[S 1222]

Approved March 6, 2001

Be it enacted by the General Assembly of Virginia:

Whenever any law-enforcement officer so assumes control of traffic, all drivers of vehicles shall obey his signals.

B. Law-enforcement officers and uniformed school crossing guards may assume control of traffic otherwise controlled by lights, and in such event, signals by such officers and uniformed crossing guards shall take precedence over such traffic control devices.

C. *Uniformed school crossing guards may control traffic at any marked school crossing, whether such crossing is at an intersection or another location.*
