74 against whom it is to operate ought to have noticed it. A printed heading in capitals (as:
75 NONNEGOTIABLE BILL OF LADING) is conspicuous. Language in the body of a form is

89 hold and dispose of the document and the goods it covers. To be a document of title a document must
90 purport to be issued by or addressed to a bailee and purport to cover goods in the bailee's possession
91 which are either identified or are fungible portions of an identified mass.

92 (16) "Fault" means wrongful act, omission or breach.

93 (17) "Fungible" with respect to goods or securities means goods or securities of which any unit is, by
94 nature or usage of trade, the equivalent of any other like unit. Goods which are not fungible shall be

106 proceedings intended to liquidate or rehabilitate the estate of the person involved.

107 (23) A person is "insolvent" who either has ceased to pay his debts in the ordinary course of
108 business or cannot pay his debts as they become due or is insolvent within the meaning of the federal
109 bankruptcy law.

110 (24) "Money" means a medium of exchange authorized or adopted by a domestic or foreign
111 government and includes a monetary unit of account established by an intergovernmental organization or
112 by agreement between two or more nations.

113 (25) A person has "notice" of a fact when

114 (a) he has actual knowledge of it; or

115 (b) he has received a notice or notification of it; or

116 (c) from all the facts and circumstances known to him at the time in question he has reason to know
117 that it exists.

118 A person "knows" or has "knowledge" of a fact when he has actual knowledge of it. "Discover" or
119 "learn" or a word or phrase of similar import refers to knowledge rather than to reason to know. The
120 time and circumstances under which a notice or notification may cease to be effective are not
121 determined by this act.

(26) A person "notifies" or "gives" a notice or notification to another by taking such steps as may be reasonably required to inform the other in ordinary course whether or not such other actually comes to know of it. A person "receives" a notice or notification when

(a) it comes to his attention; or

(b) it is duly delivered at the place of business through which the contract was made or at any other place held out by him as the place for receipt of such communications.

(27) Notice, knowledge or a notice or notification received by an organization is effective for a particular transaction from the time when it is brought to the attention of the individual conducting that transaction, and in any event from the time when it would have been brought to his attention if the organization had exercised due diligence. An organization exercises due diligence if it maintains reasonable routines for communicating significant information to the person conducting the transaction and there is reasonable compliance with the routines. Due diligence does not require an individual acting for the organization to communicate information unless such communication is part of his regular duties or unless he has reason to know of the transaction and that the transaction would be materially affected by the information.

(28) "Organization" includes a corporation, government or governmental subdivision or agency, business trust, estate, trust, partnership or association, two or more persons having a joint or common interest, or any other legal or commercial entity.

(29) "Party," as distinct from "third party," means a person who has engaged in a transaction or made an agreement within this act.

(30) "Person" includes an individual or an organization (See § 8.1-102).

(31) "Presumption" or "presumed" means that the trier of fact shall find the existence of the fact presumed unless and until evidence is introduced which would support a finding of its nonexistence.

(32) "Purchase" includes taking by sale, discount, negotiation, mortgage, pledge, lien, *security interest*, issue or re-issue, gift or any other voluntary transaction creating an interest in property.

(33) "Purchaser" means a person who takes by purchase.

(34) "Remedy" means any remedial right to which an aggrieved party is entitled with or without resort to a tribunal.

(35) "Representative" includes an agent, an officer of a corporation or association, and a trustee, executor or administrator of an estate, or any other person empowered to act for another.

(36) "Rights" includes remedies.

(37) 1. "Security interest" means an interest in personal property or fixtures which secures payment or performance of an obligation. ~~The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer as specified in § 8.2-401 is limited in effect to a reservation of a "security interest."~~ The term also includes any interest of a *consignor and a buyer of accounts, or chattel paper, which a payment intangible, or a promissory note in a transaction that* is subject to Title 8.9A. The special property interest of a buyer of goods on identification of such goods to a contract for sale under § 8.2-401 is not a "security interest," but a buyer may also acquire a "security interest" by complying with Title 8.9A. ~~Unless a lease or consignment is intended as security, reservation of title thereunder is not a "security interest" but a consignment is in any event subject to the provisions on consignment sales as specified in § 8.2-326. Except as otherwise provided in § 8.2-505, the right of a seller or lessor of goods under Title 8.2 or Title 8.2A to retain or acquire possession of the goods is not a "security interest," but a seller or lessor may also acquire a "security interest" by complying with Title 8.9A. The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer under § 8.2-401 is limited in effect to a reservation of a "security interest."~~ Whether a lease is intended as security is to be determined by the facts of each case; however, (a) the inclusion of an option to purchase does not of itself make the lease one intended for security, and (b) an agreement that upon compliance with the terms of the lease the lessee shall become or has the option to become the owner of the property for no additional consideration or for a nominal consideration does make the lease one intended for security.

2. Whether a transaction creates a lease or security interest is determined by the facts of each case; however, a transaction creates a security interest if the consideration the lessee is to pay the lessor for the right to possession and use of the goods is an obligation for the term of the lease not subject to termination by the lessee, and:

(a) The original term of the lease is equal to or greater than the remaining economic life of the goods;

(b) The lessee is bound to renew the lease for the remaining economic life of the goods or is bound to become the owner of the goods;

(c) The lessee has an option to renew the lease for the remaining economic life of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement; or

183 (d) The lessee has an option to become the owner of the goods for no additional consideration or
184 nominal additional consideration upon compliance with the lease agreement.

185 3. A transaction does not create a security interest merely because it provides that:

186 (a) The present value of the consideration the lessee is obligated to pay the lessor for the right to
187 possession and use of the goods is substantially equal to or is greater than the fair market value of the
188 goods at the time the lease is entered into;

189 (b) The lessee assumes risk of loss of the goods, or agrees to pay taxes, insurance, filing, recording,
190 or registration fees, or service or maintenance costs with respect to the goods;

191 (c) The lessee has an option to renew the lease or to become the owner of the goods;

192 (d) The lessee has an option to renew the lease for a fixed rent that is equal to or greater than the
193 reasonably predictable fair market rent for the use of the goods for the term of the renewal at the time
194 the option is to be performed; or

195 (e) The lessee has an option to become the owner of the goods for a fixed price that is equal to or
196 greater than the reasonably predictable fair market value of the goods at the time the option is to be
197 performed.

198 4. For purposes of this definition:

199 (a) Additional consideration is not nominal if (i) when the option to renew the lease is granted to the
200 lessee the rent is stated to be the fair market rent for the use of the goods for the term of the renewal
201 determined at the time the option is to be performed, or (ii) when the option to become the owner of
202 the goods is granted to the lessee the price is stated to be the fair market value of the goods determined
203 at the time the option is to be performed. Additional consideration is nominal if it is less than the
204 lessee's reasonably predictable cost of performing under the lease agreement if the option is not
205 exercised;

206 (b) "Reasonably predictable" and "remaining economic life of the goods" are to be determined with
207 reference to the facts and circumstances at the time the transaction is entered into; and

208 (c) "Present value" means the amount as of a date certain of one or more sums payable in the future,
209 discounted to the date certain. The discount is determined by the interest rate specified by the parties if
210 the rate is not manifestly unreasonable at the time the transaction is entered into; otherwise, the discount
211 is determined by a commercially reasonable rate that takes into account the facts and circumstances of
212 each case at the time the transaction was entered into.

213 (38) "Send" in connection with any writing or notice means to deposit in the mail or deliver for
214 transmission by any other usual means of communication with postage or cost of transmission provided
215 for and properly addressed and in the case of an instrument to an address specified thereon or otherwise
216 agreed, or if there be none to any address reasonable under the circumstances. The receipt of any
217 writing or notice within the time at which it would have arrived if properly sent has the effect of a
218 proper sending.

219 (39) "Signed" includes any symbol executed or adopted by a party with present intention to
220 authenticate a writing.

221 (40) "Surety" includes guarantor.

222 (41) "Telegram" includes a message transmitted by radio, teletype, cable, any mechanical method of
223 transmission, or the like.

224 (42) "Term" means that portion of an agreement which relates to a particular matter.

225 (43) "Unauthorized" signature means one made without actual, implied or apparent authority and
226 includes a forgery.

227 (44) "Value". Except as otherwise provided with respect to negotiable instruments and bank
228 collections (§§ 8.3A-303, 8.4-207.2 and 8.4-207.3) a person gives "value" for rights if he acquires them:

229 (a) in return for a binding commitment to extend credit or for the extension of immediately available
230 credit whether or not drawn upon and whether or not a charge-back is provided for in the event of
231 difficulties in collection; or

232 (b) as security for or in total or partial satisfaction of a pre-existing claim; or

233 (c) by accepting delivery pursuant to a pre-existing contract for purchase; or

234 (d) generally, in return for any consideration sufficient to support a simple contract.

235 (45) "Warehouse receipt" means a receipt issued by a person engaged in the business of storing
236 goods for hire.

237 (46) "Written" or "writing" includes printing, typewriting or any other intentional reduction to
238 tangible form.

243 commercial standards of fair dealing in the trade.

244 (c) "Receipt" of goods means taking physical possession of them.

(4) In addition Title 8.1 contains general definitions and principles of construction and interpretation applicable throughout this title.

§ 8.2-210. Delegation of performance; assignment of rights.

(1) A party may perform his duty through a delegate unless otherwise agreed or unless the other party has a substantial interest in having his original promisor perform or control the acts required by the contract. No delegation of performance relieves the party delegating of any duty to perform or any liability for breach.

(2) ~~Unless~~*Except as otherwise provided in § 8.9A-406, unless* otherwise agreed all rights of either seller or buyer can be assigned except where the assignment would materially change the duty of the other party, or increase materially the burden or risk imposed on him by his contract, or impair materially his chance of obtaining return performance. A right to damages for breach of the whole contract or a right arising out of the assignor's due performance of his entire obligation can be assigned despite agreement otherwise.

(3) *The creation, attachment, perfection, or enforcement of a security interest in the seller's interest under a contract is not a transfer that materially changes the duty of or increases materially the burden or risk imposed on the buyer or impairs materially the buyer's chance of obtaining return performance within the purview of subsection (2) unless, and then only to the extent that, enforcement actually results in a delegation of material performance of the seller. Even in that event, the creation, attachment, perfection, and enforcement of the security interest remain effective, but (i) the seller is liable to the buyer for damages caused by the delegation to the extent that the damages could not reasonably be prevented by the buyer, and (ii) a court having jurisdiction may grant other appropriate relief, including cancellation of the contract for sale or an injunction against enforcement of the security interest or consummation of the enforcement.*

(4) Unless the circumstances indicate the contrary a prohibition of assignment of "the contract" is to be construed as barring only the delegation to the assignee of the assignor's performance.

(5) An assignment of "the contract" or of "all my rights under the contract" or an assignment in

similar general terms is an assignment of rights and unless the language or the circumstances (as in an assignment for security) indicate the contrary, it is a delegation of performance of the duties of the assignor and its acceptance by the assignee constitutes a promise by him to perform those duties. This promise is enforceable by either the assignor or the other party to the original contract.

(5) (6) The other party may treat any assignment which delegates performance as creating reasonable grounds for insecurity and may without prejudice to his rights against the assignor demand assurances from the assignee (§ 8.2-609).

§ 8.2-326. Sale on approval and sale or return; rights of creditors.

(1) Unless otherwise agreed, if delivered goods may be returned by the buyer even though they conform to the contract, the transaction is

(a) a "sale on approval" if the goods are delivered primarily for use; and

(b) a "sale or return" if the goods are delivered primarily for resale.

(2) Except as provided in subsection (3), Goods held on approval are not subject to the claims of the buyer's creditors until acceptance; goods held on sale or return are subject to such claims while in the buyer's possession.

(3) Where goods are delivered to a person for sale and such person maintains a place of business at which he deals in goods of the kind involved, under a name other than the name of the person making delivery, then with respect to claims of creditors of the person conducting the business the goods are deemed to be on sale or return. The provisions of this subsection are applicable even though an agreement purports to reserve title to the person making delivery until payment or resale or uses such words as "on consignment" or "on memorandum." However, this subsection is not applicable if the person making delivery

(a) complies with an applicable law providing for a consignor's interest or the like to be evidenced by a sign, or

(b) establishes that the person conducting the business is generally known by his creditors to be substantially engaged in selling the goods of others, or

(c) complies with the filing provisions of the title on secured transactions (Title 8.9).

(4)(3) Any "or return" term of a contract for sale is to be treated as a separate contract for sale within the statute of frauds section of this title (§ 8.2-201) and as contradicting the sale aspect of the contract within the provisions of this title on parol or extrinsic evidence (§ 8.2-202).

§ 8.2-502. Buyer's right to goods on seller's repudiation, failure to deliver, or insolvency.

(1) Subject to subsection (2) and (3) and even though the goods have not been shipped a buyer who has paid a part or all of the price of goods in which he has a special property under the provisions of the immediately preceding section [§ 8.2-501] may on making and keeping good a tender of any unpaid portion of their price recover them from the seller if:

(a) in the case of goods bought for personal, family, or household purposes, the seller repudiates or fails to deliver as required by the contract; or

(b) in all cases, the seller becomes insolvent within ten days after receipt of the first installment on their price.

(2) The buyer's right to recover the goods under subsection (1)(a) vests upon acquisition of a special property, even if the seller had not then repudiated or failed to deliver.

(3) If the identification creating his special property has been made by the buyer he acquires the right to recover the goods only if they conform to the contract for sale.

§ 8.2-716. Buyer's right to specific performance or detinue.

(1) Specific performance may be decreed where the goods are unique or in other proper circumstances.

(2) The decree for specific performance may include such terms and conditions as to payment of the price, damages, or other relief as the court may deem just.

(3) The buyer has a right of detinue for goods identified to the contract if after reasonable effort he is unable to effect cover for such goods or the circumstances reasonably indicate that such effort will be unavailing or if the goods have been shipped under reservation and satisfaction of the security interest in them has been made or tendered. In the case of goods bought for personal, family, or household purposes, the buyer's right of detinue vests upon acquisition of a special property, even if the seller had not then repudiated or failed to deliver.

§ 8.2A-103. Definitions and index of definitions.

(1) In this title unless the context otherwise requires:

(a) "Buyer in ordinary course of business" means a person who in good faith and without knowledge that the sale to him or her is in violation of the ownership rights or security interest or leasehold interest of a third party in the goods, buys in ordinary course from a person in the business of selling goods of that kind but does not include a pawnbroker. "Buying" may be for cash or by exchange of other property or on secured or unsecured credit and includes receiving goods or documents of title under a pre-existing contract for sale but does not include a transfer in bulk or as security for or in total or

partial satisfaction of a money debt.

(b) "Cancellation" occurs when either party puts an end to the lease contract for default by the other party.

(c) "Commercial unit" means such a unit of goods as by commercial usage is a single whole for purposes of lease and division of which materially impairs its character or value on the market or in use. A commercial unit may be a single article, as a machine, or a set of articles, as a suite of furniture or a line of machinery, or a quantity, as a gross or carload, or any other unit treated in use or in the relevant market as a single whole.

(d) "Conforming" goods or performance under a lease contract means goods or performance that are in accordance with the obligations under the lease contract.

(e) "Consumer lease" means a lease that a lessor regularly engaged in the business of leasing or selling makes to a lessee who is an individual and who takes under the lease primarily for a personal, family, or household purpose.

(f) "Fault" means wrongful act, omission, breach, or default.

(g) "Finance lease" means a lease with respect to which:

(i) The lessor does not select, manufacture, or supply the goods;

(ii) The lessor acquires the goods or the right to possession and use of the goods in connection with the lease; and

(iii) One of the following occurs:

(A) The lessee receives a copy of the contract by which the lessor acquired the goods or the right to possession and use of the goods before signing the lease contract;

(B) The lessee's approval of the contract by which the lessor acquired the goods or the right to possession and use of the goods is a condition to effectiveness of the lease contract;

(C) The lessee, before signing the lease contract, receives an accurate and complete statement designating the promises and warranties, and any disclaimers of warranties, limitations or modifications of remedies, or liquidated damages, including those of a third party, such as the manufacturer of the goods, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods; or

(D) If the lease is not a consumer lease, the lessor, before the lessee signs the lease contract, informs the lessee in writing (a) of the identity of the person supplying the goods to the lessor, unless the lessee has selected that person and directed the lessor to acquire the goods or the right to possession and use of the goods from that person, (b) that the lessee is entitled under this title to the promises and warranties, including those of any third party, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods, and (c) that the lessee may communicate with the person supplying the goods to the lessor and receive an accurate and complete statement of those promises and warranties, including any disclaimers and limitations of them or of remedies.

(h) "Goods" means all things that are movable at the time of identification to the lease contract, or are fixtures (§ 8.2A-309), but the term does not include money, documents, instruments, accounts, chattel paper, general intangibles, or minerals or the like, including oil and gas, before extraction. The term also includes the unborn young of animals.

(i) "Installment lease contract" means a lease contract that authorizes or requires the delivery of goods in separate lots to be separately accepted, even though the lease contract contains a clause "each delivery is a separate lease" or its equivalent.

(j) "Lease" means a transfer of the right to possession and use of goods for a term in return for consideration, but a sale, including a sale on approval or a sale or return, or retention or creation of a security interest is not a lease. Unless the context clearly indicates otherwise, the term includes a sublease.

(k) "Lease agreement" means the bargain, with respect to the lease, of the lessor and the lessee in fact as found in their language or by implication from other circumstances including course of dealing or usage of trade or course of performance as provided in this title. Unless the context clearly indicates otherwise, the term includes a sublease agreement.

(l) "Lease contract" means the total legal obligation that results from the lease agreement as affected by this title and any other applicable rules of law. Unless the context clearly indicates otherwise, the term includes a sublease contract.

(m) "Leasehold interest" means the interest of the lessor or the lessee under a lease contract.

(n) "Lessee" means a person who acquires the right to possession and use of goods under a lease. Unless the context clearly indicates otherwise, the term includes a sublessee.

(o) "Lessee in ordinary course of business" means a person who in good faith and without knowledge that the lease to him or her is in violation of the ownership rights or security interest or leasehold interest of a third party in the goods leases in ordinary course from a person in the business of

429 selling or leasing goods of that kind but does not include a pawnbroker. "Leasing" may be for cash or
 430 by exchange of other property or on secured or unsecured credit and includes receiving goods or
 431 documents of title under a pre-existing lease contract but does not include a transfer in bulk or as
 432 security for or in total or partial satisfaction of a money debt.

433 (p) "Lessor" means a person who transfers the right to possession and use of goods under a lease.
 434 Unless the context clearly indicates otherwise, the term includes a sublessor.

435 (q) "Lessor's residual interest" means the lessor's interest in the goods after expiration, termination, or
 436 cancellation of the lease contract.

437 (r) "Lien" means a charge against or interest in goods to secure payment of a debt or performance of
 438 an obligation, but the term does not include a security interest.

439 (s) "Lot" means a parcel or a single article that is the subject matter of a separate lease or delivery,
 440 whether or not it is sufficient to perform the lease contract.

441 (t) "Merchant lessee" means a lessee that is a merchant with respect to goods of the kind subject to
 442 the lease.

443 (u) "Present value" means the amount as of a date certain of one or more sums payable in the future,
 444 discounted to the date certain. The discount is determined by the interest rate specified by the parties if
 445 the rate was not manifestly unreasonable at the time the transaction was entered into; otherwise, the
 446 discount is determined by a commercially reasonable rate that takes into account the facts and
 447 circumstances of each case at the time the transaction was entered into.

448 (v) "Purchase" includes taking by sale, lease, mortgage, security interest, pledge, gift, or any other
 449 voluntary transaction creating an interest in goods.

450 (w) "Sublease" means a lease of goods the right to possession and use of which was acquired by the
 451 lessor as a lessee under an existing lease.

452 (x) "Supplier" means a person from whom a lessor buys or leases goods to be leased under a finance
 453 lease.

454 (y) "Supply contract" means a contract under which a lessor buys or leases goods to be leased.

455 (z) "Termination" occurs when either party pursuant to a power created by agreement or law puts an
 456 end to the lease contract otherwise than for default.

486 § 8.2A-303. Alienability of party's interest under lease contract or of lessor's residual interest in
 487 goods; delegation of performance; transfer of rights.

488 (1) As used in this section, "creation of a security interest" includes the sale of a lease contract that
 489 is subject to Title 8.9A, Secured Transactions, by reason of subdivision ~~(1) (b)~~ (a) (3) of § ~~8.9-102~~
 490 § 8.9A-109.

(2) Except as provided in ~~subsection~~ *subsection (3) of this section* and ~~(4) of this section~~ § 8.9A-407, a provision in a lease agreement which (i) prohibits the voluntary or involuntary transfer, including a transfer by sale, sublease, creation or enforcement of a security interest, or attachment, levy, or other judicial process, of an interest of a party under the lease contract or of the lessor's residual interest in the goods, or (ii) makes such a transfer an event of default, gives rise to the rights and remedies provided in ~~subsection (5)~~ (4) of this section, but a transfer that is prohibited or is an event of default under the lease agreement is otherwise effective.

~~(3)~~ A provision in a lease agreement which (i) prohibits the creation or enforcement of a security interest in an interest of a party under the lease contract or in the lessor's residual interest in the goods, or (ii) makes such a transfer an event of default, is not enforceable unless, and then only to the extent that, there is an actual transfer by the lessee of the lessee's right of possession or use of the goods in violation of the provision or an actual delegation of a material performance of either party to the lease contract in violation of the provision. Neither the granting nor the enforcement of a security interest in (i) the lessor's interest under the lease contract or (ii) the lessor's residual interest in the goods is a transfer that materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the lessee within the purview of ~~subsection (5)~~ of this section unless, and then only to the extent that, there is an actual delegation of a material performance of the lessor.

~~(4)~~(3) A provision in a lease agreement which (i) prohibits a transfer of a right to damages for default with respect to the whole lease contract or of a right to payment arising out of the transferor's due performance of the transferor's entire obligation, or (ii) makes such a transfer an event of default, is not enforceable, and such a transfer is not a transfer that materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the other party to the lease contract within the purview of ~~subsection (5)~~(4) of this section.

