83 or the substantially similar laws of any other state or of the United States.

84 § 18.2-270.1. Ignition interlock systems; penalty.

85 A. For purposes of this section and § 18.2-270.2:

86 "Commission" means the Commission on VASAP.

87 "Department" means the Department of Motor Vehicles.

88 "Ignition interlock system" means a device that (i) connects a motor vehicle ignition system to an
89 analyzer that measures a driver's blood alcohol content; (ii) prevents a motor vehicle ignition from
90 starting if a driver's blood alcohol content exceeds 0.025 percent; and (iii) is equipped with the ability to
91 perform a rolling retest and to electronically log the blood alcohol content during ignition, attempted
92 ignition and rolling retest.

93 "Rolling retest" means a test of the vehicle operator's blood alcohol content required at random
94 intervals during operation of the vehicle, which triggers the sounding of the horn and flashing of lights
95 if (i) the test indicates that the operator has a blood alcohol content which exceeds 0.025 percent or (ii)
96 the operator fails to take the test.

97 B. In addition to any ~~other~~ penalty provided by law for conviction of a first offense under
98 § 18.2-51.4 or § 18.2-266 or a substantially similar ordinance of any county, city or town, any court of
99 proper jurisdiction may, or, for a second or subsequent offense shall, as a condition of a restricted
100 license, prohibit an offender from operating a motor vehicle that is not equipped with a functioning,
101 certified ignition interlock system for any period of time not to exceed the period of license suspension
102 and restriction, *not less than six months, and shall require that such a system be installed on each motor*
103 *vehicle owned by or registered to the offender, in whole or in part, for such period of time.* Such
104 condition shall be in addition to any purposes for which a restricted license may be issued pursuant to
105 § 18.2-271.1. The court may order the installation of an ignition interlock system to commence
106 immediately upon conviction. A fee of twenty dollars to cover court and administrative costs related to
107 the ignition interlock system shall be paid by any such offender to the clerk of the court. The court shall
108 require the offender to install an electronic log device with the ignition interlock system on a vehicle
109 designated by the court to measure the blood alcohol content at each attempted ignition and random
110 rolling retest during operation of the vehicle. The offender shall be enrolled in and supervised by an
111 alcohol safety action program pursuant to § 18.2-271.1 and to conditions established by regulation under
112 § 18.2-270.2 by the Commission during the period for which the court has ordered installation of the
113 ignition interlock system. The offender shall be further required to provide to such program, at least
114 quarterly during the period of ~~license restriction~~ *court-ordered ignition interlock* installation, a printout
115 from such electronic log indicating the offender's blood alcohol content during such ignitions, attempted
116 ignitions, and rolling retests, and showing attempts to circumvent or tamper with the equipment.

117 C. In any case in which the court requires the installation of an ignition interlock system, the court
118 shall direct the offender not to operate any motor vehicle which is not equipped with such a system for
119 a ~~specified~~ *the* period of time ~~not to exceed the period of license suspension and restriction that~~
120 *installation is ordered.* The clerk of the court shall file with the Department of Motor Vehicles a copy
121 of the order, which shall become a part of the offender's operator's license record maintained by the

Department. The Department shall issue to the offender for the installation period required by the court, a restricted license which shall appropriately set forth the restrictions required by the court under this subsection *and any other restrictions imposed upon the offender's driving privilege*, and shall also set forth any exception granted by the court under subsection F.

D. The offender shall be ordered to provide the appropriate ASAP program, within thirty days of the effective date of the order of court, proof of the installation of the ignition interlock system. The Program shall require the offender to have the system monitored and calibrated for proper operation at least every thirty days by an entity approved by the Commission under the provisions of § 18.2-270.2 and to demonstrate proof thereof. The offender shall pay the cost of leasing or buying and monitoring and maintaining the ignition interlock system. Absent good cause shown, the court may revoke the offender's ~~restricted license~~ *driving privilege* for failing to (i) timely install such system or (ii) have the system properly monitored and calibrated.

