nominated person has a security interest in a document presented under a letter of credit to the extent that the issuer or nominated person honors or gives value for the presentation.

(b) So long as and to the extent that an issuer or nominated person has not been reimbursed or has not otherwise recovered the value given with respect to a security interest in a document under subsection (a), the security interest continues and is subject to Title 8.9A, but:

(1) a security agreement is not necessary to make the security interest enforceable under subdivision (b) (3) of § 8.9A-203;

(2) if the document is presented in a medium other than a written or other tangible medium, the security interest is perfected; and

(3) if the document is presented in a written or other tangible medium and is not a certificated security, chattel paper, a document of title, an instrument, or a letter of credit, the security interest is perfected and has priority over a conflicting security interest in the document so long as the debtor does not have possession of the document.

§ 8.6A-102. Definitions and index of definitions.

(1) In this title, unless the context otherwise requires:

(a) "Assets" means the inventory that is the subject of a bulk sale and any tangible and intangible personal property used or held for use primarily in or arising from the seller's business and sold in connection with that inventory, but the term does not include:

(i) Fixtures (~~§ 8.9-313 (1) (a)~~) as described in subdivision (a) (41) of § 8.9A-102, other than readily removable factory and office machines;

(ii) The lessee's interest in a lease of real property; or

(iii) Property to the extent it is generally exempt from creditor process under nonbankruptcy law.

(b) "Auctioneer" means a person whom the seller engages to direct, conduct, control, or be

667 responsible for a sale by auction.

668 (c) "Bulk sale" means:

669 (i) In the case of a sale by auction or a sale or series of sales conducted by a liquidator on the  
 670 seller's behalf, a sale or series of sales not in the ordinary course of the seller's business of more than  
 671 half of the seller's inventory as measured by value on the date of the bulk sale agreement, if on that date  
 672 the auctioneer or liquidator has notice, or after reasonable inquiry would have had notice, that the seller  
 673 will not continue to operate the same or a similar kind of business after the sale or series of sales; and

674 (ii) In all other cases, a sale not in the ordinary course of the seller's business of more than half the  
 675 seller's inventory, as measured by value on the date of the bulk-sale agreement, if on that date the buyer  
 676 has notice, or after reasonable inquiry would have had notice, that the seller will not continue to operate  
 677 the same or a similar kind of business after the sale.

678 (d) "Claim" means a right to payment from the seller, whether or not the right is reduced to  
 679 judgment, liquidated, fixed, matured, disputed, secured, legal, or equitable. The term includes costs of  
 680 collection and attorney's fees only to the extent that the laws of this state permit the holder of the claim  
 681 to recover them in an action against the obligor.

682 (e) "Claimant" means a person holding a claim incurred in the seller's business other than:

683 (i) An unsecured and unmatured claim for employment compensation and benefits, including  
 684 commissions and vacation, severance, and sick leave pay;

685 (ii) A claim for injury to an individual or to property, or for breach of warranty, unless:

686 (A) A right of action for the claim has accrued;

687 (B) The claim has been asserted against the seller; and

688 (C) The seller knows the identity of the person asserting the claim and the basis upon which the  
 689 person has asserted it; and

690 (iii) A claim for taxes owing to a governmental unit.

691 (f) "Creditor" means a claimant or other person holding a claim.

692 (g) "Date of the bulk sale" means:

693 (A) If the sale is by auction or is conducted by a liquidator on the seller's behalf, the date on which  
 694 more than ten percent of the net proceeds is paid to or for the benefit of the seller; and

695 (B) In all other cases, the later of the date on which:

696 (i) More than ten percent of the net contract price is paid to or for the benefit of the seller; or

697 (ii) More than ten percent of the assets, as measured by value, are transferred to the buyer.

698 (iii) For purposes of this subsection:

699 (A) Delivery of a negotiable instrument (§ 8.3A-104(a)) to or for the benefit of the seller in exchange  
 700 for assets constitutes payment of the contract price pro tanto;

701 (B) To the extent that the contract price is deposited in an escrow account, the contract price is paid  
 702 to or for the benefit of the seller when the seller acquires the unconditional right to receive the deposit  
 703 or when the deposit is delivered to the seller or for the benefit of the seller, whichever is earlier; and

704 (C) An asset is transferred when a person holding an unsecured claim can no longer obtain through  
 705 judicial proceedings rights to the asset that are superior to those of the buyer arising as a result of the  
 706 bulk sale. A person holding an unsecured claim can obtain those superior rights to a tangible asset at  
 707 least until the buyer has an unconditional right, under the bulk sale agreement, to possess the asset, and  
 708 a person holding an unsecured claim can obtain those superior rights to an intangible asset at least until  
 709 the buyer has an unconditional right, under the bulk sale agreement, to use the asset.

710 (h) "Date of the bulk sale agreement" means:

711 (i) In the case of a sale by auction or conducted by a liquidator (subsection (c) (i)), the date on  
 712 which the seller engages the auctioneer or liquidator; and

713 (ii) In all other cases, the date on which a bulk sale agreement becomes enforceable between the  
 714 buyer and the seller.

715 (i) "Debt" means liability on a claim.

716 (j) "Liquidator" means a person who is regularly engaged in the business of disposing of assets for  
 717 businesses contemplating liquidation or dissolution.

718 (k) "Net contract price" means the new consideration the buyer is obligated to pay for the assets less:

719 (i) The amount of any proceeds of the sale of an asset to the extent that the proceeds are applied in  
 720 partial or total satisfaction of a debt secured by the asset; and

721 (ii) The amount of any debt to the extent it is secured by a security interest or lien that is  
 722 enforceable against the asset before and after it has been sold to a buyer. If a debt is secured by an asset  
 723 and other property of the seller, the amount of the debt secured by a security interest or lien that is  
 724 enforceable against the asset is determined by multiplying the debt by a fraction, the numerator of which  
 725 is the value of the new consideration for the asset on the date of the bulk sale and the denominator of  
 726 which is the value of all property securing the debt on the date of the bulk sale.

727 (l) "Net proceeds" means the new consideration received for assets sold at a sale by auction or a sale

conducted by a liquidator on the seller's behalf less:

(i) Commissions and reasonable expenses of the sale;

(ii) The amount of any proceeds of the sale of an asset, to the extent that the proceeds are applied in partial or total satisfaction of a debt secured by the asset; and

(iii) The amount of any debt to the extent it is secured by a security interest or lien that is enforceable against the asset before and after it has been sold to a buyer. If a debt is secured by an asset and other property of the seller, the amount of the debt secured by a security interest or lien that is enforceable against the asset is determined by multiplying the debt by a fraction, the numerator of which is the value of the new consideration for the asset on the date of the bulk sale and the denominator of which is the value of all property securing the debt on the date of the bulk sale.

(m) A sale is "in the ordinary course of the seller's business" if the sale comports with usual or customary practices in the kind of business in which the seller is engaged or with the seller's own usual or customary practices.

(n) "United States" includes its territories and possessions and the Commonwealth of Puerto Rico.

(o) "Value" means fair market value.

(p) "Verified" means signed and sworn to or affirmed.

(2) The following definitions in other titles apply to this title:

(a) "Buyer" - § 8.2-103 (1) (a);

(b) "Equipment" - § ~~8.9-109~~ (2) 8.9A-102 (a) (33);

(c) "Inventory" - § ~~8.9-109~~ (4) 8.9A-102 (a) (48);

(d) "Sale" - § 8.2-106 (1);

(e) "Seller" - § 8.2-103 (1) (d).

(3) In addition, Title 8.1 contains general definitions and principles of construction and interpretation applicable throughout this title.

§ 8.6A-103. Applicability of title.

(1) Except as otherwise provided in subsection (3), this title applies to a bulk sale if:

(a) The seller's principal business is the sale of inventory from stock; and

(b) On the date of the bulk sale agreement the seller is located in this state or, if the seller is located in a jurisdiction that is not a part of the United States, the seller's major executive office in the United States is in this state.

(2) A seller is deemed to be located at his or her place of business. If a seller has more than one place of business, the seller is deemed located at his or her chief executive office.

(3) This title does not apply to:

(a) A transfer made to secure payment or performance of an obligation;

(b) A transfer of collateral to a secured party pursuant to § ~~8.9-503~~ 8.9A-609;

 1373 that the security interest secures a purchase-money obligation incurred with respect to other inventory  
 1374 in which the secured party holds or held a purchase-money security interest; and

 1376 respect to software in which the secured party holds or held a purchase-money security interest.  
 1377 (c) Purchase-money security interest in software. A security interest in software is a purchase-money  
 1378 security interest to the extent that the security interest also secures a purchase-money obligation

 1380 interest if:  
 1381 (1) the debtor acquired its interest in the software in an integrated transaction in which it acquired

 1388 consumer-goods transaction, if the extent to which a security interest is a purchase-money security

 1390 applied:  
 1391 (1) in accordance with any reasonable method of application to which the parties agree;  
 1392 (2) in the absence of the parties' agreement to a reasonable method, in accordance with any

 1400 transaction other than a consumer-goods transaction, a purchase-money security interest does not lose

 1403 obligation;

1404 (2) collateral that is not purchase-money collateral also secures the purchase-money obligation; or

 1408 of establishing the extent to which the security interest is a purchase-money security interest.

1409 (h) Nonconsumer-goods transactions; no inference. The limitation of the rules in subsections (e), (f),  
 1410 and (g) to transactions other than consumer-goods transactions is intended to leave to the court the  
 1411 determination of the proper rules in consumer-goods transactions. The court may not infer from that  
 1412 limitation the nature of the proper rule in consumer-goods transactions and may continue to apply  
 1413 established approaches.

1414 (i) Goods covered by negotiable document. The attachment of a security interest in a negotiable  
 1415 document is also attachment of a security interest in the goods covered by the negotiable document.

 1452 the extent of any right to payment or performance by the issuer or any nominated person if the issuer or

 1454 of § 8.5A-114 or otherwise applicable law or practice.

1456 (a) Sufficiency of description. Except as otherwise provided in subsections (c), (d), and (e), a  
 1457 description of personal or real property is sufficient, whether or not it is specific, if it reasonably  
 1458 identifies what is described.

- (4) quantity;
- (5) computational or allocational formula or procedure; or

(d) Investment property. Except as otherwise provided in subsection (e), a description of a security entitlement, securities account, or commodity account is sufficient if it describes:

- (1) the collateral by those terms or as investment property; or
- (2) the underlying financial asset or commodity contract.

(e) When description by type insufficient. A description only by type of collateral defined in the Uniform Commercial Code is an insufficient description of:

- (1) a commercial tort claim; or
- (2) in a consumer transaction, consumer goods, a security entitlement, a securities account, or a commodity account.

Part 2.

Effectiveness of Security Agreement;

Attachment of Security Interest;

Rights of Parties to Security Agreement.

Subpart 1.

Effectiveness and Attachment.

§ 8.9A-201. General effectiveness of security agreement.

(a) General effectiveness. Except as otherwise provided in the Uniform Commercial Code, a security agreement is effective according to its terms between the parties, against purchasers of the collateral, and against creditors.

(b) Applicable consumer laws and other law. A transaction subject to this title is subject to any applicable rule of law which establishes a different rule for consumers.

(c) Other applicable law controls. In case of conflict between this title and a rule of law, statute, or regulation described in subsection (b), the rule of law, statute, or regulation controls. Failure to comply with a statute or regulation described in subsection (b) has only the effect the statute or regulation specifies.

(d) Further deference to other applicable law. This title does not:

(1) validate any rate, charge, agreement, or practice that violates a rule of law, statute, or regulation described in subsection (b); or

(2) extend the application of the rule of law, statute, or regulation to a transaction not otherwise subject to it.

§ 8.9A-202. Title to collateral immaterial.

Except as otherwise provided with respect to consignments or sales of accounts, chattel paper, payment intangibles, or promissory notes, the provisions of this title with regard to rights and obligations apply whether title to collateral is in the secured party or the debtor.

§ 8.9A-203. Attachment and enforceability of security interest; proceeds, supporting obligations; formal requisites.

(a) Attachment. A security interest attaches to collateral when it becomes enforceable against the debtor with respect to the collateral, unless an agreement expressly postpones the time of attachment.

(b) Enforceability. Except as otherwise provided in subsections (c) through (i), a security interest is enforceable against the debtor and third parties with respect to the collateral only if:

(1) value has been given;

(2) the debtor has rights in the collateral or the power to transfer rights in the collateral to a secured party; and

- (3) one of the following conditions is met:
- (A) the debtor has authenticated a security agreement that provides a description of the collateral and, if the security interest covers timber to be cut, a description of the land concerned;
  - (B) the collateral is not a certificated security and is in the possession of the secured party under § 8.9A-313 pursuant to the debtor's security agreement;
  - (C) the collateral is a certificated security in registered form and the security certificate has been delivered to the secured party under § 8.8A-301 pursuant to the debtor's security agreement; or
  - (D) the collateral is deposit accounts, electronic chattel paper, investment property, or letter-of-credit rights, and the secured party has control under §§ 8.9A-104, 8.9A-105, 8.9A-106, or § 8.9A-107 pursuant to the debtor's security agreement.
- (c) Other UCC provisions. Subsection (b) is subject to § 8.4-210 on the security interest of a collecting bank, § 8.5A-118 on the security interest of a letter-of-credit issuer or nominated person, § 8.9A-110 on a security interest arising under Title 8.2 or 8.2A, and § 8.9A-206 on security interests in investment property.
- (d) When person becomes bound by another person's security agreement. A person becomes bound as debtor by a security agreement entered into by another person if, by operation of law other than this title or by contract:
- (1) the security agreement becomes effective to create a security interest in the person's property; or
  - (2) the person becomes generally obligated for the obligations of the other person, including the obligation secured under the security agreement, and acquires or succeeds to all or substantially all of the assets of the other person.
- (e) Effect of new debtor becoming bound. If a new debtor becomes bound as debtor by a security agreement entered into by another person:
- (1) the agreement satisfies subdivision (b) (3) with respect to existing or after-acquired property of the new debtor to the extent the property is described in the agreement; and
  - (2) another agreement is not necessary to make a security interest in the property enforceable.
- (f) Proceeds and supporting obligations. The attachment of a security interest in collateral gives the secured party the rights to proceeds provided by § 8.9A-315 and is also attachment of a security interest in a supporting obligation for the collateral.
- (g) Lien securing right to payment. The attachment of a security interest in a right to payment or performance secured by a security interest or other lien on personal or real property is also attachment of a security interest in the security interest, mortgage, or other lien.
- (h) Security entitlement carried in securities account. The attachment of a security interest in a securities account is also attachment of a security interest in the security entitlements carried in the securities account.
- (i) Commodity contracts carried in commodity account. The attachment of a security interest in a commodity account is also attachment of a security interest in the commodity contracts carried in the commodity account.
- § 8.9A-204. After-acquired property; future advances.
- (a) After-acquired collateral. Except as otherwise provided in subsection (b), a security agreement may create or provide for a security interest in after-acquired collateral.
  - (b) When after-acquired property clause not effective. A security interest does not attach under a term constituting an after-acquired property clause to:
    - (1) consumer goods, other than an accession when given as additional security, unless the debtor acquires rights in them within ten days after the secured party gives value; or
    - (2) a commercial tort claim.
  - (c) Future advances and other value. A security agreement may provide that collateral secures, or that accounts, chattel paper, payment intangibles, or promissory notes are sold in connection with, future advances or other value, whether or not the advances or value are given pursuant to commitment.
- § 8.9A-204.1. Security interests in consumer goods.
- (a) Notwithstanding any other provision of the law to the contrary, a seller may take a security interest only in the goods sold; provided, however, this section shall apply only to the sale of consumer goods as defined in § 8.9-109 (1). Where the unpaid debts from two or more sales of consumer goods are consolidated into one debt payable on a single schedule of payments, and the consolidated debt is secured by security interests in the consumer goods sold, the payments made by the debtor under the consolidated schedule may be applied to the payment of the debts arising from the sales either (1) in the order in which the sales were made, starting with the first sale, or (2) in the same proportion as the original debts arising from the various sales bear to one another. To the extent debts are paid according to this section, security interests in the consumer goods sold will terminate as the debt originally incurred with respect to each item is paid.
  - (b) This section shall not apply to a sale of consumer goods purchased pursuant to an open-end

1643 credit plan, when previously purchased consumer goods were purchased pursuant to such plan. This  
 1644 section shall not apply to a security interest in a motor vehicle, trailer, or semitrailer which may be the  
 1645 subject of a certificate of title under Title 46.2.

1646 (c) A security interest created in violation of this section is void.

1647 § 8.9A-205. Use or disposition of collateral permissible.

1648 (a) When security interest not invalid or fraudulent. A security interest is not invalid or fraudulent  
 1649 against creditors solely because:

1650 (1) the debtor has the right or ability to:

1651 (A) use, commingle, or dispose of all or part of the collateral, including returned or repossessed  
 1652 goods;

1653 (B) collect, compromise, enforce, or otherwise deal with collateral;

1654 (C) accept the return of collateral or make repossessions; or

1655 (D) use, commingle, or dispose of proceeds; or

1656 (2) the secured party fails to require the debtor to account for proceeds or replace collateral.

1657 (b) Requirements of possession not relaxed. This section does not relax the requirements of  
 1658 possession if attachment, perfection, or enforcement of a security interest depends upon possession of  
 1659 the collateral by the secured party.

1660 § 8.9A-206. Security interest arising in purchase or delivery of financial asset.

1661 (a) Security interest when person buys through securities intermediary. A security interest in favor of  
 1662 a securities intermediary attaches to a person's security entitlement if:

1663 (1) the person buys a financial asset through the securities intermediary in a transaction in which  
 1664 the person is obligated to pay the purchase price to the securities intermediary at the time of the  
 1665 purchase; and

1666 (2) the securities intermediary credits the financial asset to the buyer's securities account before the  
 1667 buyer pays the securities intermediary.

1668 (b) Security interest secures obligation to pay for financial asset. The security interest described in  
 1669 subsection (a) secures the person's obligation to pay for the financial asset.

1670 (c) Security interest in payment against delivery transaction. A security interest in favor of a person  
 1671 that delivers a certificated security or other financial asset represented by a writing attaches to the  
 1672 security or other financial asset if:

1674 (A) in the ordinary course of business is transferred by delivery with any necessary indorsement or  
 1675 assignment; and

1676 (B) is delivered under an agreement between persons in the business of dealing with such securities  
 1677 or financial assets; and

1678 (2) the agreement calls for delivery against payment.

1679 (d) Security interest secures obligation to pay for delivery. The security interest described in  
 1680 subsection (c) secures the obligation to make payment for the delivery.

1887 commodity intermediary's jurisdiction.

1954 Subpart 2.

1956 § 8.9A-308. When security interest or agricultural lien is perfected; continuity of perfection.

1957 (a) Perfection of security interest. Except as otherwise provided in this section and § 8.9A-309, a  
1958 security interest is perfected if it has attached and all of the applicable requirements for perfection in  
1959 §§ 8.9A-310 through 8.9A-316 have been satisfied. A security interest is perfected when it attaches if the  
1960 applicable requirements are satisfied before the security interest attaches.

1961 (b) Perfection of agricultural lien. An agricultural lien is perfected if it has become effective and all  
1962 of the applicable requirements for perfection in § 8.9A-310 have been satisfied. An agricultural lien is  
1963 perfected when it becomes effective if the applicable requirements are satisfied before the agricultural  
1964 lien becomes effective.

1965 (c) Continuous perfection; perfection by different methods. A security interest or agricultural lien is  
1966 perfected continuously if it is originally perfected by one method under this title and is later perfected  
1967 by another method under this title, without an intermediate period when it was unperfected.

1968 (d) Supporting obligation. Perfection of a security interest in collateral also perfects a security  
1969 interest in a supporting obligation for the collateral.

1970 (e) Lien securing right to payment. Perfection of a security interest in a right to payment or  
1971 performance also perfects a security interest in a security interest, mortgage, or other lien on personal

1974 account also perfects a security interest in the security entitlements carried in the securities account.

2003 (a) General rule: perfection by filing. Except as otherwise provided in subsection (b) and § 8.9A-312  
2004 (b), a financing statement must be filed to perfect all security interests and agricultural liens.