~~(5)~~(4) Subject to ~~subsections~~ *subsection (3) of this section* and ~~(4) of this section~~ if § 8.9A-407:

(a) If a transfer is made which is made an event of default under a lease agreement, the party to the lease contract not making the transfer, unless that party waives the default or otherwise agrees, has the rights and remedies described in subsection (2) of § 8.2A-501 ;

(b) Subdivision (a) of this subsection is not applicable and if a transfer is made that (i) is prohibited under a lease agreement or (ii) materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the other party to the lease contract, unless the party not making the transfer agrees at any time to the transfer in the lease contract or otherwise, then, except as limited by contract, (i) the transferor is liable to the party not making the transfer for damages caused by the transfer to the extent that the damages could not reasonably be prevented by the party not making the transfer and (ii) a court having jurisdiction may grant other appropriate relief, including cancellation of the lease contract or an injunction against the transfer.

~~(6)~~(5) A transfer of "the lease" or of "all my rights under the lease," or a transfer in similar general terms, is a transfer of rights and, unless the language or the circumstances, as in a transfer for security, indicate the contrary, the transfer is a delegation of duties by the transfer to the transferee. Acceptance by the transferee constitutes a promise by the transferee to perform those duties. The promise is enforceable by either the transfer or the other party to the lease contract.

~~(7)~~(6) Unless otherwise agreed by the lessor and the lessee, a delegation of performance does not relieve the transferor as against the other party of any duty to perform or of any liability for default.

~~(8)~~(7) In a consumer lease, to prohibit the transfer of an interest of a party under the lease contract or to make a transfer an event of default, the language shall be specific, by a writing, and conspicuous.

§ 8.2A-307. Priority of liens arising by attachment or levy on, security interests in, and other claims to goods.

(1) Except as otherwise provided in § 8.2A-306, a creditor of a lessee takes subject to the lease contract.

(2) Except as otherwise provided in ~~subsection~~ *subsection (3) and (4) of this section* and in §§ 8.2A-306 and 8.2A-308, a creditor of a lessor takes subject to the lease contract unless:

(a) The creditor holds a lien that attached to the goods before the lease contract became enforceable;

(b) The creditor holds a security interest in the goods and the lessee did not give value and receive delivery of the goods without knowledge of the security interest; or

(c) The creditor holds a security interest in the goods which was perfected (~~§ 8.9-303~~) before the lease contract became enforceable.

(3) A lessee in the ordinary course of business takes the leasehold interest free of a security interest in the goods created by the lessor even though the security interest is perfected (~~§ 8.9-303~~) and the lessee knows of its existence.

(4) A lessee other than a lessee in the ordinary course of business takes the leasehold interest free of

552 a security interest to the extent that it secures future advances made after the secured party acquires
553 knowledge of the lease or more than forty-five days after the lease contract becomes enforceable;
554 whichever first occurs, unless the future advances are made pursuant to a commitment entered into
555 without knowledge of the lease and before the expiration of the forty-five day period.

556 (3) *Except as otherwise provided in §§ 8.9A-317, 8.9A-321, and 8.9A-323, a lessee takes a leasehold*
557 *interest subject to a security interest held by a creditor of the lessor.*

558 § 8.2A-309. Lessor's and lessee's rights when goods become fixtures.

559 (1) In this section:

560 (a) Goods are "fixtures" when they become so related to particular real estate that an interest in them
561 arises under real estate law;

562 (b) A "fixture filing" is the filing, in the office where a *record of a mortgage* on the real estate
563 would be filed or recorded, of a financing statement covering goods that are or are to become fixtures
564 and conforming to the requirements of ~~subsection (5) of § 8.9-402~~ *subsections (a) and (b) of § 8.9A-502*;

565 (c) A lease is a "purchase money lease" unless the lessee has possession or use of the goods or the
566 right to possession or use of the goods before the lease agreement is enforceable;

567 (d) A mortgage is a "construction mortgage" to the extent it secures an obligation incurred for the
568 construction of an improvement on land including the acquisition cost of the land, if the recorded
569 writing so indicates; and

570 (e) "Encumbrance" includes real estate mortgages and other liens on real estate and all other rights in
571 real estate that are not ownership interests.

572 (2) Under this title a lease may be of goods that are fixtures or may continue in goods that become
573 fixtures, but no lease exists under this title of ordinary building materials incorporated into an
574 improvement on land.

575 (3) This title does not prevent creation of a lease of fixtures pursuant to real estate law.

576 (4) The perfected interest of a lessor of fixtures has priority over a conflicting interest of an
577 encumbrancer or owner of the real estate if:

578 (a) The lease is a purchase money lease, the conflicting interest of the encumbrancer or owner arises
579 before the goods become fixtures, the interest of the lessor is perfected by a fixture filing before the
580 goods become fixtures or within ten days thereafter, and the lessee has an interest of record in the real
581 estate or is in possession of the real estate; or

582 (b) The interest of the lessor is perfected by a fixture filing before the interest of the encumbrancer
583 or owner is of record, the lessor's interest has priority over any conflicting interest of a predecessor in
584 title of the encumbrancer or owner, and the lessee has an interest of record in the real estate or is in
585 possession of the real estate.

586 (5) The interest of a lessor of fixtures, whether or not perfected, has priority over the conflicting
587 interest of an encumbrancer or owner of the real estate if:

588 (a) The fixtures are readily removable factory or office machines, readily removable equipment that
589 is not primarily used or leased for use in the operation of the real estate, or readily removable
590 replacements of domestic appliances that are goods subject to a consumer lease, and before the goods
591 become fixtures the lease contract is enforceable;

592 (b) The conflicting interest is a lien on the real estate obtained by legal or equitable proceedings after
593 the lease contract is enforceable;

594 (c) The encumbrancer or owner has consented in writing to the lease or has disclaimed an interest in
595 the goods as fixtures; or

596 (d) The lessee has a right to remove the goods as against the encumbrancer or owner. If the lessee's
597 right to remove terminates, the priority of the interest of the lessor continues for a reasonable time.

598 (6) Notwithstanding subdivision (4) (a) of this section, but otherwise subject to subsections (4) and
599 (5) of this section, the interest of a lessor of fixtures, including the lessor's residual interest, is
600 subordinate to the conflicting interest of an encumbrancer of the real estate under a construction
601 mortgage recorded before the goods become fixtures if the goods become fixtures before the completion
602 of the construction. To the extent given to refinance a construction mortgage, the conflicting interest of
603 an encumbrancer of the real estate under a mortgage has this priority to the same extent as the
604 encumbrancer of the real estate under the construction mortgage.

605 (7) In cases not within the preceding subsections, priority between the interest of a lessor of fixtures,
606 including the lessor's residual interest, and the conflicting interest of an encumbrancer or owner of the
607 real estate who is not the lessee is determined by the priority rules governing conflicting interests in real
608 estate.

609 (8) If the interest of a lessor of fixtures, including the lessor's residual interest, has priority over all
610 conflicting interests of all owners and encumbrancers of the real estate, the lessor or the lessee may (i)
611 on default, expiration, termination, or cancellation of the lease agreement but subject to the lease
612 agreement and this title, or (ii) if necessary to enforce other rights and remedies of the lessor or lessee
613 under this title, remove the goods from the real estate, free and clear of all conflicting interests of all

owners and encumbrancers of the real estate, but the lessor or lessee must reimburse any encumbrancer or owner of the real estate who is not the lessee and who has not otherwise agreed for the cost of repair of any physical injury, but not for any diminution in value of the real estate caused by the absence of the goods removed or by any necessity of replacing them. A person entitled to reimbursement may refuse permission to remove until the party seeking removal gives adequate security for the performance of this obligation.

(9) Even though the lease agreement does not create a security interest, the interest of a lessor of fixtures, including the lessor's residual interest, is perfected by filing a financing statement as a fixture filing for leased goods that are or are to become fixtures in accordance with the relevant provisions of the title on secured transactions (Title 8:9 8.9A).

§ 8.4-208. Security interest of collecting bank in items, accompanying documents and proceeds.

(a) A collecting bank has a security interest in an item and any accompanying documents or the proceeds of either:

(1) in case of an item deposited in an account to the extent to which credit given for the item has been withdrawn or applied;

(2) in case of an item for which it has given credit available for withdrawal as of right, to the extent of the credit given, whether or not the credit is drawn upon or there is a right of charge-back; or

(3) if it makes an advance on or against the item.

(b) If credit given for several items received at one time or pursuant to a single agreement is withdrawn or applied in part, the security interest remains upon all the items, any accompanying documents or the proceeds of either. For the purpose of this section, credits first given are first withdrawn.

(c) Receipt by a collecting bank of a final settlement for an item is a realization on its security interest in the item, accompanying documents and proceeds. So long as the bank does not receive final settlement for the item or give up possession of the item or accompanying documents for purposes other than collection, the security interest continues to that extent and is subject to Title 8:9 8.9A but:

(1) no security agreement is necessary to make the security interest enforceable (~~subsection (1)~~ ~~(b)~~ of § 8.9-203 *subdivision (b) (3) (A) of § 8.9A-203*); and

(2) no filing is required to perfect the security interest; and

(3) the security interest has priority over conflicting perfected security interests in the item, accompanying documents or proceeds.

§ 8.5A-117.1. *Security interest of issuer or nominated person.*

(a) *An issuer or nominated person has a security interest in a document presented under a letter of credit to the extent that the issuer or nominated person honors or gives value for the presentation.*

(b) *So long as and to the extent that an issuer or nominated person has not been reimbursed or has not otherwise recovered the value given with respect to a security interest in a document under subsection (a), the security interest continues and is subject to Title 8.9A, but:*

(1) *a security agreement is not necessary to make the security interest enforceable under subdivision (b) (3) of § 8.9A-203;*

(2) *If the document is presented in a medium other than a written or other tangible medium, the security interest is perfected; and*

(3) *if the document is presented in a written or other tangible medium and is not a certificated security, chattel paper, a document of title, an instrument, or a letter of credit, the security interest is perfected and has priority over a conflicting security interest in the document so long as the debtor does not have possession of the document.*

§ 8.6A-102. Definitions and index of definitions.

(1) In this title, unless the context otherwise requires:

(a) "Assets" means the inventory that is the subject of a bulk sale and any tangible and intangible personal property used or held for use primarily in or arising from the seller's business and sold in connection with that inventory, but the term does not include:

(i) ~~Fixtures (§ 8.9-313(1) (a))~~*as described in subdivision (a) (41) of § 8.9A-102*, other than readily removable factory and office machines;

(ii) The lessee's interest in a lease of real property; or

(iii) Property to the extent it is generally exempt from creditor process under nonbankruptcy law.

(b) "Auctioneer" means a person whom the seller engages to direct, conduct, control, or be responsible for a sale by auction.

(c) "Bulk sale" means:

(i) In the case of a sale by auction or a sale or series of sales conducted by a liquidator on the seller's behalf, a sale or series of sales not in the ordinary course of the seller's business of more than half of the seller's inventory as measured by value on the date of the bulk sale agreement, if on that date the auctioneer or liquidator has notice, or after reasonable inquiry would have had notice, that the seller

will not continue to operate the same or a similar kind of business after the sale or series of sales; and

(ii) In all other cases, a sale not in the ordinary course of the seller's business of more than half the seller's inventory, as measured by value on the date of the bulk-sale agreement, if on that date the buyer has notice, or after reasonable inquiry would have had notice, that the seller will not continue to operate the same or a similar kind of business after the sale.

(d) "Claim" means a right to payment from the seller, whether or not the right is reduced to judgment, liquidated, fixed, matured, disputed, secured, legal, or equitable. The term includes costs of collection and attorney's fees only to the extent that the laws of this state permit the holder of the claim to recover them in an action against the obligor.

(e) "Claimant" means a person holding a claim incurred in the seller's business other than:

(i) An unsecured and unmatured claim for employment compensation and benefits, including commissions and vacation, severance, and sick leave pay;

(ii) A claim for injury to an individual or to property, or for breach of warranty, unless:

(A) A right of action for the claim has accrued;

(B) The claim has been asserted against the seller; and

(C) The seller knows the identity of the person asserting the claim and the basis upon which the person has asserted it; and

(iii) A claim for taxes owing to a governmental unit.

(f) "Creditor" means a claimant or other person holding a claim.

(g) "Date of the bulk sale" means:

(A) If the sale is by auction or is conducted by a liquidator on the seller's behalf, the date on which more than ten percent of the net proceeds is paid to or for the benefit of the seller; and

(B) In all other cases, the later of the date on which:

(i) More than ten percent of the net contract price is paid to or for the benefit of the seller; or

(ii) More than ten percent of the assets, as measured by value, are transferred to the buyer.

(iii) For purposes of this subsection:

(A) Delivery of a negotiable instrument (§ 8.3A-104(a)) to or for the benefit of the seller in exchange for assets constitutes payment of the contract price pro tanto;

(B) To the extent that the contract price is deposited in an escrow account, the contract price is paid to or for the benefit of the seller when the seller acquires the unconditional right to receive the deposit or when the deposit is delivered to the seller or for the benefit of the seller, whichever is earlier; and

(C) An asset is transferred when a person holding an unsecured claim can no longer obtain through judicial proceedings rights to the asset that are superior to those of the buyer arising as a result of the bulk sale. A person holding an unsecured claim can obtain those superior rights to a tangible asset at least until the buyer has an unconditional right, under the bulk sale agreement, to possess the asset, and a person holding an unsecured claim can obtain those superior rights to an intangible asset at least until the buyer has an unconditional right, under the bulk sale agreement, to use the asset.

(h) "Date of the bulk sale agreement" means:

(i) In the case of a sale by auction or conducted by a liquidator (subsection (c) (i)), the date on which the seller engages the auctioneer or liquidator; and

(ii) In all other cases, the date on which a bulk sale agreement becomes enforceable between the buyer and the seller.

(i) "Debt" means liability on a claim.

(j) "Liquidator" means a person who is regularly engaged in the business of disposing of assets for businesses contemplating liquidation or dissolution.

(k) "Net contract price" means the new consideration the buyer is obligated to pay for the assets less:

(i) The amount of any proceeds of the sale of an asset to the extent that the proceeds are applied in partial or total satisfaction of a debt secured by the asset; and

(ii) The amount of any debt to the extent it is secured by a security interest or lien that is enforceable against the asset before and after it has been sold to a buyer. If a debt is secured by an asset and other property of the seller, the amount of the debt secured by a security interest or lien that is enforceable against the asset is determined by multiplying the debt by a fraction, the numerator of which is the value of the new consideration for the asset on the date of the bulk sale and the denominator of which is the value of all property securing the debt on the date of the bulk sale.

(l) "Net proceeds" means the new consideration received for assets sold at a sale by auction or a sale conducted by a liquidator on the seller's behalf less:

(i) Commissions and reasonable expenses of the sale;

(ii) The amount of any proceeds of the sale of an asset, to the extent that the proceeds are applied in partial or total satisfaction of a debt secured by the asset; and

(iii) The amount of any debt to the extent it is secured by a security interest or lien that is enforceable against the asset before and after it has been sold to a buyer. If a debt is secured by an asset and other property of the seller, the amount of the debt secured by a security interest or lien that is

enforceable against the asset is determined by multiplying the debt by a fraction, the numerator of which is the value of the new consideration for the asset on the date of the bulk sale and the denominator of which is the value of all property securing the debt on the date of the bulk sale.

(m) A sale is "in the ordinary course of the seller's business" if the sale comports with usual or customary practices in the kind of business in which the seller is engaged or with the seller's own usual or customary practices.

(n) "United States" includes its territories and possessions and the Commonwealth of Puerto Rico.

(o) "Value" means fair market value.

(p) "Verified" means signed and sworn to or affirmed.

(2) The following definitions in other titles apply to this title:

(a) "Buyer" - § 8.2-103(1) (a);

(b) "Equipment" - § ~~8.9-109(2)~~ 8.9A-102(a) (33);

(c) "Inventory" - § ~~8.9-109(4)~~ 8.9A-102(a) (48);

(d) "Sale" - § 8.2-106(1);

(e) "Seller" - § 8.2-103(1) (d).

(3) In addition, Title 8.1 contains general definitions and principles of construction and interpretation applicable throughout this title.

§ 8.6A-103. Applicability of title.

(1) Except as otherwise provided in subsection (3), this title applies to a bulk sale if:

(a) The seller's principal business is the sale of inventory from stock; and

(b) On the date of the bulk sale agreement the seller is located in this state or, if the seller is located in a jurisdiction that is not a part of the United States, the seller's major executive office in the United States is in this state.

(2) A seller is deemed to be located at his or her place of business. If a seller has more than one place of business, the seller is deemed located at his or her chief executive office.

(3) This title does not apply to:

(a) A transfer made to secure payment or performance of an obligation;

839 issuer or a transferee from the issuer.

840 (3) Title to goods based upon a bill of lading issued to a freight forwarder is subject to the rights of
841 anyone to whom a bill issued by the freight forwarder is duly negotiated; but delivery by the carrier in
842 accordance with Part 4 of this title pursuant to its own bill of lading discharges the carrier's obligation

(e) If an interest in a security entitlement is granted by the entitlement holder to the entitlement holder's own securities intermediary, the securities intermediary has control.

(f) A purchaser who has satisfied the requirements of subsection (c)(2) or (d)(2) has control even if the registered owner in the case of subsection (c)(2) or the entitlement holder in the case of subsection (d)(2) retains the right to make substitutions for the uncertificated security or security entitlement, to originate instructions or entitlement orders to the issuer or securities intermediary, or otherwise to deal with the uncertificated security or security entitlement.

(g) An issuer or a securities intermediary may not enter into an agreement of the kind described in subsection (c) (2) or (d) (2) without the consent of the registered owner or entitlement holder, but an issuer or a securities intermediary is not required to enter into such an agreement even though the registered owner or entitlement holder so directs. (c) The local law of the jurisdiction in which a security certificate is located at the time of delivery governs whether an adverse claim can be asserted against a person to whom the security certificate is delivered.

(d) "Issuer's jurisdiction" means the jurisdiction under which the issuer of the security is organized or, if permitted by the law of that jurisdiction, the law of another jurisdiction specified by the issuer. An issuer organized under the law of this state may specify the law of another jurisdiction as the law governing the matters specified in subsection (a) (2) through (5).

1958 Perfection.

1959 § 8.9A-308. *When security interest or agricultural lien is perfected; continuity of perfection.*

1960 (a) *Perfection of security interest. Except as otherwise provided in this section and § 8.9A-309, a*
1961 *security interest is perfected if it has attached and all of the applicable requirements for perfection in*
1962 *§§ 8.9A-310 through 8.9A-316 have been satisfied. A security interest is perfected when it attaches if the*
1963 *applicable requirements are satisfied before the security interest attaches.*

1964 (b) *Perfection of agricultural lien. An agricultural lien is perfected if it has become effective and all*
1965 *of the applicable requirements for perfection in § 8.9A-310 have been satisfied. An agricultural lien is*

1966 perfected when it becomes effective if the applicable requirements are satisfied before the agricultural
1967 lien becomes effective.

1968 (c) Continuous perfection; perfection by different methods. A security interest or agricultural lien is
1969 perfected continuously if it is originally perfected by one method under this title and is later perfected
1970 by another method under this title, without an intermediate period when it was unperfected.

1971 (d) Supporting obligation. Perfection of a security interest in collateral also perfects a security
1972 interest in a supporting obligation for the collateral.

1973 (e) Lien securing right to payment. Perfection of a security interest in a right to payment or
1974 performance also perfects a security interest in a security interest, mortgage, or other lien on personal
1975 or real property securing the right.

1976 (f) Security entitlement carried in securities account. Perfection of a security interest in a securities
1977 account also perfects a security interest in the security entitlements carried in the securities account.

1978 (g) Commodity contract carried in commodity account. Perfection of a security interest in a
1979 commodity account also perfects a security interest in the commodity contracts carried in the commodity
1980 account.

1981 § 8.9A-309. Security interest perfected upon attachment.

1982 The following security interests are perfected when they attach:

1983 (1) a purchase-money security interest in consumer goods, except as otherwise provided in
1984 § 8.9A-311(b) with respect to consumer goods that are subject to a statute or treaty described in
1985 § 8.9A-311(a);

1986 (2) an assignment of accounts or payment intangibles which does not by itself or in conjunction with
1987 other assignments to the same assignee transfer a significant part of the assignor's outstanding accounts
1988 or payment intangibles;

1989 (3) a sale of a payment intangible;

1990 (4) a sale of a promissory note;

1991 (5) a security interest created by the assignment of a health-care-insurance receivable to the provider
1992 of the health-care goods or services;

2002 assignee thereunder; and

2003 (13) a security interest created by an assignment of a beneficial interest in a decedent's estate.

2004 § 8.9A-310. When filing required to perfect security interest or agricultural lien; security interests
2005 and agricultural liens to which filing provisions do not apply.

2006 (a) General rule: perfection by filing. Except as otherwise provided in subsection (b) and
2007 § 8.9A-312(b), a financing statement must be filed to perfect all security interests and agricultural liens.

2008 (b) Exceptions: filing not necessary. The filing of a financing statement is not necessary to perfect a
2009 security interest:

2010 (1) that is perfected under § 8.9A-308(d), (e), (f), or (g);

2011 (2) that is perfected under § 8.9A-309 when it attaches;

2012 (3) in property subject to a statute, regulation, or treaty described in § 8.9A-311(a);

2013 (4) in goods in possession of a bailee which is perfected under § 8.9A-312(d)(1) or (2);

2014 (5) in certificated securities, documents, goods, or instruments which is perfected without filing or

2016 (6) in collateral in the secured party's possession under § 8.9A-313;

2017 (7) in a certificated security which is perfected by delivery of the security certificate to the secured

2020 is perfected by control under § 8.9A-314;

2021 (9) in proceeds which is perfected under § 8.9A-315; or

2022 (10) that is perfected under § 8.9A-316.

2023 (c) Assignment of perfected security interest. If a secured party assigns a perfected security interest
2024 or agricultural lien, a filing under this title is not required to continue the perfected status of the
2025 security interest against creditors of and transferees from the original debtor.

2026 § 8.9A-311. Perfection of security interests in property subject to certain statutes, regulations, and

2027 treaties.

2028 (a) Security interest subject to other law. Except as otherwise provided in subsection (d), the filing of
2029 a financing statement is not necessary or effective to perfect a security interest in property subject to:

2030 (1) a statute, regulation, or treaty of the United States whose requirements for a security interest's
2031 obtaining priority over the rights of a lien creditor with respect to the property preempt § 8.9A-310(a);

2032 (2) a certificate-of-title statute of this Commonwealth covering automobiles or other goods, which
2033 provides for a security interest to be indicated on the certificate as a condition to or result of perfection
2034 of the security interest; or

2035 (3) a certificate-of-title statute of another jurisdiction which provides for a security interest to be
2036 indicated on the certificate as a condition or result of the security interest's obtaining priority over the
2037 rights of a lien creditor with respect to the property.