E. No person shall start or attempt to start a motor vehicle equipped with an ignition interlock system for the purpose of providing an operable motor vehicle to a person who is prohibited under this section from operating a motor vehicle that is not equipped with an ignition interlock system. No person shall tamper with, or in any way attempt to circumvent the operation of, an ignition interlock system that has been installed in the motor vehicle of a person under this section. Except as authorized in subsection G, no person shall knowingly furnish a motor vehicle not equipped with a functioning ignition interlock system to any person prohibited under subsection B from operating any motor vehicle which is not equipped with such system. A violation of this subsection shall be punishable as a Class 1 misdemeanor.

F. Any person prohibited from operating a motor vehicle under subsection B may, solely in the course of his employment, operate a motor vehicle which is owned or provided by his employer without installation of an ignition interlock system, if the court expressly permits such operation as a condition of a restricted license *at the request of the employer, but such person may not operate a commercial motor vehicle as defined in § 46.2-341.1*. This subsection shall not apply if such employer is an entity wholly or partially owned or controlled by the person otherwise prohibited from operating a vehicle without an ignition interlock system.

G. The Commission shall promulgate such regulations and forms as are necessary to implement the procedures outlined in this section.

§ 18.2-271.1. Probation, education and rehabilitation of person charged or convicted; person convicted under law of another state.

A. Any person convicted of a first or second offense of § 18.2-266 (i), (ii), (iii) or (iv), or any ordinance of a county, city, or town similar to the provisions thereof, or provisions of subsection A of § 46.2-341.24, shall be required by court order, as a condition of probation or otherwise, to enter into and successfully complete an alcohol safety action program in the judicial district in which such charge is brought or in any other judicial district upon such terms and conditions as the court may set forth. However, upon motion of a person convicted of any such offense following an assessment of the person conducted by an alcohol safety action program, the court, for good cause, may decline to order participation in such a program *if the assessment by the alcohol safety action program indicates that treatment is not appropriate for such person*. In no event shall such persons be permitted to enter any such program which is not certified as meeting minimum standards and criteria established by the Commission on the Virginia Alcohol Safety Action Program (VASAP) pursuant to subsection H of this section and to § 18.2-271.2.

B. The court shall require the person entering such program under the provisions of this section to pay a fee of no less than \$250 but no more than \$300. A reasonable portion of such fee, as may be determined by the Commission on VASAP, but not to exceed ten percent, shall be forwarded monthly to be deposited with the State Treasurer for expenditure by the Commission on VASAP, and the balance shall be held in a separate fund for local administration of driver alcohol rehabilitation programs. Upon a positive finding that the defendant is indigent, the court may reduce or waive the fee. In addition to the costs of the proceeding, fees as may reasonably be required of defendants referred for intervention under any such program may be charged.

C. Upon conviction of a violation of § 18.2-266 or any ordinance of a county, city or town similar to the provisions thereof, or subsection A of § 46.2-341.24, the court shall impose the sentence authorized by § 18.2-270 or § 46.2-341.28 and the license revocation as authorized by § 18.2-271. Upon a finding that a person so convicted is required to participate in the program described herein, the court shall enter the conviction on the warrant, and shall note that the person so convicted has been referred to such program. The court may then proceed to issue an order in accordance with subsection E of this section, if the court finds that the person so convicted is eligible for a restricted license. If the court finds good cause for a person not to participate in such program or subsequently that such person has violated, without good cause, any of the conditions set forth by the court in entering the program, the court shall

183 dispose of the case as if no program had been entered, in which event the revocation provisions of
184 § 46.2-389 and subsection A of § 46.2-391 shall be applicable to the conviction. The court shall, upon
185 final disposition of the case, send a copy of its order to the Commissioner of the Department of Motor
186 Vehicles. If such order provides for the issuance of a restricted license, the Commissioner of the
187 Department of Motor Vehicles, upon receipt thereof, shall issue a restricted license. Appeals from any
188 such disposition shall be allowed as provided by law. The time within which an appeal may be taken
189 shall be calculated from the date of the final disposition of the case or any motion for rehearing,
190 whichever is later.