2005 (b) Exceptions: filing not necessary. The filing of a financing statement is not necessary to perfect a  
2006 security interest:

2007 (1) that is perfected under § 8.9A-308 (d), (e), (f), or (g);

2008 (2) that is perfected under § 8.9A-309 when it attaches;

 2020 (c) Assignment of perfected security interest. If a secured party assigns a perfected security interest  
 2021 or agricultural lien, a filing under this title is not required to continue the perfected status of the  
 2022 security interest against creditors of and transferees from the original debtor.  
 2023 § 8.9A-311. Perfection of security interests in property subject to certain statutes, regulations, and  
 2024 treaties.  
 2025 (a) Security interest subject to other law. Except as otherwise provided in subsection (d), the filing of  
 2026 a financing statement is not necessary or effective to perfect a security interest in property subject to:  
 2027 (1) a statute, regulation, or treaty of the United States whose requirements for a security interest's  
 2028 obtaining priority over the rights of a lien creditor with respect to the property preempt § 8.9A-310 (a);  
 2029 (2) a certificate-of-title statute of this Commonwealth covering automobiles or other goods, which  
 2030 provides for a security interest to be indicated on the certificate as a condition to or result of perfection  
 2031 of the security interest; or  
 2032 (3) a certificate-of-title statute of another jurisdiction which provides for a security interest to be  
 2033 indicated on the certificate as a condition or result of the security interest's obtaining priority over the  
 2034 rights of a lien creditor with respect to the property.  
 2035 (b) Compliance with other law. Compliance with the requirements of a statute, regulation, or treaty  
 2036 described in subsection (a) for obtaining priority over the rights of a lien creditor is equivalent to the  
 2037 filing of a financing statement under this title. Except as otherwise provided in subsection (d) and  
 2038 §§ 8.9A-313 and 8.9A-316 (d) and (e) for goods covered by a certificate of title, a security interest in  
 2039 property subject to a statute, regulation, or treaty described in subsection (a) may be perfected only by  
 2040 compliance with those requirements, and a security interest so perfected remains perfected  
 2041 notwithstanding a change in the use or transfer of possession of the collateral.  
 2042 (c) Duration and renewal of perfection. Except as otherwise provided in subsection (d) and  
 2043 § 8.9A-316 (d) and (e), duration and renewal of perfection of a security interest perfected by compliance  
 2044 with the requirements prescribed by a statute, regulation, or treaty described in subsection (a) are  
 2045 governed by the statute, regulation, or treaty. In other respects, the security interest is subject to this  
 2046 title.  
 2047 (d) Inapplicability to certain inventory. During any period in which collateral subject to a statute  
 2048 specified in subsection (a) (2) is inventory held for sale or lease by a person or leased by that person  
 2049 as lessor and that person is in the business of selling goods of that kind, this section does not apply to  
 2050 a security interest in that collateral created by that person.  
 2051 § 8.9A-312. Perfection of security interests in chattel paper, deposit accounts, documents, goods  
 2052 covered by documents, instruments, investment property, letter-of-credit rights, and money; perfection by  
 2053 permissive filing, temporary perfection without filing or transfer of possession.  
 2054 (a) Perfection by filing permitted. A security interest in chattel paper, negotiable documents,  
 2055 instruments, or investment property may be perfected by filing.  
 2056 (b) Control or possession of certain collateral. Except as otherwise provided in § 8.9A-315 (c) and  
 2057 (d) for proceeds:  
 2058 (1) a security interest in a deposit account may be perfected only by control under § 8.9A-314;  
 2059 (2) and except as otherwise provided in § 8.9A-308 (d), a security interest in a letter-of-credit right  
 2060 may be perfected only by control under § 8.9A-314; and  
 2061 (3) a security interest in money may be perfected only by the secured party's taking possession under  
 2062 § 8.9A-313.  
 2063 (c) Goods covered by negotiable document. While goods are in the possession of a bailee that has  
 2064 issued a negotiable document covering the goods:  
 2065 (1) a security interest in the goods may be perfected by perfecting a security interest in the  
 2066 document; and  
 2067 (2) a security interest perfected in the document has priority over any security interest that becomes  
 2068 perfected in the goods by another method during that time.  
 2069 (d) Goods covered by nonnegotiable document. While goods are in the possession of a bailee that

has issued a nonnegotiable document covering the goods, a security interest in the goods may be perfected by:

- (1) issuance of a document in the name of the secured party;
- (2) the bailee's receipt of notification of the secured party's interest; or
- (3) filing as to the goods.

(e) *Temporary perfection: new value.* A security interest in certificated securities, negotiable documents, or instruments is perfected without filing or the taking of possession for a period of twenty days from the time it attaches to the extent that it arises for new value given under an authenticated security agreement.

(f) *Temporary perfection: goods or documents made available to debtor.* A perfected security interest in a negotiable document or goods in possession of a bailee, other than one that has issued a negotiable document for the goods, remains perfected for twenty days without filing if the secured party makes available to the debtor the goods or documents representing the goods for the purpose of:

- (1) ultimate sale or exchange; or
- (2) loading, unloading, storing, shipping, transshipping, manufacturing, processing, or otherwise dealing with them in a manner preliminary to their sale or exchange.

(g) *Temporary perfection: delivery of security certificate or instrument to debtor.* A perfected security interest in a certificated security or instrument remains perfected for twenty days without filing if the secured party delivers the security certificate or instrument to the debtor for the purpose of:

- (1) ultimate sale or exchange; or
  - (2) presentation, collection, enforcement, renewal, or registration of transfer.
- (h) *Expiration of temporary perfection.* After the twenty-day period specified in subsection (e), (f), or (g) expires, perfection depends upon compliance with this title.

§ 8.9A-313. When possession by or delivery to secured party perfects security interest without filing.

(a) *Perfection by possession or delivery.* Except as otherwise provided in subsection (b), a secured party may perfect a security interest in negotiable documents, goods, instruments, money, or tangible chattel paper by taking possession of the collateral. A secured party may perfect a security interest in certificated securities by taking delivery of the certificated securities under § 8.8A-301.

(b) *Goods covered by certificate of title.* With respect to goods covered by a certificate of title issued by this State, a secured party may perfect a security interest in the goods by taking possession of the goods only in the circumstances described in § 8.9A-316 (d).

(c) *Collateral in possession of person other than debtor.* With respect to collateral other than certificated securities and goods covered by a document, a secured party takes possession of collateral in the possession of a person other than the debtor, the secured party, or a lessee of the collateral from the debtor in the ordinary course of the debtor's business, when:

(2) the person takes possession of the collateral after having authenticated a record acknowledging that it will hold possession of collateral for the secured party's benefit.

(d) *Time of perfection by possession; continuation of perfection.* If perfection of a security interest depends upon possession of the collateral by a secured party, perfection occurs no earlier than the time the secured party takes possession and continues only while the secured party retains possession.

(e) *Time of perfection by delivery; continuation of perfection.* A security interest in a certificated security in registered form is perfected by delivery when delivery of the certificated security occurs under § 8.8A-301 and remains perfected by delivery until the debtor obtains possession of the security certificate.

(f) *Acknowledgment not required.* A person in possession of collateral is not required to acknowledge that it holds possession for a secured party's benefit.

(g) *Effectiveness of acknowledgment; no duties or confirmation.* If a person acknowledges that it holds possession for the secured party's benefit:

(1) the acknowledgment is effective under subsection (c) or § 8.8A-301 (a), even if the acknowledgment violates the rights of a debtor; and

(2) unless the person otherwise agrees or law other than this title otherwise provides, the person does not owe any duty to the secured party and is not required to confirm the acknowledgment to another person.

(h) *Secured party's delivery to person other than debtor.* A secured party having possession of collateral does not relinquish possession by delivering the collateral to a person other than the debtor or a lessee of the collateral from the debtor in the ordinary course of the debtor's business if the person was instructed before the delivery or is instructed contemporaneously with the delivery:

- (1) to hold possession of the collateral for the secured party's benefit; or
- (2) to redeliver the collateral to the secured party.

2131 (i) *Effect of delivery under subsection (h); no duties or confirmation.* A secured party does not  
 2132 *relinquish possession, even if a delivery under subsection (h) violates the rights of a debtor. A person to*  
 2133 *which collateral is delivered under subsection (h) does not owe any duty to the secured party and is not*  
 2134 *required to confirm the delivery to another person unless the person otherwise agrees or law other than*  
 2135 *this title otherwise provides.*

2140 (b) *Specified collateral: time of perfection by control; continuation of perfection.* A security interest  
 2141 *in deposit accounts, electronic chattel paper, or letter-of-credit rights is perfected by control under*  
 2142 *§§ 8.9A-104, 8.9A-105, or § 8.9A-107 when the secured party obtains control and remains perfected by*

 2145 *in investment property is perfected by control under § 8.9A-106 from the time the secured party obtains*  
 2146 *control and remains perfected by control until:*

2147 (1) *the secured party does not have control; and*

2148 (2) *one of the following occurs:*

2149 (A) *if the collateral is a certificated security, the debtor has or acquires possession of the security*  
 2150 *certificate;*

 2152 *the registered owner; or*

2154 § 8.9A-315. *Secured party's rights on disposition of collateral and in proceeds.*

2155 (a) *Disposition of collateral: continuation of security interest or agricultural lien; proceeds.* Except  
 2156 *as otherwise provided in this title and in § 8.2-403 (2):*

2157 (1) *a security interest or agricultural lien continues in collateral notwithstanding sale, lease, license,*  
 2158 *exchange, or other disposition thereof unless the secured party authorized the disposition free of the*  
 2159 *security interest or agricultural lien; and*

2160 (2) *a security interest attaches to any identifiable proceeds of collateral.*

2161 (b) *When commingled proceeds identifiable.* Proceeds that are commingled with other property are  
 2162 *identifiable proceeds:*

2163 (1) *if the proceeds are goods, to the extent provided by § 8.9A-336; and*

2164 (2) *if the proceeds are not goods, to the extent that the secured party identifies the proceeds by a*  
 2165 *method of tracing, including application of equitable principles, that is permitted under law other than*  
 2166 *this title with respect to commingled property of the type involved.*

2167 (c) *Perfection of security interest in proceeds.* A security interest in proceeds is a perfected security  
 2168 *interest if the security interest in the original collateral was perfected.*

2169 (d) *Continuation of perfection.* A perfected security interest in proceeds becomes unperfected on the

2171 (1) *the following conditions are satisfied:*

2172 (A) *a filed financing statement covers the original collateral;*

2173 (B) *the proceeds are collateral in which a security interest may be perfected by filing in the office in*  
 2174 *which the financing statement has been filed; and*

2175 (C) *the proceeds are not acquired with cash proceeds;*

2176 (2) *the proceeds are identifiable cash proceeds; or*

2179 (e) *When perfected security interest in proceeds becomes unperfected.* If a filed financing statement  
 2180 *covers the original collateral, a security interest in proceeds which remains perfected under subsection*

2181 *(d) (1) becomes unperfected at the later of:*

2182 (1) *when the effectiveness of the filed financing statement lapses under § 8.9A-515 or is terminated*  
 2183 *under § 8.9A-513; or*

2184 (2) *the twenty-first day after the security interest attaches to the proceeds.*

2185 § 8.9A-316. *Continued perfection of security interest following change in governing law.*

2186 (a) *General rule: effect on perfection of change in governing law.* A security interest perfected  
 2187 *pursuant to the law of the jurisdiction designated in § 8.9A-301 (1) or § 8.9A-305 (c) remains perfected*  
 2188 *until the earliest of:*

2190 (2) *the expiration of four months after a change of the debtor's location to another jurisdiction; or*

2191 (3) *the expiration of one year after a transfer of collateral to a person that thereby becomes a*

debtor and is located in another jurisdiction.

(b) Security interest perfected or unperfected under law of new jurisdiction. If a security interest described in subsection (a) becomes perfected under the law of the other jurisdiction before the earliest time or event described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earliest time or event, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

(c) Possessory security interest in collateral moved to new jurisdiction. A possessory security interest in collateral, other than goods covered by a certificate of title and as-extracted collateral consisting of goods, remains continuously perfected if:

(1) the collateral is located in one jurisdiction and subject to a security interest perfected under the law of that jurisdiction;

(2) thereafter the collateral is brought into another jurisdiction; and

(3) upon entry into the other jurisdiction, the security interest is perfected under the law of the other jurisdiction.

(d) Goods covered by certificate of title from this state. Except as otherwise provided in subsection (e), a security interest in goods covered by a certificate of title which is perfected by any method under the law of another jurisdiction when the goods become covered by a certificate of title from this state remains perfected until the security interest would have become unperfected under the law of the other jurisdiction had the goods not become so covered.

(e) When subsection (d) security interest becomes unperfected against purchasers. A security interest described in subsection (d) becomes unperfected as against a purchaser of the goods for value and is deemed never to have been perfected as against a purchaser of the goods for value if the applicable requirements for perfection under § 8.9A-311 (b) or § 8.9A-313 are not satisfied before the earlier of:

(1) the time the security interest would have become unperfected under the law of the other jurisdiction had the goods not become covered by a certificate of title from this state; or

(2) the expiration of four months after the goods had become so covered.

(f) Change in jurisdiction of bank, issuer, nominated person, securities intermediary, or commodity intermediary. A security interest in deposit accounts, letter-of-credit rights, or investment property which is perfected under the law of the bank's jurisdiction, the issuer's jurisdiction, a nominated person's jurisdiction, the securities intermediary's jurisdiction, or the commodity intermediary's jurisdiction, as applicable, remains perfected until the earlier of:

(1) the time the security interest would have become unperfected under the law of that jurisdiction; or

(2) the expiration of four months after a change of the applicable jurisdiction to another jurisdiction.

(g) Subsection (f) security interest perfected or unperfected under law of new jurisdiction. If a security interest described in subsection (f) becomes perfected under the law of the other jurisdiction before the earlier of the time or the end of the period described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earlier of that time or the end of that period, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

### Subpart 3.

#### Priority.

§ 8.9A-317. Interests that take priority over or take free of security interest or agricultural lien.

(a) Conflicting security interests and rights of lien creditors. A security interest or agricultural lien is subordinate to the rights of:

(1) a person entitled to priority under § 8.9A-322; and

(2) except as otherwise provided in subsection (e), a person that becomes a lien creditor before the earlier of the time:

(A) the security interest or agricultural lien is perfected; or

(B) one of the conditions specified in subdivision (b) (3) of § 8.9A-203 is met and a financing statement covering the collateral is filed.

(b) Buyers that receive delivery. Except as otherwise provided in subsection (e), a buyer, other than a secured party, of tangible chattel paper, documents, goods, instruments, or a security certificate takes free of a security interest or agricultural lien if the buyer gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(c) Lessees that receive delivery. Except as otherwise provided in subsection (e), a lessee of goods takes free of a security interest or agricultural lien if the lessee gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(d) Licensees and buyers of certain collateral. A licensee of a general intangible or a buyer, other than a secured party, of accounts, electronic chattel paper, general intangibles, or investment property

2253 other than a certificated security takes free of a security interest if the licensee or buyer gives value  
 2254 without knowledge of the security interest and before it is perfected.

2255 (e) Purchase-money security interest. Except as otherwise provided in §§ 8.9A-320 and 8.9A-321, if a  
 2256 person files a financing statement with respect to a purchase-money security interest before or within  
 2257 twenty days after the debtor receives delivery of the collateral, the security interest takes priority over  
 2258 the rights of a buyer, lessee, or lien creditor which arise between the time the security interest attaches  
 2259 and the time of filing.

2260 § 8.9A-318. No interest retained in right to payment that is sold; rights and title of seller of account  
 2261 or chattel paper with respect to creditors and purchasers.

2262 (a) Seller retains no interest. A debtor that has sold an account, chattel paper, payment intangible,  
 2263 or promissory note does not retain a legal or equitable interest in the collateral sold.

2264 (b) Deemed rights of debtor if buyer's security interest unperfected. For purposes of determining the  
 2265 rights of creditors of, and purchasers for value of an account or chattel paper from, a debtor that has  
 2266 sold an account or chattel paper, while the buyer's security interest is unperfected, the debtor is deemed  
 2267 to have rights and title to the account or chattel paper identical to those the debtor sold.

2268 § 8.9A-319. Rights and title of consignee with respect to creditors and purchasers.

2269 (a) Consignee has consignor's rights. Except as otherwise provided in subsection (b), for purposes of  
 2270 determining the rights of creditors of, and purchasers for value of goods from, a consignee, while the  
 2271 goods are in the possession of the consignee, the consignee is deemed to have rights and title to the  
 2272 goods identical to those the consignor had or had power to transfer.

2273 (b) Applicability of other law. For purposes of determining the rights of a creditor of a consignee,  
 2274 law other than this title determines the rights and title of a consignee while goods are in the consignee's  
 2275 possession if, under this part, a perfected security interest held by the consignor would have priority  
 2276 over the rights of the creditor.

2277 § 8.9A-320. Buyer of goods.

2278 (a) Buyer in ordinary course of business. Except as otherwise provided in subsection (e), a buyer in  
 2279 ordinary course of business, other than a person buying farm products from a person engaged in  
 2280 farming operations, takes free of a security interest created by the buyer's seller, even if the security  
 2281 interest is perfected and the buyer knows of its existence.

2282 (b) Buyer of consumer goods. Except as otherwise provided in subsection (e), a buyer of goods from  
 2283 a person who used or bought the goods for use primarily for personal, family, or household purposes  
 2284 takes free of a security interest, even if perfected, if the buyer buys:

2285 (1) without knowledge of the security interest;

2286 (2) for value;

2287 (3) primarily for the buyer's personal, family, or household purposes; and

2288 (4) before the filing of a financing statement covering the goods.

2289 (c) Effectiveness of filing for subsection (b). To the extent that it affects the priority of a security  
 2290 interest over a buyer of goods under subsection (b), the period of effectiveness of a filing made in the  
 2291 jurisdiction in which the seller is located is governed by § 8.9A-316 (a) and (b).

2292 (d) Buyer in ordinary course of business at wellhead or minehead. A buyer in ordinary course of  
 2293 business buying oil, gas, or other minerals at the wellhead or minehead or after extraction takes free of  
 2294 an interest arising out of an encumbrance.

2295 (e) Possessory security interest not affected. Subsections (a) and (b) do not affect a security interest  
 2296 in goods in the possession of the secured party under § 8.9A-313.

2297 § 8.9A-321. Licensee of general intangible and lessee of goods in ordinary course of business.

2298 (a) "Licensee in ordinary course of business." In this section, "licensee in ordinary course of  
 2299 business" means a person that becomes a licensee of a general intangible in good faith, without  
 2300 knowledge that the license violates the rights of another person in the general intangible, and in the  
 2301 ordinary course from a person in the business of licensing general intangibles of that kind. A person  
 2302 becomes a licensee in the ordinary course if the license to the person comports with the usual or  
 2303 customary practices in the kind of business in which the licensor is engaged or with the licensor's own  
 2304 usual or customary practices.

2305 (b) Rights of licensee in ordinary course of business. A licensee in ordinary course of business takes  
 2306 its rights under a nonexclusive license free of a security interest in the general intangible created by the  
 2307 licensor, even if the security interest is perfected and the licensee knows of its existence.

2308 (c) Rights of lessee in ordinary course of business. A lessee in ordinary course of business takes its  
 2309 leasehold interest free of a security interest in the goods created by the lessor, even if the security  
 2310 interest is perfected and the lessee knows of its existence.

2311 § 8.9A-322. Priorities among conflicting security interests in and agricultural liens on same  
 2312 collateral.

2313 (a) General priority rules. Except as otherwise provided in this section, priority among conflicting

2314 security interests and agricultural liens in the same collateral is determined according to the following  
2315 rules:

2316 (1) Conflicting perfected security interests and agricultural liens rank according to priority in time of  
2317 filing or perfection. Priority dates from the earlier of the time a filing covering the collateral is first  
2318 made or the security interest or agricultural lien is first perfected, if there is no period thereafter when  
2319 there is neither filing nor perfection.

2320 (2) A perfected security interest or agricultural lien has priority over a conflicting unperfected  
2321 security interest or agricultural lien.

2322 (3) The first security interest or agricultural lien to attach or become effective has priority if  
2323 conflicting security interests and agricultural liens are unperfected.

2324 (b) Time of perfection: proceeds and supporting obligations. For the purposes of subsection (a) (1):

2325 (1) the time of filing or perfection as to a security interest in collateral is also the time of filing or  
2326 perfection as to a security interest in proceeds; and

2327 (2) the time of filing or perfection as to a security interest in collateral supported by a supporting  
2328 obligation is also the time of filing or perfection as to a security interest in the supporting obligation.

2329 (c) Special priority rules: proceeds and supporting obligations. Except as otherwise provided in  
2330 subsection (f), a security interest in collateral which qualifies for priority over a conflicting security  
2331 interest under §§ 8.9A-327, 8.9A-328, 8.9A-329, 8.9A-330, or § 8.9A-331 also has priority over a  
2332 conflicting security interest in:

2333 (1) any supporting obligation for the collateral; and

2334 (2) proceeds of the collateral if:

2335 (A) the security interest in proceeds is perfected;

2336 (B) the proceeds are cash proceeds or of the same type as the collateral; and

2337 (C) in the case of proceeds that are proceeds of proceeds, all intervening proceeds are cash  
2338 proceeds, proceeds of the same type as the collateral, or an account relating to the collateral.

2339 (d) First-to-file priority rule for certain collateral. Subject to subsection (e) and except as otherwise  
2340 provided in subsection (f), if a security interest in chattel paper, deposit accounts, negotiable documents,  
2341 instruments, investment property, or letter-of-credit rights is perfected by a method other than filing,  
2342 conflicting perfected security interests in proceeds of the collateral rank according to priority in time of  
2343 filing.