2038 (b) Compliance with other law. Compliance with the requirements of a statute, regulation, or treaty
2039 described in subsection (a) for obtaining priority over the rights of a lien creditor is equivalent to the
2040 filing of a financing statement under this title. Except as otherwise provided in subsection (d) and
2041 §§ 8.9A-313 and 8.9A-316(d) and (e) for goods covered by a certificate of title, a security interest in
2042 property subject to a statute, regulation, or treaty described in subsection (a) may be perfected only by
2043 compliance with those requirements, and a security interest so perfected remains perfected
2044 notwithstanding a change in the use or transfer of possession of the collateral.

2045 (c) Duration and renewal of perfection. Except as otherwise provided in subsection (d) and
2046 § 8.9A-316(d) and (e), duration and renewal of perfection of a security interest perfected by compliance
2047 with the requirements prescribed by a statute, regulation, or treaty described in subsection (a) are
2048 governed by the statute, regulation, or treaty. In other respects, the security interest is subject to this
2049 title.

2050 (d) Inapplicability to certain inventory. During any period in which collateral subject to a statute
2051 specified in subsection (a) (2) is inventory held for sale or lease by a person or leased by that person
2052 as lessor and that person is in the business of selling goods of that kind, this section does not apply to
2053 a security interest in that collateral created by that person.

2054 § 8.9A-312. Perfection of security interests in chattel paper, deposit accounts, documents, goods
2055 covered by documents, instruments, investment property, letter-of-credit rights, and money; perfection by
2056 permissive filing, temporary perfection without filing or transfer of possession.

2057 (a) Perfection by filing permitted. A security interest in chattel paper, negotiable documents,
2058 instruments, or investment property may be perfected by filing.

2059 (b) Control or possession of certain collateral. Except as otherwise provided in § 8.9A-315(c) and (d)
2060 for proceeds:

2061 (1) a security interest in a deposit account may be perfected only by control under § 8.9A-314;

2062 (2) and except as otherwise provided in § 8.9A-308(d), a security interest in a letter-of-credit right
2063 may be perfected only by control under § 8.9A-314; and

2064 (3) a security interest in money may be perfected only by the secured party's taking possession under
2065 § 8.9A-313.

2066 (c) Goods covered by negotiable document. While goods are in the possession of a bailee that has
2067 issued a negotiable document covering the goods:

2068 (1) a security interest in the goods may be perfected by perfecting a security interest in the
2069 document; and

2070 (2) a security interest perfected in the document has priority over any security interest that becomes
2071 perfected in the goods by another method during that time.

2072 (d) Goods covered by nonnegotiable document. While goods are in the possession of a bailee that
2073 has issued a nonnegotiable document covering the goods, a security interest in the goods may be
2074 perfected by:

2075 (1) issuance of a document in the name of the secured party;

2076 (2) the bailee's receipt of notification of the secured party's interest; or

2077 (3) filing as to the goods.

2078 (e) Temporary perfection: new value. A security interest in certificated securities, negotiable
2079 documents, or instruments is perfected without filing or the taking of possession for a period of twenty
2080 days from the time it attaches to the extent that it arises for new value given under an authenticated
2081 security agreement.

2082 (f) Temporary perfection: goods or documents made available to debtor. A perfected security interest
2083 in a negotiable document or goods in possession of a bailee, other than one that has issued a
2084 negotiable document for the goods, remains perfected for twenty days without filing if the secured party
2085 makes available to the debtor the goods or documents representing the goods for the purpose of:

2086 (1) ultimate sale or exchange; or

2087 (2) loading, unloading, storing, shipping, transshipping, manufacturing, processing, or otherwise
2088 dealing with them in a manner preliminary to their sale or exchange.

(g) *Temporary perfection: delivery of security certificate or instrument to debtor. A perfected security interest in a certificated security or instrument remains perfected for twenty days without filing if the secured party delivers the security certificate or instrument to the debtor for the purpose of:*

- (1) *ultimate sale or exchange; or*
- (2) *presentation, collection, enforcement, renewal, or registration of transfer.*
- (h) *Expiration of temporary perfection. After the twenty-day period specified in subsection (e), (f), or (g) expires, perfection depends upon compliance with this title.*

§ 8.9A-313. *When possession by or delivery to secured party perfects security interest without filing.*

(a) *Perfection by possession or delivery. Except as otherwise provided in subsection (b), a secured party may perfect a security interest in negotiable documents, goods, instruments, money, or tangible chattel paper by taking possession of the collateral. A secured party may perfect a security interest in certificated securities by taking delivery of the certificated securities under § 8.8A-301.*

(b) *Goods covered by certificate of title. With respect to goods covered by a certificate of title issued by this State, a secured party may perfect a security interest in the goods by taking possession of the goods only in the circumstances described in § 8.9A-316(d).*

(c) *Collateral in possession of person other than debtor. With respect to collateral other than certificated securities and goods covered by a document, a secured party takes possession of collateral in the possession of a person other than the debtor, the secured party, or a lessee of the collateral from the debtor in the ordinary course of the debtor's business, when:*

- (1) *the person in possession authenticates a record acknowledging that it holds possession of the collateral for the secured party's benefit; or*
- (2) *the person takes possession of the collateral after having authenticated a record acknowledging that it will hold possession of collateral for the secured party's benefit.*

(d) *Time of perfection by possession; continuation of perfection. If perfection of a security interest depends upon possession of the collateral by a secured party, perfection occurs no earlier than the time the secured party takes possession and continues only while the secured party retains possession.*

(e) *Time of perfection by delivery; continuation of perfection. A security interest in a certificated security in registered form is perfected by delivery when delivery of the certificated security occurs under § 8.8A-301 and remains perfected by delivery until the debtor obtains possession of the security certificate.*

(f) *Acknowledgment not required. A person in possession of collateral is not required to acknowledge that it holds possession for a secured party's benefit.*

(g) *Effectiveness of acknowledgment; no duties or confirmation. If a person acknowledges that it holds possession for the secured party's benefit:*

- (1) *the acknowledgment is effective under subsection (c) or § 8.8A-301(a), even if the acknowledgment violates the rights of a debtor; and*
- (2) *unless the person otherwise agrees or law other than this title otherwise provides, the person does not owe any duty to the secured party and is not required to confirm the acknowledgment to another person.*

(h) *Secured party's delivery to person other than debtor. A secured party having possession of collateral does not relinquish possession by delivering the collateral to a person other than the debtor or a lessee of the collateral from the debtor in the ordinary course of the debtor's business if the person was instructed before the delivery or is instructed contemporaneously with the delivery:*

- (1) *to hold possession of the collateral for the secured party's benefit; or*
- (2) *to redeliver the collateral to the secured party.*

(i) *Effect of delivery under subsection (h); no duties or confirmation. A secured party does not relinquish possession, even if a delivery under subsection (h) violates the rights of a debtor. A person to which collateral is delivered under subsection (h) does not owe any duty to the secured party and is not required to confirm the delivery to another person unless the person otherwise agrees or law other than this title otherwise provides.*

§ 8.9A-314. *Perfection by control.*

(a) *Perfection by control. A security interest in investment property, deposit accounts, letter-of-credit rights, or electronic chattel paper may be perfected by control of the collateral under §§ 8.9A-104, 8.9A-105, 8.9A-106, or § 8.9A-107.*

(b) *Specified collateral: time of perfection by control; continuation of perfection. A security interest in deposit accounts, electronic chattel paper, or letter-of-credit rights is perfected by control under §§ 8.9A-104, 8.9A-105, or § 8.9A-107 when the secured party obtains control and remains perfected by control only while the secured party retains control.*

(c) *Investment property: time of perfection by control; continuation of perfection. A security interest in investment property is perfected by control under § 8.9A-106 from the time the secured party obtains control and remains perfected by control until:*

2150 (1) *the secured party does not have control; and*
2151 (2) *one of the following occurs:*
2152 (A) *if the collateral is a certificated security, the debtor has or acquires possession of the security*
2153 *certificate;*
2154 (B) *if the collateral is an uncertificated security, the issuer has registered or registers the debtor as*
2155 *the registered owner; or*
2156 (C) *if the collateral is a security entitlement, the debtor is or becomes the entitlement holder.*
2157 § 8.9A-315. *Secured party's rights on disposition of collateral and in proceeds.*
2158 (a) *Disposition of collateral: continuation of security interest or agricultural lien; proceeds. Except*
2159 *as otherwise provided in this title and in § 8.2-403(2):*
2160 (1) *a security interest or agricultural lien continues in collateral notwithstanding sale, lease, license,*
2161 *exchange, or other disposition thereof unless the secured party authorized the disposition free of the*
2162 *security interest or agricultural lien; and*
2163 (2) *a security interest attaches to any identifiable proceeds of collateral.*
2164 (b) *When commingled proceeds identifiable. Proceeds that are commingled with other property are*
2165 *identifiable proceeds:*
2166 (1) *if the proceeds are goods, to the extent provided by § 8.9A-336; and*
2167 (2) *if the proceeds are not goods, to the extent that the secured party identifies the proceeds by a*
2168 *method of tracing, including application of equitable principles, that is permitted under law other than*
2169 *this title with respect to commingled property of the type involved.*
2170 (c) *Perfection of security interest in proceeds. A security interest in proceeds is a perfected security*
2171 *interest if the security interest in the original collateral was perfected.*
2172 (d) *Continuation of perfection. A perfected security interest in proceeds becomes unperfected on the*
2173 *twenty-first day after the security interest attaches to the proceeds unless:*
2174 (1) *the following conditions are satisfied:*
2175 (A) *a filed financing statement covers the original collateral;*
2176 (B) *the proceeds are collateral in which a security interest may be perfected by filing in the office in*
2177 *which the financing statement has been filed; and*
2178 (C) *the proceeds are not acquired with cash proceeds;*
2179 (2) *the proceeds are identifiable cash proceeds; or*
2180 (3) *the security interest in the proceeds is perfected other than under subsection (c) when the*
2181 *security interest attaches to the proceeds or within twenty days thereafter.*
2182 (e) *When perfected security interest in proceeds becomes unperfected. If a filed financing statement*
2183 *covers the original collateral, a security interest in proceeds which remains perfected under subsection*
2184 *(d)(1) becomes unperfected at the later of:*
2185 (1) *when the effectiveness of the filed financing statement lapses under § 8.9A-515 or is terminated*
2186 *under § 8.9A-513; or*
2187 (2) *the twenty-first day after the security interest attaches to the proceeds.*
2188 § 8.9A-316. *Continued perfection of security interest following change in governing law.*
2189 (a) *General rule: effect on perfection of change in governing law. A security interest perfected*
2190 *pursuant to the law of the jurisdiction designated in § 8.9A-301(1) or 8.9A-305(c) remains perfected*
2191 *until the earliest of:*
2192 (1) *the time perfection would have ceased under the law of that jurisdiction;*
2193 (2) *the expiration of four months after a change of the debtor's location to another jurisdiction; or*
2194 (3) *the expiration of one year after a transfer of collateral to a person that thereby becomes a*
2195 *debtor and is located in another jurisdiction.*
2196 (b) *Security interest perfected or unperfected under law of new jurisdiction. If a security interest*
2197 *described in subsection (a) becomes perfected under the law of the other jurisdiction before the earliest*
2198 *time or event described in that subsection, it remains perfected thereafter. If the security interest does*
2199 *not become perfected under the law of the other jurisdiction before the earliest time or event, it becomes*
2200 *unperfected and is deemed never to have been perfected as against a purchaser of the collateral for*
2201 *value.*
2202 (c) *Possessory security interest in collateral moved to new jurisdiction. A possessory security interest*
2203 *in collateral, other than goods covered by a certificate of title and as-extracted collateral consisting of*
2204 *goods, remains continuously perfected if:*
2205 (1) *the collateral is located in one jurisdiction and subject to a security interest perfected under the*
2206 *law of that jurisdiction;*
2207 (2) *thereafter the collateral is brought into another jurisdiction; and*
2208 (3) *upon entry into the other jurisdiction, the security interest is perfected under the law of the other*
2209 *jurisdiction.*
2210 (d) *Goods covered by certificate of title from this state. Except as otherwise provided in subsection*
2211 (e), *a security interest in goods covered by a certificate of title which is perfected by any method under*

the law of another jurisdiction when the goods become covered by a certificate of title from this state remains perfected until the security interest would have become unperfected under the law of the other jurisdiction had the goods not become so covered.

(e) When subsection (d) security interest becomes unperfected against purchasers. A security interest described in subsection (d) becomes unperfected as against a purchaser of the goods for value and is deemed never to have been perfected as against a purchaser of the goods for value if the applicable requirements for perfection under § 8.9A-311(b) or 8.9A-313 are not satisfied before the earlier of:

(1) the time the security interest would have become unperfected under the law of the other jurisdiction had the goods not become covered by a certificate of title from this state; or

(2) the expiration of four months after the goods had become so covered.

(f) Change in jurisdiction of bank, issuer, nominated person, securities intermediary, or commodity intermediary. A security interest in deposit accounts, letter-of-credit rights, or investment property which is perfected under the law of the bank's jurisdiction, the issuer's jurisdiction, a nominated person's jurisdiction, the securities intermediary's jurisdiction, or the commodity intermediary's jurisdiction, as applicable, remains perfected until the earlier of:

(1) the time the security interest would have become unperfected under the law of that jurisdiction; or

(2) the expiration of four months after a change of the applicable jurisdiction to another jurisdiction.

(g) Subsection (f) security interest perfected or unperfected under law of new jurisdiction. If a security interest described in subsection (f) becomes perfected under the law of the other jurisdiction before the earlier of the time or the end of the period described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earlier of that time or the end of that period, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

Subpart 3.

Priority.

§ 8.9A-317. Interests that take priority over or take free of security interest or agricultural lien.

(a) Conflicting security interests and rights of lien creditors. A security interest or agricultural lien is subordinate to the rights of:

(1) a person entitled to priority under § 8.9A-322; and

(2) except as otherwise provided in subsection (e), a person that becomes a lien creditor before the earlier of the time:

(A) the security interest or agricultural lien is perfected; or

(B) one of the conditions specified in subdivision (b) (3) of § 8.9A-203 is met and a financing statement covering the collateral is filed.

(b) Buyers that receive delivery. Except as otherwise provided in subsection (e), a buyer, other than a secured party, of tangible chattel paper, documents, goods, instruments, or a security certificate takes free of a security interest or agricultural lien if the buyer gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(c) Lessees that receive delivery. Except as otherwise provided in subsection (e), a lessee of goods takes free of a security interest or agricultural lien if the lessee gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(d) Licensees and buyers of certain collateral. A licensee of a general intangible or a buyer, other than a secured party, of accounts, electronic chattel paper, general intangibles, or investment property other than a certificated security takes free of a security interest if the licensee or buyer gives value without knowledge of the security interest and before it is perfected.

(e) Purchase-money security interest. Except as otherwise provided in §§ 8.9A-320 and 8.9A-321, if a person files a financing statement with respect to a purchase-money security interest before or within twenty days after the debtor receives delivery of the collateral, the security interest takes priority over the rights of a buyer, lessee, or lien creditor which arise between the time the security interest attaches and the time of filing.

§ 8.9A-318. No interest retained in right to payment that is sold; rights and title of seller of account or chattel paper with respect to creditors and purchasers.

(a) Seller retains no interest. A debtor that has sold an account, chattel paper, payment intangible, or promissory note does not retain a legal or equitable interest in the collateral sold.

(b) Deemed rights of debtor if buyer's security interest unperfected. For purposes of determining the rights of creditors of, and purchasers for value of an account or chattel paper from, a debtor that has sold an account or chattel paper, while the buyer's security interest is unperfected, the debtor is deemed to have rights and title to the account or chattel paper identical to those the debtor sold.

§ 8.9A-319. Rights and title of consignee with respect to creditors and purchasers.

(a) Consignee has consignor's rights. Except as otherwise provided in subsection (b), for purposes of

2273 determining the rights of creditors of, and purchasers for value of goods from, a consignee, while the
2274 goods are in the possession of the consignee, the consignee is deemed to have rights and title to the
2275 goods identical to those the consignor had or had power to transfer.

2276 (b) Applicability of other law. For purposes of determining the rights of a creditor of a consignee,
2277 law other than this title determines the rights and title of a consignee while goods are in the consignee's
2278 possession if, under this part, a perfected security interest held by the consignor would have priority
2279 over the rights of the creditor.

2280 § 8.9A-320. Buyer of goods.

2281 (a) Buyer in ordinary course of business. Except as otherwise provided in subsection (e), a buyer in
2282 ordinary course of business, other than a person buying farm products from a person engaged in
2283 farming operations, takes free of a security interest created by the buyer's seller, even if the security
2284 interest is perfected and the buyer knows of its existence.

2285 (b) Buyer of consumer goods. Except as otherwise provided in subsection (e), a buyer of goods from
2286 a person who used or bought the goods for use primarily for personal, family, or household purposes
2287 takes free of a security interest, even if perfected, if the buyer buys:

2288 (1) without knowledge of the security interest;

2289 (2) for value;

2290 (3) primarily for the buyer's personal, family, or household purposes; and

2291 (4) before the filing of a financing statement covering the goods.

2292 (c) Effectiveness of filing for subsection (b). To the extent that it affects the priority of a security
2293 interest over a buyer of goods under subsection (b), the period of effectiveness of a filing made in the
2294 jurisdiction in which the seller is located is governed by § 8.9A-316(a) and (b).

2295 (d) Buyer in ordinary course of business at wellhead or minehead. A buyer in ordinary course of
2296 business buying oil, gas, or other minerals at the wellhead or minehead or after extraction takes free of
2297 an interest arising out of an encumbrance.

2298 (e) Possessory security interest not affected. Subsections (a) and (b) do not affect a security interest
2299 in goods in the possession of the secured party under § 8.9A-313.

2300 § 8.9A-321. Licensee of general intangible and lessee of goods in ordinary course of business.

2301 (a) "Licensee in ordinary course of business." In this section, "licensee in ordinary course of
2302 business" means a person that becomes a licensee of a general intangible in good faith, without
2303 knowledge that the license violates the rights of another person in the general intangible, and in the
2304 ordinary course from a person in the business of licensing general intangibles of that kind. A person
2305 becomes a licensee in the ordinary course if the license to the person comports with the usual or
2306 customary practices in the kind of business in which the licensor is engaged or with the licensor's own
2307 usual or customary practices.

2308 (b) Rights of licensee in ordinary course of business. A licensee in ordinary course of business takes
2309 its rights under a nonexclusive license free of a security interest in the general intangible created by the
2310 licensor, even if the security interest is perfected and the licensee knows of its existence.

2311 (c) Rights of lessee in ordinary course of business. A lessee in ordinary course of business takes its
2312 leasehold interest free of a security interest in the goods created by the lessor, even if the security
2313 interest is perfected and the lessee knows of its existence.

2314 § 8.9A-322. Priorities among conflicting security interests in and agricultural liens on same
2315 collateral.

2316 (a) General priority rules. Except as otherwise provided in this section, priority among conflicting
2317 security interests and agricultural liens in the same collateral is determined according to the following
2318 rules:

2319 (1) Conflicting perfected security interests and agricultural liens rank according to priority in time of
2320 filing or perfection. Priority dates from the earlier of the time a filing covering the collateral is first
2321 made or the security interest or agricultural lien is first perfected, if there is no period thereafter when
2322 there is neither filing nor perfection.

2323 (2) A perfected security interest or agricultural lien has priority over a conflicting unperfected
2324 security interest or agricultural lien.

2325 (3) The first security interest or agricultural lien to attach or become effective has priority if
2326 conflicting security interests and agricultural liens are unperfected.

2327 (b) Time of perfection: proceeds and supporting obligations. For the purposes of subsection (a)(1):

2328 (1) the time of filing or perfection as to a security interest in collateral is also the time of filing or
2329 perfection as to a security interest in proceeds; and

2330 (2) the time of filing or perfection as to a security interest in collateral supported by a supporting
2331 obligation is also the time of filing or perfection as to a security interest in the supporting obligation.

2332 (c) Special priority rules: proceeds and supporting obligations. Except as otherwise provided in
2333 subsection (f), a security interest in collateral which qualifies for priority over a conflicting security
2334 interest under §§ 8.9A-327, 8.9A-328, 8.9A-329, 8.9A-330, or § 8.9A-331 also has priority over a

2335 conflicting security interest in:

2336 (1) any supporting obligation for the collateral; and

2337 (2) proceeds of the collateral if:

2338 (A) the security interest in proceeds is perfected;

2339 (B) the proceeds are cash proceeds or of the same type as the collateral; and

2340 (C) in the case of proceeds that are proceeds of proceeds, all intervening proceeds are cash
2341 proceeds, proceeds of the same type as the collateral, or an account relating to the collateral.

2342 (d) First-to-file priority rule for certain collateral. Subject to subsection (e) and except as otherwise
2343 provided in subsection (f), if a security interest in chattel paper, deposit accounts, negotiable documents,
2344 instruments, investment property, or letter-of-credit rights is perfected by a method other than filing,
2345 conflicting perfected security interests in proceeds of the collateral rank according to priority in time of
2346 filing.

2347 (e) Applicability of subsection (d). Subsection (d) applies only if the proceeds of the collateral are
2348 not cash proceeds, chattel paper, negotiable documents, instruments, investment property, or
2349 letter-of-credit rights.

2350 (f) Limitations on subsections (a) through (e). Subsections (a) through (e) are subject to:

2351 (1) subsection (g) and the other provisions of this part;

2352 (2) § 8.4-210 with respect to a security interest of a collecting bank;

2353 (3) § 8.5A-118 with respect to a security interest of an issuer or nominated person; and

2354 (4) § 8.9A-110 with respect to a security interest arising under Title 8.2 or 8.2A.

2355 (g) Priority under agricultural lien statute. A perfected agricultural lien on collateral has priority
2356 over a conflicting security interest in or agricultural lien on the same collateral if the statute creating
2357 the agricultural lien so provides.

2358 § 8.9A-323. Future advances.

2359 (a) When priority based on time of advance. Except as otherwise provided in subsection (c), for
2360 purposes of determining the priority of a perfected security interest under § 8.9A-322(a)(1), perfection of
2361 the security interest dates from the time an advance is made to the extent that the security interest
2362 secures an advance that:

2363 (1) is made while the security interest is perfected only:

2364 (A) under § 8.9A-309 when it attaches; or

2365 (B) temporarily under § 8.9A-312(e), (f), or (g); and

2366 (2) is not made pursuant to a commitment entered into before or while the security interest is
2367 perfected by a method other than under § 8.9A-309 or 8.9A-312(e), (f), or (g).

