91 The initial report may be an oral report but such report shall be reduced to writing by the child
92 abuse coordinator of the local department on a form prescribed by the State Board of Social Services.
93 The person required to make the report shall disclose all information which is the basis for his suspicion
94 of abuse or neglect of the child and, upon request, shall make available to the child-protective services
95 coordinator and the local department investigating the reported case of child abuse or neglect any

104 birth that the child has an illness, disease or condition which, to a reasonable degree of medical
105 certainty, is attributable to in utero exposure to a controlled substance which was not prescribed by a
106 physician for the mother or the child, or (iv) a diagnosis by an attending physician made within seven
107 days of a child's birth that the child has fetal alcohol syndrome attributable to in utero exposure to
108 alcohol. When "reason to suspect" is based upon this subsection, such fact shall be included in the
109 report along with the facts relied upon by the person making the report.

110 B. Any person required to file a report pursuant to this section who fails to do so within seventy-two
111 hours of his first suspicion of child abuse or neglect shall be fined not more than \$500 for the first

113 § 63.1-248.4. Complaints by others of certain injuries to children.

114 Any person who suspects that a child is an abused or neglected child may make a complaint
115 concerning such child, except as hereinafter provided, to the local department of the county or city
116 wherein the child resides or wherein the abuse or neglect is believed to have occurred or to the
117 Department of Social Services' toll-free child abuse and neglect hotline. If an employee of the local
118 department is suspected of abusing or neglecting a child, the complaint shall be made to the juvenile
119 and domestic relations district court of the county or city where the abuse or neglect was discovered.
120 Upon receipt of such a report by the court, the judge of the juvenile and domestic relations district court
121 shall assign the report to a local department of social services that is not the employer of the suspected

employee for investigation; or, if the judge believes that no local department of social services in a reasonable geographic distance can be impartial in investigating the reported case, the judge shall assign the report to the court service unit of his court for investigation. § 63.1-248.6. Local departments to establish child-protective services; duties.

A. Each local department shall establish child-protective services under a departmental coordinator within such department or with one or more adjacent local departments which shall be staffed with qualified personnel pursuant to regulations promulgated by the State Board of Social Services. The local department shall be the public agency responsible for receiving and investigating complaints and reports, except that (i) in cases where the reports or complaints are to be made to the juvenile and domestic relations district court and the judge determines that no local department of social services within a reasonable geographic distance can impartially investigate the report, the court shall be responsible for the investigation and (ii) in cases where an employee at a private or state-operated hospital, institution or other facility, ~~or an employee of a school board~~ is suspected of abusing or neglecting a child in such hospital, institution or other facility, ~~or public school~~, the local department shall request the Department to assist in conducting the investigation in accordance with rules and regulations approved by the State Board.

B. The local department shall ensure, through its own personnel or through cooperative arrangements with other local agencies, that personnel who investigate reports or complaints that an employee of a private or state-operated hospital, institution or other facility, or an employee of a school board, abused or neglected a child in such hospital, institution or other facility, or public school, are qualified and assisted by the Department in accordance with State Board regulations.

C. The local department shall ensure, through its own personnel or through cooperative arrangements with other local agencies, the capability of receiving reports or complaints and responding to them promptly on a twenty-four-hours-a-day, seven-days-per-week basis.

D. The local department shall widely publicize a telephone number for receiving complaints and reports.

E. The local department shall upon receipt of a report or complaint:

1. Make immediate investigation and, if the report or complaint was based upon one of the factors specified in subsection A1 of § 63.1-248.3, the department may file a petition pursuant to § 16.1-241.3;

2. When investigation of a complaint reveals cause to suspect abuse or neglect, complete a report and transmit it forthwith to the central registry, except that no such report shall be transmitted in cases in which the cause to suspect abuse or neglect is one of the factors specified in subsection A1 of § 63.1-248.3, if the mother sought substance abuse counseling or treatment prior to the child's birth;

3. When abuse or neglect is found, arrange for necessary protective and rehabilitative services to be provided to the child and his family;

4. If removal of the child or his siblings from their home is deemed necessary, petition the court for such removal;

5. Report immediately to the attorney for the Commonwealth and the local law-enforcement agency and make available to them the records of the local department when abuse or neglect is suspected in any case involving (i) death of a child; (ii) injury or threatened injury to the child in which a felony or Class 1 misdemeanor is also suspected; (iii) any sexual abuse, suspected sexual abuse or other sexual offense involving a child, including but not limited to the use or display of the child in sexually explicit visual material, as defined in § 18.2-374.1; (iv) any abduction of a child; (v) any felony or Class 1 misdemeanor drug offense involving a child; or (vi) contributing to the delinquency of a minor in violation of § 18.2-371, and provide the attorneys for the Commonwealth and the local law-enforcement agency with records of any complaints of abuse or neglect involving the victim or the alleged perpetrator. The local department shall not allow reports of the death of the victim from other local agencies to substitute for direct reports to the attorney for the Commonwealth and the local law-enforcement agency;

