6 **Be it enacted by the General Assembly of Virginia:**7 **1. That § 44-146.20 of the Code of Virginia is amended and reenacted as follows:**

8 § 44-146.20. Joint action by political subdivisions.

9 If two or more ~~adjoining~~ political subdivisions find that disaster operation plans and programs would  
10 be better served by interjurisdictional arrangements in planning for, preventing, or responding to disaster  
11 in that area, then direct steps may be taken as necessary, including creation of an interjurisdictional  
12 relationship, a joint emergency ~~services~~ operations plan, mutual aid, or such other activities as necessary  
13 for planning and services. ~~A determination of such findings shall be based on the factors related to the~~  
14 ~~difficulty of providing emergency services on an interjurisdictional basis. Any political subdivision may~~  
15 ~~provide or receive assistance in the event of a disaster or emergency, pursuant to this chapter, under~~  
16 ~~the provisions of any local mutual aid agreement or by the Statewide Mutual Aid program if agreed to~~  
17 ~~by resolution of the governing body. The action of the governing body may include terms and conditions~~  
18 ~~deemed necessary by the governing body for participation in the program. The governing body may~~  
19 ~~withdraw from participation in the Statewide Mutual Aid program by adoption of a resolution or~~  
20 ~~ordinance upon a finding that participation is no longer in the public interest. The locality shall~~  
21 ~~immediately notify the State Coordinator of Emergency Services of the adoption of a participation or~~  
22 ~~withdrawal resolution.~~