191 D. Any person who has been convicted in another state of the violation of a law of such state
192 substantially similar to the provisions of § 18.2-266 or subsection A of § 46.2-341.24, and whose
193 privilege to operate a motor vehicle in this Commonwealth is subject to revocation under the provisions
194 of § 46.2-389 and subsection A of § 46.2-391, may petition the general district court of the county or
195 city in which he resides that he be given probation and assigned to a program as provided in subsection
196 A of this section and that, upon entry into such program, he be issued an order in accordance with
197 subsection E of this section. If the court finds that such person would have qualified therefor if he had
198 been convicted in this Commonwealth of a violation of § 18.2-266 or subsection A of § 46.2-341.24, the
199 court may grant the petition and may issue an order in accordance with subsection E of this section as
200 to the period of license suspension or revocation imposed pursuant to § 46.2-389 or subsection A of
201 § 46.2-391. Such order shall be conditioned upon the successful completion of a program by the
202 petitioner. If the court subsequently finds that such person has violated any of the conditions set forth by
203 the court, the court shall dispose of the case as if no program had been entered and shall notify the
204 Commissioner, who shall revoke the person's license in accordance with the provisions of § 46.2-389 or
205 subsection A of § 46.2-391. A copy of the order granting the petition or subsequently revoking or
206 suspending such person's license to operate a motor vehicle shall be forthwith sent to the Commissioner
207 of the Department of Motor Vehicles.

208 No period of license suspension or revocation shall be imposed pursuant to this subsection which,
209 when considered together with any period of license suspension or revocation previously imposed for the
210 same offense in any state, results in such person's license being suspended for a period in excess of the
211 maximum periods specified in this subsection.

212 E. Except as otherwise provided herein, whenever a person enters a certified program pursuant to this
213 section, and such person's license to operate a motor vehicle, engine or train in the Commonwealth has
214 been suspended or revoked, the court may, in its discretion and for good cause shown, provide that such
215 person be issued a restricted permit to operate a motor vehicle for any or all of the following purposes:
216 (i) travel to and from his place of employment; (ii) travel to and from an alcohol rehabilitation program
217 entered pursuant to this subsection; (iii) travel during the hours of such person's employment if the
218 operation of a motor vehicle is a necessary incident of such employment; (iv) travel to and from school
219 if such person is a student, upon proper written verification to the court that such person is enrolled in a
220 continuing program of education; (v) such other medically necessary travel as the court deems necessary
221 and proper upon written verification of need by a licensed health professional; or (vi) travel necessary to
222 transport a minor child under the care of such person to and from school, day care, and facilities
223 housing medical service providers. No restricted license issued pursuant to this subsection shall permit
224 any person to operate a commercial motor vehicle as defined in the Virginia Commercial Driver's
225 License Act (§ 46.2-341.1 et seq.). The court shall order the surrender of such person's license to operate
226 a motor vehicle to be disposed of in accordance with the provisions of § 46.2-398 and shall forward to
227 the Commissioner of the Department of Motor Vehicles a copy of its order entered pursuant to this
228 subsection, which shall specifically enumerate the restrictions imposed and contain such information
229 regarding the person to whom such a permit is issued as is reasonably necessary to identify such person.
230 The court shall also provide a copy of its order to the person so convicted who may operate a motor
231 vehicle on the order until receipt from the Commissioner of the Department of Motor Vehicles of a
232 restricted license, if the order provides for a restricted license for that time period. A copy of such order
233 and, after receipt thereof, the restricted license shall be carried at all times while operating a motor
234 vehicle. Any person who operates a motor vehicle in violation of any restrictions imposed pursuant to
235 this section shall be guilty of a violation of § 18.2-272. Such restricted license shall be conditioned upon
236 enrollment within fifteen days in, and successful completion of, a program as described in subsection A
237 of this section. No restricted license shall be issued during the first four months of a revocation imposed
238 pursuant to subsection B of § 18.2-271 or subsection A of § 46.2-391 for a second offense of the type
239 described therein committed within ten years of a first such offense. *No restricted license shall be issued*
240 *during the first year of a revocation imposed pursuant to subsection B of § 18.2-271 or subsection A of*
241 *§ 46.2-391 for a second offense of the type described therein committed within five years of a first such*
242 *offense.* No restricted license shall be issued during any revocation period imposed pursuant to
243 subsection C of § 18.2-271 or subsection B of § 46.2-391. Notwithstanding the provisions of § 46.2-411,
244 the fee charged pursuant to § 46.2-411 for reinstatement of the driver's license of any person whose