2368 (b) Lien creditor. Except as otherwise provided in subsection (c), a security interest is subordinate to
2369 the rights of a person that becomes a lien creditor to the extent that the security interest secures an
2370 advance made more than forty-five days after the person becomes a lien creditor unless the advance is
2371 made:

2372 (1) without knowledge of the lien; or

2373 (2) pursuant to a commitment entered into without knowledge of the lien.

2374 (c) Buyer of receivables. Subsections (a) and (b) do not apply to a security interest held by a
2375 secured party that is a buyer of accounts, chattel paper, payment intangibles, or promissory notes or a
2376 consignor.

2377 (d) Buyer of goods. Except as otherwise provided in subsection (e), a buyer of goods other than a
2378 buyer in ordinary course of business takes free of a security interest to the extent that it secures
2379 advances made after the earlier of:

2380 (1) the time the secured party acquires knowledge of the buyer's purchase; or

2381 (2) Forty-five days after the purchase.

2382 (e) Advances made pursuant to commitment: priority of buyer of goods. Subsection (d) does not
2383 apply if the advance is made pursuant to a commitment entered into without knowledge of the buyer's
2384 purchase and before the expiration of the forty-five day period.

2385 (f) Lessee of goods. Except as otherwise provided in subsection (g), a lessee of goods, other than a
2386 lessee in ordinary course of business, takes the leasehold interest free of a security interest to the extent
2387 that it secures advances made after the earlier of:

2388 (1) the time the secured party acquires knowledge of the lease; or

2389 (2) Forty-five days after the lease contract becomes enforceable.

2390 (g) Advances made pursuant to commitment: priority of lessee of goods. Subsection (f) does not
2391 apply if the advance is made pursuant to a commitment entered into without knowledge of the lease and
2392 before the expiration of the forty-five day period.

2393 § 8.9A-324. Priority of purchase-money security interests.

2394 (a) General rule: purchase-money priority. Except as otherwise provided in subsection (g), a
2395 perfected purchase-money security interest in goods other than inventory or livestock has priority over a

2396 conflicting security interest in the same goods, and, except as otherwise provided in § 8.9A-327, a
2397 perfected security interest in its identifiable proceeds also has priority, if the purchase-money security
2398 interest is perfected when the debtor receives possession of the collateral or within twenty days
2399 thereafter.

2400 (b) Inventory purchase-money priority. Subject to subsection (c) and except as otherwise provided in
2401 subsection (g), a perfected purchase-money security interest in inventory has priority over a conflicting
2402 security interest in the same inventory, has priority over a conflicting security interest in chattel paper
2403 or an instrument constituting proceeds of the inventory and in proceeds of the chattel paper, if so
2404 provided in § 8.9A-330, and, except as otherwise provided in § 8.9A-327, also has priority in identifiable
2405 cash proceeds of the inventory to the extent the identifiable cash proceeds are received on or before the
2406 delivery of the inventory to a buyer, if:

2407 (1) the purchase-money security interest is perfected when the debtor receives possession of the
2408 inventory;

2409 (2) the purchase-money secured party sends an authenticated notification to the holder of the
2410 conflicting security interest;

2411 (3) the holder of the conflicting security interest receives the notification within five years before the
2412 debtor receives possession of the inventory; and

2413 (4) the notification states that the person sending the notification has or expects to acquire a
2414 purchase-money security interest in inventory of the debtor and describes the inventory.

2415 (c) Holders of conflicting inventory security interests to be notified. Subsections (b)(2) through (4)
2416 apply only if the holder of the conflicting security interest had filed a financing statement covering the
2417 same types of inventory:

2418 (1) if the purchase-money security interest is perfected by filing, before the date of the filing; or

2419 (2) if the purchase-money security interest is temporarily perfected without filing or possession under
2420 § 8.9A-312(f), before the beginning of the twenty-day period thereunder.

2421 (d) Livestock purchase-money priority. Subject to subsection (e) and except as otherwise provided in
2422 subsection (g), a perfected purchase-money security interest in livestock that are farm products has
2423 priority over a conflicting security interest in the same livestock, and, except as otherwise provided in
2424 § 8.9A-327, a perfected security interest in their identifiable proceeds and identifiable products in their
2425 unmanufactured states also has priority, if:

2426 (1) the purchase-money security interest is perfected when the debtor receives possession of the
2427 livestock;

2428 (2) the purchase-money secured party sends an authenticated notification to the holder of the
2429 conflicting security interest;

2430 (3) the holder of the conflicting security interest receives the notification within six months before the
2431 debtor receives possession of the livestock; and

2432 (4) the notification states that the person sending the notification has or expects to acquire a
2433 purchase-money security interest in livestock of the debtor and describes the livestock.

2434 (e) Holders of conflicting livestock security interests to be notified. Subsections (d)(2) through (4)
2435 apply only if the holder of the conflicting security interest had filed a financing statement covering the
2436 same types of livestock:

2437 (1) if the purchase-money security interest is perfected by filing, before the date of the filing; or

2438 (2) if the purchase-money security interest is temporarily perfected without filing or possession under
2439 § 8.9A-312(f), before the beginning of the twenty-day period thereunder.

2440 (f) Software purchase-money priority. Except as otherwise provided in subsection (g), a perfected
2441 purchase-money security interest in software has priority over a conflicting security interest in the same
2442 collateral, and, except as otherwise provided in § 8.9A-327, a perfected security interest in its
2443 identifiable proceeds also has priority, to the extent that the purchase-money security interest in the
2444 goods in which the software was acquired for use has priority in the goods and proceeds of the goods
2445 under this section.

2446 (g) Conflicting purchase-money security interests. If more than one security interest qualifies for
2447 priority in the same collateral under subsection (a), (b), (d), or (f):

2448 (1) a security interest securing an obligation incurred as all or part of the price of the collateral has
2449 priority over a security interest securing an obligation incurred for value given to enable the debtor to
2450 acquire rights in or the use of collateral; and

2451 (2) in all other cases, § 8.9A-322(a) applies to the qualifying security interests.

2452 § 8.9A-325. Priority of security interests in transferred collateral.

2453 (a) Subordination of security interest in transferred collateral. Except as otherwise provided in
2454 subsection (b), a security interest created by a debtor is subordinate to a security interest in the same
2455 collateral created by another person if:

2456 (1) the debtor acquired the collateral subject to the security interest created by the other person;

2457 (2) the security interest created by the other person was perfected when the debtor acquired the

2458 collateral; and

2459 (3) there is no period thereafter when the security interest is unperfected.

2460 (b) Limitation of subsection (a) subordination. Subsection (a) subordinates a security interest only if
2461 the security interest:

2462 (1) otherwise would have priority solely under § 8.9A-322(a) or 8.9A-324; or

2463 (2) arose solely under § 8.2-711(3) or 8.2A-508(5).

2464 § 8.9A-326. Priority of security interests created by new debtor.

2465 (a) Subordination of security interest created by new debtor. Subject to subsection (b), a security
2466 interest created by a new debtor which is perfected by a filed financing statement that is effective solely
2467 under § 8.9A-508 in collateral in which a new debtor has or acquires rights is subordinate to a security
2468 interest in the same collateral which is perfected other than by a filed financing statement that is
2469 effective solely under § 8.9A-508.

2470 (b) Priority under other provisions; multiple original debtors. The other provisions of this part
2471 determine the priority among conflicting security interests in the same collateral perfected by filed
2472 financing statements that are effective solely under § 8.9A-508. However, if the security agreements to
2473 which a new debtor became bound as debtor were not entered into by the same original debtor, the
2474 conflicting security interests rank according to priority in time of the new debtor's having become
2475 bound.

2476 § 8.9A-327. Priority of security interests in deposit account.

2477 The following rules govern priority among conflicting security interests in the same deposit account:

2478 (1) A security interest held by a secured party having control of the deposit account under
2479 § 8.9A-104 has priority over a conflicting security interest held by a secured party that does not have
2480 control.

2481 (2) Except as otherwise provided in paragraphs (3) and (4), security interests perfected by control
2482 under § 8.9A-314 rank according to priority in time of obtaining control.

2483 (3) Except as otherwise provided in paragraph (4), a security interest held by the bank with which
2484 the deposit account is maintained has priority over a conflicting security interest held by another
2485 secured party.

2486 (4) A security interest perfected by control under § 8.9A-104(a)(3) has priority over a security
2487 interest held by the bank with which the deposit account is maintained.

2488 § 8.9A-328. Priority of security interests in investment property.

2489 The following rules govern priority among conflicting security interests in the same investment
2490 property:

2491 (1) A security interest held by a secured party having control of investment property under
2492 § 8.9A-106 has priority over a security interest held by a secured party that does not have control of the
2493 investment property.

2494 (2) Except as otherwise provided in paragraphs (3) and (4), conflicting security interests held by
2495 secured parties each of which has control under § 8.9A-106 rank according to priority in time of:

2496 (A) if the collateral is a security, obtaining control;

2497 (B) if the collateral is a security entitlement carried in a securities account and:

2498 (i) if the secured party obtained control under § 8.8A-106(d)(1), the secured party's becoming the
2499 person for which the securities account is maintained;

2500 (ii) if the secured party obtained control under § 8.8A-106(d)(2), the securities intermediary's
2501 agreement to comply with the secured party's entitlement orders with respect to security entitlements
2502 carried or to be carried in the securities account; or

2503 (iii) if the secured party obtained control through another person under § 8.8A-106(d)(3), the time on
2504 which priority would be based under this paragraph if the other person were the secured party; or

2505 (C) if the collateral is a commodity contract carried with a commodity intermediary, the satisfaction
2506 of the requirement for control specified in § 8.9A-106(b)(2) with respect to commodity contracts carried
2507 or to be carried with the commodity intermediary.

2508 (3) A security interest held by a securities intermediary in a security entitlement or a securities
2509 account maintained with the securities intermediary has priority over a conflicting security interest held
2510 by another secured party.

2511 (4) A security interest held by a commodity intermediary in a commodity contract or a commodity
2512 account maintained with the commodity intermediary has priority over a conflicting security interest
2513 held by another secured party.

2514 (5) A security interest in a certificated security in registered form which is perfected by taking
2515 delivery under § 8.9A-313(a) and not by control under § 8.9A-314 has priority over a conflicting
2516 security interest perfected by a method other than control.

2517 (6) Conflicting security interests created by a broker, securities intermediary, or commodity
2518 intermediary which are perfected without control under § 8.9A-106 rank equally.

2519 (7) In all other cases, priority among conflicting security interests in investment property is governed
2520 by §§ 8.9A-322 and 8.9A-323.

2521 § 8.9A-329. Priority of security interests in letter-of-credit right.

2522 The following rules govern priority among conflicting security interests in the same letter-of-credit
2523 right:

2524 (1) A security interest held by a secured party having control of the letter-of-credit right under
2525 § 8.9A-107 has priority to the extent of its control over a conflicting security interest held by a secured
2526 party that does not have control.

2527 (2) Security interests perfected by control under § 8.9A-314 rank according to priority in time of
2528 obtaining control.

2529 § 8.9A-330. Priority of purchaser of chattel paper or instrument.

2530 (a) Purchaser's priority; security interest claimed merely as proceeds. A purchaser of chattel paper
2531 has priority over a security interest in the chattel paper which is claimed merely as proceeds of
2532 inventory subject to a security interest if:

2533 (1) in good faith and in the ordinary course of the purchaser's business, the purchaser gives new
2534 value and takes possession of the chattel paper or obtains control of the chattel paper under
2535 § 8.9A-105; and

2536 (2) the chattel paper does not indicate that it has been assigned to an identified assignee other than
2537 the purchaser.

2538 (b) Purchaser's priority; other security interests. A purchaser of chattel paper has priority over a
2539 security interest in the chattel paper which is claimed other than merely as proceeds of inventory
2540 subject to a security interest if the purchaser gives new value and takes possession of the chattel paper
2541 or obtains control of the chattel paper under § 8.9A-105 in good faith, in the ordinary course of the
2542 purchaser's business, and without knowledge that the purchase violates the rights of the secured party.

2543 (c) Chattel paper purchaser's priority in proceeds. Except as otherwise provided in § 8.9A-327, a
2544 purchaser having priority in chattel paper under subsection (a) or (b) also has priority in proceeds of
2545 the chattel paper to the extent that:

2546 (1) § 8.9A-322 provides for priority in the proceeds; or

2547 (2) the proceeds consist of the specific goods covered by the chattel paper or cash proceeds of the
2548 specific goods, even if the purchaser's security interest in the proceeds is unperfected.

2549 (d) Instrument purchaser's priority. Except as otherwise provided in § 8.9A-331(a), a purchaser of an
2550 instrument has priority over a security interest in the instrument perfected by a method other than
2551 possession if the purchaser gives value and takes possession of the instrument in good faith and without
2552 knowledge that the purchase violates the rights of the secured party.

2553 (e) Holder of purchase-money security interest gives new value. For purposes of subsections (a) and
2554 (b), the holder of a purchase-money security interest in inventory gives new value for chattel paper
2555 constituting proceeds of the inventory.

2556 (f) Indication of assignment gives knowledge. For purposes of subsections (b) and (d), if chattel
2557 paper or an instrument indicates that it has been assigned to an identified secured party other than the
2558 purchaser, a purchaser of the chattel paper or instrument has knowledge that the purchase violates the
2559 rights of the secured party.

2560 § 8.9A-331. Priority of rights of purchasers of instruments, documents, and securities under other
2561 titles, priority of interests in financial assets and security entitlements under Title 8.8.

2562 (a) Rights under Titles 8.3A, 8.7, and 8.8A not limited. This title does not limit the rights of a holder
2563 in due course of a negotiable instrument, a holder to which a negotiable document of title has been duly
2564 negotiated, or a protected purchaser of a security. These holders or purchasers take priority over an
2565 earlier security interest, even if perfected, to the extent provided in Title 8.3A, 8.7, and 8.8A.

2566 (b) Protection under Title 8.8A. This title does not limit the rights of or impose liability on a person
2567 to the extent that the person is protected against the assertion of a claim under Title 8.8A.

2568 (c) Filing not notice. Filing under this title does not constitute notice of a claim or defense to the
2569 holders, or purchasers, or persons described in subsections (a) and (b).

2570 § 8.9A-332. Transfer of money, transfer of funds from deposit account.

2571 (a) Transferee of money. A transferee of money takes the money free of a security interest unless the
2572 transferee acts in collusion with the debtor in violating the rights of the secured party.

2573 (b) Transferee of funds from deposit account. A transferee of funds from a deposit account takes the
2574 funds free of a security interest in the deposit account unless the transferee acts in collusion with the
2575 debtor in violating the rights of the secured party.

2576 § 8.9A-333. Priority of certain liens arising by operation of law.

2577 (a) "Possessory lien." In this section, "possessory lien" means an interest, other than a security
2578 interest or an agricultural lien:

2579 (1) which secures payment or performance of an obligation for services or materials furnished with
2580 respect to goods by a person in the ordinary course of the person's business;

- (2) which is created by statute or rule of law in favor of the person; and
- (3) whose effectiveness depends on the person's possession of the goods.
- (b) Priority of possessory lien. A possessory lien on goods has priority over a security interest in the goods unless the lien is created by a statute that expressly provides otherwise.
- § 8.9A-334. Priority of security interests in fixtures and crops.
- (a) Security interest in fixtures under this title. A security interest under this title may be created in goods that are fixtures or may continue in goods that become fixtures. A security interest does not exist under this title in ordinary building materials incorporated into an improvement on land.
- (b) Security interest in fixtures under real-property law. This title does not prevent creation of an encumbrance upon fixtures under real property law.
- (c) General rule; subordination of security interest in fixtures. In cases not governed by subsections (d) through (h), a security interest in fixtures is subordinate to a conflicting interest of an encumbrancer or owner of the related real property other than the debtor.
- (d) Fixtures purchase-money priority. Except as otherwise provided in subsection (h), a perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if the debtor has an interest of record in or is in possession of the real property and:
- (1) the security interest is a purchase-money security interest;
- (2) the interest of the encumbrancer or owner arises before the goods become fixtures; and
- (3) the security interest is perfected by a fixture filing before the goods become fixtures or within twenty days thereafter.
- (e) Priority of security interest in fixtures over interests in real property. A perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if:
- (1) the debtor has an interest of record in the real property or is in possession of the real property and the security interest:
- (A) is perfected by a fixture filing before the interest of the encumbrancer or owner is of record; and
- (B) has priority over any conflicting interest of a predecessor in title of the encumbrancer or owner;
- (2) before the goods become fixtures, the security interest is perfected by any method permitted by this title and the fixtures are readily removable:
- (A) factory or office machines;
- (B) equipment that is not primarily used or leased for use in the operation of the real property; or
- (C) replacements of domestic appliances that are consumer goods;
- (3) the conflicting interest is a lien on the real property obtained by legal or equitable proceedings after the security interest was perfected by any method permitted by this title; or
- (4) the security interest is:
- (A) created in a manufactured home in a manufactured-home transaction; and
- (B) perfected pursuant to a statute described in § 8.9A-311(a)(2).
- (f) Priority based on consent, disclaimer, or right to remove. A security interest in fixtures, whether or not perfected, has priority over a conflicting interest of an encumbrancer or owner of the real property if:
- (1) the encumbrancer or owner has, in an authenticated record, consented to the security interest or disclaimed an interest in the goods as fixtures; or
- (2) the debtor has a right to remove the goods as against the encumbrancer or owner.
- (g) Continuation of paragraph (f)(2) priority. The priority of the security interest under paragraph (f)(2) continues for a reasonable time if the debtor's right to remove the goods as against the encumbrancer or owner terminates.
- (h) Priority of construction mortgage. A mortgage is a construction mortgage to the extent that it secures an obligation incurred for the construction of an improvement on land, including the acquisition cost of the land, if a recorded record of the mortgage so indicates. Except as otherwise provided in subsections (e) and (f), a security interest in fixtures is subordinate to a construction mortgage if a record of the mortgage is recorded before the goods become fixtures and the goods become fixtures before the completion of the construction. A mortgage has this priority to the same extent as a construction mortgage to the extent that it is given to refinance a construction mortgage.
- (i) Priority of security interest in crops. A perfected security interest in crops growing on real property has priority over a conflicting interest of an encumbrancer or owner of the real property if the debtor has an interest of record in or is in possession of the real property.
- (j) Subsection (i) prevails. Subsection (i) prevails over any inconsistent provisions of the following statutes:
- § 8.9A-335. Accessions.
- (a) Creation of security interest in accession. A security interest may be created in an accession and continues in collateral that becomes an accession.
- (b) Perfection of security interest. If a security interest is perfected when the collateral becomes an

2642 *accession, the security interest remains perfected in the collateral.*

2643 *(c) Priority of security interest. Except as otherwise provided in subsection (d), the other provisions*
2644 *of this part determine the priority of a security interest in an accession.*

2645 *(d) Compliance with certificate-of-title statute. A security interest in an accession is subordinate to a*
2646 *security interest in the whole which is perfected by compliance with the requirements of a*
2647 *certificate-of-title statute under § 8.9A-311(b).*

2648 *(e) Removal of accession after default. After default, subject to Part 6, a secured party may remove*
2649 *an accession from other goods if the security interest in the accession has priority over the claims of*
2650 *every person having an interest in the whole.*

2651 *(f) Reimbursement following removal. A secured party that removes an accession from other goods*
2652 *under subsection (e) shall promptly reimburse any holder of a security interest or other lien on, or*
2653 *owner of, the whole or of the other goods, other than the debtor, for the cost of repair of any physical*
2654 *injury to the whole or the other goods. The secured party need not reimburse the holder or owner for*
2655 *any diminution in value of the whole or the other goods caused by the absence of the accession*
2656 *removed or by any necessity for replacing it. A person entitled to reimbursement may refuse permission*
2657 *to remove until the secured party gives adequate assurance for the performance of the obligation to*
2658 *reimburse.*

2659 *§ 8.9A-336. Commingled goods.*

2660 *(a) "Commingled goods." In this section, "commingled goods" means goods that are physically*
2661 *united with other goods in such a manner that their identity is lost in a product or mass.*

2662 *(b) No security interest in commingled goods as such. A security interest does not exist in*
2663 *commingled goods as such. However, a security interest may attach to a product or mass that results*
2664 *when goods become commingled goods.*

2665 *(c) Attachment of security interest to product or mass. If collateral becomes commingled goods, a*
2666 *security interest attaches to the product or mass.*

2667 *(d) Perfection of security interest. If a security interest in collateral is perfected before the collateral*
2668 *becomes commingled goods, the security interest that attaches to the product or mass under subsection*
2669 *(c) is perfected.*

2670 *(e) Priority of security interest. Except as otherwise provided in subsection (f), the other provisions*
2671 *of this part determine the priority of a security interest that attaches to the product or mass under*
2672 *subsection (c).*

2673 *(f) Conflicting security interests in product or mass. If more than one security interest attaches to the*
2674 *product or mass under subsection (c), the following rules determine priority:*

2675 *(1) A security interest that is perfected under subsection (d) has priority over a security interest that*
2676 *is unperfected at the time the collateral becomes commingled goods.*

2677 *(2) If more than one security interest is perfected under subsection (d), the security interests rank*
2678 *equally in proportion to the value of the collateral at the time it became commingled goods.*

2679 *§ 8.9A-337. Priority of security interests in goods covered by certificate of title.*

2680 *If, while a security interest in goods is perfected by any method under the law of another*
2681 *jurisdiction, this state issues a certificate of title that does not show that the goods are subject to the*
2682 *security interest or contain a statement that they may be subject to security interests not shown on the*
2683 *certificate:*

2684 *(1) a buyer of the goods, other than a person in the business of selling goods of that kind, takes free*
2685 *of the security interest if the buyer gives value and receives delivery of the goods after issuance of the*
2686 *certificate and without knowledge of the security interest; and*

2687 *(2) the security interest is subordinate to a conflicting security interest in the goods that attaches,*
2688 *and is perfected under § 8.9A-311(b), after issuance of the certificate and without the conflicting secured*
2689 *party's knowledge of the security interest.*

2690 *§ 8.9A-338. Priority of security interest or agricultural lien perfected by filed financing statement*
2691 *providing certain incorrect information.*

2692 *If a security interest or agricultural lien is perfected by a filed financing statement providing*
2693 *information described in § 8.9A-516(b)(5) which is incorrect at the time the financing statement is filed:*

2694 *(1) the security interest or agricultural lien is subordinate to a conflicting perfected security interest*
2695 *in the collateral to the extent that the holder of the conflicting security interest gives value in reasonable*
2696 *reliance upon the incorrect information; and*

2697 *(2) a purchaser, other than a secured party, of the collateral takes free of the security interest or*
2698 *agricultural lien to the extent that, in reasonable reliance upon the incorrect information, the purchaser*
2699 *gives value and, in the case of chattel paper, documents, goods, instruments, or a security certificate,*
2700 *receives delivery of the collateral.*

2701 *§ 8.9A-339. Priority subject to subordination.*

2702 *This title does not preclude subordination by agreement by a person entitled to priority.*

2703 *Subpart 4.*

Rights of Bank.

