**1. That the Code of Virginia is amended by adding in Title 32.1 a chapter numbered 13.1, consisting of sections numbered 32.1-353.1 through 32.1-353.5, as follows:**

**CHAPTER 13.1.****CERTIFIED NURSING FACILITY EDUCATION INITIATIVE.**

§ 32.1-353.1. (Effective until July 1, 2003) *Certified nursing facility education initiative; purpose.*

*The General Assembly finds that early identification of potential certified nursing facility deficiencies, coupled with the opportunity to correct any such problems, will improve quality of care and life to certified nursing facility residents in the Commonwealth. Early on-site training and assistance shall be provided by a nonprofit organization to certified nursing facilities that are found not in substantial compliance with long-term care requirements and that meet certain requirements as set forth under any agreement as described in § 32.1-353.4. Creative and innovative approaches to the provision of long-term care services may also be explored. Such measures can best be accomplished by using the data, expertise, and knowledge of representatives of state government and representatives from the consumer, long-term care provider, and business communities. For this reason, the Board of Medical Assistance Services, assisted by the Department of Medical Assistance Services, shall administer the education initiatives for certified nursing facility care established by this chapter.*

§ 32.1-353.2. (Effective until July 1, 2003) *Definitions.*

*As used in this chapter:*

*"Board" means the Board of Medical Assistance Services.*

*"Civil money penalty funds" means those funds collected by the Department of Medical Assistance Services for enforcement of certified nursing facility remedies pursuant to Title XIX of the Social Security Act.*

*"Director" means the Director of the Department of Medical Assistance Services.*

*"Nonprofit organization" means the nonprofit, tax-exempt organization with the characteristics, expertise, and capacity to execute the powers and duties set forth for such entity in this chapter.*

*"Certified nursing facility" means any skilled nursing facility, skilled care facility, intermediate care facility, nursing or nursing care facility, or nursing home, whether freestanding or a portion of a freestanding medical care facility, that is certified as a Medicare or Medicaid provider, or both, pursuant to § 32.1-137.*

§ 32.1-353.3. (Effective until July 1, 2003) *Authorization to expend civil money penalty funds.*

*The Department of Medical Assistance Services, as administrator of the state Medicaid program, maintains a fund comprised of civil money penalties received from nursing facilities as a result of enforcement of federal survey requirements. Pursuant to federal regulations, such funds must be used for the protection of the health or property of certified nursing facility residents. The Director or his designee shall have the authority to enter into any agreements with the non-profit organization created pursuant to § 32.1-353.4 to spend any such funds in accordance with federal law, up to a total of \$700,000. This authority shall in no way obligate the Director to enter into such agreements. Such funds shall be used to initially implement the nonprofit organization, but thereafter the nonprofit organization shall be self-sustaining.*

§ 32.1-353.4. (Effective until July 1, 2003) *Agreements for certain services.*

*A. The Director shall negotiate and enter into contracts with the nonprofit organization for early on-site training, assistance, and other purposes related to the protection of the health or property of certified nursing facility residents pursuant to this chapter and for the development and administration of programs to promote the quality of care in nursing facilities. Such nonprofit organization shall be composed of the Director or his designee, a representative from the Virginia Department of Health, a representative from the Department of Social Services' Adult Protective Services Unit, a representative*

60 from the Office of the State Long-Term Care Ombudsman, and representatives from the consumer,  
61 long-term care provider, and business communities. All members of the nonprofit organization's board  
62 of directors shall be appointed by the Governor.

63 B. In addition to providing for training and assistance described in subsection A, any contract or  
64 agreement with the nonprofit, tax-exempt organization made pursuant to this section shall require the  
65 board of directors of such organization to:

66 1. Maintain confidentiality of data as set forth in § 32.1-325.3;

67 2. Submit a report to the Board, the Governor, and the General Assembly no later than October 1 of  
68 each year for the preceding fiscal year. Such report shall include a certified audit and provide  
69 information on the accomplishments, priorities, and current and planned activities of the nonprofit  
70 organization; and

71 3. Submit, as appropriate, strategic plans to the Board, the Governor, and the General Assembly  
72 recommending specific projects to be undertaken. In developing strategic plans, the nonprofit  
73 organization shall incorporate similar activities of other public and private entities to maximize the  
74 quality of projects and to minimize the cost of such projects. The nonprofit organization shall submit the  
75 first such strategic plan to the Board, the Governor, and the General Assembly by October 1, 2000.  
76 Such initial plan shall include recommendations for promoting quality of care of all long-term care  
77 providers and for funding all projects undertaken pursuant to this chapter. The approval of the Director  
78 shall be required prior to the implementation of any recommendations set forth in a strategic plan  
79 submitted pursuant to this section.

81 activities of the Director authorized by this section. Funding for services provided pursuant to any such  
82 contract or agreement may come from charges to nursing facilities for services, from general  
83 appropriations, and from civil money penalty funds.

84 § 32.1-353.5. (Effective until July 1, 2003) Responsibilities of Virginia Department of Health.

85 The Virginia Department of Health shall cooperate with and provide to the nonprofit organization  
86 copies of surveys and any other relevant documents regarding nursing facilities (1) that are not in  
87 substantial compliance after the first re-visit; or (2) that are not in substantial compliance at the annual  
88 survey visit if there is a history of non-compliance and the certified nursing facility incurs a "G" or  
89 higher citation or substandard quality of care pursuant to Board of Health regulations. Such documents  
90 shall be provided to the nonprofit organization no later than seven days after the completion of the  
91 documents unless the certified nursing facility objects to the furnishing of this information. In addition,  
92 the Virginia Department of Health shall make available current information about survey regulations,  
93 policies, and other materials relating to survey activities.