2344 (e) Applicability of subsection (d). Subsection (d) applies only if the proceeds of the collateral are  
2345 not cash proceeds, chattel paper, negotiable documents, instruments, investment property, or  
2346 letter-of-credit rights.

2347 (f) Limitations on subsections (a) through (e). Subsections (a) through (e) are subject to:

2348 (1) subsection (g) and the other provisions of this part;

2349 (2) § 8.4-210 with respect to a security interest of a collecting bank;

2350 (3) § 8.5A-118 with respect to a security interest of an issuer or nominated person; and

2351 (4) § 8.9A-110 with respect to a security interest arising under Title 8.2 or 8.2A.

2352 (g) Priority under agricultural lien statute. A perfected agricultural lien on collateral has priority  
2353 over a conflicting security interest in or agricultural lien on the same collateral if the statute creating  
2354 the agricultural lien so provides.

2355 § 8.9A-323. Future advances.

2356 (a) When priority based on time of advance. Except as otherwise provided in subsection (c), for  
2357 purposes of determining the priority of a perfected security interest under § 8.9A-322 (a) (1), perfection  
2358 of the security interest dates from the time an advance is made to the extent that the security interest  
2359 secures an advance that:

2360 (1) is made while the security interest is perfected only:

2361 (A) under § 8.9A-309 when it attaches; or

2362 (B) temporarily under § 8.9A-312 (e), (f), or (g); and

2363 (2) is not made pursuant to a commitment entered into before or while the security interest is  
2364 perfected by a method other than under § 8.9A-309 or § 8.9A-312 (e), (f), or (g).

2365 (b) Lien creditor. Except as otherwise provided in subsection (c), a security interest is subordinate to  
2366 the rights of a person that becomes a lien creditor to the extent that the security interest secures an  
2367 advance made more than forty-five days after the person becomes a lien creditor unless the advance is  
2368 made:

2369 (1) without knowledge of the lien; or

2370 (2) pursuant to a commitment entered into without knowledge of the lien.

2371 (c) Buyer of receivables. Subsections (a) and (b) do not apply to a security interest held by a  
2372 secured party that is a buyer of accounts, chattel paper, payment intangibles, or promissory notes or a  
2373 consignor.

2374 (d) Buyer of goods. Except as otherwise provided in subsection (e), a buyer of goods other than a

2375 buyer in ordinary course of business takes free of a security interest to the extent that it secures  
 2376 advances made after the earlier of:

2377 (1) the time the secured party acquires knowledge of the buyer's purchase; or

2378 (2) Forty-five days after the purchase.

2379 (e) Advances made pursuant to commitment: priority of buyer of goods. Subsection (d) does not  
 2380 apply if the advance is made pursuant to a commitment entered into without knowledge of the buyer's  
 2381 purchase and before the expiration of the forty-five day period.

2382 (f) Lessee of goods. Except as otherwise provided in subsection (g), a lessee of goods, other than a  
 2383 lessee in ordinary course of business, takes the leasehold interest free of a security interest to the extent  
 2384 that it secures advances made after the earlier of:

2385 (1) the time the secured party acquires knowledge of the lease; or

2386 (2) Forty-five days after the lease contract becomes enforceable.

2387 (g) Advances made pursuant to commitment: priority of lessee of goods. Subsection (f) does not  
 2388 apply if the advance is made pursuant to a commitment entered into without knowledge of the lease and  
 2389 before the expiration of the forty-five day period.

2390 § 8.9A-324. Priority of purchase-money security interests.

2391 (a) General rule: purchase-money priority. Except as otherwise provided in subsection (g), a  
 2392 perfected purchase-money security interest in goods other than inventory or livestock has priority over a  
 2393 conflicting security interest in the same goods, and, except as otherwise provided in § 8.9A-327, a  
 2394 perfected security interest in its identifiable proceeds also has priority, if the purchase-money security  
 2395 interest is perfected when the debtor receives possession of the collateral or within twenty days  
 2396 thereafter.

2397 (b) Inventory purchase-money priority. Subject to subsection (c) and except as otherwise provided in  
 2398 subsection (g), a perfected purchase-money security interest in inventory has priority over a conflicting  
 2399 security interest in the same inventory, has priority over a conflicting security interest in chattel paper  
 2400 or an instrument constituting proceeds of the inventory and in proceeds of the chattel paper, if so  
 2401 provided in § 8.9A-330, and, except as otherwise provided in § 8.9A-327, also has priority in identifiable  
 2402 cash proceeds of the inventory to the extent the identifiable cash proceeds are received on or before the  
 2403 delivery of the inventory to a buyer, if:

2404 (1) the purchase-money security interest is perfected when the debtor receives possession of the  
 2405 inventory;

2406 (2) the purchase-money secured party sends an authenticated notification to the holder of the  
 2407 conflicting security interest;

2408 (3) the holder of the conflicting security interest receives the notification within five years before the  
 2409 debtor receives possession of the inventory; and

2410 (4) the notification states that the person sending the notification has or expects to acquire a  
 2411 purchase-money security interest in inventory of the debtor and describes the inventory.

2412 (c) Holders of conflicting inventory security interests to be notified. Subsections (b) (2) through (4)  
 2413 apply only if the holder of the conflicting security interest had filed a financing statement covering the  
 2414 same types of inventory:

2415 (1) if the purchase-money security interest is perfected by filing, before the date of the filing; or

2416 (2) if the purchase-money security interest is temporarily perfected without filing or possession under  
 2417 § 8.9A-312 (f), before the beginning of the twenty-day period thereunder.

2418 (d) Livestock purchase-money priority. Subject to subsection (e) and except as otherwise provided in  
 2419 subsection (g), a perfected purchase-money security interest in livestock that are farm products has  
 2420 priority over a conflicting security interest in the same livestock, and, except as otherwise provided in  
 2421 § 8.9A-327, a perfected security interest in their identifiable proceeds and identifiable products in their  
 2422 unmanufactured states also has priority, if:

2423 (1) the purchase-money security interest is perfected when the debtor receives possession of the  
 2424 livestock;

2425 (2) the purchase-money secured party sends an authenticated notification to the holder of the  
 2426 conflicting security interest;

2427 (3) the holder of the conflicting security interest receives the notification within six months before the  
 2428 debtor receives possession of the livestock; and

2429 (4) the notification states that the person sending the notification has or expects to acquire a  
 2430 purchase-money security interest in livestock of the debtor and describes the livestock.

2431 (e) Holders of conflicting livestock security interests to be notified. Subsections (d) (2) through (4)  
 2432 apply only if the holder of the conflicting security interest had filed a financing statement covering the  
 2433 same types of livestock:

2434 (1) if the purchase-money security interest is perfected by filing, before the date of the filing; or

2435 (2) if the purchase-money security interest is temporarily perfected without filing or possession under

§ 8.9A-312 (f), before the beginning of the twenty-day period thereunder.

(f) Software purchase-money priority. Except as otherwise provided in subsection (g), a perfected purchase-money security interest in software has priority over a conflicting security interest in the same collateral, and, except as otherwise provided in § 8.9A-327, a perfected security interest in its identifiable proceeds also has priority, to the extent that the purchase-money security interest in the goods in which the software was acquired for use has priority in the goods and proceeds of the goods under this section.

(g) Conflicting purchase-money security interests. If more than one security interest qualifies for priority in the same collateral under subsection (a), (b), (d), or (f):

(1) a security interest securing an obligation incurred as all or part of the price of the collateral has priority over a security interest securing an obligation incurred for value given to enable the debtor to acquire rights in or the use of collateral; and

(2) in all other cases, § 8.9A-322 (a) applies to the qualifying security interests.

§ 8.9A-325. Priority of security interests in transferred collateral.

(a) Subordination of security interest in transferred collateral. Except as otherwise provided in subsection (b), a security interest created by a debtor is subordinate to a security interest in the same collateral created by another person if:

(1) the debtor acquired the collateral subject to the security interest created by the other person;

(2) the security interest created by the other person was perfected when the debtor acquired the collateral; and

(3) there is no period thereafter when the security interest is unperfected.

(b) Limitation of subsection (a) subordination. Subsection (a) subordinates a security interest only if the security interest:

(1) otherwise would have priority solely under § 8.9A-322 (a) or § 8.9A-324; or

(2) arose solely under § 8.2-711 (3) or § 8.2A-508 (5).

§ 8.9A-326. Priority of security interests created by new debtor.

(a) Subordination of security interest created by new debtor. Subject to subsection (b), a security interest created by a new debtor which is perfected by a filed financing statement that is effective solely under § 8.9A-508 in collateral in which a new debtor has or acquires rights is subordinate to a security interest in the same collateral which is perfected other than by a filed financing statement that is effective solely under § 8.9A-508.

(b) Priority under other provisions; multiple original debtors. The other provisions of this part determine the priority among conflicting security interests in the same collateral perfected by filed financing statements that are effective solely under § 8.9A-508. However, if the security agreements to which a new debtor became bound as debtor were not entered into by the same original debtor, the conflicting security interests rank according to priority in time of the new debtor's having become bound.

§ 8.9A-327. Priority of security interests in deposit account.

The following rules govern priority among conflicting security interests in the same deposit account:

(1) A security interest held by a secured party having control of the deposit account under § 8.9A-104 has priority over a conflicting security interest held by a secured party that does not have control.

(2) Except as otherwise provided in paragraphs (3) and (4), security interests perfected by control under § 8.9A-314 rank according to priority in time of obtaining control.

(3) Except as otherwise provided in paragraph (4), a security interest held by the bank with which the deposit account is maintained has priority over a conflicting security interest held by another secured party.

(4) A security interest perfected by control under § 8.9A-104 (a) (3) has priority over a security interest held by the bank with which the deposit account is maintained.

§ 8.9A-328. Priority of security interests in investment property.

The following rules govern priority among conflicting security interests in the same investment property:

(1) A security interest held by a secured party having control of investment property under § 8.9A-106 has priority over a security interest held by a secured party that does not have control of the investment property.

(2) Except as otherwise provided in paragraphs (3) and (4), conflicting security interests held by secured parties each of which has control under § 8.9A-106 rank according to priority in time of:

(A) if the collateral is a security, obtaining control;

(B) if the collateral is a security entitlement carried in a securities account and:

(i) if the secured party obtained control under § 8.8A-106 (d) (1), the secured party's becoming the person for which the securities account is maintained;

2497 (ii) if the secured party obtained control under § 8.8A-106 (d) (2), the securities intermediary's  
 2498 agreement to comply with the secured party's entitlement orders with respect to security entitlements  
 2499 carried or to be carried in the securities account; or

2500 (iii) if the secured party obtained control through another person under § 8.8A-106 (d) (3), the time  
 2501 on which priority would be based under this paragraph if the other person were the secured party; or

2502 (C) if the collateral is a commodity contract carried with a commodity intermediary, the satisfaction  
 2503 of the requirement for control specified in § 8.9A-106 (b) (2) with respect to commodity contracts  
 2504 carried or to be carried with the commodity intermediary.

2505 (3) A security interest held by a securities intermediary in a security entitlement or a securities  
 2506 account maintained with the securities intermediary has priority over a conflicting security interest held  
 2507 by another secured party.

2508 (4) A security interest held by a commodity intermediary in a commodity contract or a commodity  
 2509 account maintained with the commodity intermediary has priority over a conflicting security interest  
 2510 held by another secured party.

2511 (5) A security interest in a certificated security in registered form which is perfected by taking  
 2512 delivery under § 8.9A-313 (a) and not by control under § 8.9A-314 has priority over a conflicting  
 2513 security interest perfected by a method other than control.

2514 (6) Conflicting security interests created by a broker, securities intermediary, or commodity  
 2515 intermediary which are perfected without control under § 8.9A-106 rank equally.

2516 (7) In all other cases, priority among conflicting security interests in investment property is governed  
 2517 by §§ 8.9A-322 and 8.9A-323.

2518 § 8.9A-329. Priority of security interests in letter-of-credit right.

2519 The following rules govern priority among conflicting security interests in the same letter-of-credit  
 2520 right:

2521 (1) A security interest held by a secured party having control of the letter-of-credit right under  
 2522 § 8.9A-107 has priority to the extent of its control over a conflicting security interest held by a secured  
 2523 party that does not have control.

2524 (2) Security interests perfected by control under § 8.9A-314 rank according to priority in time of  
 2525 obtaining control.

2526 § 8.9A-330. Priority of purchaser of chattel paper or instrument.

2527 (a) Purchaser's priority; security interest claimed merely as proceeds. A purchaser of chattel paper  
 2528 has priority over a security interest in the chattel paper which is claimed merely as proceeds of  
 2529 inventory subject to a security interest if:

2530 (1) in good faith and in the ordinary course of the purchaser's business, the purchaser gives new  
 2531 value and takes possession of the chattel paper or obtains control of the chattel paper under  
 2532 § 8.9A-105; and

2533 (2) the chattel paper does not indicate that it has been assigned to an identified assignee other than  
 2534 the purchaser.

2535 (b) Purchaser's priority; other security interests. A purchaser of chattel paper has priority over a  
 2536 security interest in the chattel paper which is claimed other than merely as proceeds of inventory  
 2537 subject to a security interest if the purchaser gives new value and takes possession of the chattel paper  
 2538 or obtains control of the chattel paper under § 8.9A-105 in good faith, in the ordinary course of the  
 2539 purchaser's business, and without knowledge that the purchase violates the rights of the secured party.

2540 (c) Chattel paper purchaser's priority in proceeds. Except as otherwise provided in § 8.9A-327, a  
 2541 purchaser having priority in chattel paper under subsection (a) or (b) also has priority in proceeds of  
 2542 the chattel paper to the extent that:

2543 (1) § 8.9A-322 provides for priority in the proceeds; or

2544 (2) the proceeds consist of the specific goods covered by the chattel paper or cash proceeds of the  
 2545 specific goods, even if the purchaser's security interest in the proceeds is unperfected.

2546 (d) Instrument purchaser's priority. Except as otherwise provided in § 8.9A-331 (a), a purchaser of  
 2547 an instrument has priority over a security interest in the instrument perfected by a method other than  
 2548 possession if the purchaser gives value and takes possession of the instrument in good faith and without  
 2549 knowledge that the purchase violates the rights of the secured party.

2550 (e) Holder of purchase-money security interest gives new value. For purposes of subsections (a) and  
 2551 (b), the holder of a purchase-money security interest in inventory gives new value for chattel paper  
 2552 constituting proceeds of the inventory.

2553 (f) Indication of assignment gives knowledge. For purposes of subsections (b) and (d), if chattel  
 2554 paper or an instrument indicates that it has been assigned to an identified secured party other than the  
 2555 purchaser, a purchaser of the chattel paper or instrument has knowledge that the purchase violates the  
 2556 rights of the secured party.

2557 § 8.9A-331. Priority of rights of purchasers of instruments, documents, and securities under other

titles, priority of interests in financial assets and security entitlements under Title 8.8.

(a) Rights under Titles 8.3A, 8.7, and 8.8A not limited. This title does not limit the rights of a holder in due course of a negotiable instrument, a holder to which a negotiable document of title has been duly negotiated, or a protected purchaser of a security. These holders or purchasers take priority over an earlier security interest, even if perfected, to the extent provided in Title 8.3A, 8.7, and 8.8A.

(b) Protection under Title 8.8A. This title does not limit the rights of or impose liability on a person to the extent that the person is protected against the assertion of a claim under Title 8.8A.

(c) Filing not notice. Filing under this title does not constitute notice of a claim or defense to the holders, or purchasers, or persons described in subsections (a) and (b).

§ 8.9A-332. Transfer of money, transfer of funds from deposit account.

(a) Transferee of money. A transferee of money takes the money free of a security interest unless the transferee acts in collusion with the debtor in violating the rights of the secured party.

(b) Transferee of funds from deposit account. A transferee of funds from a deposit account takes the funds free of a security interest in the deposit account unless the transferee acts in collusion with the debtor in violating the rights of the secured party.

§ 8.9A-333. Priority of certain liens arising by operation of law.

(a) "Possessory lien." In this section, "possessory lien" means an interest, other than a security interest or an agricultural lien:

(1) which secures payment or performance of an obligation for services or materials furnished with respect to goods by a person in the ordinary course of the person's business;

(2) which is created by statute or rule of law in favor of the person; and

(3) whose effectiveness depends on the person's possession of the goods.

(b) Priority of possessory lien. A possessory lien on goods has priority over a security interest in the goods unless the lien is created by a statute that expressly provides otherwise.

§ 8.9A-334. Priority of security interests in fixtures and crops.

(a) Security interest in fixtures under this title. A security interest under this title may be created in goods that are fixtures or may continue in goods that become fixtures. A security interest does not exist under this title in ordinary building materials incorporated into an improvement on land.

(b) Security interest in fixtures under real-property law. This title does not prevent creation of an encumbrance upon fixtures under real property law.

(c) General rule; subordination of security interest in fixtures. In cases not governed by subsections (d) through (h), a security interest in fixtures is subordinate to a conflicting interest of an encumbrancer or owner of the related real property other than the debtor.

(d) Fixtures purchase-money priority. Except as otherwise provided in subsection (h), a perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if the debtor has an interest of record in or is in possession of the real property and:

(1) the security interest is a purchase-money security interest;

(2) the interest of the encumbrancer or owner arises before the goods become fixtures; and

(3) the security interest is perfected by a fixture filing before the goods become fixtures or within twenty days thereafter.

(e) Priority of security interest in fixtures over interests in real property. A perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if:

(1) the debtor has an interest of record in the real property or is in possession of the real property and the security interest:

(A) is perfected by a fixture filing before the interest of the encumbrancer or owner is of record; and

(B) has priority over any conflicting interest of a predecessor in title of the encumbrancer or owner;

(2) before the goods become fixtures, the security interest is perfected by any method permitted by this title and the fixtures are readily removable:

(A) factory or office machines;

(B) equipment that is not primarily used or leased for use in the operation of the real property; or

(C) replacements of domestic appliances that are consumer goods;

(3) the conflicting interest is a lien on the real property obtained by legal or equitable proceedings after the security interest was perfected by any method permitted by this title; or

(4) the security interest is:

(A) created in a manufactured home in a manufactured-home transaction; and

(B) perfected pursuant to a statute described in § 8.9A-311 (a) (2).

(f) Priority based on consent, disclaimer, or right to remove. A security interest in fixtures, whether or not perfected, has priority over a conflicting interest of an encumbrancer or owner of the real property if:

(1) the encumbrancer or owner has, in an authenticated record, consented to the security interest or disclaimed an interest in the goods as fixtures; or

2619 (2) the debtor has a right to remove the goods as against the encumbrancer or owner.  
 2620 (g) Continuation of paragraph (f) (2) priority. The priority of the security interest under paragraph  
 2621 (f) (2) continues for a reasonable time if the debtor's right to remove the goods as against the  
 2622 encumbrancer or owner terminates.  
 2623 (h) Priority of construction mortgage. A mortgage is a construction mortgage to the extent that it  
 2624 secures an obligation incurred for the construction of an improvement on land, including the acquisition  
 2625 cost of the land, if a recorded record of the mortgage so indicates. Except as otherwise provided in  
 2626 subsections (e) and (f), a security interest in fixtures is subordinate to a construction mortgage if a  
 2627 record of the mortgage is recorded before the goods become fixtures and the goods become fixtures  
 2628 before the completion of the construction. A mortgage has this priority to the same extent as a  
 2629 construction mortgage to the extent that it is given to refinance a construction mortgage.  
 2630 (i) Priority of security interest in crops. A perfected security interest in crops growing on real  
 2631 property has priority over a conflicting interest of an encumbrancer or owner of the real property if the  
 2632 debtor has an interest of record in or is in possession of the real property.  
 2633 (j) Subsection (i) prevails. Subsection (i) prevails over any inconsistent provisions of the following  
 2634 statutes.  
 2635 § 8.9A-335. Accessions.  
 2636 (a) Creation of security interest in accession. A security interest may be created in an accession and  
 2637 continues in collateral that becomes an accession.  
 2638 (b) Perfection of security interest. If a security interest is perfected when the collateral becomes an  
 2639 accession, the security interest remains perfected in the collateral.  
 2640 (c) Priority of security interest. Except as otherwise provided in subsection (d), the other provisions  
 2641 of this part determine the priority of a security interest in an accession.  
 2642 (d) Compliance with certificate-of-title statute. A security interest in an accession is subordinate to a  
 2643 security interest in the whole which is perfected by compliance with the requirements of a  
 2644 certificate-of-title statute under § 8.9A-311 (b).  
 2645 (e) Removal of accession after default. After default, subject to Part 6, a secured party may remove  
 2646 an accession from other goods if the security interest in the accession has priority over the claims of  
 2647 every person having an interest in the whole.  
 2648 (f) Reimbursement following removal. A secured party that removes an accession from other goods  
 2649 under subsection (e) shall promptly reimburse any holder of a security interest or other lien on, or  
 2650 owner of, the whole or of the other goods, other than the debtor, for the cost of repair of any physical  
 2651 injury to the whole or the other goods. The secured party need not reimburse the holder or owner for  
 2652 any diminution in value of the whole or the other goods caused by the absence of the accession  
 2653 removed or by any necessity for replacing it. A person entitled to reimbursement may refuse permission  
 2654 to remove until the secured party gives adequate assurance for the performance of the obligation to  
 2655 reimburse.  
 2656 § 8.9A-336. Commingled goods.  
 2657 (a) "Commingled goods." In this section, "commingled goods" means goods that are physically  
 2658 united with other goods in such a manner that their identity is lost in a product or mass.  
 2659 (b) No security interest in commingled goods as such. A security interest does not exist in  
 2660 commingled goods as such. However, a security interest may attach to a product or mass that results  
 2661 when goods become commingled goods.  
 2662 (c) Attachment of security interest to product or mass. If collateral becomes commingled goods, a  
 2663 security interest attaches to the product or mass.  
 2664 (d) Perfection of security interest. If a security interest in collateral is perfected before the collateral  
 2665 becomes commingled goods, the security interest that attaches to the product or mass under subsection  
 2666 (c) is perfected.  
 2667 (e) Priority of security interest. Except as otherwise provided in subsection (f), the other provisions  
 2668 of this part determine the priority of a security interest that attaches to the product or mass under  
 2669 subsection (c).  
 2670 (f) Conflicting security interests in product or mass. If more than one security interest attaches to the  
 2671 product or mass under subsection (c), the following rules determine priority:  
 2672 (1) A security interest that is perfected under subsection (d) has priority over a security interest that  
 2673 is unperfected at the time the collateral becomes commingled goods.  
 2674 (2) If more than one security interest is perfected under subsection (d), the security interests rank  
 2675 equally in proportion to the value of the collateral at the time it became commingled goods.  
 2676 § 8.9A-337. Priority of security interests in goods covered by certificate of title.  
 2677 If, while a security interest in goods is perfected by any method under the law of another  
 2678 jurisdiction, this state issues a certificate of title that does not show that the goods are subject to the  
 2679 security interest or contain a statement that they may be subject to security interests not shown on the

certificate:

(1) a buyer of the goods, other than a person in the business of selling goods of that kind, takes free of the security interest if the buyer gives value and receives delivery of the goods after issuance of the certificate and without knowledge of the security interest; and

(2) the security interest is subordinate to a conflicting security interest in the goods that attaches, and is perfected under § 8.9A-311 (b), after issuance of the certificate and without the conflicting secured party's knowledge of the security interest.

