

VIRGINIA ACTS OF ASSEMBLY — CHAPTER

An Act to amend and reenact § 20-108.2 of the Code of Virginia, relating to child support guidelines.

[S 275]

Approved

Be it enacted by the General Assembly of Virginia:

1. That § 20—108.2 of the Code of Virginia is amended and reenacted as follows:

§ 20-108.2. Guideline for determination of child support.

A. There shall be a rebuttable presumption in any judicial or administrative proceeding for child support under this title or Title 16.1 or 63.1, including cases involving split custody or shared custody, that the amount of the award which would result from the application of the guidelines set forth in this section is the correct amount of child support to be awarded. In order to rebut the presumption, the court shall make written findings in the order as set out in § 20-108.1, which findings may be incorporated by reference, that the application of the guidelines would be unjust or inappropriate in a particular case as determined by relevant evidence pertaining to the factors set out in §§ 20-107.2 and 20-108.1. The Department of Social Services shall set child support at the amount resulting from computations using the guidelines set out in this section pursuant to the authority granted to it in Chapter 13 (§ 63.1-249 et seq.) of Title 63.1 and subject to the provisions of § 63.1-264.2.

B. For purposes of application of the guideline, a basic child support obligation shall be computed using the schedule set out below. For combined monthly gross income amounts falling between amounts shown in the schedule, basic child support obligation amounts shall be extrapolated. However, *unless one of the following exemptions applies where the combined monthly gross income is less than \$599, the presumptive child support obligation shall be \$65 per month sole custody child support obligation as computed pursuant to subdivision G 1 is less than \$65 per month, there shall be a presumptive minimum child support obligation of \$65 per month payable by the payor parent. Exemptions from this presumptive minimum monthly child support obligation shall include: parents unable to pay child support because they lack sufficient assets from which to pay child support and who, in addition, are institutionalized in a psychiatric facility; are imprisoned with no chance of parole; are medically verified to be totally and permanently disabled with no evidence of potential for paying child support, including recipients of Supplemental Security Income (SSI); or are otherwise involuntarily unable to produce income.* "Number of children" means the number of children for whom the parents share joint legal responsibility and for whom support is being sought.

240 For gross monthly income over \$50,000, add the amount of child support for \$50,000 to the
 241 following percentages of gross income above \$50,000:

242	ONE	TWO	THREE	FOUR	FIVE	SIX
243	CHILD	CHILDREN	CHILDREN	CHILDREN	CHILDREN	CHILDREN
244	1%	2%	3%	4%	5%	6%

246 C. For purposes of this section, "gross income" means all income from all sources, and shall include,
 247 but not be limited to, income from salaries, wages, commissions, royalties, bonuses, dividends, severance
 248 pay, pensions, interest, trust income, annuities, capital gains, social security benefits except as listed
 249 below, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits,
 250 veterans' benefits, spousal support, rental income, gifts, prizes or awards.

251 If a parent's gross income includes disability insurance benefits, it shall also include any amounts
 252 paid to or for the child who is the subject of the order and derived by the child from the parent's
 253 entitlement to disability insurance benefits. To the extent that such derivative benefits are included in a
 254 parent's gross income, that parent shall be entitled to a credit against his or her ongoing basic child
 255 support obligation for any such amounts, and, if the amount of the credit exceeds the parent's basic child
 256 support obligations, the credit may be used to reduce arrearages.

257 Gross income shall be subject to deduction of reasonable business expenses for persons with income
 258 from self-employment, a partnership, or a closely held business. "Gross income" shall not include
 259 benefits from public assistance programs as defined in § 63.1-87, federal supplemental security income
 260 benefits, or child support received. For purposes of this subsection, spousal support included in gross
 261 income shall be limited to spousal support paid pursuant to a pre-existing order or written agreement
 262 and spousal support shall be deducted from the gross income of the payor when paid pursuant to a
 263 pre-existing order or written agreement between the parties to the present proceeding.

264 In cases in which retroactive liability for support is being determined, the court or administrative
 265 agency may use the gross monthly income of the parties averaged over the period of retroactivity.

266 D. Any extraordinary medical and dental expenses for treatment of the child or children shall be
 267 added to the basic child support obligation. For purposes of this section, extraordinary medical and
 268 dental expenses are uninsured expenses in excess of \$100 for a single illness or condition and shall
 269 include but not be limited to eyeglasses, prescription medication, prostheses, and mental health services
 270 whether provided by a social worker, psychologist, psychiatrist, or counselor.

271 E. Any costs for health care coverage as defined in § 63.1-250, when actually being paid by a parent,
 272 to the extent such costs are directly allocable to the child or children, and which are the extra costs of
 273 covering the child or children beyond whatever coverage the parent providing the coverage would
 274 otherwise have, shall be added to the basic child support obligation.

275 F. Any child-care costs incurred on behalf of the child or children due to employment of the
 276 custodial parent shall be added to the basic child support obligation. Child-care costs shall not exceed
 277 the amount required to provide quality care from a licensed source. When requested by the noncustodial
 278 parent, the court may require the custodial parent to present documentation to verify the costs incurred
 279 for child care under this subsection. Where appropriate, the court shall consider the willingness and
 280 availability of the noncustodial parent to provide child care personally in determining whether child-care
 281 costs are necessary or excessive.