privilege or license has been suspended or revoked as a result of a violation of § 18.2-266, subsection A of § 46.2-341.24 or of any ordinance of a county, city or town, or of any federal law or the laws of any other state similar to the provisions of § 18.2-266 or subsection A of § 46.2-341.24 shall be \$105. Forty dollars of such reinstatement fee shall be retained by the Department of Motor Vehicles as provided in § 46.2-411, forty dollars shall be transferred to the Commission on VASAP, and twenty-five dollars shall be transferred to the Commonwealth Neurotrauma Initiative Trust Fund.

F. The court shall have jurisdiction over any person entering such program under any provision of this section until such time as the case has been disposed of by either successful completion of the program, or revocation due to ineligibility or violation of a condition or conditions imposed by the court, whichever shall first occur. Revocation proceedings shall be commenced by notice to show cause why the court should not revoke the privilege afforded by this section. Such notice shall be made by first-class mail to the last known address of such person, and shall direct such person to appear before the court in response thereto on a date contained in such notice, which shall not be less than ten days from the date of mailing of the notice. Failure to appear in response to such notice shall of itself be grounds for revocation of such privilege. Notice of revocation under this subsection shall be sent forthwith to the Commissioner of the Department of Motor Vehicles.

G. The State Treasurer, the Commission on VASAP or any city or county is authorized to accept any gifts or bequests of money or property, and any grant, loan, service, payment or property from any source, including the federal government, for the purpose of driver alcohol education. Any such gifts, bequests, grants, loans or payments shall be deposited in the separate fund provided in subsection B.

H. The Commission on VASAP, or any county, city, town, or any combination thereof may establish and, if established, shall operate, in accordance with the standards and criteria required by this subsection, alcohol safety action programs in connection with highway safety. Each such program shall operate under the direction of a local independent policy board chosen in accordance with procedures approved and promulgated by the Commission on VASAP. Local sitting or retired district court judges who regularly hear or heard cases involving driving under the influence and are familiar with their local alcohol safety action programs may serve on such boards. The Commission on VASAP shall establish minimum standards and criteria for the implementation and operation of such programs and shall establish procedures to certify all such programs to ensure that they meet the minimum standards and criteria stipulated by the Commission. The Commission shall also establish criteria for the administration of such programs for public information activities, for accounting procedures, for the auditing requirements of such programs and for the allocation of funds. Funds paid to the Commonwealth hereunder shall be utilized in the discretion of the Commission on VASAP to offset the costs of state programs and local programs run in conjunction with any county, city or town and costs incurred by the Commission. The Commission shall submit an annual report as to actions taken at the close of each calendar year to the Governor and the General Assembly.

I. Notwithstanding any other provisions of this section or of § 18.2-271, nothing in this section shall permit the court to suspend, reduce, limit, or otherwise modify any disqualification from operating a commercial motor vehicle imposed under the provisions of the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.).

§ 19.2-299.2. Alcohol and substance abuse screening and assessment for designated Class 1 misdemeanor convictions.