§ 8.9A-338. Priority of security interest or agricultural lien perfected by filed financing statement providing certain incorrect information.

If a security interest or agricultural lien is perfected by a filed financing statement providing information described in § 8.9A-516 (b) (5) which is incorrect at the time the financing statement is filed:

(1) the security interest or agricultural lien is subordinate to a conflicting perfected security interest in the collateral to the extent that the holder of the conflicting security interest gives value in reasonable reliance upon the incorrect information; and

(2) a purchaser, other than a secured party, of the collateral takes free of the security interest or agricultural lien to the extent that, in reasonable reliance upon the incorrect information, the purchaser gives value and, in the case of chattel paper, documents, goods, instruments, or a security certificate, receives delivery of the collateral.

§ 8.9A-339. Priority subject to subordination.

This title does not preclude subordination by agreement by a person entitled to priority.

#### Subpart 4.

#### Rights of Bank.

§ 8.9A-340. Effectiveness of right of recoupment or set-off against deposit account.

(a) Exercise of recoupment or set-off. Except as otherwise provided in subsection (c), a bank with which a deposit account is maintained may exercise any right of recoupment or set-off against a secured party that holds a security interest in the deposit account.

(b) Recoupment or set-off not affected by security interest. Except as otherwise provided in subsection (c), the application of this title to a security interest in a deposit account does not affect a right of recoupment or set-off of the secured party as to a deposit account maintained with the secured party.

(c) When set-off ineffective. The exercise by a bank of a set-off against a deposit account is ineffective against a secured party that holds a security interest in the deposit account which is perfected by control under § 8.9A-104 (a) (3), if the set-off is based on a claim against the debtor.

§ 8.9A-341. Bank's rights and duties with respect to deposit account.

Except as otherwise provided in § 8.9A-340 (c), and unless the bank otherwise agrees in an authenticated record, a bank's rights and duties with respect to a deposit account maintained with the bank are not terminated, suspended, or modified by:

(1) the creation, attachment, or perfection of a security interest in the deposit account;

(2) the bank's knowledge of the security interest; or

(3) the bank's receipt of instructions from the secured party.

§ 8.9A-342. Bank's right to refuse to enter into or disclose existence of control agreement.

This title does not require a bank to enter into an agreement of the kind described in § 8.9A-104 (a) (2), even if its customer so requests or directs. A bank that has entered into such an agreement is not required to confirm the existence of the agreement to another person unless requested to do so by its customer.

#### Part 4.

#### Rights of Third Parties.

§ 8.9A-401. Alienability of debtor's rights.

(a) Other law governs alienability; exceptions. Except as otherwise provided in subsection (b) and §§ 8.9A-406 through 8.9A-409, whether a debtor's rights in collateral may be voluntarily or involuntarily transferred is governed by law other than this title.

(b) Agreement does not prevent transfer. An agreement between the debtor and secured party which prohibits a transfer of the debtor's rights in collateral or makes the transfer a default does not prevent the transfer from taking effect.

§ 8.9A-402. Secured party not obligated on contract or debtor or in tort. The existence of a security interest, agricultural lien, or authority given to a debtor to dispose of or use collateral, without more, does not subject a secured party to liability in contract or tort for the debtor's acts or omissions.

§ 8.9A-403. Agreement not to assert defenses against assignee.

(a) "Value." In this section, "value" has the meaning provided in § 8.3A-303 (a).

(b) Agreement not to assert claim or defense. Except as otherwise provided in this section, an

2741 agreement between an account debtor and an assignor not to assert against an assignee any claim or  
 2742 defense that the account debtor may have against the assignor is enforceable by an assignee that takes  
 2743 an assignment:

2744 (1) for value;

2745 (2) in good faith;

2746 (3) without notice of a claim of a property or possessory right to the property assigned; and

2747 (4) without notice of a defense or claim in recoupment of the type that may be asserted against a  
 2748 person entitled to enforce a negotiable instrument under § 8.3A-305 (a).

2749 (c) When subsection (b) not applicable. Subsection (b) does not apply to defenses of a type that may  
 2750 be asserted against a holder in due course of a negotiable instrument under § 8.3A-305 (b).

2751 (d) Omission of required statement in consumer transaction. In a consumer transaction, if a record  
 2752 evidences the account debtor's obligation, law other than this title requires that the record include a  
 2753 statement to the effect that the rights of an assignee are subject to claims or defenses that the account  
 2754 debtor could assert against the original obligee, and the record does not include such a statement:

2755 (1) the record has the same effect as if the record included such a statement; and

2756 (2) the account debtor may assert against an assignee those claims and defenses that would have  
 2757 been available if the record included such a statement.

2758 (e) Rule for individual under other law. This section is subject to law other than this title which  
 2759 establishes a different rule for an account debtor who is an individual and who incurred the obligation  
 2760 primarily for personal, family, or household purposes.

2761 (f) Other law not displaced. Except as otherwise provided in subsection (d), this section does not  
 2762 displace law other than this title which gives effect to an agreement by an account debtor not to assert  
 2763 a claim or defense against an assignee.

2764 § 8.9A-404. Rights acquired by assignee claims and defenses against assignee.

2765 (a) Assignee's rights subject to terms, claims, and defenses; exceptions. Unless an account debtor has  
 2766 made an enforceable agreement not to assert defenses or claims, and subject to subsections (b) through  
 2767 (e), the rights of an assignee are subject to:

2768 (1) all terms of the agreement between the account debtor and assignor and any defense or claim in  
 2769 recoupment arising from the transaction that gave rise to the contract; and

2770 (2) any other defense or claim of the account debtor against the assignor which accrues before the  
 2771 account debtor receives a notification of the assignment authenticated by the assignor or the assignee.

2772 (b) Account debtor's claim reduces amount owed to assignee. Subject to subsection (c) and except as  
 2773 otherwise provided in subsection (d), the claim of an account debtor against an assignor may be  
 2774 asserted against an assignee under subsection (a) only to reduce the amount the account debtor owes.

2775 (c) Rule for individual under other law. This section is subject to law other than this title which  
 2776 establishes a different rule for an account debtor who is an individual and who incurred the obligation  
 2777 primarily for personal, family, or household purposes.

2778 (d) Omission of required statement in consumer transaction. In a consumer transaction, if a record  
 2779 evidences the account debtor's obligation, law other than this title requires that the record include a  
 2780 statement to the effect that the account debtor's recovery against an assignee with respect to claims and  
 2781 defenses against the assignor may not exceed amounts paid by the account debtor under the record, and  
 2782 the record does not include such a statement, the extent to which a claim of an account debtor against  
 2783 the assignor may be asserted against an assignee is determined as if the record included such a  
 2784 statement.

2785 (e) Inapplicability to health-care-insurance receivable. This section does not apply to an assignment  
 2786 of a health-care-insurance receivable.

2787 § 8.9A-405. Modification of assigned contract.

2788 (a) Effect of modification on assignee. A modification of or substitution for an assigned contract is  
 2789 effective against an assignee if made in good faith. The assignee acquires corresponding rights under  
 2790 the modified or substituted contract. The assignment may provide that the modification or substitution is  
 2791 a breach of contract by the assignor. This subsection is subject to subsections (b) through (d).

2792 (b) Applicability of subsection (a). Subsection (a) applies to the extent that:

2793 (1) the right to payment or a part thereof under an assigned contract has not been fully earned by  
 2794 performance; or

2795 (2) the right to payment or a part thereof has been fully earned by performance and the account  
 2796 debtor has not received notification of the assignment under § 8.9A-406 (a).

2797 (c) Rule for individual under other law. This section is subject to law other than this title which  
 2798 establishes a different rule for an account debtor who is an individual and who incurred the obligation  
 2799 primarily for personal, family, or household purposes.

2800 (d) Inapplicability to health-care-insurance receivable. This section does not apply to an assignment  
 2801 of a health-care-insurance receivable.

§ 8.9A-406. Discharge of account debtor; notification of assignment; identification and proof of assignment; restrictions on assignment of accounts, chattel paper, payment intangibles, and promissory notes ineffective.

(a) Discharge of account debtor; effect of notification. Subject to subsections (b) through (i), an account debtor on an account, chattel paper, or a payment intangible may discharge its obligation by paying the assignor until, but not after, the account debtor receives a notification, authenticated by the assignor or the assignee, that the amount due or to become due has been assigned and that payment is to be made to the assignee. After receipt of the notification, the account debtor may discharge its obligation by paying the assignee and may not discharge the obligation by paying the assignor.

(b) When notification ineffective. Subject to subsection (h), notification is ineffective under subsection (a):

(1) if it does not reasonably identify the rights assigned;

(2) to the extent that an agreement between an account debtor and a seller of a payment intangible limits the account debtor's duty to pay a person other than the seller and the limitation is effective under law other than this title; or

(3) at the option of an account debtor, if the notification notifies the account debtor to make less than the full amount of any installment or other periodic payment to the assignee, even if:

(A) only a portion of the account, chattel paper, or payment intangible has been assigned to that assignee;

(B) a portion has been assigned to another assignee; or

(C) the account debtor knows that the assignment to that assignee is limited.

(c) Proof of assignment. Subject to subsection (h), if requested by the account debtor, an assignee shall seasonably furnish reasonable proof that the assignment has been made. Unless the assignee complies, the account debtor may discharge its obligation by paying the assignor, even if the account debtor has received a notification under subsection (a).

(d) Term restricting assignment generally ineffective. Except as otherwise provided in subsection (e) and §§ 8.2A-303 and 8.9A-407, and subject to subsection (h), a term in an agreement between an account debtor and an assignor or in a promissory note is ineffective to the extent that it:

(1) prohibits, restricts, or requires the consent of the account debtor or person obligated on the promissory note to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, the account, chattel paper, payment intangible, or promissory note; or

(2) provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account, chattel paper, payment intangible, or promissory note.

(e) Inapplicability of subsection (d) to certain sales. Subsection (d) does not apply to the sale of a payment intangible or promissory note.

(f) Legal restrictions on assignment generally ineffective. Except as otherwise provided in §§ 8.2A-303 and 8.9A-407 and subject to subsections (h) and (i), a rule of law, statute, or regulation that prohibits, restricts, or requires the consent of a government, governmental body or official, or account debtor to the assignment or transfer of, or creation of a security interest in, an account or chattel paper is ineffective to the extent that the rule of law, statute, or regulation:

(1) prohibits, restricts, or requires the consent of the government, governmental body or official, or account debtor to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in the account or chattel paper; or

(2) provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account or chattel paper.

(g) Subsection (b) (3) not waivable. Subject to subsection (h), an account debtor may not waive or vary its option under subsection (b) (3).

(h) Rule for individual under other law. This section is subject to law other than this title which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(i) Inapplicability to health-care-insurance receivable. This section does not apply to an assignment of a health-care-insurance receivable.

(j) Inapplicability of subsection (d) to certain transactions. Subsection (d) does not apply to:

(1) a claim or right to receive compensation for injuries or sickness as described in 26 U.S.C. § 104(a) (1), as amended from time to time; or

(2) a claim or right to receive benefits under a special needs trust as described in 42 U.S.C. § 1396p(d)(4), as amended from time to time.

(k) No inference regarding structured settlements. This section shall not be construed or interpreted

2863 to relieve or exempt any person or entity from any duties, obligations or rights imposed or provided by  
 2864 the Structured Settlement Protection Act (§ 59.1-475 et seq.), as amended from time to time.

2865 § 8.9A-407. Restrictions on creation or enforcement of security interest in leasehold interest or in  
 2866 lessor's residual interest.

2867 (a) Term restricting assignment generally ineffective. Except as otherwise provided in subsection (b),  
 2868 a term in a lease agreement is ineffective to the extent that it:

2869 (1) prohibits, restricts, or requires the consent of a party to the lease to the assignment or transfer  
 2870 of, or the creation, attachment, perfection, or enforcement of a security interest in, an interest of a party  
 2871 under the lease contract or in the lessor's residual interest in the goods; or

2872 (2) provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of  
 2873 the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination,  
 2874 right of termination, or remedy under the lease.

2875 (b) Effectiveness of certain terms. Except as otherwise provided in § 8.2A-303 (7), a term described  
 2876 in subsection (a) (2) is effective to the extent that there is:

2877 (1) a transfer by the lessee of the lessee's right of possession or use of the goods in violation of the  
 2878 term; or

2879 (2) a delegation of a material performance of either party to the lease contract in violation of the  
 2880 term.

2881 (c) Security interest not material impairment. The creation, attachment, perfection, or enforcement of  
 2882 a security interest in the lessor's interest under the lease contract or the lessor's residual interest in the  
 2883 goods is not a transfer that materially impairs the lessee's prospect of obtaining return performance or  
 2884 materially changes the duty of or materially increases the burden or risk imposed on the lessee within  
 2885 the purview of § 8.2A-303 (4) unless, and then only to the extent that, enforcement actually results in a  
 2886 delegation of material performance of the lessor.

2887 § 8.9A-408. Restrictions on assignment of promissory notes, health-care-insurance receivables, and  
 2888 certain general intangibles ineffective.

2889 (a) Term restricting assignment generally ineffective. Except as otherwise provided in subsection (b),  
 2890 a term in a promissory note or in an agreement between an account debtor and a debtor which relates  
 2891 to a health-care-insurance receivable or a general intangible, including a contract, permit, license, or  
 2892 franchise, and which term prohibits, restricts, or requires the consent of the person obligated on the  
 2893 promissory note or the account debtor to, the assignment or transfer of, or creation, attachment, or  
 2894 perfection of a security interest in, the promissory note, health-care-insurance receivable, or general  
 2895 intangible, is ineffective to the extent that the term:

2896 (1) would impair the creation, attachment, or perfection of a security interest; or

2897 (2) provides that the assignment or transfer or the creation, attachment, or perfection of the security  
 2898 interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of  
 2899 termination, or remedy under the promissory note, health-care-insurance receivable, or general  
 2900 intangible.

2901 (b) Applicability of subsection (a) to sales of certain rights to payment. Subsection (a) applies to a  
 2902 security interest in a payment intangible or promissory note only if the security interest arises out of a  
 2903 sale of the payment intangible or promissory note.

2904 (c) Legal restrictions on assignment generally ineffective. A rule of law, statute, or regulation that  
 2905 prohibits, restricts, or requires the consent of a government, governmental body or official, person  
 2906 obligated on a promissory note, or account debtor to the assignment or transfer of, or creation of a  
 2907 security interest in, a promissory note, health-care-insurance receivable, or general intangible, including  
 2908 a contract, permit, license, or franchise between an account debtor and a debtor, is ineffective to the  
 2909 extent that the rule of law, statute, or regulation:

2910 (1) would impair the creation, attachment, or perfection of a security interest; or

2911 (2) provides that the assignment or transfer or the creation, attachment, or perfection of the security  
 2912 interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of  
 2913 termination, or remedy under the promissory note, health-care-insurance receivable, or general  
 2914 intangible.

2915 (d) Limitation on ineffectiveness under subsections (a) and (c). To the extent that a term in a  
 2916 promissory note or in an agreement between an account debtor and a debtor which relates to a  
 2917 health-care-insurance receivable or general intangible or a rule of law, statute, or regulation described  
 2918 in subsection (c) would be effective under law other than this title but is ineffective under subsection (a)  
 2919 or (c), the creation, attachment, or perfection of a security interest in the promissory note,  
 2920 health-care-insurance receivable, or general intangible:

2921 (1) is not enforceable against the person obligated on the promissory note or the account debtor;

2922 (2) does not impose a duty or obligation on the person obligated on the promissory note or the  
 2923 account debtor;

(3) does not require the person obligated on the promissory note or the account debtor to recognize the security interest, pay or render performance to the secured party, or accept payment or performance from the secured party;

(4) does not entitle the secured party to use or assign the debtor's rights under the promissory note, health-care-insurance receivable, or general intangible, including any related information or materials furnished to the debtor in the transaction giving rise to the promissory note, health-care-insurance receivable, or general intangible;

(5) does not entitle the secured party to use, assign, possess, or have access to any trade secrets or confidential information of the person obligated on the promissory note or the account debtor; and

(6) does not entitle the secured party to enforce the security interest in the promissory note, health-care-insurance receivable, or general intangible.

(e) Inapplicability of subsections (a) and (c) to certain payment intangibles. Subsections (a) and (c) do not apply to:

(1) the sale of a claim or right to receive compensation for injuries or sickness as described in 26 U.S.C. § 104(a)(1) or (2), as amended from time to time, provided that no inference shall be drawn regarding the enforceability or non-enforceability under other law or any term in an agreement which prohibits, restricts, or requires consent to the sale of such claim or right described in 26 U.S.C. § 104(a)(2); or

(2) a claim or right to receive benefits under a special needs trust as described in 42 U.S.C. § 1936p(d)(4), as amended from time to time.

§ 8.9A-409. Restrictions on assignment of letter-of-credit rights ineffective.

(a) Term or law restricting assignment generally ineffective. A term in a letter of credit or a rule of law, statute, regulation, custom, or practice applicable to the letter of credit which prohibits, restricts, or requires the consent of an applicant, issuer, or nominated person to a beneficiary's assignment of or creation of a security interest in a letter-of-credit right is ineffective to the extent that the term or rule of law, statute, regulation, custom, or practice:

(1) would impair the creation, attachment, or perfection of a security interest in the letter-of-credit right; or

(2) provides that the assignment or the creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the letter-of-credit right.

(b) Limitation on ineffectiveness under subsection (a). To the extent that a term in a letter of credit is ineffective under subsection (a) but would be effective under law other than this title or a custom or practice applicable to the letter of credit, to the transfer of a right to draw or otherwise demand performance under the letter of credit, or to the assignment of a right to proceeds of the letter of credit, the creation, attachment, or perfection of a security interest in the letter-of-credit right:

(1) is not enforceable against the applicant, issuer, nominated person, or transferee beneficiary;

(2) imposes no duties or obligations on the applicant, issuer, nominated person, or transferee beneficiary; and

(3) does not require the applicant, issuer, nominated person, or transferee beneficiary to recognize the security interest, pay or render performance to the secured party, or accept payment or other performance from the secured party.

#### Part 5.

#### Filing.

#### Subpart 1.

#### Filing Office, Contents and Effectiveness of Financing Statement.

§ 8.9A-501. Filing office.

