Be it enacted by the General Assembly of Virginia:

1. That § 38.2-3407.10 of the Code of Virginia is amended and reenacted as follows:

§ 38.2-3407.10. Health care provider panels.

A. As used in this section:

"Carrier" means:

1. Any insurer proposing to issue individual or group accident and sickness insurance policies providing hospital, medical and surgical or major medical coverage on an expense incurred basis;
2. Any corporation providing individual or group accident and sickness subscription contracts;
3. Any health maintenance organization providing health care plans for health care services;
4. Any corporation offering prepaid dental or optometric services plans; or
5. Any other person or organization that provides health benefit plans subject to state regulation, and includes an entity that arranges a provider panel for compensation.

"Enrollee" means any person entitled to health care services from a carrier.

"Provider" means a hospital, physician or any type of provider licensed, certified or authorized by statute to provide a covered service under the health benefit plan.

"Provider panel" means those providers with which a carrier contracts to provide health care services to the carrier's enrollees under the carrier's health benefit plan. However, such term does not include an arrangement between a carrier and providers in which any provider may participate solely on the basis of the provider's contracting with the carrier to provide services at a discounted fee-for-service rate.

B. Any such carrier which offers a provider panel shall establish and use it in accordance with the following requirements:

1. Notice of the development of a provider panel in the Commonwealth or local service area shall be filed with the Department of Health Professions.

2. Carriers shall provide a provider application and the relevant terms and conditions to a provider upon request.

C. A carrier that uses a provider panel shall establish procedures for:

1. Notifying an enrollee of:

a. The termination from the carrier's provider panel of the enrollee's primary care provider who was furnishing health care services to the enrollee; and

b. The right of an enrollee upon request to continue to receive health care services for a period of up to ninety days from the date of the primary care provider's notice of termination from a carrier's provider panel, except when a provider is terminated for cause.

2. Notifying a provider at least ninety days prior to the date of the termination of the provider, except when a provider is terminated for cause.

3. Providing reasonable notice to primary care providers in the carrier's provider panel of the termination of a specialty referral services provider.

4. Notifying the purchaser of the health benefit plan, whether such purchaser is an individual or an employer providing a health benefit plan, in whole or in part, to its employees and enrollees of the health benefit plan of:

a. A description of all types of payment arrangements that the carrier uses to compensate providers for health care services rendered to enrollees, including, but not limited to, withholds, bonus payments, capitation and fee-for-service discounts; and

b. The terms of the plan in clear and understandable language which reasonably informs the purchaser of the practical application of such terms in the operation of the plan.

D. Whenever a provider voluntarily terminates his contract with a carrier to provide health care services to the carrier's enrollees under a health benefit plan, he shall furnish reasonable notice of such termination to his patients who are enrollees under such plan.

E. A carrier may not deny an application for participation or terminate participation on its provider panel on the basis of gender, race, age, religion or national origin.

INTRODUCED

73 participation, except when a provider is terminated for cause. Such treatment shall, at the enrollee's
74 option, continue for the remainder of the enrollee's life for care directly related to the treatment of the
75 terminal illness.

76 4. A carrier shall reimburse a provider under this subsection in accordance with the carrier's
77 agreement with such provider existing immediately before the provider's termination of participation.

85 participation on the panel, to waive any right to seek legal redress against the carrier.

86 J. No contract between a carrier and a provider shall prohibit, impede or interfere in the discussion
87 of medical treatment options between a patient and a provider.

88 K. A contract between a carrier and a provider shall permit and require the provider to discuss
89 medical treatment options with the patient.

90 L. Any carrier requiring preauthorization prior to rendering medical treatment shall have personnel
91 available to provide such authorization at all times when such preauthorization is required.

92 M. Carriers shall provide to their group policyholders written notice of any benefit reductions during
93 the contract period at least sixty days before such benefit reductions become effective. Group
94 policyholders shall, in turn, provide to their enrollees written notice of any benefit reductions during the
95 contract period at least thirty days before such benefit reductions become effective.

96 N. No contract between a provider and a carrier shall include provisions which require a health care
97 provider or health care provider group to deny covered services that such provider or group knows to be
98 medically necessary and appropriate that are provided with respect to a specific enrollee or group of
99 enrollees with similar medical conditions.

100 O. *No contract between a provider and a carrier, or an entity that provides hospital, physical or*
101 *other health care services to a carrier, shall include provisions that require a provider, as a condition*
102 *of participating in one of the carrier's or other entity's networks, to be part of any other provider*
103 *network owned or operated by that carrier or other entity.*

104 P. The Commission shall have no jurisdiction to adjudicate controversies arising out of this section.
