HOUSE BILL NO. 1619

Offered January 10, 2001

Prefiled November 21, 2000

A BILL to amend and reenact § 46.2-750 of the Code of Virginia, relating to license plates displayed on vehicles owned by the Commonwealth and its political subdivisions.

Patron—Sherwood

Referred to Committee on Transportation

Be it enacted by the General Assembly of Virginia:**1. That § 46.2-750 of the Code of Virginia is amended and reenacted as follows:**

§ 46.2-750. Vehicles of Commonwealth and subdivisions.

A. Motor vehicles, trailers, and semitrailers owned by the Commonwealth and political subdivisions thereof and used solely for governmental purposes shall be registered and shall display license plates as provided in this section. The fee for such license plates shall be equal to the cost incurred by the Department in the purchase or manufacture of such license plates. The fees received by the Commissioner under this section shall be paid into the state treasury and shall be set aside as a special fund to be used to meet the expenses of the Department of Motor Vehicles.

License plates issued for vehicles owned by the Commonwealth, except plates issued to be used (i) on vehicles devoted solely to police work, (ii) by the Virginia Economic Development Partnership to the extent approved by the Governor, or (iii) by the Governor and the Attorney General, shall have conspicuously and legibly inscribed, stamped, or printed thereon words stating that the vehicle is for official state use only. The Commissioner shall reserve a unique series of numbers for use on such license plates and shall provide for a design and combination of colors which distinguish such license plates from those issued for vehicles owned by the political subdivisions of the Commonwealth.

License plates issued for vehicles owned by political subdivisions of the Commonwealth, except such plates issued to be used (i) on vehicles used by any local or regional economic development authority, agency, instrumentality, or organization, upon the request of the chief administrative officer of the affected locality (or, in the case of regional organizations, the chief administrative officer of any of the affected localities), ~~or~~ (ii) on vehicles devoted solely to police work, *and (iii) vehicles used exclusively by the chief administrative officer of a locality, upon his request,* shall have conspicuously and legibly inscribed, stamped, or printed thereon words stating that the vehicle is for official local government use only. The Commissioner shall reserve a unique series of numbers for use on such license plates and shall provide for a design and combination of colors which distinguish such license plates from those issued for vehicles owned by the Commonwealth.

License plates issued for vehicles owned by the Commonwealth and the political subdivisions thereof which have inscribed, stamped, or printed thereon the words "Public Use" may be used only on the vehicle for which they were issued prior to January 1, 1990, but in no case shall such license plates be used for any vehicle after December 31, 1992.

No other license plates shall be used on vehicles for which official use plates have been issued, except for vehicles used solely for police work and as provided in subsection B of this section.

B. In addition to any other license plate authorized by this section, the Commissioner may issue permanent or temporary license plates for use on vehicles owned by the Commonwealth or any of its departments, institutions, boards, or agencies and used for security or transportation purposes in conjunction with conferences, meetings, or other events involving the Governor or members of the General Assembly. No state agency shall use government funds to cover the costs of any license plates issued under this subsection. The design of these license plates shall be at the discretion of the Commissioner. These license plates shall be issued under the following conditions:

1. For each set of permanent license plates issued, the Commissioner shall charge a fee of \$100. The Commissioner shall limit the validity of any set of license plates issued under this subdivision to no more than thirty consecutive days. The Commissioner's written authorization for use of any set of license plates issued under this subdivision shall be kept in the vehicle on which the license plates are displayed until expiration of the authorization.

2. The Commissioner shall limit the validity of each set of temporary license plates to no more than fourteen consecutive days. For each set of temporary license plates, the Commissioner shall charge a fee of twenty-five dollars for the first set and two dollars for each additional set. The Commissioner's written authorization for use of any set of license plates issued under this subdivision shall be kept in the vehicle on which the license plates are displayed until expiration of the authorization.