(a) Filing offices. Except as otherwise provided in subsection (b), if the local law of the Commonwealth governs perfection of a security interest or agricultural lien, the office in which to file a financing statement to perfect the security interest or agricultural lien is:

(1) the office designated for the filing or recording of a record of a mortgage on the related real property, if:

(A) the collateral is as-extracted collateral or timber to be cut; or

(B) the financing statement is filed as a fixture filing and the collateral is goods that are or are to become fixtures; or

(2) the office of the State Corporation Commission or any office duly authorized by it, in all other cases, including a case in which the collateral is goods that are or are to become fixtures and the financing statement is not filed as a fixture filing.

(b) Filing office for transmitting utilities. The office in which to file a financing statement to perfect a security interest in collateral, including fixtures, of a transmitting utility is the office of the State Corporation Commission. The financing statement also constitutes a fixture filing as to the collateral

2985 indicated in the financing statement which is or is to become fixtures.

2986 § 8.9A-502. Contents of financing statement; record of mortgage as financing statement; time of  
2987 filing financing statement.

2988 (a) Sufficiency of financing statement. Subject to subsection (b), a financing statement is sufficient  
2989 only if it:

2990 (1) provides the name of the debtor;

2991 (2) provides the name of the secured party or a representative of the secured party; and

2992 (3) indicates the collateral covered by the financing statement.

2993 (b) Real-property-related financing statements. Except as otherwise provided in § 8.9A-501 (b), to be  
2994 sufficient, a financing statement that covers as-extracted collateral or timber to be cut, or which is filed  
2995 as a fixture filing and covers goods that are or are to become fixtures, must satisfy subsection (a) and  
2996 also:

2997 (1) indicate that it covers this type of collateral;

2998 (2) indicate that it is to be filed for record in the real property records;

2999 (3) provide a description of the real property to which the collateral is related sufficient to give  
3000 constructive notice of a mortgage under the law of this state if the description were contained in a  
3001 record of the mortgage of the real property; and

3002 (4) if the debtor does not have an interest of record in the real property, provide the name of a  
3003 record owner.

3004 (c) Record of mortgage as financing statement. A record of a mortgage is effective, from the date of  
3005 recording, as a financing statement filed as a fixture filing or as a financing statement covering  
3006 as-extracted collateral or timber to be cut only if:

3007 (1) the record indicates the goods or accounts that it covers;

3008 (2) the goods are or are to become fixtures related to the real property described in the record or  
3009 the collateral is related to the real property described in the record and is as-extracted collateral or  
3010 timber to be cut;

3011 (3) the record satisfies the requirements for a financing statement in this section other than an  
3012 indication that it is to be filed in the real property records; and

3013 (4) the record is duly recorded.

3014 (d) Filing before security agreement or attachment. A financing statement may be filed before a  
3015 security agreement is made or a security interest otherwise attaches.

3016 § 8.9A-503. Name of debtor and secured party.

3017 (a) Sufficiency of debtor's name. A financing statement sufficiently provides the name of the debtor:

3018 (1) if the debtor is a registered organization, only if the financing statement provides the name of the  
3019 debtor indicated on the public record of the debtor's jurisdiction of organization which shows the debtor  
3020 to have been organized;

3021 (2) if the debtor is a decedent's estate, only if the financing statement provides the name of the  
3022 decedent and indicates that the debtor is an estate;

3023 (3) if the debtor is a trust or a trustee acting with respect to property held in trust, only if the  
3024 financing statement:

3025 (A) provides the name specified for the trust in its organic documents or, if no name is specified,  
3026 provides the name of the settlor and additional information sufficient to distinguish the debtor from  
3027 other trusts having one or more of the same settlors; and

3028 (B) indicates, in the debtor's name or otherwise, that the debtor is a trust or is a trustee acting with  
3029 respect to property held in trust; and

3030 (4) in other cases:

3031 (A) if the debtor has a name, only if it provides the individual or organizational name of the debtor;  
3032 and

3033 (B) if the debtor does not have a name, only if it provides the names of the partners, members,  
3034 associates, or other persons comprising the debtor.

3035 (b) Additional debtor-related information. A financing statement that provides the name of the debtor  
3036 in accordance with subsection (a) is not rendered ineffective by the absence of:

3037 (1) a trade name or other name of the debtor; or

3038 (2) unless required under subsection (a) (4) (B), names of partners, members, associates, or other  
3039 persons comprising the debtor.

3040 (c) Debtor's trade name insufficient. A financing statement that provides only the debtor's trade name  
3041 does not sufficiently provide the name of the debtor.

3042 (d) Representative capacity. Failure to indicate the representative capacity of a secured party or  
3043 representative of a secured party does not affect the sufficiency of a financing statement.

3044 (e) Multiple debtors and secured parties. A financing statement may provide the name of more than  
3045 one debtor and the name of more than one secured party.

§ 8.9A-504. *Indication of collateral.*  
 A financing statement sufficiently indicates the collateral that it covers if the financing statement provides:

- (1) a description of the collateral pursuant to § 8.9A-108; or
- (2) an indication that the financing statement covers all assets or all personal property.

§ 8.9A-505. *Filing and compliance with other statutes and treaties for consignments, leases, other bailments, and other transactions.*

(a) *Use of terms other than "debtor" and "secured party."* A consignor, lessor, or other bailor of goods, a licensor, or a buyer of a payment intangible or promissory note may file a financing statement, or may comply with a statute or treaty described in § 8.9A-311 (a), using the terms "consignor," "consignee," "lessor," "lessee," "bailor," "bailee," "licensor," "licensee," "owner," "registered owner," "buyer," "seller," or words of similar import, instead of the terms "secured party" and "debtor."

(b) *Effect of financing statement under subsection (a).* This part applies to the filing of a financing statement under subsection (a) and, as appropriate, to compliance that is equivalent to filing a financing statement under § 8.9A-311 (b), but the filing or compliance is not of itself a factor in determining whether the collateral secures an obligation. If it is determined for another reason that the collateral secures an obligation, a security interest held by the consignor, lessor, bailor, licensor, owner, or buyer which attaches to the collateral is perfected by the filing or compliance.

§ 8.9A-506. *Effect of errors or omissions.*

(a) *Minor errors and omissions.* A financing statement substantially satisfying the requirements of this part is effective, even if it has minor errors or omissions, unless the errors or omissions make the financing statement seriously misleading.

(b) *Financing statement seriously misleading.* Except as otherwise provided in subsection (c), a financing statement that fails sufficiently to provide the name of the debtor in accordance with § 8.9A-503 (a) is seriously misleading.

(c) *Financing statement not seriously misleading.* If a search of the records of the filing office under the debtor's correct name, using the filing office's standard search logic, if any, would disclose a financing statement that fails sufficiently to provide the name of the debtor in accordance with § 8.9A-503 (a), the name provided does not make the financing statement seriously misleading.

(d) *"Debtor's correct name."* For purposes of § 8.9A-508 (b), the "debtor's correct name" in subsection (c) means the correct name of the new debtor.

§ 8.9A-507. *Effect of certain events on effectiveness of financing statement.*

(a) *Disposition.* A filed financing statement remains effective with respect to collateral that is sold, exchanged, leased, licensed, or otherwise disposed of and in which a security interest or agricultural lien continues, even if the secured party knows of or consents to the disposition.

(b) *Information becoming seriously misleading.* Except as otherwise provided in subsection (c) and § 8.9A-508, a financing statement is not rendered ineffective if, after the financing statement is filed, the information provided in the financing statement becomes seriously misleading under § 8.9A-506.

(c) *Change in debtor's name.* If a debtor so changes its name that a filed financing statement becomes seriously misleading under § 8.9A-506:

(1) the financing statement is effective to perfect a security interest in collateral acquired by the debtor before, or within four months after, the change; and

(2) the financing statement is not effective to perfect a security interest in collateral acquired by the debtor more than four months after the change, unless an amendment to the financing statement which renders the financing statement not seriously misleading is filed within four months after the change.

§ 8.9A-508. *Effectiveness of financing statement if new debtor becomes bound by security agreement.*

(a) *Financing statement naming original debtor.* Except as otherwise provided in this section, a filed financing statement naming an original debtor is effective to perfect a security interest in collateral in which a new debtor has or acquires rights to the extent that the financing statement would have been effective had the original debtor acquired rights in the collateral.

(b) *Financing statement becoming seriously misleading.* If the difference between the name of the original debtor and that of the new debtor causes a filed financing statement that is effective under subsection (a) to be seriously misleading under § 8.9A-506:

(1) the financing statement is effective to perfect a security interest in collateral acquired by the new debtor before, and within four months after, the new debtor becomes bound under § 8.9A-203 (d); and

(2) the financing statement is not effective to perfect a security interest in collateral acquired by the new debtor more than four months after the new debtor becomes bound under § 8.9A-203 (d) unless an initial financing statement providing the name of the new debtor is filed before the expiration of that time.

(c) *When section not applicable.* This section does not apply to collateral as to which a filed financing statement remains effective against the new debtor under § 8.9A-507 (a).

3107 § 8.9A-509. *Persons entitled to file a record.*

3108 (a) *Person entitled to file record.* A person may file an initial financing statement, amendment that  
3109 adds collateral covered by a financing statement, or amendment that adds a debtor to a financing  
3110 statement only if:

3111 (1) the debtor authorizes the filing in an authenticated record or pursuant to subsection (b) or (c);  
3112 or

3113 (2) the person holds an agricultural lien that has become effective at the time of filing and the  
3114 financing statement covers only collateral in which the person holds an agricultural lien.

3115 (b) *Security agreement as authorization.* By authenticating or becoming bound as debtor by a  
3116 security agreement, a debtor or new debtor authorizes the filing of an initial financing statement, and an  
3117 amendment, covering:

3118 (1) the collateral described in the security agreement; and

3119 (2) property that becomes collateral under § 8.9A-315 (a) (2), whether or not the security agreement  
3120 expressly covers proceeds.

3121 (c) *Acquisition of collateral as authorization.* By acquiring collateral in which a security interest or  
3122 agricultural lien continues under § 8.9A-315 (a) (1), a debtor authorizes the filing of an initial financing  
3123 statement, and an amendment, covering the collateral and property that becomes collateral under  
3124 § 8.9A-315 (a) (2).

3125 (d) *Person entitled to file certain amendments.* A person may file an amendment other than an  
3126 amendment that adds collateral covered by a financing statement or an amendment that adds a debtor  
3127 to a financing statement only if:

3128 (1) the secured party of record authorizes the filing; or

3129 (2) the amendment is a termination statement for a financing statement as to which the secured party  
3130 of record has failed to file or send a termination statement as required by § 8.9A-513 (a) or (c), the  
3131 debtor authorizes the filing, and the termination statement indicates that the debtor authorized it to be  
3132 filed.

3133 (e) *Multiple secured parties of record.* If there is more than one secured party of record for a  
3134 financing statement, each secured party of record may authorize the filing of an amendment under  
3135 subsection (d).

3136 § 8.9A-510. *Effectiveness of filed record.*

3137 (a) *Filed record effective if authorized.* A filed record is effective only to the extent that it was filed  
3138 by a person that may file it under § 8.9A-509.

3139 (b) *Authorization by one secured party of record.* A record authorized by one secured party of  
3140 record does not affect the financing statement with respect to another secured party of record.

3141 (c) *Continuation statement not timely filed.* A continuation statement that is not filed within the  
3142 six-month period prescribed by § 8.9A-515 (d) is ineffective.

3143 § 8.9A-511. *Secured party of record.*

3144 (a) *Secured party of record.* A secured party of record with respect to a financing statement is a  
3145 person whose name is provided as the name of the secured party or a representative of the secured  
3146 party in an initial financing statement that has been filed. If an initial financing statement is filed under  
3147 § 8.9A-514 (a), the assignee named in the initial financing statement is the secured party of record with  
3148 respect to the financing statement.

3149 (b) *Amendment naming secured party of record.* If an amendment of a financing statement which  
3150 provides the name of a person as a secured party or a representative of a secured party is filed, the  
3151 person named in the amendment is a secured party of record. If an amendment is filed under § 8.9A-514  
3152 (b), the assignee named in the amendment is a secured party of record.

3153 (c) *Amendment deleting secured party of record.* A person remains a secured party of record until  
3154 the filing of an amendment of the financing statement which deletes the person.

3155 § 8.9A-512. *Amendment of financing statement.*

3156 (a) *Amendment of information in financing statement.* Subject to § 8.9A-509, a person may add or  
3157 delete collateral covered by, continue or terminate the effectiveness of, or, subject to subsection (e),  
3158 otherwise amend the information provided in, a financing statement by filing an amendment that:

3159 (1) identifies, by its file number, the initial financing statement to which the amendment relates; and

3160 (2) if the amendment relates to an initial financing statement filed or recorded in a filing office  
3161 described in § 8.9A-501 (a) (1), provides the information specified in § 8.9A-502 (b).

3162 (b) *Period of effectiveness not affected.* Except as otherwise provided in § 8.9A-515, the filing of an  
3163 amendment does not extend the period of effectiveness of the financing statement.

3164 (c) *Effectiveness of amendment adding collateral.* A financing statement that is amended by an  
3165 amendment that adds collateral is effective as to the added collateral only from the date of the filing of  
3166 the amendment.

3167 (d) *Effectiveness of amendment adding debtor.* A financing statement that is amended by an

3168 amendment that adds a debtor is effective as to the added debtor only from the date of the filing of the  
3169 amendment.

3170 (e) Certain amendments ineffective. An amendment is ineffective to the extent it:

3171 (1) purports to delete all debtors and fails to provide the name of a debtor to be covered by the  
3172 financing statement; or

3173 (2) purports to delete all secured parties of record and fails to provide the name of a new secured  
3174 party of record.

3175 § 8.9A-513. Termination statement.

3176 (a) Consumer goods. A secured party shall cause the secured party of record for a financing  
3177 statement to file a termination statement for the financing statement if the financing statement covers  
3178 consumer goods and:

3179 (1) there is no obligation secured by the collateral covered by the financing statement and no  
3180 commitment to make an advance, incur an obligation, or otherwise give value; or

3181 (2) the debtor did not authorize the filing of the initial financing statement.

3182 (b) Time for compliance with subsection (a). To comply with subsection (a), a secured party shall  
3183 cause the secured party of record to file the termination statement:

3184 (1) within one month after there is no obligation secured by the collateral covered by the financing  
3185 statement and no commitment to make an advance, incur an obligation, or otherwise give value; or

3186 (2) if earlier, within twenty days after the secured party receives an authenticated demand from a  
3187 debtor.

3188 (c) Other collateral. In cases not governed by subsection (a), within twenty days after a secured  
3189 party receives an authenticated demand from a debtor, the secured party shall cause the secured party  
3190 of record for a financing statement to send to the debtor a termination statement for the financing  
3191 statement or file the termination statement in the filing office if:

3192 (1) except in the case of a financing statement covering accounts or chattel paper that has been sold  
3193 or goods that are the subject of a consignment, there is no obligation secured by the collateral covered  
3194 by the financing statement and no commitment to make an advance, incur an obligation, or otherwise  
3195 give value;

3196 (2) the financing statement covers accounts or chattel paper that has been sold but as to which the  
3197 account debtor or other person obligated has discharged its obligation;

3198 (3) the financing statement covers goods that were the subject of a consignment to the debtor but are  
3199 not in the debtor's possession; or

3200 (4) the debtor did not authorize the filing of the initial financing statement.

3201 (d) Effect of filing termination statement. Except as otherwise provided in § 8.9A-510, upon the filing  
3202 of a termination statement with the filing office, the financing statement to which the termination  
3203 statement relates ceases to be effective. Except as otherwise provided in § 8.9A-510, for purposes of  
3204 §§ 8.9A-519 (g), 8.9A-522 (a), and 8.9A-523 (c), the filing with the filing office of a termination  
3205 statement relating to a financing statement that indicates that the debtor is a transmitting utility also  
3206 causes the effectiveness of the financing statement to lapse.

3207 § 8.9A-514. Assignment of powers of secured party of record.

3208 (a) Assignment reflected on initial financing statement. Except as otherwise provided in subsection  
3209 (c), an initial financing statement may reflect an assignment of all of the secured party's power to  
3210 authorize an amendment to the financing statement by providing the name and mailing address of the  
3211 assignee as the name and address of the secured party.

3212 (b) Assignment of filed financing statement. Except as otherwise provided in subsection (c), a secured  
3213 party of record may assign of record all or part of its power to authorize an amendment to a financing  
3214 statement by filing in the filing office an amendment of the financing statement which:

3215 (1) identifies, by its file number, the initial financing statement to which it relates;

3216 (2) provides the name of the assignor; and

3217 (3) provides the name and mailing address of the assignee.

3218 (c) Assignment of record of mortgage. An assignment of record of a security interest in a fixture  
3219 covered by a record of a mortgage which is effective as a financing statement filed as a fixture filing  
3220 under § 8.9A-502 (c) may be made only by an assignment of record of the mortgage in the manner  
3221 provided by law of the Commonwealth other than the Uniform Commercial Code.

3222 § 8.9A-515. Duration and effectiveness of financing statement; effect of lapsed financing statement.

3223 (a) Five-year effectiveness. Except as otherwise provided in subsections (b), (e), (f), and (g), a filed  
3224 financing statement is effective for a period of five years after the date of filing.

3225 (b) Public-finance or manufactured-home transaction. Except as otherwise provided in subsections  
3226 (e), (f), and (g), an initial financing statement filed in connection with a public-finance transaction or  
3227 manufactured-home transaction is effective for a period of 30 years after the date of filing if it indicates  
3228 that it is filed in connection with a public-finance transaction or manufactured-home transaction.

3229 (c) *Lapse and continuation of financing statement. The effectiveness of a filed financing statement*  
 3230 *lapses on the expiration of the period of its effectiveness unless before the lapse a continuation*  
 3231 *statement is filed pursuant to subsection (d). Upon lapse, a financing statement ceases to be effective*  
 3232 *and any security interest or agricultural lien that was perfected by the financing statement becomes*  
 3233 *unperfected, unless the security interest is perfected otherwise. If the security interest or agricultural lien*  
 3234 *becomes unperfected upon lapse, it is deemed never to have been perfected as against a purchaser of*  
 3235 *the collateral for value.*

3236 (d) *When continuation statement may be filed. A continuation statement may be filed only within six*  
 3237 *months before the expiration of the five-year period specified in subsection (a) or the 30-year period*  
 3238 *specified in subsection (b), whichever is applicable.*

3239 (e) *Effect of filing continuation statement. Except as otherwise provided in § 8.9A-510, upon timely*  
 3240 *filing of a continuation statement, the effectiveness of the initial financing statement continues for a*  
 3241 *period of five years commencing on the day on which the financing statement would have become*  
 3242 *ineffective in the absence of the filing. Upon the expiration of the five-year period, the financing*  
 3243 *statement lapses in the same manner as provided in subsection (c), unless, before the lapse, another*  
 3244 *continuation statement is filed pursuant to subsection (d). Succeeding continuation statements may be*  
 3245 *filed in the same manner to continue the effectiveness of the initial financing statement.*

3246 (f) *Transmitting utility financing statement. If a debtor is a transmitting utility and a filed financing*  
 3247 *statement so indicates, the financing statement is effective until a termination statement is filed.*

3248 (g) *Record of mortgage as financing statement. A record of a mortgage that is effective as a*  
 3249 *financing statement filed as a fixture filing under § 8.9A-502 (c) remains effective as a financing*  
 3250 *statement filed as a fixture filing until the mortgage is released or satisfied of record or its effectiveness*  
 3251 *otherwise terminates as to the real property.*

3252 § 8.9A-516. *What constitutes filing; effectiveness of filing.*

3253 (a) *What constitutes filing. Except as otherwise provided in subsection (b), communication of a*  
 3254 *record to a filing office and tender of the filing fee or acceptance of the record by the filing office*  
 3255 *constitutes filing.*

3256 (b) *Refusal to accept record; filing does not occur. Filing does not occur with respect to a record*  
 3257 *that a filing office refuses to accept because:*

3258 (1) *the record is not communicated by a method or medium of communication authorized by the*  
 3259 *filing office;*

3260 (2) *an amount equal to or greater than the applicable filing fee is not tendered;*

3261 (3) *the filing office is unable to index the record because:*

3262 (A) *in the case of an initial financing statement, the record does not provide a name for the debtor;*

3263 (B) *in the case of an amendment or correction statement, the record:*

3264 (i) *does not identify the initial financing statement as required by § 8.9A-512 or § 8.9A-518, as*  
 3265 *applicable; or*

3266 (ii) *identifies an initial financing statement whose effectiveness has lapsed under § 8.9A-515;*

3267 (C) *in the case of an initial financing statement that provides the name of a debtor identified as an*  
 3268 *individual or an amendment that provides a name of a debtor identified as an individual which was not*  
 3269 *previously provided in the financing statement to which the record relates, the record does not identify*  
 3270 *the debtor's last name; or*

3271 (D) *in the case of a record filed or recorded in the filing office described in § 8.9A-501 (a) (1), the*  
 3272 *record does not provide a sufficient description of the real property to which it relates;*

3273 (4) *in the case of an initial financing statement or an amendment that adds a secured party of*  
 3274 *record, the record does not provide a name and mailing address for the secured party of record;*

3275 (5) *in the case of an initial financing statement or an amendment that provides a name of a debtor*  
 3276 *which was not previously provided in the financing statement to which the amendment relates, the*  
 3277 *record does not:*

3278 (A) *provide a mailing address for the debtor;*

3279 (B) *indicate whether the debtor is an individual or an organization; or*

3280 (C) *if the financing statement indicates that the debtor is an organization, provide:*

3281 (i) *a type of organization for the debtor;*

3282 (ii) *a jurisdiction of organization for the debtor; or*

3283 (iii) *an organizational identification number for the debtor or indicate that the debtor has none;*

3284 (6) *in the case of an assignment reflected in an initial financing statement under § 8.9A-514 (a) or*  
 3285 *an amendment filed under § 8.9A-514 (b), the record does not provide a name and mailing address for*  
 3286 *the assignee; or*

3287 (7) *in the case of a continuation statement, the record is not filed within the six-month period*  
 3288 *prescribed by § 8.9A-515 (d).*

3289 (c) *Rules applicable to subsection (b). For purposes of subsection (b):*

(1) a record does not provide information if the filing office is unable to read or decipher the information; and

(2) a record that does not indicate that it is an amendment or identify an initial financing statement to which it relates, as required by §§ 8.9A-512, 8.9A-514, or § 8.9A-518, is an initial financing statement.