§ 8.9A-340. *Effectiveness of right of recoupment or set-off against deposit account.*

(a) *Exercise of recoupment or set-off. Except as otherwise provided in subsection (c), a bank with which a deposit account is maintained may exercise any right of recoupment or set-off against a secured party that holds a security interest in the deposit account.*

(b) *Recoupment or set-off not affected by security interest. Except as otherwise provided in subsection (c), the application of this title to a security interest in a deposit account does not affect a right of recoupment or set-off of the secured party as to a deposit account maintained with the secured party.*

(c) *When set-off ineffective. The exercise by a bank of a set-off against a deposit account is ineffective against a secured party that holds a security interest in the deposit account which is perfected by control under § 8.9A-104(a)(3), if the set-off is based on a claim against the debtor.*

§ 8.9A-341. *Bank's rights and duties with respect to deposit account.*

Except as otherwise provided in § 8.9A-340(c), and unless the bank otherwise agrees in an authenticated record, a bank's rights and duties with respect to a deposit account maintained with the bank are not terminated, suspended, or modified by:

(1) *the creation, attachment, or perfection of a security interest in the deposit account;*

(2) *the bank's knowledge of the security interest; or*

(3) *the bank's receipt of instructions from the secured party.*

§ 8.9A-342. *Bank's right to refuse to enter into or disclose existence of control agreement.*

This title does not require a bank to enter into an agreement of the kind described in § 8.9A-104(a)(2), even if its customer so requests or directs. A bank that has entered into such an agreement is not required to confirm the existence of the agreement to another person unless requested to do so by its customer.

*Part 4.**Rights of Third Parties.*

§ 8.9A-401. *Alienability of debtor's rights.*

(a) *Other law governs alienability; exceptions. Except as otherwise provided in subsection (b) and §§ 8.9A-406, 8.9A-407, 8.9A-408, and 8.9A-409, whether a debtor's rights in collateral may be voluntarily or involuntarily transferred is governed by law other than this title.*

(b) *Agreement does not prevent transfer. An agreement between the debtor and secured party which prohibits a transfer of the debtor's rights in collateral or makes the transfer a default does not prevent the transfer from taking effect.*

§ 8.9A-402. *Secured party not obligated on contract or debtor or in tort. The existence of a security interest, agricultural lien, or authority given to a debtor to dispose of or use collateral, without more, does not subject a secured party to liability in contract or tort for the debtor's acts or omissions.*

§ 8.9A-403. *Agreement not to assert defenses against assignee.*

(a) *"Value." In this section, "value" has the meaning provided in § 8.3A-303(a).*

(b) *Agreement not to assert claim or defense. Except as otherwise provided in this section, an agreement between an account debtor and an assignor not to assert against an assignee any claim or defense that the account debtor may have against the assignor is enforceable by an assignee that takes an assignment:*

(1) *for value;*

(2) *in good faith;*

(3) *without notice of a claim of a property or possessory right to the property assigned; and*

(4) *without notice of a defense or claim in recoupment of the type that may be asserted against a person entitled to enforce a negotiable instrument under § 8.3A-305(a).*

(c) *When subsection (b) not applicable. Subsection (b) does not apply to defenses of a type that may be asserted against a holder in due course of a negotiable instrument under § 8.3A-305(b).*

(d) *Omission of required statement in consumer transaction. In a consumer transaction, if a record evidences the account debtor's obligation, law other than this title requires that the record include a statement to the effect that the rights of an assignee are subject to claims or defenses that the account debtor could assert against the original obligee, and the record does not include such a statement:*

(1) *the record has the same effect as if the record included such a statement; and*

(2) *the account debtor may assert against an assignee those claims and defenses that would have been available if the record included such a statement.*

(e) *Rule for individual under other law. This section is subject to law other than this title which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.*

(f) *Other law not displaced. Except as otherwise provided in subsection (d), this section does not displace law other than this title which gives effect to an agreement by an account debtor not to assert*

2765 a claim or defense against an assignee.

2766 § 8.9A-404. Rights acquired by assignee claims and defenses against assignee.

2767 (a) Assignee's rights subject to terms, claims, and defenses; exceptions. Unless an account debtor has
2768 made an enforceable agreement not to assert defenses or claims, and subject to subsections (b) through
2769 (e), the rights of an assignee are subject to:

2770 (1) all terms of the agreement between the account debtor and assignor and any defense or claim in
2771 recoupment arising from the transaction that gave rise to the contract; and

2772 (2) any other defense or claim of the account debtor against the assignor which accrues before the
2773 account debtor receives a notification of the assignment authenticated by the assignor or the assignee.

2774 (b) Account debtor's claim reduces amount owed to assignee. Subject to subsection (c) and except as
2775 otherwise provided in subsection (d), the claim of an account debtor against an assignor may be
2776 asserted against an assignee under subsection (a) only to reduce the amount the account debtor owes.

2777 (c) Rule for individual under other law. This section is subject to law other than this title which
2778 establishes a different rule for an account debtor who is an individual and who incurred the obligation
2779 primarily for personal, family, or household purposes.

2780 (d) Omission of required statement in consumer transaction. In a consumer transaction, if a record
2781 evidences the account debtor's obligation, law other than this title requires that the record include a
2782 statement to the effect that the account debtor's recovery against an assignee with respect to claims and
2783 defenses against the assignor may not exceed amounts paid by the account debtor under the record, and
2784 the record does not include such a statement, the extent to which a claim of an account debtor against
2785 the assignor may be asserted against an assignee is determined as if the record included such a
2786 statement.

2787 (e) Inapplicability to health-care-insurance receivable. This section does not apply to an assignment
2788 of a health-care-insurance receivable.

2789 § 8.9A-405. Modification of assigned contract.

2790 (a) Effect of modification on assignee. A modification of or substitution for an assigned contract is
2791 effective against an assignee if made in good faith. The assignee acquires corresponding rights under
2792 the modified or substituted contract. The assignment may provide that the modification or substitution is
2793 a breach of contract by the assignor. This subsection is subject to subsections (b) through (d).

2794 (b) Applicability of subsection (a). Subsection (a) applies to the extent that:

2795 (1) the right to payment or a part thereof under an assigned contract has not been fully earned by
2796 performance; or

2797 (2) the right to payment or a part thereof has been fully earned by performance and the account
2798 debtor has not received notification of the assignment under § 8.9A-406(a).

2799 (c) Rule for individual under other law. This section is subject to law other than this title which
2800 establishes a different rule for an account debtor who is an individual and who incurred the obligation
2801 primarily for personal, family, or household purposes.

2802 (d) Inapplicability to health-care-insurance receivable. This section does not apply to an assignment
2803 of a health-care-insurance receivable.

2804 § 8.9A-406. Discharge of account debtor; notification of assignment; identification and proof of
2805 assignment; restrictions on assignment of accounts, chattel paper, payment intangibles, and promissory
2806 notes ineffective.

2807 (a) Discharge of account debtor; effect of notification. Subject to subsections (b) through (i), an
2808 account debtor on an account, chattel paper, or a payment intangible may discharge its obligation by
2809 paying the assignor until, but not after, the account debtor receives a notification, authenticated by the
2810 assignor or the assignee, that the amount due or to become due has been assigned and that payment is
2811 to be made to the assignee. After receipt of the notification, the account debtor may discharge its
2812 obligation by paying the assignee and may not discharge the obligation by paying the assignor.

2813 (b) When notification ineffective. Subject to subsection (h), notification is ineffective under subsection
2814 (a):

2815 (1) if it does not reasonably identify the rights assigned;

2816 (2) to the extent that an agreement between an account debtor and a seller of a payment intangible
2817 limits the account debtor's duty to pay a person other than the seller and the limitation is effective
2818 under law other than this title; or

2819 (3) at the option of an account debtor, if the notification notifies the account debtor to make less
2820 than the full amount of any installment or other periodic payment to the assignee, even if:

2821 (A) only a portion of the account, chattel paper, or payment intangible has been assigned to that
2822 assignee;

2823 (B) a portion has been assigned to another assignee; or

2824 (C) the account debtor knows that the assignment to that assignee is limited.

2825 (c) Proof of assignment. Subject to subsection (h), if requested by the account debtor, an assignee
2826 shall seasonably furnish reasonable proof that the assignment has been made. Unless the assignee

complies, the account debtor may discharge its obligation by paying the assignor, even if the account debtor has received a notification under subsection (a).

(d) Term restricting assignment generally ineffective. Except as otherwise provided in subsection (e) and §§ 8.2A-303 and 8.9A-407, and subject to subsection (h), a term in an agreement between an account debtor and an assignor or in a promissory note is ineffective to the extent that it:

(1) prohibits, restricts, or requires the consent of the account debtor or person obligated on the promissory note to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, the account, chattel paper, payment intangible, or promissory note; or

(2) provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account, chattel paper, payment intangible, or promissory note.

(e) Inapplicability of subsection (d) to certain sales. Subsection (d) does not apply to the sale of a payment intangible or promissory note.

(f) Legal restrictions on assignment generally ineffective. Except as otherwise provided in §§ 8.2A-303 and 8.9A-407 and subject to subsections (h) and (i), a rule of law, statute, or regulation that prohibits, restricts, or requires the consent of a government, governmental body or official, or account debtor to the assignment or transfer of, or creation of a security interest in, an account or chattel paper is ineffective to the extent that the rule of law, statute, or regulation:

(1) prohibits, restricts, or requires the consent of the government, governmental body or official, or account debtor to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in the account or chattel paper; or

(2) provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account or chattel paper.

(g) Subsection (b)(3) not waivable. Subject to subsection (h), an account debtor may not waive or vary its option under subsection (b)(3).

(h) Rule for individual under other law. This section is subject to law other than this title which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(i) Inapplicability to health-care-insurance receivable. This section does not apply to an assignment of a health-care-insurance receivable.

(j) Inapplicability of subsection (d) to certain transactions. Subsection (d) does not apply to:

(1) a claim or right to receive compensation for injuries or sickness as described in 26 U.S.C. § 104(a)(1), as amended from time to time; or

(2) a claim or right to receive benefits under a special needs trust as described in 42 U.S.C. § 1396p(d)(4), as amended from time to time.

(k) No inference regarding structured settlements. This section shall not be construed or interpreted to relieve or exempt any person or entity from any duties, obligations or rights imposed or provided by the Structured Settlement Protection Act (§ 59.1-475 et seq.), as amended from time to time.

§ 8.9A-407. Restrictions on creation or enforcement of security interest in leasehold interest or in lessor's residual interest.

(a) Term restricting assignment generally ineffective. Except as otherwise provided in subsection (b), a term in a lease agreement is ineffective to the extent that it:

(1) prohibits, restricts, or requires the consent of a party to the lease to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, an interest of a party under the lease contract or in the lessor's residual interest in the goods; or

(2) provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the lease.

(b) Effectiveness of certain terms. Except as otherwise provided in § 8.2A-303(7), a term described in subsection (a)(2) is effective to the extent that there is:

(1) a transfer by the lessee of the lessee's right of possession or use of the goods in violation of the term; or

(2) a delegation of a material performance of either party to the lease contract in violation of the term.

(c) Security interest not material impairment. The creation, attachment, perfection, or enforcement of a security interest in the lessor's interest under the lease contract or the lessor's residual interest in the goods is not a transfer that materially impairs the lessee's prospect of obtaining return performance or materially changes the duty of or materially increases the burden or risk imposed on the lessee within the purview of § 8.2A-303(4) unless, and then only to the extent that, enforcement actually results in a

2888 *delegation of material performance of the lessor.*

2889 § 8.9A-408. *Restrictions on assignment of promissory notes, health-care-insurance receivables, and*
2890 *certain general intangibles ineffective.*

2891 (a) *Term restricting assignment generally ineffective. Except as otherwise provided in subsection (b),*
2892 *a term in a promissory note or in an agreement between an account debtor and a debtor which relates*
2893 *to a health-care-insurance receivable or a general intangible, including a contract, permit, license, or*

2896 *perfection of a security interest in, the promissory note, health-care-insurance receivable, or general*
2897 *intangible, is ineffective to the extent that the term:*

2898 (1) *would impair the creation, attachment, or perfection of a security interest; or*

2899 (2) *provides that the assignment or transfer or the creation, attachment, or perfection of the security*
2900 *interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of*
2901 *termination, or remedy under the promissory note, health-care-insurance receivable, or general*
2902 *intangible.*

2903 (b) *Applicability of subsection (a) to sales of certain rights to payment. Subsection (a) applies to a*
2904 *security interest in a payment intangible or promissory note only if the security interest arises out of a*
2905 *sale of the payment intangible or promissory note.*

2906 (c) *Legal restrictions on assignment generally ineffective. A rule of law, statute, or regulation that*
2907 *prohibits, restricts, or requires the consent of a government, governmental body or official, person*
2908 *obligated on a promissory note, or account debtor to the assignment or transfer of, or creation of a*
2909 *security interest in, a promissory note, health-care-insurance receivable, or general intangible, including*
2910 *a contract, permit, license, or franchise between an account debtor and a debtor, is ineffective to the*
2911 *extent that the rule of law, statute, or regulation:*

2912 (1) *would impair the creation, attachment, or perfection of a security interest; or*

2913 (2) *provides that the assignment or transfer or the creation, attachment, or perfection of the security*
2914 *interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of*
2915 *termination, or remedy under the promissory note, health-care-insurance receivable, or general*
2916 *intangible.*

2917 (d) *Limitation on ineffectiveness under subsections (a) and (c). To the extent that a term in a*
2918 *promissory note or in an agreement between an account debtor and a debtor which relates to a*
2919 *health-care-insurance receivable or general intangible or a rule of law, statute, or regulation described*
2920 *in subsection (c) would be effective under law other than this title but is ineffective under subsection (a)*
2921 *or (c), the creation, attachment, or perfection of a security interest in the promissory note,*
2922 *health-care-insurance receivable, or general intangible:*

2923 (1) *is not enforceable against the person obligated on the promissory note or the account debtor;*

2924 (2) *does not impose a duty or obligation on the person obligated on the promissory note or the*
2925 *account debtor;*

2926 (3) *does not require the person obligated on the promissory note or the account debtor to recognize*
2927 *the security interest, pay or render performance to the secured party, or accept payment or performance*
2928 *from the secured party;*

2929 (4) *does not entitle the secured party to use or assign the debtor's rights under the promissory note,*
2930 *health-care-insurance receivable, or general intangible, including any related information or materials*
2931 *furnished to the debtor in the transaction giving rise to the promissory note, health-care-insurance*
2932 *receivable, or general intangible;*

2933 (5) *does not entitle the secured party to use, assign, possess, or have access to any trade secrets or*
2934 *confidential information of the person obligated on the promissory note or the account debtor; and*

2935 (6) *does not entitle the secured party to enforce the security interest in the promissory note,*
2936 *health-care-insurance receivable, or general intangible.*

2937 (e) *Inapplicability of subsections (a) and (c) to certain payment intangibles. Subsections (a) and (c)*
2938 *do not apply to:*

2939 (1) *the sale of a claim or right to receive compensation for injuries or sickness as described in 26*
2940 *U.S.C. § 104(a)(1) or (2), as amended from time to time, provided that no inference shall be drawn*
2941 *regarding the enforceability or non-enforceability under other law or any term in an agreement which*
2942 *prohibits, restricts, or requires consent to the sale of such claim or right described in 26 U.S.C.*
2943 *§ 104(a)(2); or*

2944 (2) *a claim or right to receive benefits under a special needs trust as described in 42 U.S.C.*
2945 *§ 1936p(d)(4), as amended from time to time.*

2946 § 8.9A-409. *Restrictions on assignment of letter-of-credit rights ineffective.*

2947 (a) *Term or law restricting assignment generally ineffective. A term in a letter of credit or a rule of*
2948 *law, statute, regulation, custom, or practice applicable to the letter of credit which prohibits, restricts,*
2949 *or requires the consent of an applicant, issuer, or nominated person to a beneficiary's assignment of or*

2950 creation of a security interest in a letter-of-credit right is ineffective to the extent that the term or rule
2951 of law, statute, regulation, custom, or practice:

2952 (1) would impair the creation, attachment, or perfection of a security interest in the letter-of-credit
2953 right; or

2954 (2) provides that the assignment or the creation, attachment, or perfection of the security interest
2955 may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination,
2956 or remedy under the letter-of-credit right.

2957 (b) Limitation on ineffectiveness under subsection (a). To the extent that a term in a letter of credit
2958 is ineffective under subsection (a) but would be effective under law other than this title or a custom or
2959 practice applicable to the letter of credit, to the transfer of a right to draw or otherwise demand
2960 performance under the letter of credit, or to the assignment of a right to proceeds of the letter of credit,
2961 the creation, attachment, or perfection of a security interest in the letter-of-credit right:

2962 (1) is not enforceable against the applicant, issuer, nominated person, or transferee beneficiary;

2963 (2) imposes no duties or obligations on the applicant, issuer, nominated person, or transferee
2964 beneficiary; and

2965 (3) does not require the applicant, issuer, nominated person, or transferee beneficiary to recognize
2966 the security interest, pay or render performance to the secured party, or accept payment or other
2967 performance from the secured party.

2968 Part 5.

2969 Filing.

2970 Subpart 1.

2971 Filing Office, Contents and Effectiveness of Financing Statement.

2972 § 8.9A-501. Filing office.

2973 (a) Filing offices. Except as otherwise provided in subsection (b), if the local law of this state
2974 governs perfection of a security interest or agricultural lien, the office in which to file a financing
2975 statement to perfect the security interest or agricultural lien is:

2976 (1) the office designated for the filing or recording of a record of a mortgage on the related real
2977 property, if:

2978 (A) the collateral is as-extracted collateral or timber to be cut; or

2979 (B) the financing statement is filed as a fixture filing and the collateral is goods that are or are to
2980 become fixtures; or

2981 (2) the office of the State Corporation Commission or any office duly authorized by it, in all other
2982 cases, including a case in which the collateral is goods that are or are to become fixtures and the
2983 financing statement is not filed as a fixture filing.

2984 (b) Filing office for transmitting utilities. The office in which to file a financing statement to perfect
2985 a security interest in collateral, including fixtures, of a transmitting utility is the office of the State
2986 Corporation Commission. The financing statement also constitutes a fixture filing as to the collateral
2987 indicated in the financing statement which is or is to become fixtures.

2988 § 8.9A-502. Contents of financing statement; record of mortgage as financing statement; time of
2989 filing financing statement.

2990 (a) Sufficiency of financing statement. Subject to subsection (b), a financing statement is sufficient
2991 only if it:

2992 (1) provides the name of the debtor;

2993 (2) provides the name of the secured party or a representative of the secured party; and

2994 (3) indicates the collateral covered by the financing statement.

2995 (b) Real-property-related financing statements. Except as otherwise provided in § 8.9A-501(b), to be
2996 sufficient, a financing statement that covers as-extracted collateral or timber to be cut, or which is filed
2997 as a fixture filing and covers goods that are or are to become fixtures, must satisfy subsection (a) and
2998 also:

2999 (1) indicate that it covers this type of collateral;

3000 (2) indicate that it is to be filed for record in the real property records;

3001 (3) provide a description of the real property to which the collateral is related sufficient to give
3002 constructive notice of a mortgage under the law of this state if the description were contained in a
3003 record of the mortgage of the real property; and

3004 (4) if the debtor does not have an interest of record in the real property, provide the name of a
3005 record owner.

3006 (c) Record of mortgage as financing statement. A record of a mortgage is effective, from the date of
3007 recording, as a financing statement filed as a fixture filing or as a financing statement covering
3008 as-extracted collateral or timber to be cut only if:

3009 (1) the record indicates the goods or accounts that it covers;

3010 (2) the goods are or are to become fixtures related to the real property described in the record or

3011 *the collateral is related to the real property described in the record and is as-extracted collateral or*
3012 *timber to be cut;*

3013 (3) *the record satisfies the requirements for a financing statement in this section other than an*
3014 *indication that it is to be filed in the real property records; and*

3015 (4) *the record is duly recorded.*

3016 (d) *Filing before security agreement or attachment. A financing statement may be filed before a*
3017 *security agreement is made or a security interest otherwise attaches.*

3018 § 8.9A-503. *Name of debtor and secured party.*

3019 (a) *Sufficiency of debtor's name. A financing statement sufficiently provides the name of the debtor:*

3020 (1) *if the debtor is a registered organization, only if the financing statement provides the name of the*
3021 *debtor indicated on the public record of the debtor's jurisdiction of organization which shows the debtor*
3022 *to have been organized;*

3023 (2) *if the debtor is a decedent's estate, only if the financing statement provides the name of the*
3024 *decedent and indicates that the debtor is an estate;*

3025 (3) *if the debtor is a trust or a trustee acting with respect to property held in trust, only if the*
3026 *financing statement:*

3027 (A) *provides the name specified for the trust in its organic documents or, if no name is specified,*
3028 *provides the name of the settlor and additional information sufficient to distinguish the debtor from*
3029 *other trusts having one or more of the same settlors; and*

3030 (B) *indicates, in the debtor's name or otherwise, that the debtor is a trust or is a trustee acting with*
3031 *respect to property held in trust; and*

3032 (4) *in other cases:*

3033 (A) *if the debtor has a name, only if it provides the individual or organizational name of the debtor;*
3034 *and*

3035 (B) *if the debtor does not have a name, only if it provides the names of the partners, members,*
3036 *associates, or other persons comprising the debtor.*

3037 (b) *Additional debtor-related information. A financing statement that provides the name of the debtor*
3038 *in accordance with subsection (a) is not rendered ineffective by the absence of:*

3039 (1) *a trade name or other name of the debtor; or*

3040 (2) *unless required under subsection (a)(4)(B), names of partners, members, associates, or other*
3041 *persons comprising the debtor.*

3042 (c) *Debtor's trade name insufficient. A financing statement that provides only the debtor's trade name*
3043 *does not sufficiently provide the name of the debtor.*

3044 (d) *Representative capacity. Failure to indicate the representative capacity of a secured party or*
3045 *representative of a secured party does not affect the sufficiency of a financing statement.*

3046 (e) *Multiple debtors and secured parties. A financing statement may provide the name of more than*
3047 *one debtor and the name of more than one secured party.*

3048 § 8.9A-504. *Indication of collateral.*

3049 A *financing statement sufficiently indicates the collateral that it covers if the financing statement*
3050 *provides:*

3051 (1) *a description of the collateral pursuant to § 8.9A-108; or*

3052 (2) *an indication that the financing statement covers all assets or all personal property.*

3053 § 8.9A-505. *Filing and compliance with other statutes and treaties for consignments, leases, other*
3054 *bailments, and other transactions.*

3055 (a) *Use of terms other than "debtor" and "secured party." A consignor, lessor, or other bailor of*
3056 *goods, a licensor, or a buyer of a payment intangible or promissory note may file a financing statement,*
3057 *or may comply with a statute or treaty described in § 8.9A-311(a), using the terms "consignor",*
3058 *"consignee", "lessor", "lessee", "bailor", "bailee", "licensor", "licensee", "owner", "registered owner",*
3059 *"buyer", "seller", or words of similar import, instead of the terms "secured party" and "debtor".*

3060 (b) *Effect of financing statement under subsection (a). This part applies to the filing of a financing*
3061 *statement under subsection (a) and, as appropriate, to compliance that is equivalent to filing a financing*
3062 *statement under § 8.9A-311(b), but the filing or compliance is not of itself a factor in determining*
3063 *whether the collateral secures an obligation. If it is determined for another reason that the collateral*
3064 *secures an obligation, a security interest held by the consignor, lessor, bailor, licensor, owner, or buyer*
3065 *which attaches to the collateral is perfected by the filing or compliance.*

3066 § 8.9A-506. *Effect of errors or omissions.*

3067 (a) *Minor errors and omissions. A financing statement substantially satisfying the requirements of*
3068 *this part is effective, even if it has minor errors or omissions, unless the errors or omissions make the*
3069 *financing statement seriously misleading.*

3070 (b) *Financing statement seriously misleading. Except as otherwise provided in subsection (c), a*
3071 *financing statement that fails sufficiently to provide the name of the debtor in accordance with*
3072 *§ 8.9A-503(a) is seriously misleading.*

(c) *Financing statement not seriously misleading.* If a search of the records of the filing office under the debtor's correct name, using the filing office's standard search logic, if any, would disclose a financing statement that fails sufficiently to provide the name of the debtor in accordance with § 8.9A-503(a), the name provided does not make the financing statement seriously misleading.