6. Send a follow-up report based on the investigation to the central registry within fourteen days and at subsequent intervals to be determined by Board regulations;

7. Determine within forty-five days if a report of abuse or neglect is founded or unfounded and transmit a report to such effect to the central registry and to the person who is the subject of the investigation. However, upon written justification by the local department, such determination may be extended, not to exceed a total of sixty days. If through the exercise of reasonable diligence the

183 department is unable to find the child who is the subject of the report, the time the child cannot be
184 found shall not be computed as part of the forty-five-day or sixty-day period and documentation of such
185 reasonable diligence shall be placed in the record;

186 8. If a report of abuse or neglect is unfounded, transmit a report to such effect to the complainant
187 and parent or guardian and the person responsible for the care of the child in those cases where such
188 person was suspected of abuse or neglect;

189 9. When abuse or neglect is suspected in any case involving the death of a child, report the case
190 immediately to the regional medical examiner and the local law-enforcement agency;

191 10. Use reasonable diligence to locate (i) any child for whom a report of suspected abuse or neglect
192 has been received and is under investigation or for whom a founded determination of abuse and neglect
193 has been made and a child protective services case opened and (ii) persons who are the subject of a
194 report that is under investigation, if the whereabouts of the child or such persons are unknown to the
195 local department;

196 11. When an abused or neglected child and the persons who are the subject of an open child
197 protective services case have relocated out of the jurisdiction of the local department, notify the child
198 protective services agency in the jurisdiction to which such persons have relocated, whether inside or
199 outside of the Commonwealth, and forward to such agency relevant portions of the case record. The
200 receiving local department shall arrange protective and rehabilitative services as required by this section;
201 and

202 12. When a child for whom a report of suspected abuse or neglect has been received and is under
203 investigation and the child and/or the child's parents or other persons responsible for the child's care who
204 are the subject of the report that is under investigation have relocated out of the jurisdiction of the local
205 department, notify the child protective services agency in the jurisdiction to which the child and/or such
206 persons have relocated, whether inside or outside of the Commonwealth, and complete such
207 investigation by requesting such agency's assistance in completing the investigation. The local
208 department that completes the investigation shall forward to the receiving agency relevant portions of the
209 case record in order for the receiving agency to arrange protective and rehabilitative services as required
210 by this section.

211 F. The local department shall foster, when practicable, the creation, maintenance and coordination of
212 hospital and community-based multi-disciplinary teams which shall include where possible, but not be
213 limited to, members of the medical, mental health, social work, nursing, education, legal and
214 law-enforcement professions. Such teams shall assist the local departments in identifying abused and
215 neglected children; coordinating medical, social, and legal services for the children and their families;
216 developing innovative programs for detection and prevention of child abuse; promoting community
217 concern and action in the area of child abuse and neglect; and disseminating information to the general
218 public with respect to the problem of child abuse and neglect and the facilities and prevention and
219 treatment methods available to combat child abuse and neglect. These teams may be the family
220 assessment and planning teams established pursuant to § 2.1-753. Multi-disciplinary teams may develop
221 agreements regarding the exchange of information among the parties for the purposes of the
222 investigation and disposition of complaints of child abuse and neglect, delivery of services, and child
223 protection. Any information exchanged in accordance with the agreement shall not be considered to be a
224 violation of the provisions of § 63.1-53 or § 63.1-209.

225 The local department shall also coordinate its efforts in the provision of these services for abused and
226 neglected children with the judge and staff of the court.

227 G. The local department shall report annually on its activities concerning abused and neglected
228 children to the court and to the Child-Protective Services Unit in the Department on forms provided by
229 the Department.

230 H. Statements, or any evidence derived therefrom, made to local department child-protective services
231 personnel, or to any person performing the duties of such personnel, by any person accused of the
232 abuse, injury, neglect or death of a child after the arrest of such person, shall not be used in evidence in
233 the case in chief against such person in the criminal proceeding on the question of guilt or innocence

235 of his right to remain silent, (ii) that anything he says may be used against him in a court of law, (iii)
236 that he has a right to the presence of an attorney during any interviews, and (iv) that if he cannot afford
237 an attorney, one will be appointed for him prior to any questioning.

238 I. Notwithstanding any other provision of law, the local department, in accordance with Board
239 regulations, shall transmit information regarding founded complaints and may transmit other information
240 regarding reports, complaints, and investigations involving active duty military personnel or members of
241 their household to family advocacy representatives of the United States Armed Forces.