(d) *Refusal to accept record; record effective as filed record.* A record that is communicated to the filing office with tender of the filing fee, but which the filing office refuses to accept for a reason other than one set forth in subsection (b), is effective as a filed record except as against a purchaser of the collateral which gives value in reasonable reliance upon the absence of the record from the files.

§ 8.9A-517. *Effect of indexing errors.*

The failure of the filing office to index a record correctly does not affect the effectiveness of the filed record.

§ 8.9A-518. *Claim concerning inaccurate or wrongfully filed record.*

(a) *Correction statement.* A person may file in the filing office a correction statement with respect to a record indexed there under the person's name if the person believes that the record is inaccurate or was wrongfully filed.

(b) *Sufficiency of correction statement.* A correction statement must:

(1) identify the record to which it relates by the file number assigned to the initial financing statement to which the record relates;

(2) indicate that it is a correction statement; and

(3) provide the basis for the person's belief that the record is inaccurate and indicate the manner in which the person believes the record should be amended to cure any inaccuracy or provide the basis for the person's belief that the record was wrongfully filed.

(c) *Record not affected by correction statement.* The filing of a correction statement does not affect the effectiveness of an initial financing statement or other filed record.

#### Subpart 2.

#### *Duties and Operation of Filing Office.*

§ 8.9A-519. *Numbering, maintaining, and indexing records; communicating information provided in records.*

(a) *Filing office duties.* For each record filed in a filing office, the filing office shall:

(1) assign a unique number to the filed record;

(2) create a record that bears the number assigned to the filed record and the date and time of filing;

(3) maintain the filed record for public inspection; and

(4) index the filed record in accordance with subsections (c), (d), and (e).

(b) *File number.* A file number assigned after January 1, 2002, must include a digit that:

(1) is mathematically derived from or related to the other digits of the file number; and

(2) aids the filing office in determining whether a number communicated as the file number includes a single-digit or transpositional error.

(c) *Indexing; general.* Except as otherwise provided in subsections (d) and (e), the filing office shall:

(1) index an initial financing statement according to the name of the debtor and index all filed records relating to the initial financing statement in a manner that associates with one another an initial financing statement and all filed records relating to the initial financing statement; and

(2) index a record that provides a name of a debtor which was not previously provided in the financing statement to which the record relates also according to the name that was not previously provided.

(d) *Indexing; real-property-related financing statement.* If a financing statement is filed as a fixture filing or covers as-extracted collateral or timber to be cut, it must be filed for record and the filing office shall index it:

(1) under the names of the debtor and of each owner of record shown on the financing statement as if they were the mortgagors under a mortgage of the real property described; and

(2) to the extent that the law of the Commonwealth provides for indexing of records of mortgages under the name of the mortgagee, under the name of the secured party as if the secured party were the mortgagee thereunder, or, if indexing is by description, as if the financing statement were a record of a mortgage of the real property described.

(e) *Indexing; real-property-related assignment.* If a financing statement is filed as a fixture filing or covers as-extracted collateral or timber to be cut, the filing office shall index an assignment filed under § 8.9A-514 (a) or an amendment filed under § 8.9A-514 (b):

(1) under the name of the assignor as grantor; and

(2) to the extent that the law of the Commonwealth provides for indexing a record of the assignment of a mortgage under the name of the assignee, under the name of the assignee.

3351 (f) Retrieval and association capability. The filing office shall maintain a capability:  
 3352 (1) to retrieve a record by the name of the debtor and by the file number assigned to the initial  
 3353 financing statement to which the record relates; and  
 3354 (2) to associate and retrieve with one another an initial financing statement and each filed record  
 3355 relating to the initial financing statement.  
 3356 (g) Removal of debtor's name. The filing office may not remove a debtor's name from the index until  
 3357 one year after the effectiveness of a financing statement naming the debtor lapses under § 8.9A-515 with  
 3358 respect to all secured parties of record.  
 3359 (h) Timeliness of filing office performance. The filing office shall perform the acts required by  
 3360 subsections (a) through (e) at the time and in the manner prescribed by filing-office rule, but not later  
 3361 than five business days after the filing office receives the record in question.  
 3362 (i) Inapplicability to real-property-related filing office. Subsections (b) and (h) do not apply to a  
 3363 filing office described in § 8.9A-501 (a) (1).  
 3364 § 8.9A-520. Acceptance and refusal to accept record.  
 3365 (a) Mandatory refusal to accept record. A filing office shall refuse to accept a record for filing for a  
 3366 reason set forth in § 8.9A-516 (b) and may refuse to accept a record for filing only for a reason set  
 3367 forth in § 8.9A-516 (b).  
 3368 (b) Communication concerning refusal. If a filing office refuses to accept a record for filing, it shall  
 3369 communicate to the person that presented the record the fact of and reason for the refusal and the date  
 3370 and time the record would have been filed had the filing office accepted it. The communication must be  
 3371 made at the time and in the manner prescribed by filing-office rule but, in the case of a filing office  
 3372 described in § 8.9A-501 (a) (2), in no event more than five business days after the filing office receives  
 3373 the record.  
 3374 (c) When filed financing statement effective. A filed financing statement satisfying § 8.9A-502 (a) and  
 3375 (b) is effective, even if the filing office is required to refuse to accept it for filing under subsection (a).  
 3376 However, § 8.9A-338 applies to a filed financing statement providing information described in  
 3377 § 8.9A-516 (b) (5) which is incorrect at the time the financing statement is filed.  
 3378 (d) Separate application to multiple debtors. If a record communicated to a filing office provides  
 3379 information that relates to more than one debtor, this part applies as to each debtor separately.  
 3380 8.9A-521. Uniform form of written financing statement and amendment.  
 3381 (a) Initial financing statement form. A filing office that accepts written records may not refuse to  
 3382 accept a written initial financing statement in the following form and format except for a reason set  
 3383 forth in § 8.9A-516 (b):

**3384**      *(b) Amendment form. A filing office that accepts written records may not refuse to accept a written*

3386 § 8.9A-522. Maintenance and destruction of records.

3387 (a) Post-lapse maintenance and retrieval of information. The filing office shall maintain a record of  
 3388 the information provided in a filed financing statement for at least one year after the effectiveness of the  
 3389 financing statement has lapsed under § 8.9A-515 with respect to all secured parties of record. The  
 3390 record must be retrievable by using the name of the debtor and by using the file number assigned to the  
 3391 initial financing statement to which the record relates.

3392 (b) Destruction of written records. Except to the extent that a statute governing disposition of public  
 3393 records provides otherwise, the filing office immediately may destroy any written record evidencing a  
 3394 financing statement. However, if the filing office destroys a written record, it shall maintain another  
 3395 record of the financing statement which complies with subsection (a).

3396 § 8.9A-523. Information from filing office; sale or license of records.

3397 (a) Acknowledgment of filing written record. If a person that files a written record requests an  
 3398 acknowledgment of the filing, the filing office shall send to the person an image of the record showing  
 3399 the number assigned to the record pursuant to § 8.9A-519 (a) (1) and the date and time of the filing of  
 3400 the record. However, if the person furnishes a copy of the record to the filing office, the filing office  
 3401 may instead:

3402 (1) note upon the copy the number assigned to the record pursuant to § 8.9A-519 (a) (1) and the  
 3403 date and time of the filing of the record; and

3404 (2) send the copy to the person.

3405 (b) Acknowledgment of filing other record. If a person files a record other than a written record, the  
 3406 filing office shall communicate to the person an acknowledgment that provides:

3407 (1) the information in the record;

3408 (2) the number assigned to the record pursuant to § 8.9A-519 (a) (1); and

3409 (3) the date and time of the filing of the record.

3410 (c) Communication of requested information. The filing office shall communicate or otherwise make  
 3411 available in a record the following information to any person that requests it:

3412 (1) whether there is on file on a date and time specified by the filing office, but not a date earlier  
 3413 than six business days before the filing office receives the request, any financing statement that:

3414 (A) designates a particular debtor or, if the request so states, designates a particular debtor at the  
 3415 address specified in the request;

3416 (B) has not lapsed under § 8.9A-515 with respect to all secured parties of record; and

3417 (C) if the request so states, has lapsed under § 8.9A-515 and a record of which is maintained by the  
 3418 filing office under § 8.9A-522 (a);

3419 (2) the date and time of filing of each financing statement; and

3420 (3) the information provided in each financing statement.

3421 (d) Medium for communicating information. In complying with its duty under subsection (c), the  
 3422 filing office may communicate information in any medium. However, if requested, the filing office shall  
 3423 communicate information by issuing its written certificate.

3424 (e) Timeliness of filing office performance. The filing office shall perform the acts required by  
 3425 subsections (a) through (d) at the time and in the manner prescribed by filing-office rule, but not later  
 3426 than five business days after the filing office receives the request.

3427 (f) Public availability of records. At least weekly, the State Corporation Commission shall offer to  
 3428 sell or license to the public on a nonexclusive basis, in bulk, copies of all records filed in it under this  
 3429 part, in every medium from time to time available to the filing office.

3430 § 8.9A-524. Delay by filing office.

3431 Delay by the filing office beyond a time limit prescribed by this part is excused if:

3432 (1) the delay is caused by interruption of communication or computer facilities, war, emergency  
 3433 conditions, failure of equipment, or other circumstances beyond control of the filing office; and

3434 (2) the filing office exercises reasonable diligence under the circumstances.

3435 § 8.9A-525. Fees.

3436 (a) Initial financing statement or other record; general rule. Except as otherwise provided in  
 3437 subsection (e), the fee for filing and indexing a record under this part, other than an initial financing  
 3438 statement of the kind described in subsection (b), is \$20.

3439 (b) Initial financing statement; public-finance and manufactured-housing transactions. Except as  
 3440 otherwise provided in subsection (e), the fee for filing and indexing an initial financing statement of the  
 3441 following kind is \$20.

3442 (c) Number of names. The number of names required to be indexed does not affect the amount of the  
 3443 fee in subsections (a) and (b).

3444 (d) Response to information request. The fee for responding to a request for information from the  
 3445 filing office, other than the State Corporation Commission, including for issuing a certificate showing  
 3446 whether there is on file any financing statement naming a particular debtor, is \$20. The fees for

responding to requests for information from the State Corporation Commission made pursuant to this title are governed by § 12.1-21.1.

(e) Record of mortgage. This section does not require a fee with respect to a record of a mortgage which is effective as a financing statement filed as a fixture filing or as a financing statement covering as-extracted collateral or timber to be cut under § 8.9A-502 (c). However, the recording and satisfaction fees that otherwise would be applicable to the record of the mortgage apply.

§ 8.9A-526. Promulgation of rules.

(a) The State Corporation Commission shall promulgate and make available to the public such rules as it deems necessary to implement this title. Such rules shall be promulgated in accordance with applicable law.

(b) When adopting such rules and establishing filing office practices, the Commission shall make an effort to keep such rules and practices in harmony with the rules and practices of other jurisdictions which enact substantially similar legislation and, to the extent feasible, to keep the technology it uses compatible with the technology used by such other jurisdictions. To this end, the Commission shall consult with such other jurisdictions, and take into account the most recent version of any Model Rules proposed by the International Association of Corporate Administrators, or any successor organization.

§ 8.9A-527. Duty to report.

The State Corporation Commission may report annually to the Governor and General Assembly on the operation of the filing office. The report may contain a statement of the extent to which:

(1) the filing-office rules are not in harmony with the rules of filing offices in other jurisdictions that enact substantially this part and the reasons for these variations; and

(2) the filing-office rules are not in harmony with the most recent version of the Model Rules promulgated by the International Association of Corporate Administrators, or any successor organization, and the reasons for these variations.

Part 6.

Default.

Subpart 1.

Default and Enforcement of Security Interest.

§ 8.9A-601. Rights after default; judicial enforcement, consignor or buyer of accounts, chattel paper, payment intangibles, or promissory notes.

(a) Rights of secured party after default. After default, a secured party has the rights provided in this part and, except as otherwise provided in § 8.9A-602, those provided by agreement of the parties. A secured party:

(1) may reduce a claim to judgment, foreclose, or otherwise enforce the claim, security interest, or agricultural lien by any available judicial procedure; and

(2) if the collateral is documents, may proceed either as to the documents or as to the goods they cover.

(b) Rights and duties of secured party in possession or control. A secured party in possession of collateral or control of collateral under §§ 8.9A-104, 8.9A-105, 8.9A-106, or § 8.9A-107 has the rights and duties provided in § 8.9A-207.

(c) Rights cumulative; simultaneous exercise. The rights under subsections (a) and (b) are cumulative and may be exercised simultaneously.

(d) Rights of debtor and obligor. Except as otherwise provided in subsection (g) and § 8.9A-605, after default, a debtor and an obligor have the rights provided in this part and by agreement of the parties.

(e) Lien of levy after judgment. If a secured party has reduced its claim to judgment, the lien of any levy that may be made upon the collateral by virtue of an execution based upon the judgment relates back to the earliest of:

(1) the date of perfection of the security interest or agricultural lien in the collateral;

(2) the date of filing a financing statement covering the collateral; or

(3) any date specified in a statute under which the agricultural lien was created.

(f) Execution sale. A sale pursuant to an execution is a foreclosure of the security interest or agricultural lien by judicial procedure within the meaning of this section. A secured party may purchase at the sale and thereafter hold the collateral free of any other requirements of this title.

(g) Consignor or buyer of certain rights to payment. Except as otherwise provided in § 8.9A-607 (c), this part imposes no duties upon a secured party that is a consignor or is a buyer of accounts, chattel paper, payment intangibles, or promissory notes.

§ 8.9A-602. Waiver and variance of rights and duties.

Except as otherwise provided in § 8.9A-624, to the extent that they give rights to a debtor or obligor and impose duties on a secured party, the debtor or obligor may not waive or vary the rules stated in the following listed sections:

3508 (1) § 8.9A-207 (b) (4) (C), which deals with use and operation of the collateral by the secured party;  
 3509 (2) § 8.9A-210, which deals with requests for an accounting and requests concerning a list of  
 3510 collateral and statement of account;  
 3511 (3) § 8.9A-607 (c), which deals with collection and enforcement of collateral;  
 3512 (4) §§ 8.9A-608 (a) and 8.9A-615 (c) to the extent that they deal with application or payment of  
 3513 noncash proceeds of collection, enforcement, or disposition;  
 3514 (5) §§ 8.9A-608 (a) and 8.9A-615 (d) to the extent that they require accounting for or payment of  
 3515 surplus proceeds of collateral;  
 3516 (6) § 8.9A-609 to the extent that it imposes upon a secured party that takes possession of collateral  
 3517 without judicial process the duty to do so without breach of the peace;  
 3518 (7) §§ 8.9A-610 (b), 8.9A-611, 8.9A-613, and 8.9A-614, which deal with disposition of collateral;  
 3519 (8) § 8.9A-615 (f), which deals with calculation of a deficiency or surplus when a disposition is made  
 3520 to the secured party, a person related to the secured party, or a secondary obligor;  
 3521 (9) § 8.9A-616, which deals with explanation of the calculation of a surplus or deficiency;  
 3522 (10) §§ 8.9A-620, 8.9A-621, and 8.9A-622, which deal with acceptance of collateral in satisfaction of  
 3523 obligation;  
 3524 (11) § 8.9A-623, which deals with redemption of collateral;  
 3525 (12) § 8.9A-624, which deals with permissible waivers; and  
 3526 (13) §§ 8.9A-625 and 8.9A-626, which deal with the secured party's liability for failure to comply  
 3527 with this title.  
 3528 § 8.9A-603. Agreement on standards concerning rights and duties.  
 3529 (a) Agreed standards. The parties may determine by agreement the standards measuring the  
 3530 fulfillment of the rights of a debtor or obligor and the duties of a secured party under a rule stated in  
 3531 § 8.9A-602 if the standards are not manifestly unreasonable.  
 3532 (b) Agreed standards inapplicable to breach of peace. Subsection (a) does not apply to the duty  
 3533 under § 8.9A-609 to refrain from breaching the peace.  
 3534 § 8.9A-604. Procedure if security agreement covers real property or fixtures.  
 3535 (a) Enforcement: personal and real property. If a security agreement covers both personal and real  
 3536 property, a secured party may proceed:  
 3537 (1) under this part as to the personal property without prejudicing any rights with respect to the real  
 3538 property; or  
 3539 (2) as to both the personal property and the real property in accordance with the rights with respect  
 3540 to the real property, in which case the other provisions of this part do not apply.  
 3541 (b) Enforcement; fixtures. Subject to subsection (c), if a security agreement covers goods that are or  
 3542 become fixtures, a secured party may proceed:  
 3543 (1) under this part; or  
 3544 (2) in accordance with the rights with respect to real property, in which case the other provisions of  
 3545 this part do not apply.  
 3546 (c) Removal of fixtures. Subject to the other provisions of this part, if a secured party holding a  
 3547 security interest in fixtures has priority over all owners and encumbrancers of the real property, the  
 3548 secured party, after default, may remove the collateral from the real property.  
 3549 (d) Injury caused by removal. A secured party that removes collateral shall promptly reimburse any  
 3550 encumbrancer or owner of the real property, other than the debtor, for the cost of repair of any  
 3551 physical injury caused by the removal. The secured party need not reimburse the encumbrancer or  
 3552 owner for any diminution in value of the real property caused by the absence of the goods removed or  
 3553 by any necessity of replacing them. A person entitled to reimbursement may refuse permission to remove  
 3554 until the secured party gives adequate assurance for the performance of the obligation to reimburse.  
 3555 § 8.9A-605. Unknown debtor or secondary obligor.  
 3556 A secured party does not owe a duty based on its status as secured party:  
 3557 (1) to a person that is a debtor or obligor, unless the secured party knows:  
 3558 (A) that the person is a debtor or obligor;  
 3559 (B) the identity of the person; and  
 3560 (C) how to communicate with the person; or  
 3561 (2) to a secured party or lienholder that has filed a financing statement against a person, unless the  
 3562 secured party knows:  
 3563 (A) that the person is a debtor; and  
 3564 (B) the identity of the person.  
 3565 § 8.9A-606. Time of default for agricultural lien. For purposes of this part, a default occurs in  
 3566 connection with an agricultural lien at the time the secured party becomes entitled to enforce the lien in  
 3567 accordance with the statute under which it was created.  
 3568 § 8.9A-607. Collection and enforcement by secured party.

(a) Collection and enforcement generally. If so agreed, and in any event after default, a secured party:

(1) may notify an account debtor or other person obligated on collateral to make payment or otherwise render performance to or for the benefit of the secured party;

(2) may take any proceeds to which the secured party is entitled under § 8.9A-315;

(3) may enforce the obligations of an account debtor or other person obligated on collateral and exercise the rights of the debtor with respect to the obligation of the account debtor or other person obligated on collateral to make payment or otherwise render performance to the debtor, and with respect to any property that secures the obligations of the account debtor or other person obligated on the collateral;

(4) if it holds a security interest in a deposit account perfected by control under § 8.9A-104 (a) (1), may apply the balance of the deposit account to the obligation secured by the deposit account; and

(5) if it holds a security interest in a deposit account perfected by control under § 8.9A-104 (a) (2) or (3), may instruct the bank to pay the balance of the deposit account to or for the benefit of the secured party.

(b) Nonjudicial enforcement of mortgage. If necessary to enable a secured party to exercise under subsection (a) (3) the right of a debtor to enforce a mortgage nonjudicially, the secured party may record in the office in which a record of the mortgage is recorded:

(1) a copy of the security agreement that creates or provides for a security interest in the obligation secured by the mortgage; and

(2) the secured party's sworn affidavit in recordable form stating that:

(A) a default has occurred; and

(B) the secured party is entitled to enforce the mortgage nonjudicially.