(d) *"Debtor's correct name."* For purposes of § 8.9A-508(b), the "debtor's correct name" in subsection (c) means the correct name of the new debtor.

§ 8.9A-507. *Effect of certain events on effectiveness of financing statement.*

(a) *Disposition.* A filed financing statement remains effective with respect to collateral that is sold, exchanged, leased, licensed, or otherwise disposed of and in which a security interest or agricultural lien continues, even if the secured party knows of or consents to the disposition.

(b) *Information becoming seriously misleading.* Except as otherwise provided in subsection (c) and § 8.9A-508, a financing statement is not rendered ineffective if, after the financing statement is filed, the information provided in the financing statement becomes seriously misleading under § 8.9A-506.

(c) *Change in debtor's name.* If a debtor so changes its name that a filed financing statement becomes seriously misleading under § 8.9A-506:

(1) the financing statement is effective to perfect a security interest in collateral acquired by the debtor before, or within four months after, the change; and

(2) the financing statement is not effective to perfect a security interest in collateral acquired by the debtor more than four months after the change, unless an amendment to the financing statement which renders the financing statement not seriously misleading is filed within four months after the change.

§ 8.9A-508. *Effectiveness of financing statement if new debtor becomes bound by security agreement.*

(a) *Financing statement naming original debtor.* Except as otherwise provided in this section, a filed financing statement naming an original debtor is effective to perfect a security interest in collateral in which a new debtor has or acquires rights to the extent that the financing statement would have been effective had the original debtor acquired rights in the collateral.

(b) *Financing statement becoming seriously misleading.* If the difference between the name of the original debtor and that of the new debtor causes a filed financing statement that is effective under subsection (a) to be seriously misleading under § 8.9A-506:

(1) the financing statement is effective to perfect a security interest in collateral acquired by the new debtor before, and within four months after, the new debtor becomes bound under § 8.9A-203(d); and

(2) the financing statement is not effective to perfect a security interest in collateral acquired by the new debtor more than four months after the new debtor becomes bound under § 8.9A-203(d) unless an initial financing statement providing the name of the new debtor is filed before the expiration of that time.

(c) *When section not applicable.* This section does not apply to collateral as to which a filed financing statement remains effective against the new debtor under § 8.9A-507(a).

§ 8.9A-509. *Persons entitled to file a record.*

(a) *Person entitled to file record.* A person may file an initial financing statement, amendment that adds collateral covered by a financing statement, or amendment that adds a debtor to a financing statement only if:

(1) the debtor authorizes the filing in an authenticated record or pursuant to subsection (b) or (c); or

(2) the person holds an agricultural lien that has become effective at the time of filing and the financing statement covers only collateral in which the person holds an agricultural lien.

(b) *Security agreement as authorization.* By authenticating or becoming bound as debtor by a security agreement, a debtor or new debtor authorizes the filing of an initial financing statement, and an amendment, covering:

(1) the collateral described in the security agreement; and

(2) property that becomes collateral under § 8.9A-315(a)(2), whether or not the security agreement expressly covers proceeds.

(c) *Acquisition of collateral as authorization.* By acquiring collateral in which a security interest or agricultural lien continues under § 8.9A-315(a)(1), a debtor authorizes the filing of an initial financing statement, and an amendment, covering the collateral and property that becomes collateral under § 8.9A-315(a) (2).

(d) *Person entitled to file certain amendments.* A person may file an amendment other than an amendment that adds collateral covered by a financing statement or an amendment that adds a debtor to a financing statement only if:

(1) the secured party of record authorizes the filing; or

(2) the amendment is a termination statement for a financing statement as to which the secured party of record has failed to file or send a termination statement as required by § 8.9A-513(a) or (c), the debtor authorizes the filing, and the termination statement indicates that the debtor authorized it to be

3134 filed.

3135 (e) Multiple secured parties of record. If there is more than one secured party of record for a
3136 financing statement, each secured party of record may authorize the filing of an amendment under
3137 subsection (d).

3138 § 8.9A-510. Effectiveness of filed record.

3139 (a) Filed record effective if authorized. A filed record is effective only to the extent that it was filed
3140 by a person that may file it under § 8.9A-509.

3141 (b) Authorization by one secured party of record. A record authorized by one secured party of
3142 record does not affect the financing statement with respect to another secured party of record.

3143 (c) Continuation statement not timely filed. A continuation statement that is not filed within the
3144 six-month period prescribed by § 8.9A-515(d) is ineffective.

3145 § 8.9A-511. Secured party of record.

3146 (a) Secured party of record. A secured party of record with respect to a financing statement is a
3147 person whose name is provided as the name of the secured party or a representative of the secured
3148 party in an initial financing statement that has been filed. If an initial financing statement is filed under
3149 § 8.9A-514(a), the assignee named in the initial financing statement is the secured party of record with
3150 respect to the financing statement.

3151 (b) Amendment naming secured party of record. If an amendment of a financing statement which
3152 provides the name of a person as a secured party or a representative of a secured party is filed, the
3153 person named in the amendment is a secured party of record. If an amendment is filed under
3154 § 8.9A-514(b), the assignee named in the amendment is a secured party of record.

3155 (c) Amendment deleting secured party of record. A person remains a secured party of record until
3156 the filing of an amendment of the financing statement which deletes the person.

3157 § 8.9A-512. Amendment of financing statement.

3158 (a) Amendment of information in financing statement. Subject to § 8.9A-509, a person may add or
3159 delete collateral covered by, continue or terminate the effectiveness of, or, subject to subsection (e),
3160 otherwise amend the information provided in, a financing statement by filing an amendment that:

3161 (1) identifies, by its file number, the initial financing statement to which the amendment relates; and

3162 (2) if the amendment relates to an initial financing statement filed or recorded in a filing office
3163 described in § 8.9A-501(a)(1), provides the information specified in § 8.9A-502(b).

3164 (b) Period of effectiveness not affected. Except as otherwise provided in § 8.9A-515, the filing of an
3165 amendment does not extend the period of effectiveness of the financing statement.

3166 (c) Effectiveness of amendment adding collateral. A financing statement that is amended by an
3167 amendment that adds collateral is effective as to the added collateral only from the date of the filing of
3168 the amendment.

3169 (d) Effectiveness of amendment adding debtor. A financing statement that is amended by an
3170 amendment that adds a debtor is effective as to the added debtor only from the date of the filing of the
3171 amendment.

3172 (e) Certain amendments ineffective. An amendment is ineffective to the extent it:

3173 (1) purports to delete all debtors and fails to provide the name of a debtor to be covered by the
3174 financing statement; or

3175 (2) purports to delete all secured parties of record and fails to provide the name of a new secured
3176 party of record.

3177 § 8.9A-513. Termination statement.

3178 (a) Consumer goods. A secured party shall cause the secured party of record for a financing
3179 statement to file a termination statement for the financing statement if the financing statement covers
3180 consumer goods and:

3181 (1) there is no obligation secured by the collateral covered by the financing statement and no
3182 commitment to make an advance, incur an obligation, or otherwise give value; or

3183 (2) the debtor did not authorize the filing of the initial financing statement.

3184 (b) Time for compliance with subsection (a). To comply with subsection (a), a secured party shall
3185 cause the secured party of record to file the termination statement:

3186 (1) within one month after there is no obligation secured by the collateral covered by the financing
3187 statement and no commitment to make an advance, incur an obligation, or otherwise give value; or

3188 (2) if earlier, within twenty days after the secured party receives an authenticated demand from a
3189 debtor.

3190 (c) Other collateral. In cases not governed by subsection (a), within twenty days after a secured
3191 party receives an authenticated demand from a debtor, the secured party shall cause the secured party
3192 of record for a financing statement to send to the debtor a termination statement for the financing
3193 statement or file the termination statement in the filing office if:

3194 (1) except in the case of a financing statement covering accounts or chattel paper that has been sold
3195 or goods that are the subject of a consignment, there is no obligation secured by the collateral covered

3196 by the financing statement and no commitment to make an advance, incur an obligation, or otherwise
 3197 give value;

3198 (2) the financing statement covers accounts or chattel paper that has been sold but as to which the
 3199 account debtor or other person obligated has discharged its obligation;

3200 (3) the financing statement covers goods that were the subject of a consignment to the debtor but are
 3201 not in the debtor's possession; or

3202 (4) the debtor did not authorize the filing of the initial financing statement.

3203 (d) Effect of filing termination statement. Except as otherwise provided in § 8.9A-510, upon the filing
 3204 of a termination statement with the filing office, the financing statement to which the termination
 3205 statement relates ceases to be effective. Except as otherwise provided in § 8.9A-510, for purposes of
 3206 §§ 8.9A-519 (g), 8.9A-522 (a), and 8.9A-523 (c), the filing with the filing office of a termination
 3207 statement relating to a financing statement that indicates that the debtor is a transmitting utility also
 3208 causes the effectiveness of the financing statement to lapse.

3209 § 8.9A-514. Assignment of powers of secured party of record.

3210 (a) Assignment reflected on initial financing statement. Except as otherwise provided in subsection
 3211 (c), an initial financing statement may reflect an assignment of all of the secured party's power to
 3212 authorize an amendment to the financing statement by providing the name and mailing address of the
 3213 assignee as the name and address of the secured party.

3214 (b) Assignment of filed financing statement. Except as otherwise provided in subsection (c), a secured
 3215 party of record may assign of record all or part of its power to authorize an amendment to a financing
 3216 statement by filing in the filing office an amendment of the financing statement which:

3217 (1) identifies, by its file number, the initial financing statement to which it relates;

3218 (2) provides the name of the assignor; and

3219 (3) provides the name and mailing address of the assignee.

3220 (c) Assignment of record of mortgage. An assignment of record of a security interest in a fixture
 3221 covered by a record of a mortgage which is effective as a financing statement filed as a fixture filing
 3222 under § 8.9A-502(c) may be made only by an assignment of record of the mortgage in the manner
 3223 provided by law of this State other than the Uniform Commercial Code.

3224 § 8.9A-515. Duration and effectiveness of financing statement; effect of lapsed financing statement.

3225 (a) Five-year effectiveness. Except as otherwise provided in subsections (b), (e), (f), and (g), a filed
 3226 financing statement is effective for a period of five years after the date of filing.

3227 (b) Public-finance or manufactured-home transaction. Except as otherwise provided in subsections
 3228 (e), (f), and (g), an initial financing statement filed in connection with a public-finance transaction or
 3229 manufactured-home transaction is effective for a period of 30 years after the date of filing if it indicates
 3230 that it is filed in connection with a public-finance transaction or manufactured-home transaction.

3231 (c) Lapse and continuation of financing statement. The effectiveness of a filed financing statement
 3232 lapses on the expiration of the period of its effectiveness unless before the lapse a continuation
 3233 statement is filed pursuant to subsection (d). Upon lapse, a financing statement ceases to be effective
 3234 and any security interest or agricultural lien that was perfected by the financing statement becomes
 3235 unperfected, unless the security interest is perfected otherwise. If the security interest or agricultural lien
 3236 becomes unperfected upon lapse, it is deemed never to have been perfected as against a purchaser of
 3237 the collateral for value.

3238 (d) When continuation statement may be filed. A continuation statement may be filed only within six
 3239 months before the expiration of the five-year period specified in subsection (a) or the 30-year period
 3240 specified in subsection (b), whichever is applicable.

3241 (e) Effect of filing continuation statement. Except as otherwise provided in § 8.9A-510, upon timely
 3242 filing of a continuation statement, the effectiveness of the initial financing statement continues for a
 3243 period of five years commencing on the day on which the financing statement would have become
 3244 ineffective in the absence of the filing. Upon the expiration of the five-year period, the financing
 3245 statement lapses in the same manner as provided in subsection (c), unless, before the lapse, another
 3246 continuation statement is filed pursuant to subsection (d). Succeeding continuation statements may be
 3247 filed in the same manner to continue the effectiveness of the initial financing statement.

3248 (f) Transmitting utility financing statement. If a debtor is a transmitting utility and a filed financing
 3249 statement so indicates, the financing statement is effective until a termination statement is filed.

3250 (g) Record of mortgage as financing statement. A record of a mortgage that is effective as a
 3251 financing statement filed as a fixture filing under § 8.9A-502(c) remains effective as a financing
 3252 statement filed as a fixture filing until the mortgage is released or satisfied of record or its effectiveness
 3253 otherwise terminates as to the real property.

3254 § 8.9A-516. What constitutes filing; effectiveness of filing.

3255 (a) What constitutes filing. Except as otherwise provided in subsection (b), communication of a
 3256 record to a filing office and tender of the filing fee or acceptance of the record by the filing office

3257 constitutes filing.

3258 (b) Refusal to accept record; filing does not occur. Filing does not occur with respect to a record
3259 that a filing office refuses to accept because:

3260 (1) the record is not communicated by a method or medium of communication authorized by the
3261 filing office;

3262 (2) an amount equal to or greater than the applicable filing fee is not tendered;

3263 (3) the filing office is unable to index the record because:

3264 (A) in the case of an initial financing statement, the record does not provide a name for the debtor;

3265 (B) in the case of an amendment or correction statement, the record:

3266 (i) does not identify the initial financing statement as required by § 8.9A-512 or 8.9A-518, as
3267 applicable; or

3268 (ii) identifies an initial financing statement whose effectiveness has lapsed under § 8.9A-515;

3269 (C) in the case of an initial financing statement that provides the name of a debtor identified as an
3270 individual or an amendment that provides a name of a debtor identified as an individual which was not
3271 previously provided in the financing statement to which the record relates, the record does not identify
3272 the debtor's last name; or

3273 (D) in the case of a record filed or recorded in the filing office described in § 8.9A-501(a)(1), the
3274 record does not provide a sufficient description of the real property to which it relates;

3275 (4) in the case of an initial financing statement or an amendment that adds a secured party of
3276 record, the record does not provide a name and mailing address for the secured party of record;

3277 (5) in the case of an initial financing statement or an amendment that provides a name of a debtor
3278 which was not previously provided in the financing statement to which the amendment relates, the
3279 record does not:

3280 (A) provide a mailing address for the debtor;

3281 (B) indicate whether the debtor is an individual or an organization; or

3282 (C) if the financing statement indicates that the debtor is an organization, provide:

3283 (i) a type of organization for the debtor;

3284 (ii) a jurisdiction of organization for the debtor; or

3285 (iii) an organizational identification number for the debtor or indicate that the debtor has none;

3286 (6) in the case of an assignment reflected in an initial financing statement under § 8.9A-514(a) or an
3287 amendment filed under § 8.9A-514(b), the record does not provide a name and mailing address for the
3288 assignee; or

3289 (7) in the case of a continuation statement, the record is not filed within the six-month period
3290 prescribed by § 8.9A-515(d).

3291 (c) Rules applicable to subsection (b). For purposes of subsection (b):

3292 (1) a record does not provide information if the filing office is unable to read or decipher the
3293 information; and

3294 (2) a record that does not indicate that it is an amendment or identify an initial financing statement
3295 to which it relates, as required by § 8.9A-512, 8.9A-514, or 8.9A-518, is an initial financing statement.

3296 (d) Refusal to accept record; record effective as filed record. A record that is communicated to the
3297 filing office with tender of the filing fee, but which the filing office refuses to accept for a reason other
3298 than one set forth in subsection (b), is effective as a filed record except as against a purchaser of the
3299 collateral which gives value in reasonable reliance upon the absence of the record from the files.

3300 § 8.9A-517. Effect of indexing errors.

3301 The failure of the filing office to index a record correctly does not affect the effectiveness of the filed
3302 record.

3303 § 8.9A-518. Claim concerning inaccurate or wrongfully filed record.

3304 (a) Correction statement. A person may file in the filing office a correction statement with respect to
3305 a record indexed there under the person's name if the person believes that the record is inaccurate or
3306 was wrongfully filed.

3307 (b) Sufficiency of correction statement. A correction statement must:

3308 (1) identify the record to which it relates by the file number assigned to the initial financing
3309 statement to which the record relates;

3310 (2) indicate that it is a correction statement; and

3311 (3) provide the basis for the person's belief that the record is inaccurate and indicate the manner in
3312 which the person believes the record should be amended to cure any inaccuracy or provide the basis for
3313 the person's belief that the record was wrongfully filed.

3314 (c) Record not affected by correction statement. The filing of a correction statement does not affect
3315 the effectiveness of an initial financing statement or other filed record.

3316 Subpart 2.

3318 § 8.9A-519. Numbering, maintaining, and indexing records; communicating information provided in

3319 records.

3320 (a) Filing office duties. For each record filed in a filing office, the filing office shall:

3321 (1) assign a unique number to the filed record;

3322 (2) create a record that bears the number assigned to the filed record and the date and time of
3323 filing;

3324 (3) maintain the filed record for public inspection; and

3325 (4) index the filed record in accordance with subsections (c), (d), and (e).

3326 (b) File number. A file number assigned after January 1, 2002, must include a digit that:

3327 (1) is mathematically derived from or related to the other digits of the file number; and

3328 (2) aids the filing office in determining whether a number communicated as the file number includes
3329 a single-digit or transpositional error.

3330 (c) Indexing; general. Except as otherwise provided in subsections (d) and (e), the filing office shall:

3331 (1) index an initial financing statement according to the name of the debtor and index all filed
3332 records relating to the initial financing statement in a manner that associates with one another an initial
3333 financing statement and all filed records relating to the initial financing statement; and

3334 (2) index a record that provides a name of a debtor which was not previously provided in the
3335 financing statement to which the record relates also according to the name that was not previously
3336 provided.

3337 (d) Indexing; real-property-related financing statement. If a financing statement is filed as a fixture
3338 filing or covers as-extracted collateral or timber to be cut, it must be filed for record and the filing
3339 office shall index it:

3340 (1) under the names of the debtor and of each owner of record shown on the financing statement as
3341 if they were the mortgagors under a mortgage of the real property described; and

3342 (2) to the extent that the law of this state provides for indexing of records of mortgages under the
3343 name of the mortgagee, under the name of the secured party as if the secured party were the mortgagee
3344 thereunder, or, if indexing is by description, as if the financing statement were a record of a mortgage
3345 of the real property described.

3346 (e) Indexing; real-property-related assignment. If a financing statement is filed as a fixture filing or
3347 covers as-extracted collateral or timber to be cut, the filing office shall index an assignment filed under
3348 § 8.9A-514(a) or an amendment filed under § 8.9A-514(b):

3349 (1) under the name of the assignor as grantor; and

3351 mortgage under the name of the assignee, under the name of the assignee.

3352 (f) Retrieval and association capability. The filing office shall maintain a capability:

3353 (1) to retrieve a record by the name of the debtor and by the file number assigned to the initial
3354 financing statement to which the record relates; and

3355 (2) to associate and retrieve with one another an initial financing statement and each filed record
3356 relating to the initial financing statement.

3357 (g) Removal of debtor's name. The filing office may not remove a debtor's name from the index until
3358 one year after the effectiveness of a financing statement naming the debtor lapses under § 8.9A-515 with
3359 respect to all secured parties of record.

3360 (h) Timeliness of filing office performance. The filing office shall perform the acts required by
3361 subsections (a) through (e) at the time and in the manner prescribed by filing-office rule, but not later
3362 than five business days after the filing office receives the record in question.

3363 (i) Inapplicability to real-property-related filing office. Subsections (b) and (h) does not apply to a

3366 (a) Mandatory refusal to accept record. A filing office shall refuse to accept a record for filing for a
3367 reason set forth in § 8.9A-516(b) and may refuse to accept a record for filing only for a reason set forth
3368 in § 8.9A-516(b).

3369 (b) Communication concerning refusal. If a filing office refuses to accept a record for filing, it shall
3370 communicate to the person that presented the record the fact of and reason for the refusal and the date
3371 and time the record would have been filed had the filing office accepted it. The communication must be
3372 made at the time and in the manner prescribed by filing-office rule but, in the case of a filing office
3373 described in § 8.9A-501(a)(2), in no event more than five business days after the filing office receives
3374 the record.