A. When a person is convicted of any offense committed on or after January 1, 2000, under Article 1 (§ 18.2-247 et seq.) or Article 1.1 (§ 18.2-265.1 et seq.) of Chapter 7 of Title 18.2, and such offense is punishable as a Class 1 misdemeanor, the court shall order the person to undergo a substance abuse screening as part of the sentence if the defendant's sentence includes probation supervision by a community corrections program established pursuant to Article 2 (§ 53.1-180 et seq.) of Chapter 5 of Title 53.1 or participation in a local alcohol safety action program. *Whenever a court requires a person to enter into and successfully complete an alcohol safety action program pursuant to § 18.2-271.1 for a second offense of the type described therein, or orders an evaluation of a person to be conducted by an alcohol safety action program pursuant to any provision of § 46.2-391, the alcohol safety action program shall assess such person's degree of alcohol abuse before determining the appropriate level of treatment to be provided or to be recommended for such person being evaluated pursuant to § 46.2-391.*

The court may order such screening upon conviction as part of the sentence of any other Class 1 misdemeanor if the defendant's sentence includes probation supervision by a community corrections program established pursuant to Article 2 (§ 53.1-180 et seq.) of Chapter 5 of Title 53.1, participation in a local alcohol safety action program or any other sanction and the court has reason to believe the defendant has a substance abuse or dependence problem.

B. A substance abuse screening ordered pursuant to this section shall be conducted by the local alcohol safety action program. When an offender is ordered to enter programming under the community corrections program established pursuant to Article 2 (§ 53.1-180 et seq.) of Chapter 5 of Title 53.1,

rather than the local alcohol safety action program, the local community corrections program shall be responsible for the screening. However, if a community corrections program has not been established for the locality, the local alcohol safety action program shall conduct the screening as part of the sentence.

C. If the screening indicates that the person has a substance abuse or dependence problem, an assessment shall be completed and if the assessment confirms that the person has a substance abuse or dependence problem, as a condition of a suspended sentence and probation, the court shall order the person to complete the substance abuse education and intervention component, or both as appropriate, of the local alcohol safety action program or such other treatment program, if available, such as in the opinion of the court would be best suited to the needs of the person. If the referral is to the local alcohol safety action program, the program may charge a fee for the education and intervention component, or both, not to exceed \$300, based upon the defendant's ability to pay.

§ 46.2-341.28. Penalty for driving commercial motor vehicle while intoxicated; subsequent offense; prior conviction.

Any person violating any provision of subsection A of § 46.2-341.24 shall be guilty of a Class 1 misdemeanor.

Any person convicted of a second offense committed within less than five years after a first offense under subsection A of § 46.2-341.24 shall be punishable by a fine of not less than \$200 nor more than \$2,500 and by confinement in jail for not less than one month nor more than one year. ~~Forty-eight hours~~ Five days of such confinement shall be a mandatory, minimum sentence not subject to suspension by the court. Any person convicted of a second offense committed within a period of five to ten years of a first offense under subsection A of § 46.2-341.24 shall be punishable by a fine of not less than \$200 nor more than \$2,500 and by confinement in jail for not less than one month nor more than one year. Any person convicted of a third offense or subsequent offense committed within ten years of an offense under subsection A of § 46.2-341.24 shall be punishable by a fine of not less than \$500 nor more than \$2,500 and by confinement in jail for not less than two months nor more than one year. Thirty days of such confinement shall be a mandatory, minimum sentence not subject to suspension by the court if the third or subsequent offense occurs within less than five years. Ten days of such confinement shall be a mandatory, minimum sentence not subject to suspension by the court if the third or subsequent offense occurs within a period of five to ten years of a first offense.

For the purposes of this section a conviction or finding of not innocent in the case of a juvenile under (i) § 18.2-51.4 or § 18.2-266, (ii) the ordinance of any county, city or town in this Commonwealth substantially similar to the provisions of § 18.2-51.4 or § 18.2-266, (iii) subsection A of § 46.2-341.24, or (iv) the laws of any other state substantially similar to the provisions of §§ 18.2-51.4, 18.2-266 or subsection A of § 46.2-341.24, shall be considered a prior conviction.

§ 46.2-391. Revocation of license for conviction of driving while under influence of drugs or intoxicants; exception; petition for restoration of privilege.

A. However, if the Commissioner has received a copy of a court order as provided in subsection E of § 18.2-271.1, he shall proceed as provided in the order of the court.