(c) Commercially reasonable collection and enforcement. A secured party shall proceed in a commercially reasonable manner if the secured party:

(1) undertakes to collect from or enforce an obligation of an account debtor or other person obligated on collateral; and

(2) is entitled to charge back uncollected collateral or otherwise to full or limited recourse against the debtor or a secondary obligor.

(d) Expenses of collection and enforcement. A secured party may deduct from the collections made pursuant to subsection (c) reasonable expenses of collection and enforcement, including reasonable attorney's fees and legal expenses incurred by the secured party.

(e) Duties to secured party not affected. This section does not determine whether an account debtor, bank, or other person obligated on collateral owes a duty to a secured party.

§ 8.9A-608. Application of proceeds of collection or enforcement; liability for deficiency and right to surplus.

(a) Application of proceeds, surplus, and deficiency if obligation secured. If a security interest or agricultural lien secures payment or performance of an obligation, the following rules apply:

(1) A secured party shall apply or pay over for application the cash proceeds of collection or enforcement under § 8.9A-607 in the following order to:

(A) the reasonable expenses of collection and enforcement and, to the extent provided for by agreement and not prohibited by law, reasonable attorney's fees and legal expenses incurred by the secured party;

(B) the satisfaction of obligations secured by the security interest or agricultural lien under which the collection or enforcement is made; and

(C) the satisfaction of obligations secured by any subordinate security interest in or other lien on the collateral subject to the security interest or agricultural lien under which the collection or enforcement is made if the secured party receives an authenticated demand for proceeds before distribution of the proceeds is completed.

(2) If requested by a secured party, a holder of a subordinate security interest or other lien shall furnish reasonable proof of the interest or lien within a reasonable time. Unless the holder complies, the secured party need not comply with the holder's demand under paragraph (1) (C).

(3) A secured party need not apply or pay over for application noncash proceeds of collection and enforcement under § 8.9A-607 unless the failure to do so would be commercially unreasonable. A secured party that applies or pays over for application noncash proceeds shall do so in a commercially reasonable manner.

(4) A secured party shall account to and pay a debtor for any surplus, and the obligor is liable for any deficiency.

(b) No surplus or deficiency in sales of certain rights to payment. If the underlying transaction is a sale of accounts, chattel paper, payment intangibles, or promissory notes, the debtor is not entitled to any surplus, and the obligor is not liable for any deficiency.

3630 § 8.9A-609. Secured party's right to take possession after default.

3631 (a) Possession; rendering equipment unusable; disposition on debtor's premises. After default, a  
3632 secured party:

3633 (1) may take possession of the collateral; and

3634 (2) without removal, may render equipment unusable and dispose of collateral on a debtor's premises  
3635 under § 8.9A-610.

3636 (b) Judicial and nonjudicial process. A secured party may proceed under subsection (a):

3637 (1) pursuant to judicial process; or

3638 (2) without judicial process, if it proceeds without breach of the peace.

3639 (c) Assembly of collateral. If so agreed, and in any event after default, a secured party may require  
3640 the debtor to assemble the collateral and make it available to the secured party at a place to be  
3641 designated by the secured party which is reasonably convenient to both parties.

3642 § 8.9A-610. Disposition of collateral after default.

3643 (a) Disposition after default. After default, a secured party may sell, lease, license, or otherwise  
3644 dispose of any or all of the collateral in its present condition or following any commercially reasonable  
3645 preparation or processing.

3646 (b) Commercially reasonable disposition. Every aspect of a disposition of collateral, including the  
3647 method, manner, time, place, and other terms, must be commercially reasonable. If commercially  
3648 reasonable, a secured party may dispose of collateral by public or private proceedings, by one or more  
3649 contracts, as a unit or in parcels, and at any time and place and on any terms.

3650 (c) Purchase by secured party. A secured party may purchase collateral:

3651 (1) at a public disposition; or

3652 (2) at a private disposition only if the collateral is of a kind that is customarily sold on a recognized  
3653 market or the subject of widely distributed standard price quotations.

3654 (d) Warranties on disposition. A contract for sale, lease, license, or other disposition includes the  
3655 warranties relating to title, possession, quiet enjoyment, and the like which by operation of law  
3656 accompany a voluntary disposition of property of the kind subject to the contract.

3657 (e) Disclaimer of warranties. A secured party may disclaim or modify warranties under subsection  
3658 (d):

3659 (1) in a manner that would be effective to disclaim or modify the warranties in a voluntary  
3660 disposition of property of the kind subject to the contract of disposition; or

3661 (2) by communicating to the purchaser a record evidencing the contract for disposition and including  
3662 an express disclaimer or modification of the warranties.

3663 (f) Record sufficient to disclaim warranties. A record is sufficient to disclaim warranties under  
3664 subsection (e) if it indicates "There is no warranty relating to title, possession, quiet enjoyment, or the  
3665 like in this disposition" or uses words of similar import.

3666 § 8.9A-611. Notification before disposition of collateral.

3667 (a) "Notification date." In this section, "notification date" means the earlier of the date on which:

3668 (1) a secured party sends to the debtor and any secondary obligor an authenticated notification of  
3669 disposition; or

3670 (2) the debtor and any secondary obligor waive the right to notification.

3671 (b) Notification of disposition required. Except as otherwise provided in subsection (d), a secured  
3672 party that disposes of collateral under § 8.9A-610 shall send to the persons specified in subsection (c) a  
3673 reasonable authenticated notification of disposition.

3674 (c) Persons to be notified. To comply with subsection (b), the secured party shall send an  
3675 authenticated notification of disposition to:

3676 (1) the debtor;

3677 (2) any secondary obligor; and

3678 (3) if the collateral is other than consumer goods:

3679 (A) any other person from which the secured party has received, before the notification date, an  
3680 authenticated notification of a claim of an interest in the collateral;

3681 (B) any other secured party or lienholder that, 10 days before the notification date, held a security  
3682 interest in or other lien on the collateral perfected by the filing of a financing statement that:

3683 (i) identified the collateral;

3684 (ii) was indexed under the debtor's name as of that date; and

3685 (iii) was filed in the office in which to file a financing statement against the debtor covering the  
3686 collateral as of that date; and

3687 (C) any other secured party that, ten days before the notification date, held a security interest in the  
3688 collateral perfected by compliance with a statute, regulation, or treaty described in § 8.9A-311 (a).

3689 (d) Subsection (b) inapplicable; perishable collateral; recognized market. Subsection (b) does not  
3690 apply if the collateral is perishable or threatens to decline speedily in value or is of a type customarily

3691 sold on a recognized market.

3692 (e) Compliance with subsection (c) (3) (B). A secured party complies with the requirement for  
3693 notification prescribed by subsection (c) (3) (B) if:

3694 (1) not later than twenty days or earlier than thirty days before the notification date, the secured  
3695 party requests, in a commercially reasonable manner, information concerning financing statements  
3696 indexed under the debtor's name in the office indicated in subsection (c) (3) (B); and

3697 (2) before the notification date, the secured party:

3698 (A) did not receive a response to the request for information; or

3699 (B) received a response to the request for information and sent an authenticated notification of  
3700 disposition to each secured party or other lienholder named in that response whose financing statement  
3701 covered the collateral.

3702 § 8.9A-612. Timeliness of notification before disposition of collateral.

3703 A notification of disposition sent after default and ten days or more before the earliest time of  
3704 disposition set forth in the notification is considered sent within a reasonable time before the  
3705 disposition.

3706 § 8.9A-613. Contents and form of notification before disposition of collateral; general.

3707 Except in a consumer-goods transaction, the following rules apply:

3710 (B) describes the collateral that is the subject of the intended disposition;

3711 (C) states the method of intended disposition;

3712 (D) states that the debtor is entitled to an accounting of the unpaid indebtedness and states the  
3713 charge, if any, for an accounting; and

3714 (E) states the time and place of a public disposition or the time after which any other disposition is  
3715 to be made.

3716 (2) Whether the contents of a notification that lacks any of the information specified in paragraph  
3717 (1) are nevertheless sufficient is a question of fact.

3718 (3) The contents of a notification providing substantially the information specified in paragraph (1)  
3719 are sufficient, even if the notification includes:

3720 (A) information not specified by that paragraph; or

3721 (B) minor errors that are not seriously misleading.

3722 (4) A particular phrasing of the notification is not required.

3723 (5) The following form of notification and the form appearing in § 8.9A-614 (3), when completed,

(4) A notification in the form of paragraph (3) is sufficient, even if additional information appears at the end of the form.

(5) A notification in the form of paragraph (3) is sufficient, even if it includes errors in information not required by paragraph (1), unless the error is misleading with respect to rights arising under this title.

(6) If a notification under this section is not in the form of paragraph (3), law other than this title determines the effect of including information not required by paragraph (1).

§ 8.9A-615. Application of proceeds of disposition; liability for deficiency and right to surplus.

(a) Application of proceeds. A secured party shall apply or pay over for application the cash proceeds of disposition under § 8.9A-610 in the following order to:

(1) the reasonable expenses of retaking, holding, preparing for disposition, processing, and disposing, and, to the extent provided for by agreement and not prohibited by law, reasonable attorney's fees and legal expenses incurred by the secured party;

(2) the satisfaction of obligations secured by the security interest or agricultural lien under which the disposition is made;

(3) the satisfaction of obligations secured by any subordinate security interest in or other subordinate lien on the collateral if:

(A) the secured party receives from the holder of the subordinate security interest or other lien an authenticated demand for proceeds before distribution of the proceeds is completed; and

(B) in a case in which a consignor has an interest in the collateral, the subordinate security interest or other lien is senior to the interest of the consignor; and

(4) a secured party that is a consignor of the collateral if the secured party receives from the consignor an authenticated demand for proceeds before distribution of the proceeds is completed.

(b) Proof of subordinate interest. If requested by a secured party, a holder of a subordinate security interest or other lien shall furnish reasonable proof of the interest or lien within a reasonable time. Unless the holder does so, the secured party need not comply with the holder's demand under subsection (a) (3).

(c) Application of noncash proceeds. A secured party need not apply or pay over for application noncash proceeds of disposition under § 8.9A-610 unless the failure to do so would be commercially unreasonable. A secured party that applies or pays over for application noncash proceeds shall do so in a commercially reasonable manner.

(d) Surplus or deficiency if obligation secured. If the security interest under which a disposition is made secures payment or performance of an obligation, after making the payments and applications required by subsection (a) and permitted by subsection (c):

(1) unless subsection (a) (4) requires the secured party to apply or pay over cash proceeds to a consignor, the secured party shall account to and pay a debtor for any surplus; and

(2) the obligor is liable for any deficiency.

(e) No surplus or deficiency in sales of certain rights to payment. If the underlying transaction is a sale of accounts, chattel paper, payment intangibles, or promissory notes:

(1) the debtor is not entitled to any surplus; and

(2) the obligor is not liable for any deficiency.

(f) Calculation of surplus or deficiency in disposition to person related to secured party. The surplus or deficiency following a disposition is calculated based on the amount of proceeds that would have been realized in a disposition complying with this part to a transferee other than the secured party, a person related to the secured party, or a secondary obligor if:

(1) the transferee in the disposition is the secured party, a person related to the secured party, or a secondary obligor; and

(2) the amount of proceeds of the disposition is significantly below the range of proceeds that a complying disposition to a person other than the secured party, a person related to the secured party, or a secondary obligor would have brought.

§ 8.9A-616. Explanation of calculation of surplus or deficiency.

(a) Definitions. In this section:

- 3870 (1) "Explanation" means a writing that:  
 3871 (A) states the amount of the surplus or deficiency;  
 3872 (B) provides an explanation in accordance with subsection (c) of how the secured party calculated  
 3873 the surplus or deficiency;  
 3874 (C) states, if applicable, that future debits, credits, charges, including additional credit service  
 3875 charges or interest, rebates, and expenses may affect the amount of the surplus or deficiency; and  
 3876 (D) provides a telephone number or mailing address from which additional information concerning  
 3877 the transaction is available.
- 3878 (2) "Request" means a record:  
 3879 (A) authenticated by a debtor or consumer obligor;  
 3880 (B) requesting that the recipient provide an explanation; and  
 3881 (C) sent after disposition of the collateral under § 8.9A-610.
- 3882 (b) Explanation of calculation. In a consumer-goods transaction in which the debtor is entitled to a  
 3883 surplus or a consumer obligor is liable for a deficiency under § 8.9A-615, the secured party shall:  
 3884 (1) send an explanation to the debtor or consumer obligor, as applicable, after the disposition and:  
 3885 (A) before or when the secured party accounts to the debtor and pays any surplus or first makes  
 3886 written demand on the consumer obligor after the disposition for payment of the deficiency; and  
 3887 (B) within fourteen days after receipt of a request; or  
 3888 (2) in the case of a consumer obligor who is liable for a deficiency, within fourteen days after  
 3889 receipt of a request, send to the consumer obligor a record waiving the secured party's right to a  
 3890 deficiency.
- 3891 (c) Required information. To comply with subsection (a) (1) (B), a writing must provide the following  
 3892 information in the following order:  
 3893 (1) the aggregate amount of obligations secured by the security interest under which the disposition  
 3894 was made, and, if the amount reflects a rebate of unearned interest or credit service charge, an  
 3895 indication of that fact, calculated as of a specified date:  
 3896 (A) if the secured party takes or receives possession of the collateral after default, not more than  
 3897 thirty-five days before the secured party takes or receives possession; or  
 3898 (B) if the secured party takes or receives possession of the collateral before default or does not take  
 3899 possession of the collateral, not more than thirty-five days before the disposition;  
 3900 (2) the amount of proceeds of the disposition;  
 3901 (3) the aggregate amount of the obligations after deducting the amount of proceeds;  
 3902 (4) the amount, in the aggregate or by type, and types of expenses, including expenses of retaking,  
 3903 holding, preparing for disposition, processing, and disposing of the collateral, and attorney's fees  
 3904 secured by the collateral which are known to the secured party and relate to the current disposition;  
 3905 (5) the amount, in the aggregate or by type, and types of credits, including rebates of interest or  
 3906 credit service charges, to which the obligor is known to be entitled and which are not reflected in the  
 3907 amount in paragraph (1); and  
 3908 (6) the amount of the surplus or deficiency.
- 3909 (d) Substantial compliance. A particular phrasing of the explanation is not required. An explanation  
 3910 complying substantially with the requirements of subsection (a) is sufficient, even if it includes minor  
 3911 errors that are not seriously misleading.
- 3912 (e) Charges for responses. A debtor or consumer obligor is entitled without charge to one response  
 3913 to a request under this section during any six-month period in which the secured party did not send to  
 3914 the debtor or consumer obligor an explanation pursuant to subsection (b) (1). The secured party may  
 3915 require payment of a charge not exceeding \$25 for each additional response.
- 3916 § 8.9A-617. Rights of transferee of collateral.
- 3917 (a) Effects of disposition. A secured party's disposition of collateral after default:  
 3918 (1) transfers to a transferee for value all of the debtor's rights in the collateral;  
 3919 (2) discharges the security interest under which the disposition is made; and  
 3920 (3) discharges any subordinate security interest or other subordinate lien.
- 3921 (b) Rights of good-faith transferee. A transferee that acts in good faith takes free of the rights and  
 3922 interests described in subsection (a), even if the secured party fails to comply with this title or the  
 3923 requirements of any judicial proceeding.
- 3924 (c) Rights of other transferee. If a transferee does not take free of the rights and interests described  
 3925 in subsection (a), the transferee takes the collateral subject to:  
 3926 (1) the debtor's rights in the collateral;  
 3927 (2) the security interest or agricultural lien under which the disposition is made; and  
 3928 (3) any other security interest or other lien.
- 3929 § 8.9A-618. Rights and duties of certain secondary obligors.
- 3930 (a) Rights and duties of secondary obligor. A secondary obligor acquires the rights and becomes

3931 obligated to perform the duties of the secured party after the secondary obligor:  
 3932 (1) receives an assignment of a secured obligation from the secured party;  
 3933 (2) receives a transfer of collateral from the secured party and agrees to accept the rights and  
 3934 assume the duties of the secured party; or  
 3935 (3) is subrogated to the rights of a secured party with respect to collateral.  
 3936 (b) Effect of assignment, transfer, or subrogation. An assignment, transfer, or subrogation described  
 3937 in subsection (a):  
 3938 (1) is not a disposition of collateral under § 8.9A-610; and  
 3939 (2) relieves the secured party of further duties under this title.  
 3940 § 8.9A-619. Transfer of record or legal title.  
 3941 (a) "Transfer statement." In this section, "transfer statement" means a record authenticated by a  
 3942 secured party stating:  
 3943 (1) that the debtor has defaulted in connection with an obligation secured by specified collateral;  
 3944 (2) that the secured party has exercised its postdefault remedies with respect to the collateral;  
 3945 (3) that, by reason of the exercise, a transferee has acquired the rights of the debtor in the  
 3946 collateral; and  
 3947 (4) the name and mailing address of the secured party, debtor, and transferee.  
 3948 (b) Effect of transfer statement. A transfer statement entitles the transferee to the transfer of record  
 3949 of all rights of the debtor in the collateral specified in the statement in any official filing, recording,  
 3950 registration, or certificate-of-title system covering the collateral. If a transfer statement is presented with  
 3951 the applicable fee and request form to the official or office responsible for maintaining the system, the  
 3952 official or office shall:  
 3953 (1) accept the transfer statement;  
 3954 (2) promptly amend its records to reflect the transfer; and  
 3955 (3) if applicable, issue a new appropriate certificate of title in the name of the transferee.  
 3956 (c) Transfer not a disposition; no relief of secured party's duties. A transfer of the record or legal  
 3957 title to collateral to a secured party under subsection (b) or otherwise is not of itself a disposition of  
 3958 collateral under this title and does not of itself relieve the secured party of its duties under this title.  
 3959 § 8.9A-620. Acceptance of collateral in full or partial satisfaction of obligation; compulsory  
 3960 disposition of collateral.  
 3961 (a) Conditions to acceptance in satisfaction. Except as otherwise provided in subsection (g), a  
 3962 secured party may accept collateral in full or partial satisfaction of the obligation it secures only if:  
 3963 (1) the debtor consents to the acceptance under subsection (c);  
 3964 (2) the secured party does not receive, within the time set forth in subsection (d), a notification of  
 3965 objection to the proposal authenticated by:  
 3966 (A) a person to which the secured party was required to send a proposal under § 8.9A-621; or  
 3967 (B) any other person, other than the debtor, holding an interest in the collateral subordinate to the  
 3968 security interest that is the subject of the proposal;  
 3969 (3) subsection (e) does not require the secured party to dispose of the collateral or the debtor waives  
 3970 the requirement pursuant to § 8.9A-624.  
 3971 (b) Purported acceptance ineffective. A purported or apparent acceptance of collateral under this  
 3972 section is ineffective unless:  
 3973 (1) the secured party consents to the acceptance in an authenticated record or sends a proposal to  
 3974 the debtor; and  
 3975 (2) the conditions of subsection (a) are met.  
 3976 (c) Debtor's consent. For purposes of this section:  
 3977 (1) a debtor consents to an acceptance of collateral in partial satisfaction of the obligation it secures  
 3978 only if the debtor agrees to the terms of the acceptance in a record authenticated after default; and  
 3979 (2) a debtor consents to an acceptance of collateral in full satisfaction of the obligation it secures  
 3980 only if the debtor agrees to the terms of the acceptance in a record authenticated after default or the  
 3981 secured party:  
 3982 (A) sends to the debtor after default a proposal that is unconditional or subject only to a condition  
 3983 that collateral not in the possession of the secured party be preserved or maintained;  
 3984 (B) in the proposal, proposes to accept collateral in full satisfaction of the obligation it secures; and  
 3985 (C) does not receive a notification of objection authenticated by the debtor within twenty days after  
 3986 the proposal is sent.  
 3987 (d) Effectiveness of notification. To be effective under subsection (a) (2), a notification of objection  
 3988 must be received by the secured party:  
 3989 (1) in the case of a person to which the proposal was sent pursuant to § 8.9A-621, within twenty  
 3990 days after notification was sent to that person; and  
 3991 (2) in other cases:

3992 (A) within twenty days after the last notification was sent pursuant to § 8.9A-621; or  
 3993 (B) if a notification was not sent, before the debtor consents to the acceptance under subsection (c).  
 3994 (e) Mandatory disposition of consumer goods. A secured party that has taken possession of collateral  
 3995 shall dispose of the collateral pursuant to § 8.9A-610 within the time specified in subsection (f) if:  
 3996 (1) Sixty percent of the cash price has been paid in the case of a purchase-money security interest in  
 3997 consumer goods; or  
 3998 (2) Sixty percent of the principal amount of the obligation secured has been paid in the case of a  
 3999 non-purchase-money security interest in consumer goods.  
 4000 (f) Compliance with mandatory disposition requirement. To comply with subsection (e), the secured  
 4001 party shall dispose of the collateral:  
 4002 (1) within ninety days after taking possession; or  
 4003 (2) within any longer period to which the debtor and all secondary obligors have agreed in an  
 4004 agreement to that effect entered into and authenticated after default.  
 4005 (g) No partial satisfaction in consumer transaction. In a consumer transaction, a secured party may  
 4006 not accept collateral in partial satisfaction of the obligation it secures.  
 4007 § 8.9A-621. Notification of proposal to accept collateral.  
 4008 (a) Persons to which proposal to be sent. A secured party that desires to accept collateral in full or  
 4009 partial satisfaction of the obligation it secures shall send its proposal to:  
 4010 (1) any person from which the secured party has received, before the debtor consented to the  
 4011 acceptance, an authenticated notification of a claim of an interest in the collateral;  
 4012 (2) any other secured party or lienholder that, ten days before the debtor consented to the  
 4013 acceptance, held a security interest in or other lien on the collateral perfected by the filing of a  
 4014 financing statement that:  
 4015 (A) identified the collateral;  
 4016 (B) was indexed under the debtor's name as of that date; and  
 4017 (C) was filed in the office or offices in which to file a financing statement against the debtor  
 4018 covering the collateral as of that date; and  
 4019 (3) any other secured party that, ten days before the debtor consented to the acceptance, held a  
 4020 security interest in the collateral perfected by compliance with a statute, regulation, or treaty described  
 4021 in § 8.9A-311 (a).  
 4022 (b) Proposal to be sent to secondary obligor in partial satisfaction. A secured party that desires to  
 4023 accept collateral in partial satisfaction of the obligation it secures shall send its proposal to any  
 4024 secondary obligor in addition to the persons described in subsection (a).  
 4025 § 8.9A-622. Effect of acceptance of collateral.  
 4026 (a) Effect of acceptance. A secured party's acceptance of collateral in full or partial satisfaction of  
 4027 the obligation it secures:  
 4028 (1) discharges the obligation to the extent consented to by the debtor;  
 4029 (2) transfers to the secured party all of a debtor's rights in the collateral;  
 4030 (3) discharges the security interest or agricultural lien that is the subject of the debtor's consent and  
 4031 any subordinate security interest or other subordinate lien; and  
 4032 (4) terminates any other subordinate interest.  
 4033 (b) Discharge of subordinate interest notwithstanding noncompliance. A subordinate interest is  
 4034 discharged or terminated under subsection (a), even if the secured party fails to comply with this title.  
 4035 § 8.9A-623. Right to redeem collateral.  
 4036 (a) Persons that may redeem. A debtor, any secondary obligor, or any other secured party or  
 4037 lienholder may redeem collateral.  
 4038 (b) Requirements for redemption. To redeem collateral, a person shall tender:  
 4039 (1) fulfillment of all obligations secured by the collateral; and  
 4040 (2) the reasonable expenses and attorney's fees described in § 8.9A-615 (a) (1).  
 4041 (c) When redemption may occur. A redemption may occur at any time before a secured party:  
 4042 (1) has collected collateral under § 8.9A-607;  
 4043 (2) has disposed of collateral or entered into a contract for its disposition under § 8.9A-610; or  
 4044 (3) has accepted collateral in full or partial satisfaction of the obligation it secures under  
 4045 § 8.9A-622.  
 4046 § 8.9A-624. Waiver.  
 4047 (a) Waiver of disposition notification. A debtor or secondary obligor may waive the right to  
 4048 notification of disposition of collateral under § 8.9A-611 only by an agreement to that effect entered into  
 4049 and authenticated after default.  
 4050 (b) Waiver of mandatory disposition. A debtor may waive the right to require disposition of  
 4051 collateral under § 8.9A-620 (e) only by an agreement to that effect entered into and authenticated after  
 4052 default.

(c) Waiver of redemption right. Except in a consumer-goods transaction, a debtor or secondary obligor may waive the right to redeem collateral under § 8.9A-623 only by an agreement to that effect entered into and authenticated after default.

#### Subpart 2.

##### Noncompliance with Title.

§ 8.9A-625. Remedies for secured party's failure to comply with title.

(a) Judicial orders concerning noncompliance. If it is established that a secured party is not proceeding in accordance with this title, a court may order or restrain collection, enforcement, or disposition of collateral on appropriate terms and conditions.

(b) Damages for noncompliance. Subject to subsections (c), (d), and (f), a person is liable for damages in the amount of any loss caused by a failure to comply with this title. Loss caused by a failure to comply may include loss resulting from the debtor's inability to obtain, or increased costs of, alternative financing.

(c) Persons entitled to recover damages; statutory damages in consumer-goods transaction. Except as otherwise provided in § 8.9A-628:

(1) a person that, at the time of the failure, was a debtor, was an obligor, or held a security interest in or other lien on the collateral may recover damages under subsection (b) for its loss; and

(2) if the collateral is consumer goods, a person that was a debtor or a secondary obligor at the time a secured party failed to comply with this part may recover for that failure in any event an amount not less than the credit service charge plus ten percent of the principal amount of the obligation or the time-price differential plus ten percent of the cash price.

(d) Recovery when deficiency eliminated or reduced. A debtor whose deficiency is eliminated under § 8.9A-626 may recover damages for the loss of any surplus. However, a debtor or secondary obligor whose deficiency is eliminated or reduced under § 8.9A-626 may not otherwise recover under subsection (b) for noncompliance with the provisions of this part relating to collection, enforcement, disposition, or acceptance.

(e) Limitation of security interest; noncompliance with § 8.9A-210. If a secured party fails to comply with a request regarding a list of collateral or a statement of account under § 8.9A-210, the secured party may claim a security interest only as shown in the list or statement included in the request as against a person that is reasonably misled by the failure.

§ 8.9A-626. Action in which deficiency or surplus is in issue.

Applicable rules if amount of deficiency or surplus in issue. In an action arising from a transaction in which the amount of a deficiency or surplus is in issue, the following rules apply:

(1) A secured party need not prove compliance with the provisions of this part relating to collection, enforcement, disposition, or acceptance unless the debtor or a secondary obligor places the secured party's compliance in issue.

(2) If the secured party's compliance is placed in issue, the secured party has the burden of establishing that the collection, enforcement, disposition, or acceptance was conducted in accordance with this part.

(3) Except as otherwise provided in § 8.9A-628, if a secured party fails to prove that the collection, enforcement, disposition, or acceptance was conducted in accordance with the provisions of this part relating to collection, enforcement, disposition, or acceptance, the liability of a debtor or a secondary obligor for a deficiency is limited to an amount by which the sum of the secured obligation, expenses, and attorney's fees exceeds the greater of:

(A) the proceeds of the collection, enforcement, disposition, or acceptance; or

(B) the amount of proceeds that would have been realized had the noncomplying secured party proceeded in accordance with the provisions of this part relating to collection, enforcement, disposition, or acceptance.

(4) For purposes of paragraph (3) (B), the amount of proceeds that would have been realized is equal to the sum of the secured obligation, expenses, and attorney's fees unless the secured party proves that the amount is less than that sum.

(5) If a deficiency or surplus is calculated under § 8.9A-615 (f), the debtor or obligor has the burden of establishing that the amount of proceeds of the disposition is significantly below the range of prices that a complying disposition to a person other than the secured party, a person related to the secured party, or a secondary obligor would have brought.

§ 8.9A-627. Determination of whether conduct was commercially reasonable.

(a) Greater amount obtainable under other circumstances; no preclusion of commercial reasonableness. The fact that a greater amount could have been obtained by a collection, enforcement, disposition, or acceptance at a different time or in a different method from that selected by the secured party is not of itself sufficient to preclude the secured party from establishing that the collection, enforcement, disposition, or acceptance was made in a commercially reasonable manner.

4114 (b) Dispositions that are commercially reasonable. A disposition of collateral is made in a  
 4115 commercially reasonable manner if the disposition is made:

4116 (1) in the usual manner on any recognized market;

4117 (2) at the price current in any recognized market at the time of the disposition; or

4118 (3) otherwise in conformity with reasonable commercial practices among dealers in the type of  
 4119 property that was the subject of the disposition.

4120 (c) Approval by court or on behalf of creditors. A collection, enforcement, disposition, or acceptance  
 4121 is commercially reasonable if it has been approved:

4122 (1) in a judicial proceeding;

4123 (2) by a bona fide creditors' committee;

4124 (3) by a representative of creditors; or

4125 (4) by an assignee for the benefit of creditors.

4126 (d) Approval under subsection (c) not necessary; absence of approval has no effect. Approval under  
 4127 subsection (c) need not be obtained, and lack of approval does not mean that the collection,  
 4128 enforcement, disposition, or acceptance is not commercially reasonable.

4129 § 8.9A-628. Nonliability and limitation on liability of secured party; liability of secondary obligor.

4130 (a) Limitation of liability of secured party for noncompliance with title. Unless a secured party  
 4131 knows that a person is a debtor or obligor, knows the identity of the person, and knows how to  
 4132 communicate with the person:

4133 (1) the secured party is not liable to the person, or to a secured party or lienholder that has filed a  
 4134 financing statement against the person, for failure to comply with this title; and

4135 (2) the secured party's failure to comply with this title does not affect the liability of the person for a  
 4136 deficiency.

4137 (b) Limitation of liability based on status as secured party. A secured party is not liable because of  
 4138 its status as secured party:

4139 (1) to a person that is a debtor or obligor, unless the secured party knows:

4140 (A) that the person is a debtor or obligor;

4141 (B) the identity of the person; and

4142 (C) how to communicate with the person; or

4143 (2) to a secured party or lienholder that has filed a financing statement against a person, unless the  
 4144 secured party knows:

4145 (A) that the person is a debtor; and

4146 (B) the identity of the person.

4147 (c) Limitation of liability if reasonable belief that transaction not a consumer-goods transaction or  
 4148 consumer transaction. A secured party is not liable to any person, and a person's liability for a  
 4149 deficiency is not affected, because of any act or omission arising out of the secured party's reasonable  
 4150 belief that a transaction is not a consumer-goods transaction or a consumer transaction or that goods  
 4151 are not consumer goods, if the secured party's belief is based on its reasonable reliance on:

4152 (1) a debtor's representation concerning the purpose for which collateral was to be used, acquired,  
 4153 or held; or

4154 (2) an obligor's representation concerning the purpose for which a secured obligation was incurred.

4155 (d) Limitation of liability for statutory damages. A secured party is not liable to any person under  
 4156 § 8.9A-625 (c) (2) for its failure to comply with § 8.9A-616.

4157 (e) Limitation of multiple liability for statutory damages. A secured party is not liable under  
 4158 § 8.9A-625 (c) (2) more than once with respect to any one secured obligation.

4159 Part 7.

4160 Transition.

4161 § 8.9A-701. Effective date.

4162 This title takes effect on July 1, 2001.

4163 § 8.9A-702. Savings clause.

4164 (a) Pre-effective-date transactions or liens. Except as otherwise provided in this part, this title  
 4165 applies to a transaction or lien within its scope, even if the transaction or lien was entered into or  
 4166 created before this title takes effect.

4167 (b) Continuing validity. Except as otherwise provided in subsection (c) and §§ 8.9A-703 through  
 4168 8.9A-709:

4169 (1) transactions and liens that were not governed by former Title 8.9, were validly entered into or  
 4170 created before this title takes effect, and would be subject to this title if they had been entered into or  
 4171 created after this title takes effect, and the rights, duties, and interests flowing from those transactions  
 4172 and liens remain valid after this title takes effect; and

4173 (2) the transactions and liens may be terminated, completed, consummated, and enforced as required  
 4174 or permitted by this title or by the law that otherwise would apply if this title had not taken effect.

(c) *Pre-effective-date proceedings.* This title does not affect an action, case, or proceeding commenced before this title takes effect.

§ 8.9A-703. *Security interest perfected before effective date.*

(a) *Continuing priority over lien creditor; perfection requirements satisfied.* A security interest that is enforceable immediately before this title takes effect and would have priority over the rights of a person that becomes a lien creditor at that time is a perfected security interest under this title if, when this takes effect, the applicable requirements for enforceability and perfection under this title are satisfied without further action.

(b) *Continuing priority over lien creditor; perfection requirements not satisfied.* Except as otherwise provided in § 8.9A-705, if, immediately before this title takes effect, a security interest is enforceable and would have priority over the rights of a person that becomes a lien creditor at that time, but the applicable requirements for enforceability or perfection under this are not satisfied when this takes effect, the security interest:

(1) is a perfected security interest for one year after this takes effect;

(2) remains enforceable thereafter only if the security interest becomes enforceable under § 8.9A-203 before the year expires; and

(3) remains perfected thereafter only if the applicable requirements for perfection under this title are satisfied before the year expires.

§ 8.9A-704. *Security interest unperfected before effective date.*

A security interest that is enforceable immediately before this title takes effect but which would be subordinate to the rights of a person that becomes a lien creditor at that time:

(1) remains an enforceable security interest for one year after this takes effect;

(2) remains enforceable thereafter if the security interest becomes enforceable under § 8.9A-203 when this title takes effect or within one year thereafter; and

(3) becomes perfected:

(A) without further action, when this title takes effect if the applicable requirements for perfection under this title are satisfied before or at that time; or

(B) when the applicable requirements for perfection are satisfied if the requirements are satisfied after that time.

§ 8.9A-705. *Effectiveness of action taken before effective date.*

(a) *Pre-effective-date action; one-year perfection period unless reperfected.* If action, other than the filing of a financing statement, is taken before this title takes effect and the action would have resulted in priority of a security interest over the rights of a person that becomes a lien creditor had the security interest become enforceable before this title takes effect, the action is effective to perfect a security interest that attaches under this title within one year after this takes effect. An attached security interest becomes unperfected one year after this title takes effect unless the security interest becomes a perfected security interest under this title before the expiration of that period.

(b) *Pre-effective-date filing.* The filing of a financing statement before this title takes effect is effective to perfect a security interest to the extent the filing would satisfy the applicable requirements for perfection under this title.

(c) *Pre-effective-date filing in jurisdiction formerly governing perfection.* This title does not render ineffective an effective financing statement that, before this title takes effect, is filed and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in former § 8.9-103. However, except as otherwise provided in subsections (d) and (e) and § 8.9A-706, the financing statement ceases to be effective at the earlier of:

(1) the time the financing statement would have ceased to be effective under the law of the jurisdiction in which it is filed; or

(2) June 30, 2006.

(d) *Continuation statement.* The filing of a continuation statement after this title takes effect does not continue the effectiveness of the financing statement filed before this title takes effect. However, upon the timely filing of a continuation statement after this title takes effect and in accordance with the law of the jurisdiction governing perfection as provided in Part 3, the effectiveness of a financing statement filed in the same office in that jurisdiction before this title takes effect continues for the period provided by the law of that jurisdiction.

(e) *Application of subsection (c) (2) to transmitting utility financing statement.* Subsection (c) (2) applies to a financing statement that, before this title takes effect, is filed against a transmitting utility and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in former § 8.9A-103 only to the extent that Part 3 provides that the law of a jurisdiction other than the jurisdiction in which the financing statement is filed governs perfection of a security interest in collateral covered by the financing statement.

(f) *Application of Part 5.* A financing statement that includes a financing statement filed before this

title takes effect and a continuation statement filed after this title takes effect is effective only to the extent that it satisfies the requirements of Part 5 for an initial financing statement.

§ 8.9A-706. When initial financing statement suffices to continue effectiveness of financing statement.

(a) Initial financing statement in lieu of continuation statement. The filing of an initial financing statement in the office specified in § 8.9A-501 continues the effectiveness of a financing statement filed before this title takes effect if:

(1) the filing of an initial financing statement in that office would be effective to perfect a security interest under this title;

(2) the pre-effective-date financing statement was filed in an office in another state or another office in this state; and

(3) the initial financing statement satisfies subsection (c).

(b) Period of continued effectiveness. The filing of an initial financing statement under subsection (a) continues the effectiveness of the pre-effective-date financing statement:

(1) if the initial financing statement is filed before this title takes effect, for the period provided in former § 8.9-403 with respect to a financing statement; and

(2) if the initial financing statement is filed after this title takes effect, for the period provided in § 8.9A-515 with respect to an initial financing statement.

(c) Requirements for initial financing statement under subsection (a). To be effective for purposes of subsection (a), an initial financing statement must:

(1) satisfy the requirements of Part 5 for an initial financing statement;

(2) identify the pre-effective-date financing statement by indicating the office in which the financing statement was filed and providing the dates of filing and file numbers, if any, of the financing statement and of the most recent continuation statement filed with respect to the financing statement; and

(3) indicate that the pre-effective-date financing statement remains effective.

§ 8.9A-707. Amendment of pre-effective-date financing statement.

(a) Pre-effective-date financing statement. In this section, "pre-effective-date financing statement" means a financing statement filed before this title takes effect.

(b) Applicable law. After this title takes effect, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or otherwise amend the information provided in, a pre-effective-date financing statement only in accordance with the law of the jurisdiction governing perfection as provided in Part 3 (§ 8.9A-301 et seq.). However, the effectiveness of a pre-effective-date financing statement also may be terminated in accordance with the law of the jurisdiction in which the financing statement is filed.

(c) Method of amending; general rule. Except as otherwise provided in subsection (d), if the law of this Commonwealth governs perfection of a security interest, the information in a pre-effective-date financing statement may be amended after this title takes effect only if:

(1) the pre-effective-date financing statement and an amendment are filed in the office specified in § 8.9A-501;

(2) an amendment is filed in the office specified in § 8.9A-501 concurrently with, or after the filing in that office of, an initial financing statement that satisfies § 8.9A-706 (c); or

(3) an initial financing statement that provides the information as amended and satisfies § 8.9A-706 (c) is filed in the office specified in § 8.9A-501.

(d) Method of amending; continuation. If the law of this Commonwealth governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement may be continued only under § 8.9A-705 (d) and (f) or § 8.9A-706.

(e) Method of amending; additional termination rule. Whether or not the law of this Commonwealth governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement filed in this Commonwealth may be terminated after this title takes effect by filing a termination statement in the office in which the pre-effective-date financing statement is filed, unless an initial financing statement that satisfies § 8.9A-706 (c) has been filed in the office specified by the law of the jurisdiction governing perfection as provided in Part 3 (§ 8.9A-301 et seq.) as the office in which to file a financing statement.

§ 8.9A-708. Persons entitled to file initial financing statement or continuation statement.

A person may file an initial financing statement or a continuation statement under this part if:

(1) the secured party of record authorizes the filing; and

(2) the filing is necessary under this part:

(A) to continue the effectiveness of a financing statement filed before this title takes effect; or

(B) to perfect or continue the perfection of a security interest.

§ 8.9A-709. Priority.

(a) Law governing priority. This title determines the priority of conflicting claims to collateral. However, if the relative priorities of the claims were established before this title takes effect, former

4297 Title 8.9 determines priority.

4298 (b) Priority if security interest becomes enforceable under § 8.9A-203. For purposes of § 8.9A-322  
 4299 (a), the priority of a security interest that becomes enforceable under § 8.9A-203 of this title dates from  
 4300 the time this title takes effect if the security interest is perfected under this title by the filing of a  
 4301 financing statement before this title takes effect which would not have been effective to perfect the  
 4302 security interest under former Title 8.9. This subsection does not apply to conflicting security interests  
 4303 each of which is perfected by the filing of such a financing statement.

4304 § 12.1-21.1. Fees to be charged by clerk for certain information and certificates.

4305 A. When a request made under subdivision 3 of § 12.1-19 or under § 12.1-20 relates to the Uniform  
 4306 Commercial Code, or when a request for information is made under Title 8.9A, the clerk of the  
 4307 Commission shall charge and collect the following fees:

4308 1. For a search and written response, seven dollars;

4309 2. For a search and provision of a copy of a record, seven dollars plus one dollar for each of the  
 4310 first two pages and fifty cents for each additional page thereafter;

4311 3. For affixing the seal of the Commission to a certificate, one dollar; and

4312 4. For furnishing or making available information contained in the Commission's records by  
 4313 computer or other means, reasonable fees as are fixed by Commission order or rule that reflect all costs  
 4314 related to furnishing or making available the information and providing the service.

4315 B. Any response or certificate shall be signed by the clerk or a member of his staff. Any signature  
 4316 may be a facsimile.

4317 C. Any certificate to which the seal of the Commission is affixed shall be admitted in evidence in all  
 4318 cases, civil and criminal, as prima facie evidence of the facts contained in it.

4319 D. No action shall be brought against the Commission or any member of its staff claiming damages  
 4320 for alleged errors or omissions in any response or certificate.

4321 2. That wherever in the Code of Virginia there is a reference to Title 8.9 or a section within  
 4322 former Title 8.9, unless specifically stated otherwise, the reference shall be construed to mean Title  
 4323 8.9A or the corresponding section in Title 8.9A.

4324 3. That Title 8.9 (§§ 8.9-101 through 8.9-507) and § 12.1-21 of the Code of Virginia are repealed.

4325 4. That the provisions of this act shall become effective on July 1, 2001.