3375 (c) When filed financing statement effective. A filed financing statement satisfying § 8.9A-502(a) and
3376 (b) is effective, even if the filing office is required to refuse to accept it for filing under subsection (a).
3377 However, § 8.9A-338 applies to a filed financing statement providing information described in
3378 § 8.9A-516(b) (5) which is incorrect at the time the financing statement is filed.

3379 (d) Separate application to multiple debtors. If a record communicated to a filing office provides

3391 record must be retrievable by using the name of the debtor and by using the file number assigned to the
3392 initial financing statement to which the record relates.

3393 (b) *Destruction of written records.* Except to the extent that a statute governing disposition of public
3394 records provides otherwise, the filing office immediately may destroy any written record evidencing a

§ 8.9A-526. Promulgation of rules.

(a) The State Corporation Commission shall promulgate and make available to the public such rules as it deems necessary to implement this title. Such rules shall be promulgated in accordance with applicable law.

(b) When adopting such rules and establishing filing office practices, the Commission shall make an effort to keep such rules and practices in harmony with the rules and practices of other jurisdictions which enact substantially similar legislation and, to the extent feasible, to keep the technology it uses compatible with the technology used by such other jurisdictions. § 8.9A-527. Duty to report.

The State Corporation Commission may report annually to the Governor and General Assembly on the operation of the filing office. The report may contain a statement of the extent to which:

(2) the date of filing a financing statement covering the collateral; or

(3) any date specified in a statute under which the agricultural lien was created.

(g) Consignor or buyer of certain rights to payment. Except as otherwise provided in § 8.9A-607(c), this part imposes no duties upon a secured party that is a consignor or is a buyer of accounts, chattel paper, payment intangibles, or promissory notes.

3513 (5) §§ 8.9A-608(a) and 8.9A-615(d) to the extent that they require accounting for or payment of
3514 surplus proceeds of collateral;
3515 (6) § 8.9A-609 to the extent that it imposes upon a secured party that takes possession of collateral
3516 without judicial process the duty to do so without breach of the peace;

3530 § 8.9A-602 if the standards are not manifestly unreasonable.
3531 (b) Agreed standards inapplicable to breach of peace. Subsection (a) does not apply to the duty
3532 under § 8.9A-609 to refrain from breaching the peace.
3533 § 8.9A-604. Procedure if security agreement covers real property or fixtures.
3534 (a) Enforcement: personal and real property. If a security agreement covers both personal and real
3535 property, a secured party may proceed:
3536 (1) under this part as to the personal property without prejudicing any rights with respect to the real
3537 property; or
3538 (2) as to both the personal property and the real property in accordance with the rights with respect
3539 to the real property, in which case the other provisions of this part do not apply.

3546 security interest in fixtures has priority over all owners and encumbrancers of the real property, the
3547 secured party, after default, may remove the collateral from the real property.
3548 (d) Injury caused by removal. A secured party that removes collateral shall promptly reimburse any
3549 encumbrancer or owner of the real property, other than the debtor, for the cost of repair of any
3550 physical injury caused by the removal. The secured party need not reimburse the encumbrancer or
3551 owner for any diminution in value of the real property caused by the absence of the goods removed or
3552 by any necessity of replacing them. A person entitled to reimbursement may refuse permission to remove
3553 until the secured party gives adequate assurance for the performance of the obligation to reimburse.
3554 § 8.9A-605. Unknown debtor or secondary obligor.
3555 A secured party does not owe a duty based on its status as secured party:
3556 (1) to a person that is a debtor or obligor, unless the secured party knows:
3557 (A) that the person is a debtor or obligor;
3558 (B) the identity of the person; and
3559 (C) how to communicate with the person; or
3560 (2) to a secured party or lienholder that has filed a financing statement against a person, unless the
3561 secured party knows:
3562 (A) that the person is a debtor; and
3563 (B) the identity of the person.
3564 § 8.9A-606. Time of default for agricultural lien. For purposes of this part, a default occurs in
3565 connection with an agricultural lien at the time the secured party becomes entitled to enforce the lien in
3566 accordance with the statute under which it was created.
3567 § 8.9A-607. Collection and enforcement by secured party.
3568 (a) Collection and enforcement generally. If so agreed, and in any event after default, a secured
3569 party:
3570 (1) may notify an account debtor or other person obligated on collateral to make payment or
3571 otherwise render performance to or for the benefit of the secured party;

- (2) may take any proceeds to which the secured party is entitled under § 8.9A-315;
- (3) may enforce the obligations of an account debtor or other person obligated on collateral and exercise the rights of the debtor with respect to the obligation of the account debtor or other person obligated on collateral to make payment or otherwise render performance to the debtor, and with respect to any property that secures the obligations of the account debtor or other person obligated on the collateral;
- (4) if it holds a security interest in a deposit account perfected by control under § 8.9A-104(a)(1), may apply the balance of the deposit account to the obligation secured by the deposit account; and
- (5) if it holds a security interest in a deposit account perfected by control under § 8.9A-104(a)(2) or (3), may instruct the bank to pay the balance of the deposit account to or for the benefit of the secured party.
- (b) Nonjudicial enforcement of mortgage. If necessary to enable a secured party to exercise under subsection (a)(3) the right of a debtor to enforce a mortgage nonjudicially, the secured party may record in the office in which a record of the mortgage is recorded:
- (1) a copy of the security agreement that creates or provides for a security interest in the obligation secured by the mortgage; and
- (2) the secured party's sworn affidavit in recordable form stating that:
- (A) a default has occurred; and
- (B) the secured party is entitled to enforce the mortgage nonjudicially.
- (c) Commercially reasonable collection and enforcement. A secured party shall proceed in a commercially reasonable manner if the secured party:
- (1) undertakes to collect from or enforce an obligation of an account debtor or other person obligated on collateral; and
- (2) is entitled to charge back uncollected collateral or otherwise to full or limited recourse against the debtor or a secondary obligor.
- (d) Expenses of collection and enforcement. A secured party may deduct from the collections made pursuant to subsection (c) reasonable expenses of collection and enforcement, including reasonable attorney's fees and legal expenses incurred by the secured party.
- (e) Duties to secured party not affected. This section does not determine whether an account debtor, bank, or other person obligated on collateral owes a duty to a secured party.
- § 8.9A-608. Application of proceeds of collection or enforcement; liability for deficiency and right to surplus.
- (a) Application of proceeds, surplus, and deficiency if obligation secured. If a security interest or agricultural lien secures payment or performance of an obligation, the following rules apply:
- (1) A secured party shall apply or pay over for application the cash proceeds of collection or enforcement under § 8.9A-607 in the following order to:
- (A) the reasonable expenses of collection and enforcement and, to the extent provided for by agreement and not prohibited by law, reasonable attorney's fees and legal expenses incurred by the secured party;
- (B) the satisfaction of obligations secured by the security interest or agricultural lien under which the collection or enforcement is made; and
- (C) the satisfaction of obligations secured by any subordinate security interest in or other lien on the collateral subject to the security interest or agricultural lien under which the collection or enforcement is made if the secured party receives an authenticated demand for proceeds before distribution of the proceeds is completed.
- (2) If requested by a secured party, a holder of a subordinate security interest or other lien shall furnish reasonable proof of the interest or lien within a reasonable time. Unless the holder complies, the secured party need not comply with the holder's demand under paragraph (1)(C).
- (3) A secured party need not apply or pay over for application noncash proceeds of collection and enforcement under § 8.9A-607 unless the failure to do so would be commercially unreasonable. A secured party that applies or pays over for application noncash proceeds shall do so in a commercially reasonable manner.
- (4) A secured party shall account to and pay a debtor for any surplus, and the obligor is liable for any deficiency.
- (b) No surplus or deficiency in sales of certain rights to payment. If the underlying transaction is a sale of accounts, chattel paper, payment intangibles, or promissory notes, the debtor is not entitled to any surplus, and the obligor is not liable for any deficiency.
- § 8.9A-609. Secured party's right to take possession after default.
- (a) Possession; rendering equipment unusable; disposition on debtor's premises. After default, a secured party:
- (1) may take possession of the collateral; and

3633 (2) without removal, may render equipment unusable and dispose of collateral on a debtor's premises
3634 under § 8.9A-610.

3635 (b) *Judicial and nonjudicial process.* A secured party may proceed under subsection (a):
3636 (1) pursuant to judicial process; or
3637 (2) without judicial process, if it proceeds without breach of the peace.

3638 (c) *Assembly of collateral.* If so agreed, and in any event after default, a secured party may require
3639 the debtor to assemble the collateral and make it available to the secured party at a place to be
3640 designated by the secured party which is reasonably convenient to both parties.

3641 § 8.9A-610. *Disposition of collateral after default.*
3642 (a) *Disposition after default.* After default, a secured party may sell, lease, license, or otherwise
3643 dispose of any or all of the collateral in its present condition or following any commercially reasonable
3644 preparation or processing.

3645 (b) *Commercially reasonable disposition.* Every aspect of a disposition of collateral, including the
3646 method, manner, time, place, and other terms, must be commercially reasonable. If commercially
3647 reasonable, a secured party may dispose of collateral by public or private proceedings, by one or more
3648 contracts, as a unit or in parcels, and at any time and place and on any terms.

3649 (c) *Purchase by secured party.* A secured party may purchase collateral:
3650 (1) at a public disposition; or
3651 (2) at a private disposition only if the collateral is of a kind that is customarily sold on a recognized
3652 market or the subject of widely distributed standard price quotations.

3653 (d) *Warranties on disposition.* A contract for sale, lease, license, or other disposition includes the
3654 warranties relating to title, possession, quiet enjoyment, and the like which by operation of law
3655 accompany a voluntary disposition of property of the kind subject to the contract.

3656 (e) *Disclaimer of warranties.* A secured party may disclaim or modify warranties under subsection
3657 (d):
3658 (1) in a manner that would be effective to disclaim or modify the warranties in a voluntary
3659 disposition of property of the kind subject to the contract of disposition; or
3660 (2) by communicating to the purchaser a record evidencing the contract for disposition and including
3661 an express disclaimer or modification of the warranties.

3662 (f) *Record sufficient to disclaim warranties.* A record is sufficient to disclaim warranties under

3664 like in this disposition" or uses words of similar import.

3665 § 8.9A-611. *Notification before disposition of collateral.*
3666 (a) "Notification date." In this section, "notification date" means the earlier of the date on which:
3667 (1) a secured party sends to the debtor and any secondary obligor an authenticated notification of
3668 disposition; or
3669 (2) the debtor and any secondary obligor waive the right to notification.

3670 (b) *Notification of disposition required.* Except as otherwise provided in subsection (d), a secured
3671 party that disposes of collateral under § 8.9A-610 shall send to the persons specified in subsection (c) a
3672 reasonable authenticated notification of disposition.

3673 (c) *Persons to be notified.* To comply with subsection (b), the secured party shall send an
3674 authenticated notification of disposition to:
3675 (1) the debtor;
3676 (2) any secondary obligor; and
3677 (3) if the collateral is other than consumer goods:
3678 (A) any other person from which the secured party has received, before the notification date, an
3679 authenticated notification of a claim of an interest in the collateral;
3680 (B) any other secured party or lienholder that, 10 days before the notification date, held a security
3681 interest in or other lien on the collateral perfected by the filing of a financing statement that:
3682 (i) identified the collateral;
3683 (ii) was indexed under the debtor's name as of that date; and
3684 (iii) was filed in the office in which to file a financing statement against the debtor covering the
3685 collateral as of that date; and
3686 (C) any other secured party that, ten days before the notification date, held a security interest in the
3687 collateral perfected by compliance with a statute, regulation, or treaty described in § 8.9A-311(a).

3688 (d) *Subsection (b) inapplicable; perishable collateral; recognized market.* Subsection (b) does not
3689 apply if the collateral is perishable or threatens to decline speedily in value or is of a type customarily
3690 sold on a recognized market.

3691 (e) *Compliance with subsection (c)(3)(B).* A secured party complies with the requirement for
3692 notification prescribed by subsection (c)(3)(B) if:
3693 (1) not later than twenty days or earlier than thirty days before the notification date, the secured
3694 party requests, in a commercially reasonable manner, information concerning financing statements

3695 indexed under the debtor's name in the office indicated in subsection (c)(3)(B); and

3696 (2) before the notification date, the secured party:

3697 (A) did not receive a response to the request for information; or

3698 (B) received a response to the request for information and sent an authenticated notification of
3699 disposition to each secured party or other lienholder named in that response whose financing statement
3700 covered the collateral.

3701 § 8.9A-612. Timeliness of notification before disposition of collateral.

3702 A notification of disposition sent after default and ten days or more before the earliest time of
3703 disposition set forth in the notification is considered sent within a reasonable time before the
3704 disposition.

3705 § 8.9A-613. Contents and form of notification before disposition of collateral; general.

3706 Except in a consumer-goods transaction, the following rules apply:

3707 (1) The contents of a notification of disposition are sufficient if the notification:

3708 (A) describes the debtor and the secured party;

3709 (B) describes the collateral that is the subject of the intended disposition;

3710 (C) states the method of intended disposition;

3711 (D) states that the debtor is entitled to an accounting of the unpaid indebtedness and states the
3712 charge, if any, for an accounting; and

3713 (E) states the time and place of a public disposition or the time after which any other disposition is
3714 to be made.

3715 (2) Whether the contents of a notification that lacks any of the information specified in paragraph
3716 (1) are nevertheless sufficient is a question of fact.

3717 (3) The contents of a notification providing substantially the information specified in paragraph (1)
3718 are sufficient, even if the notification includes:

3719 (A) information not specified by that paragraph; or

3720 (B) minor errors that are not seriously misleading.

(4) A notification in the form of paragraph (3) is sufficient, even if additional information appears at the end of the form.

(5) A notification in the form of paragraph (3) is sufficient, even if it includes errors in information not required by paragraph (1), unless the error is misleading with respect to rights arising under this title.

(6) If a notification under this section is not in the form of paragraph (3), law other than this title determines the effect of including information not required by paragraph (1).

§ 8.9A-615. Application of proceeds of disposition; liability for deficiency and right to surplus.

(a) Application of proceeds. A secured party shall apply or pay over for application the cash proceeds of disposition under § 8.9A-610 in the following order to:

(1) the reasonable expenses of retaking, holding, preparing for disposition, processing, and disposing, and, to the extent provided for by agreement and not prohibited by law, reasonable attorney's fees and legal expenses incurred by the secured party;

(2) the satisfaction of obligations secured by the security interest or agricultural lien under which the disposition is made;

(3) the satisfaction of obligations secured by any subordinate security interest in or other subordinate lien on the collateral if:

(A) the secured party receives from the holder of the subordinate security interest or other lien an authenticated demand for proceeds before distribution of the proceeds is completed; and

(B) in a case in which a consignor has an interest in the collateral, the subordinate security interest or other lien is senior to the interest of the consignor; and

(4) a secured party that is a consignor of the collateral if the secured party receives from the consignor an authenticated demand for proceeds before distribution of the proceeds is completed.

(b) Proof of subordinate interest. If requested by a secured party, a holder of a subordinate security interest or other lien shall furnish reasonable proof of the interest or lien within a reasonable time. Unless the holder does so, the secured party need not comply with the holder's demand under subsection (a)(3).

(c) Application of noncash proceeds. A secured party need not apply or pay over for application noncash proceeds of disposition under § 8.9A-610 unless the failure to do so would be commercially unreasonable. A secured party that applies or pays over for application noncash proceeds shall do so in a commercially reasonable manner.

(d) Surplus or deficiency if obligation secured. If the security interest under which a disposition is made secures payment or performance of an obligation, after making the payments and applications required by subsection (a) and permitted by subsection (c):

(1) unless subsection (a)(4) requires the secured party to apply or pay over cash proceeds to a consignor, the secured party shall account to and pay a debtor for any surplus; and

(2) the obligor is liable for any deficiency.

(e) No surplus or deficiency in sales of certain rights to payment. If the underlying transaction is a sale of accounts, chattel paper, payment intangibles, or promissory notes:

(1) the debtor is not entitled to any surplus; and

(2) the obligor is not liable for any deficiency.

(f) Calculation of surplus or deficiency in disposition to person related to secured party. The surplus or deficiency following a disposition is calculated based on the amount of proceeds that would have been realized in a disposition complying with this part to a transferee other than the secured party, a person related to the secured party, or a secondary obligor if:

(1) the transferee in the disposition is the secured party, a person related to the secured party, or a secondary obligor; and

(2) the amount of proceeds of the disposition is significantly below the range of proceeds that a complying disposition to a person other than the secured party, a person related to the secured party, or a secondary obligor would have brought.

§ 8.9A-616. Explanation of calculation of surplus or deficiency.

(a) Definitions. In this section:

3874 (1) "Explanation" means a writing that:
3875 (A) states the amount of the surplus or deficiency;
3876 (B) provides an explanation in accordance with subsection (c) of how the secured party calculated
3877 the surplus or deficiency;
3878 (C) states, if applicable, that future debits, credits, charges, including additional credit service
3879 charges or interest, rebates, and expenses may affect the amount of the surplus or deficiency; and
3880 (D) provides a telephone number or mailing address from which additional information concerning
3881 the transaction is available.
3882 (2) "Request" means a record:
3883 (A) authenticated by a debtor or consumer obligor;
3884 (B) requesting that the recipient provide an explanation; and
3885 (C) sent after disposition of the collateral under § 8.9A-610.
3886 (b) Explanation of calculation. In a consumer-goods transaction in which the debtor is entitled to a
3887 surplus or a consumer obligor is liable for a deficiency under § 8.9A-615, the secured party shall:
3888 (1) send an explanation to the debtor or consumer obligor, as applicable, after the disposition and:
3889 (A) before or when the secured party accounts to the debtor and pays any surplus or first makes
3890 written demand on the consumer obligor after the disposition for payment of the deficiency; and
3891 (B) within fourteen days after receipt of a request; or
3892 (2) in the case of a consumer obligor who is liable for a deficiency, within fourteen days after
3893 receipt of a request, send to the consumer obligor a record waiving the secured party's right to a
3894 deficiency.
3895 (c) Required information. To comply with subsection (a)(1)(B), a writing must provide the following
3896 information in the following order:
3897 (1) the aggregate amount of obligations secured by the security interest under which the disposition
3898 was made, and, if the amount reflects a rebate of unearned interest or credit service charge, an
3899 indication of that fact, calculated as of a specified date:
3900 (A) if the secured party takes or receives possession of the collateral after default, not more than
3901 thirty-five days before the secured party takes or receives possession; or
3902 (B) if the secured party takes or receives possession of the collateral before default or does not take
3903 possession of the collateral, not more than thirty-five days before the disposition;
3904 (2) the amount of proceeds of the disposition;
3905 (3) the aggregate amount of the obligations after deducting the amount of proceeds;
3906 (4) the amount, in the aggregate or by type, and types of expenses, including expenses of retaking,
3907 holding, preparing for disposition, processing, and disposing of the collateral, and attorney's fees
3908 secured by the collateral which are known to the secured party and relate to the current disposition;
3909 (5) the amount, in the aggregate or by type, and types of credits, including rebates of interest or
3910 credit service charges, to which the obligor is known to be entitled and which are not reflected in the
3911 amount in paragraph (1); and
3912 (6) the amount of the surplus or deficiency.
3913 (d) Substantial compliance. A particular phrasing of the explanation is not required. An explanation
3914 complying substantially with the requirements of subsection (a) is sufficient, even if it includes minor
3915 errors that are not seriously misleading.
3916 (e) Charges for responses. A debtor or consumer obligor is entitled without charge to one response
3917 to a request under this section during any six-month period in which the secured party did not send to
3918 the debtor or consumer obligor an explanation pursuant to subsection (b)(1). The secured party may
3919 require payment of a charge not exceeding \$25 for each additional response.
3920 § 8.9A-617. Rights of transferee of collateral.
3921 (a) Effects of disposition. A secured party's disposition of collateral after default:
3922 (1) transfers to a transferee for value all of the debtor's rights in the collateral;
3923 (2) discharges the security interest under which the disposition is made; and
3924 (3) discharges any subordinate security interest or other subordinate lien.
3925 (b) Rights of good-faith transferee. A transferee that acts in good faith takes free of the rights and
3926 interests described in subsection (a), even if the secured party fails to comply with this title or the
3927 requirements of any judicial proceeding.
3928 (c) Rights of other transferee. If a transferee does not take free of the rights and interests described
3929 in subsection (a), the transferee takes the collateral subject to:
3930 (1) the debtor's rights in the collateral;
3931 (2) the security interest or agricultural lien under which the disposition is made; and
3932 (3) any other security interest or other lien.
3933 § 8.9A-618. Rights and duties of certain secondary obligors.
3934 (a) Rights and duties of secondary obligor. A secondary obligor acquires the rights and becomes
3935 obligated to perform the duties of the secured party after the secondary obligor:

- 3936 (1) receives an assignment of a secured obligation from the secured party;
 3937 (2) receives a transfer of collateral from the secured party and agrees to accept the rights and
 3938 assume the duties of the secured party; or
 3939 (3) is subrogated to the rights of a secured party with respect to collateral.
 3940 (b) Effect of assignment, transfer, or subrogation. An assignment, transfer, or subrogation described
 3941 in subsection (a):
 3942 (1) is not a disposition of collateral under § 8.9A-610; and
 3943 (2) relieves the secured party of further duties under this title.
 3944 § 8.9A-619. Transfer of record or legal title.
 3945 (a) "Transfer statement." In this section, "transfer statement" means a record authenticated by a
 3946 secured party stating:
 3947 (1) that the debtor has defaulted in connection with an obligation secured by specified collateral;
 3948 (2) that the secured party has exercised its post-default remedies with respect to the collateral;
 3949 (3) that, by reason of the exercise, a transferee has acquired the rights of the debtor in the
 3950 collateral; and
 3951 (4) the name and mailing address of the secured party, debtor, and transferee.
 3952 (b) Effect of transfer statement. A transfer statement entitles the transferee to the transfer of record
 3953 of all rights of the debtor in the collateral specified in the statement in any official filing, recording,
 3954 registration, or certificate-of-title system covering the collateral. If a transfer statement is presented with
 3955 the applicable fee and request form to the official or office responsible for maintaining the system, the
 3956 official or office shall:
 3957 (1) accept the transfer statement;
 3958 (2) promptly amend its records to reflect the transfer; and
 3959 (3) if applicable, issue a new appropriate certificate of title in the name of the transferee.
 3960 (c) Transfer not a disposition; no relief of secured party's duties. A transfer of the record or legal
 3961 title to collateral to a secured party under subsection (b) or otherwise is not of itself a disposition of
 3962 collateral under this title and does not of itself relieve the secured party of its duties under this title.
 3963 § 8.9A-620. Acceptance of collateral in full or partial satisfaction of obligation; compulsory
 3964 disposition of collateral.
 3965 (a) Conditions to acceptance in satisfaction. Except as otherwise provided in subsection (g), a
 3966 secured party may accept collateral in full or partial satisfaction of the obligation it secures only if:
 3967 (1) the debtor consents to the acceptance under subsection (c);
 3968 (2) the secured party does not receive, within the time set forth in subsection (d), a notification of
 3969 objection to the proposal authenticated by:
 3970 (A) a person to which the secured party was required to send a proposal under § 8.9A-621; or
 3971 (B) any other person, other than the debtor, holding an interest in the collateral subordinate to the
 3972 security interest that is the subject of the proposal;
 3973 (3) subsection (e) does not require the secured party to dispose of the collateral or the debtor waives
 3974 the requirement pursuant to § 8.9A-624.
 3975 (b) Purported acceptance ineffective. A purported or apparent acceptance of collateral under this
 3976 section is ineffective unless:
 3977 (1) the secured party consents to the acceptance in an authenticated record or sends a proposal to
 3978 the debtor; and
 3979 (2) the conditions of subsection (a) are met.
 3980 (c) Debtor's consent. For purposes of this section:
 3981 (1) a debtor consents to an acceptance of collateral in partial satisfaction of the obligation it secures
 3982 only if the debtor agrees to the terms of the acceptance in a record authenticated after default; and
 3983 (2) a debtor consents to an acceptance of collateral in full satisfaction of the obligation it secures
 3984 only if the debtor agrees to the terms of the acceptance in a record authenticated after default or the
 3985 secured party:
 3986 (A) sends to the debtor after default a proposal that is unconditional or subject only to a condition
 3987 that collateral not in the possession of the secured party be preserved or maintained;
 3988 (B) in the proposal, proposes to accept collateral in full satisfaction of the obligation it secures; and
 3989 (C) does not receive a notification of objection authenticated by the debtor within twenty days after
 3990 the proposal is sent.
 3991 (d) Effectiveness of notification. To be effective under subsection (a)(2), a notification of objection
 3992 must be received by the secured party:
 3993 (1) in the case of a person to which the proposal was sent pursuant to § 8.9A-621, within twenty
 3994 days after notification was sent to that person; and
 3995 (2) in other cases:
 3996 (A) within twenty days after the last notification was sent pursuant to § 8.9A-621; or

3997 (B) if a notification was not sent, before the debtor consents to the acceptance under subsection (c).
3998 (e) Mandatory disposition of consumer goods. A secured party that has taken possession of collateral
3999 shall dispose of the collateral pursuant to § 8.9A-610 within the time specified in subsection (f) if:
4000 (1) Sixty percent of the cash price has been paid in the case of a purchase-money security interest in
4001 consumer goods; or
4002 (2) Sixty percent of the principal amount of the obligation secured has been paid in the case of a
4003 non-purchase-money security interest in consumer goods.
4004 (f) Compliance with mandatory disposition requirement. To comply with subsection (e), the secured
4005 party shall dispose of the collateral:
4006 (1) within ninety days after taking possession; or
4007 (2) within any longer period to which the debtor and all secondary obligors have agreed in an
4008 agreement to that effect entered into and authenticated after default.
4009 (g) No partial satisfaction in consumer transaction. In a consumer transaction, a secured party may
4010 not accept collateral in partial satisfaction of the obligation it secures.
4011 § 8.9A-621. Notification of proposal to accept collateral.
4012 (a) Persons to which proposal to be sent. A secured party that desires to accept collateral in full or
4013 partial satisfaction of the obligation it secures shall send its proposal to:
4014 (1) any person from which the secured party has received, before the debtor consented to the
4015 acceptance, an authenticated notification of a claim of an interest in the collateral;
4016 (2) any other secured party or lienholder that, ten days before the debtor consented to the
4017 acceptance, held a security interest in or other lien on the collateral perfected by the filing of a
4018 financing statement that:
4019 (A) identified the collateral;
4020 (B) was indexed under the debtor's name as of that date; and
4021 (C) was filed in the office or offices in which to file a financing statement against the debtor
4022 covering the collateral as of that date; and
4023 (3) any other secured party that, ten days before the debtor consented to the acceptance, held a
4024 security interest in the collateral perfected by compliance with a statute, regulation, or treaty described
4025 in § 8.9A-311(a).
4026 (b) Proposal to be sent to secondary obligor in partial satisfaction. A secured party that desires to
4027 accept collateral in partial satisfaction of the obligation it secures shall send its proposal to any
4028 secondary obligor in addition to the persons described in subsection (a).
4029 § 8.9A-622. Effect of acceptance of collateral.
4030 (a) Effect of acceptance. A secured party's acceptance of collateral in full or partial satisfaction of
4031 the obligation it secures:
4032 (1) discharges the obligation to the extent consented to by the debtor;
4033 (2) transfers to the secured party all of a debtor's rights in the collateral;
4034 (3) discharges the security interest or agricultural lien that is the subject of the debtor's consent and
4035 any subordinate security interest or other subordinate lien; and
4036 (4) terminates any other subordinate interest.
4037 (b) Discharge of subordinate interest notwithstanding noncompliance. A subordinate interest is
4038 discharged or terminated under subsection (a), even if the secured party fails to comply with this title.
4039 § 8.9A-623. Right to redeem collateral.
4040 (a) Persons that may redeem. A debtor, any secondary obligor, or any other secured party or
4041 lienholder may redeem collateral.
4042 (b) Requirements for redemption. To redeem collateral, a person shall tender:
4043 (1) fulfillment of all obligations secured by the collateral; and
4044 (2) the reasonable expenses and attorney's fees described in § 8.9A-615(a)(1).
4045 (c) When redemption may occur. A redemption may occur at any time before a secured party:
4046 (1) has collected collateral under § 8.9A-607;
4047 (2) has disposed of collateral or entered into a contract for its disposition under § 8.9A-610; or
4048 (3) has accepted collateral in full or partial satisfaction of the obligation it secures under
4049 § 8.9A-622.
4050 § 8.9A-624. Waiver.
4051 (a) Waiver of disposition notification. A debtor or secondary obligor may waive the right to
4052 notification of disposition of collateral under § 8.9A-611 only by an agreement to that effect entered into
4053 and authenticated after default.
4054 (b) Waiver of mandatory disposition. A debtor may waive the right to require disposition of
4055 collateral under § 8.9A-620(e) only by an agreement to that effect entered into and authenticated after
4056 default.
4057 (c) Waiver of redemption right. Except in a consumer-goods transaction, a debtor or secondary
4058 obligor may waive the right to redeem collateral under § 8.9A-623 only by an agreement to that effect

entered into and authenticated after default.

Subpart 2.

Noncompliance with Title.

§ 8.9A-625. Remedies for secured party's failure to comply with title.

(a) Judicial orders concerning noncompliance. If it is established that a secured party is not proceeding in accordance with this title, a court may order or restrain collection, enforcement, or disposition of collateral on appropriate terms and conditions.

(b) Damages for noncompliance. Subject to subsections (c), (d), and (f), a person is liable for damages in the amount of any loss caused by a failure to comply with this title. Loss caused by a failure to comply may include loss resulting from the debtor's inability to obtain, or increased costs of, alternative financing.

(c) Persons entitled to recover damages; statutory damages in consumer-goods transaction. Except as otherwise provided in § 8.9A-628:

(1) a person that, at the time of the failure, was a debtor, was an obligor, or held a security interest in or other lien on the collateral may recover damages under subsection (b) for its loss; and

(2) if the collateral is consumer goods, a person that was a debtor or a secondary obligor at the time a secured party failed to comply with this part may recover for that failure in any event an amount not less than the credit service charge plus ten percent of the principal amount of the obligation or the time-price differential plus ten percent of the cash price.

(d) Recovery when deficiency eliminated or reduced. A debtor whose deficiency is eliminated under § 8.9A-626 may recover damages for the loss of any surplus. However, a debtor or secondary obligor whose deficiency is eliminated or reduced under § 8.9A-626 may not otherwise recover under subsection (b) for noncompliance with the provisions of this part relating to collection, enforcement, disposition, or acceptance.

(e) Limitation of security interest; noncompliance with § 8.9A-210. If a secured party fails to comply with a request regarding a list of collateral or a statement of account under § 8.9A-210, the secured party may claim a security interest only as shown in the list or statement included in the request as against a person that is reasonably misled by the failure.

§ 8.9A-626. Action in which deficiency or surplus is in issue.

Applicable rules if amount of deficiency or surplus in issue. In an action arising from a transaction in which the amount of a deficiency or surplus is in issue, the following rules apply:

(1) A secured party need not prove compliance with the provisions of this part relating to collection, enforcement, disposition, or acceptance unless the debtor or a secondary obligor places the secured party's compliance in issue.

(2) If the secured party's compliance is placed in issue, the secured party has the burden of establishing that the collection, enforcement, disposition, or acceptance was conducted in accordance with this part.

(3) Except as otherwise provided in § 8.9A-628, if a secured party fails to prove that the collection, enforcement, disposition, or acceptance was conducted in accordance with the provisions of this part relating to collection, enforcement, disposition, or acceptance, the liability of a debtor or a secondary obligor for a deficiency is limited to an amount by which the sum of the secured obligation, expenses, and attorney's fees exceeds the greater of:

(A) the proceeds of the collection, enforcement, disposition, or acceptance; or

(B) the amount of proceeds that would have been realized had the noncomplying secured party proceeded in accordance with the provisions of this part relating to collection, enforcement, disposition, or acceptance.

(4) For purposes of paragraph (3)(B), the amount of proceeds that would have been realized is equal to the sum of the secured obligation, expenses, and attorney's fees unless the secured party proves that the amount is less than that sum.

(5) If a deficiency or surplus is calculated under § 8.9A-615(f), the debtor or obligor has the burden of establishing that the amount of proceeds of the disposition is significantly below the range of prices that a complying disposition to a person other than the secured party, a person related to the secured party, or a secondary obligor would have brought.

§ 8.9A-627. Determination of whether conduct was commercially reasonable.

(a) Greater amount obtainable under other circumstances; no preclusion of commercial reasonableness. The fact that a greater amount could have been obtained by a collection, enforcement, disposition, or acceptance at a different time or in a different method from that selected by the secured party is not of itself sufficient to preclude the secured party from establishing that the collection, enforcement, disposition, or acceptance was made in a commercially reasonable manner.

(b) Dispositions that are commercially reasonable. A disposition of collateral is made in a commercially reasonable manner if the disposition is made:

- 4120 (1) in the usual manner on any recognized market;
- 4121 (2) at the price current in any recognized market at the time of the disposition; or
- 4122 (3) otherwise in conformity with reasonable commercial practices among dealers in the type of
- 4123 property that was the subject of the disposition.
- 4124 (c) Approval by court or on behalf of creditors. A collection, enforcement, disposition, or acceptance
- 4125 is commercially reasonable if it has been approved:
- 4126 (1) in a judicial proceeding;
- 4127 (2) by a bona fide creditors' committee;
- 4128 (3) by a representative of creditors; or
- 4129 (4) by an assignee for the benefit of creditors.
- 4130 (d) Approval under subsection (c) not necessary; absence of approval has no effect. Approval under
- 4131 subsection (c) need not be obtained, and lack of approval does not mean that the collection,
- 4132 enforcement, disposition, or acceptance is not commercially reasonable.
- 4133 § 8.9A-628. Nonliability and limitation on liability of secured party; liability of secondary obligor.
- 4134 (a) Limitation of liability of secured party for noncompliance with title. Unless a secured party
- 4135 knows that a person is a debtor or obligor, knows the identity of the person, and knows how to
- 4136 communicate with the person:
- 4137 (1) the secured party is not liable to the person, or to a secured party or lienholder that has filed a
- 4138 financing statement against the person, for failure to comply with this title; and
- 4139 (2) the secured party's failure to comply with this title does not affect the liability of the person for a
- 4140 deficiency.
- 4141 (b) Limitation of liability based on status as secured party. A secured party is not liable because of
- 4142 its status as secured party:
- 4143 (1) to a person that is a debtor or obligor, unless the secured party knows:
- 4144 (A) that the person is a debtor or obligor;
- 4145 (B) the identity of the person; and
- 4146 (C) how to communicate with the person; or
- 4147 (2) to a secured party or lienholder that has filed a financing statement against a person, unless the
- 4148 secured party knows:
- 4149 (A) that the person is a debtor; and
- 4150 (B) the identity of the person.
- 4151 (c) Limitation of liability if reasonable belief that transaction not a consumer-goods transaction or
- 4152 consumer transaction. A secured party is not liable to any person, and a person's liability for a
- 4153 deficiency is not affected, because of any act or omission arising out of the secured party's reasonable
- 4154 belief that a transaction is not a consumer-goods transaction or a consumer transaction or that goods
- 4155 are not consumer goods, if the secured party's belief is based on its reasonable reliance on:
- 4156 (1) a debtor's representation concerning the purpose for which collateral was to be used, acquired,
- 4157 or held; or
- 4158 (2) an obligor's representation concerning the purpose for which a secured obligation was incurred.
- 4159 (d) Limitation of liability for statutory damages. A secured party is not liable to any person under
- 4160 § 8.9A-625(c)(2) for its failure to comply with § 8.9A-616.
- 4161 (e) Limitation of multiple liability for statutory damages. A secured party is not liable under
- 4162 § 8.9A-625(c)(2) more than once with respect to any one secured obligation.
- 4163 Part 7.
- 4164 Transition.
- 4165 § 8.9A-701. Effective date.
- 4166 This title takes effect on July 1, 2001.
- 4167 § 8.9A-702. Savings clause.
- 4168 (a) Pre-effective-date transactions or liens. Except as otherwise provided in this part, this title
- 4169 applies to a transaction or lien within its scope, even if the transaction or lien was entered into or
- 4170 created before this title takes effect.
- 4171 (b) Continuing validity. Except as otherwise provided in subsection (c) and §§ 8.9A-703 through
- 4172 8.9A-709:
- 4173 (1) transactions and liens that were not governed by former Title 8.9, were validly entered into or
- 4174 created before this title takes effect, and would be subject to this title if they had been entered into or
- 4175 created after this title takes effect, and the rights, duties, and interests flowing from those transactions
- 4176 and liens remain valid after this title takes effect; and
- 4177 (2) the transactions and liens may be terminated, completed, consummated, and enforced as required
- 4178 or permitted by this title or by the law that otherwise would apply if this title had not taken effect.
- 4179 (c) Pre-effective-date proceedings. This title does not affect an action, case, or proceeding
- 4180 commenced before this title takes effect.
- 4181 § 8.9A-703. Security interest perfected before effective date.

(a) Continuing priority over lien creditor; perfection requirements satisfied. A security interest that is enforceable immediately before this title takes effect and would have priority over the rights of a person that becomes a lien creditor at that time is a perfected security interest under this title if, when this takes effect, the applicable requirements for enforceability and perfection under this title are satisfied without further action.

(b) Continuing priority over lien creditor; perfection requirements not satisfied. Except as otherwise provided in § 8.9A-705, if, immediately before this title takes effect, a security interest is enforceable and would have priority over the rights of a person that becomes a lien creditor at that time, but the applicable requirements for enforceability or perfection under this are not satisfied when this takes effect, the security interest:

(1) is a perfected security interest for one year after this takes effect;

(2) remains enforceable thereafter only if the security interest becomes enforceable under § 8.9A-203 before the year expires; and

(3) remains perfected thereafter only if the applicable requirements for perfection under this title are satisfied before the year expires.

§ 8.9A-704. Security interest unperfected before effective date.

A security interest that is enforceable immediately before this title takes effect but which would be subordinate to the rights of a person that becomes a lien creditor at that time:

(1) remains an enforceable security interest for one year after this takes effect;

(2) remains enforceable thereafter if the security interest becomes enforceable under § 8.9A-203 when this title takes effect or within one year thereafter; and

(3) becomes perfected:

(A) without further action, when this title takes effect if the applicable requirements for perfection under this title are satisfied before or at that time; or

(B) when the applicable requirements for perfection are satisfied if the requirements are satisfied after that time.

§ 8.9A-705. Effectiveness of action taken before effective date.

(a) Pre-effective-date action; one-year perfection period unless reperfected. If action, other than the filing of a financing statement, is taken before this title takes effect and the action would have resulted in priority of a security interest over the rights of a person that becomes a lien creditor had the security interest become enforceable before this title takes effect, the action is effective to perfect a security interest that attaches under this title within one year after this takes effect. An attached security interest becomes unperfected one year after this title takes effect unless the security interest becomes a perfected security interest under this title before the expiration of that period.

(b) Pre-effective-date filing. The filing of a financing statement before this title takes effect is effective to perfect a security interest to the extent the filing would satisfy the applicable requirements for perfection under this title.

(c) Pre-effective-date filing in jurisdiction formerly governing perfection. This title does not render ineffective an effective financing statement that, before this title takes effect, is filed and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in former § 8.9-103. However, except as otherwise provided in subsections (d) and (e) and § 8.9A-706, the financing statement ceases to be effective at the earlier of:

(1) the time the financing statement would have ceased to be effective under the law of the jurisdiction in which it is filed; or

(2) June 30, 2006.

(d) Continuation statement. The filing of a continuation statement after this title takes effect does not continue the effectiveness of the financing statement filed before this title takes effect. However, upon the timely filing of a continuation statement after this title takes effect and in accordance with the law of the jurisdiction governing perfection as provided in Part 3, the effectiveness of a financing statement filed in the same office in that jurisdiction before this title takes effect continues for the period provided by the law of that jurisdiction.

(e) Application of subsection (c)(2) to transmitting utility financing statement. Subsection (c)(2) applies to a financing statement that, before this title takes effect, is filed against a transmitting utility and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in former § 8.9A-103 only to the extent that Part 3 provides that the law of a jurisdiction other than the jurisdiction in which the financing statement is filed governs perfection of a security interest in collateral covered by the financing statement.

(f) Application of Part 5. A financing statement that includes a financing statement filed before this title takes effect and a continuation statement filed after this title takes effect is effective only to the extent that it satisfies the requirements of Part 5 for an initial financing statement.

§ 8.9A-706. When initial financing statement suffices to continue effectiveness of financing statement.

4243 (a) *Initial financing statement in lieu of continuation statement. The filing of an initial financing*
4244 *statement in the office specified in § 8.9A-501 continues the effectiveness of a financing statement filed*
4245 *before this title takes effect if:*
4246 (1) *the filing of an initial financing statement in that office would be effective to perfect a security*
4247 *interest under this title;*
4248 (2) *the pre-effective-date financing statement was filed in an office in another state or another office*
4249 *in this state; and*
4250 (3) *the initial financing statement satisfies subsection (c).*
4251 (b) *Period of continued effectiveness. The filing of an initial financing statement under subsection (a)*
4252 *continues the effectiveness of the pre-effective-date financing statement:*
4253 (1) *if the initial financing statement is filed before this title takes effect, for the period provided in*
4254 *former § 8.9-403 with respect to a financing statement; and*
4255 (2) *if the initial financing statement is filed after this title takes effect, for the period provided in*
4256 *§ 8.9A-515 with respect to an initial financing statement.*
4257 (c) *Requirements for initial financing statement under subsection (a). To be effective for purposes of*
4258 *subsection (a), an initial financing statement must:*
4259 (1) *satisfy the requirements of Part 5 for an initial financing statement;*
4260 (2) *identify the pre-effective-date financing statement by indicating the office in which the financing*
4261 *statement was filed and providing the dates of filing and file numbers, if any, of the financing statement*
4262 *and of the most recent continuation statement filed with respect to the financing statement; and*
4263 (3) *indicate that the pre-effective-date financing statement remains effective.*
4264 § 8.9A-707. *Amendment of pre-effective-date financing statement.*
4265 (a) *Pre-effective-date financing statement. In this section, "pre-effective-date financing statement"*
4266 *means a financing statement filed before this title takes effect.*
4267 (b) *Applicable law. After this title takes effect, a person may add or delete collateral covered by,*

4269 *pre-effective-date financing statement only in accordance with the law of the jurisdiction governing*
4270 *perfection as provided in Part 3 (§ 8.9A-301 et seq.). However, the effectiveness of a pre-effective-date*
4271 *financing statement also may be terminated in accordance with the law of the jurisdiction in which the*
4272 *financing statement is filed.*
4273 (c) *Method of amending; general rule. Except as otherwise provided in subsection (d), if the law of*
4274 *this Commonwealth governs perfection of a security interest, the information in a pre-effective-date*
4275 *financing statement may be amended after this title takes effect only if:*
4276 (1) *the pre-effective-date financing statement and an amendment are filed in the office specified in*
4277 *§ 8.9A-501;*
4278 (2) *an amendment is filed in the office specified in § 8.9A-501 concurrently with, or after the filing*
4279 *in that office of, an initial financing statement that satisfies § 8.9A-706(c); or*
4280 (3) *an initial financing statement that provides the information as amended and satisfies*
4281 *§ 8.9A-706(c) is filed in the office specified in § 8.9A-501.*
4282 (d) *Method of amending; continuation. If the law of this Commonwealth governs perfection of a*
4283 *security interest, the effectiveness of a pre-effective-date financing statement may be continues only*
4284 *under § 8.9A-705(d) and (f) or § 8.9A-706.*
4285 (e) *Method of amending; additional termination rule. Whether or not the law of this Commonwealth*

4287 *in this Commonwealth may be terminated after this title takes effect by filing a termination statement in*
4288 *the office in which the pre-effective-date financing statement is filed, unless an initial financing*
4289 *statement that satisfies § 8.9A-706(c) has been filed in the office specified by the law of the jurisdiction*
4290 *governing perfection as provided in Part 3 (§ 8.9A-301 et seq.) as the office in which to file a financing*
4291 *statement.*
4292 § 8.9A-708. *Persons entitled to file initial financing statement or continuation statement.*
4293 *A person may file an initial financing statement or a continuation statement under this part if:*
4294 (1) *the secured party of record authorizes the filing; and*
4295 (2) *the filing is necessary under this part:*
4296 (A) *to continue the effectiveness of a financing statement filed before this title takes effect; or*
4297 (B) *to perfect or continue the perfection of a security interest.*
4298 § 8.9A-709. *Priority.*
4299 (a) *Law governing priority. This title determines the priority of conflicting claims to collateral.*

4301 *Title 8.9 determines priority.*
4302 (b) *Priority if security interest becomes enforceable under § 8.9A-203. For purposes of*