B. The Commissioner shall forthwith revoke and not thereafter reissue the driver's license of any person after receiving a record of the conviction of any person adjudged to be a third offender within a period of ten years in violation of the provisions of subsection A of § 46.2-341.24, §§ 18.2-51.4, 18.2-266, or a violation of federal law or a law of any other state or a valid ordinance of any county, city, or town of the Commonwealth similar to subsection A of § 46.2-341.24, §§ 18.2-51.4, 18.2-266 or § 18.2-272. At the expiration of ten years from the date of the revocation hereunder, the person may petition the circuit court in the county or city in which he resides, and for good cause shown, his license may in the discretion of the court be restored on such conditions as the court may prescribe.

C. Any person who has had his driver's license revoked in accordance with subsection B of this section may petition the circuit court of his residence:

1. For restoration of his privilege to drive a motor vehicle in the Commonwealth after the expiration of five years from the date of his last conviction. On such petition, and for good cause shown, the court may, in its discretion, restore to the person the privilege to drive a motor vehicle in the Commonwealth on condition that such person install an ignition interlock system in accordance with § 18.2-270.1 on all vehicles owned by or registered to him or her, in whole or in part, for a period of at least six months,

and upon whatever other conditions the court may prescribe, subject to the provisions of law relating to issuance of driver's licenses, if the court is satisfied from the evidence presented that: (i) at the time of his previous convictions, the petitioner was addicted to or psychologically dependent on the use of alcohol or other drugs; (ii) at the time of the hearing on the petition, he is no longer addicted to or psychologically dependent on the use of alcohol or other drugs; and (iii) the defendant does not constitute a threat to the safety and welfare of himself or others with regard to the driving of a motor vehicle. However, prior to acting on the petition, the court shall order that an evaluation of the person, *to include an assessment of his degree of alcohol abuse and the appropriate treatment thereof, if any*, be conducted by a Virginia Alcohol Safety Action Program and recommendations therefrom be submitted to the court. The court may, in lieu of restoring the person's privilege to drive, authorize the issuance of a restricted license for a period not to exceed five years in accordance with the provisions of §18.2-270.1 and subsection E of § 18.2-271.1. The court shall notify the Virginia Alcohol Safety Action Program which shall during the term of the restricted license monitor the person's compliance with the terms of the restrictions imposed by the court. Any violation of the restrictions shall be reported to the court, and the court may then modify the restrictions or revoke the license.

2. For a restricted permit to authorize such person to drive a motor vehicle in the Commonwealth in the course of his employment and to drive a motor vehicle to and from his home to the place of his employment after the expiration of three years from the date of his last conviction. The court may order that a restricted license for such purposes be issued in accordance with the procedures of subsection E of § 18.2-271.1, if the court is satisfied from the evidence presented that (i) at the time of the previous convictions, the petitioner was addicted to or psychologically dependent on the use of alcohol or other drugs; (ii) at the time of the hearing on the petition, he is no longer addicted to or psychologically dependent on the use of alcohol or such other drugs; and (iii) the defendant does not constitute a threat to the safety and welfare of himself and others with regard to the driving of a motor vehicle. The court ~~may~~ *shall* prohibit the person to whom a restricted license is issued from operating a motor vehicle that is not equipped with a functioning, certified ignition interlock system during all or any part of the term for which the restricted license is issued, in accordance with the provisions set forth in § 18.2-270.1. However, prior to acting on the petition, the court shall order that an evaluation of the person, *to include an assessment of his degree of alcohol abuse and the appropriate treatment thereof, if any*, be conducted by a Virginia Alcohol Safety Action Program and recommendations therefrom be submitted to the court. The Virginia Alcohol Safety Action Program shall during the term of the restricted license monitor the person's compliance with the terms of the restrictions imposed by the court. Any violation of the restrictions shall be reported to the court, and the court may then modify the restrictions or revoke the license.

~~In the computation of the five-year and three-year periods under subdivisions 1 and 2 of this subsection, such person shall be given credit for any period his driver's license was revoked under § 46.2-360 after adjudication as an habitual offender.~~

3. If any such offense of driving is a second or subsequent violation, such person shall be punished as provided in subdivision 2 of this subsection, irrespective of whether the offense, of itself, endangers the life, limb, or property of another.