282 G. 1. Sole custody support. The sole custody total monthly child support obligation shall be

established by adding (i) the monthly basic child support obligation, as determined from the schedule contained in subsection B of this section, (ii) all extraordinary medical expenses, (iii) costs for health care coverage to the extent allowable by subsection E, and (iv) work-related child-care costs and taking into consideration all the factors set forth in subsection B of § 20-108.1. The total monthly child support obligation shall be divided between the parents in the same proportion as their monthly gross incomes bear to their monthly combined gross income. The monthly obligation of each parent shall be computed by multiplying each parent's percentage of the parents' monthly combined gross income by the total monthly child support obligation.

However, the monthly obligation of the noncustodial parent shall be reduced by the cost for health care coverage to the extent allowable by subsection E when paid directly by the noncustodial parent.

2. Split custody support. In cases involving split custody, the amount of child support to be paid shall be the difference between the amounts owed by each parent as a noncustodial parent, computed in accordance with subdivision 1 of this subsection, with the noncustodial parent owing the larger amount paying the difference to the other parent.

For the purpose of this section and § 20-108.1, split custody shall be limited to those situations where each parent has physical custody of a child or children born of the parents, born of either parent and adopted by the other parent or adopted by both parents. For the purposes of calculating a child support obligation where split custody exists, a separate family unit exists for each parent, and child support for that family unit shall be calculated upon the number of children in that family unit who are born of the parents, born of either parent and adopted by the other parent or adopted by both parents. Where split custody exists, a parent is a custodial parent to the children in that parent's family unit and is a noncustodial parent to the children in the other parent's family unit.

3. Shared custody support.

(a) Where a party has custody or visitation of a child or children for more than ninety days of the year, as such days are defined in subdivision G 3 (c), a shared custody child support amount based on the ratio in which the parents share the custody and visitation of any child or children shall be calculated in accordance with this subdivision. The presumptive support to be paid shall be the shared custody support amount, unless a party affirmatively shows that the sole custody support amount calculated as provided in subdivision G 1 is less than the shared custody support amount. If so, the lesser amount shall be the support to be paid. For the purposes of this subsection, the following shall apply:

(i) Income share. "Income share" means a parent's percentage of the combined monthly gross income of both parents. The income share of a parent is that parent's gross income divided by the combined gross incomes of the parties.

(ii) Custody share. "Custody share" means the number of days that a parent has physical custody, whether by sole custody, joint legal or joint residential custody, or visitation, of a shared child per year divided by the number of days in the year. The actual or anticipated "custody share" of the parent who has or will have fewer days of physical custody shall be calculated for a one-year period. The "custody share" of the other parent shall be presumed to be the number of days in the year less the number of days calculated as the first parent's "custody share." For purposes of this calculation, the year may begin on such date as is determined in the discretion of the court, and the day may begin at such time as is determined in the discretion of the court. For purposes of this calculation, a day shall be as defined in subdivision G 3 (c).

(iii) Shared support need. "Shared support need" means the presumptive guideline amount of needed support for the shared child or children calculated pursuant to subsection B of this section, for the combined gross income of the parties and the number of shared children, multiplied by 1.4.

(iv) Sole custody support. "Sole custody support" means the support amount determined in accordance with subdivision G 1.

(b) Support to be paid. The shared support need of the shared child or children shall be calculated pursuant to subdivision G 3 (a) (iii). This amount shall then be multiplied by the other parent's custody share. To that sum for each parent shall be added the other parent's cost of health care coverage to the extent allowable by subsection E, plus the other parent's work-related child-care costs to the extent allowable by subsection F. This total for each parent shall be multiplied by that parent's income share. The support amounts thereby calculated that each parent owes the other shall be subtracted one from the other and the difference shall be the shared custody support one parent owes to the other, with the payor parent being the one whose shared support is the larger. Any extraordinary medical and dental expenses, to the extent allowable by subsection D, shall be shared directly by the parents in accordance with their income shares, and shall not be adjusted by the custody share, and this amount shall be added to the shared custody support amount as calculated herein.

(c) Definition of a day. For the purposes of this section, "day" means a period of twenty-four hours; however, where the parent who has the fewer number of overnight periods during the year has an

344 overnight period with a child, but has physical custody of the shared child for less than twenty-four
345 hours during such overnight period, there is a presumption that each parent shall be allocated one-half of
346 a day of custody for that period.

347 (d) Minimum standards. Any calculation under this subdivision shall not create or reduce a support
348 obligation to an amount which seriously impairs the custodial parent's ability to maintain minimal
349 adequate housing and provide other basic necessities for the child. If the gross income of the payee is
350 equal to or less than 150 percent of the federal poverty level promulgated by the U.S. Department of
351 Health and Human Services from time to time, there shall be a presumption that the sole custody
352 guideline calculation shall apply.

353 (e) Support modification. When there has been an award of child support based on the shared
354 custody formula and one parent consistently fails to exercise custody or visitation in accordance with the
355 parent's custody share upon which the award was based, there shall be a rebuttable presumption that the
356 support award should be modified.

357 H. The Secretary of Health and Human Resources shall ensure that the guideline set out in this
358 section is reviewed by July 1, 1990, and every four years thereafter, by a panel which includes
359 representatives of the courts, the executive branch, the General Assembly, the bar, custodial and
360 noncustodial parents and child advocates. The panel shall determine the adequacy of the guideline for
361 the determination of appropriate awards for the support of children by considering current research and
362 data on the cost of and expenditures necessary for rearing children, and any other resources it deems
363 relevant to such review. The panel shall report its findings to the General Assembly before it next
364 convenes following such review.
