6 **Be it enacted by the General Assembly of Virginia:**7 **1. That § 15.2-2110 of the Code of Virginia is amended and reenacted as follows:**

8 § 15.2-2110. Mandatory connection to water and sewage systems in certain counties.

9 A. Botetourt, Cumberland, and Halifax Counties, *and any county with a population between 8,700*  
10 *and 8,800*, may require connection to their water and sewage systems by owners of property that may  
11 be served by such systems; however, those persons having a domestic supply or source of potable water  
12 and a system for the disposal of sewage adequate to prevent the contraction or spread of infectious,  
13 contagious, and dangerous diseases shall not be required to discontinue use of the same, but may be  
14 required to pay a connection fee, a front footage fee, and a monthly nonuser service charge that shall  
15 not be more than that proportion of a minimum monthly user charge as debt service compares to the  
16 total operating and debt service costs.

17 B. Rockingham County may require connection to its water and sewer systems by owners of  
18 property that can be served by the systems if the property, at the time of installation of such public  
19 system, does not have a domestic supply or source of potable water and a system for the disposal of  
20 sewage adequate to prevent the contraction or spread of infectious, contagious and dangerous diseases.  
21 The county may not charge a fee for connection to its water and sewer systems until such time as  
22 connection is required.
