5 **Be it enacted by the General Assembly of Virginia:**6 **1. That § 46.2-932 of the Code of Virginia is amended and reenacted as follows:**7 § 46.2-932. Playing on highways; roller skates, skateboards, toys, or other devices on wheels or
8 runners; persons riding bicycles, mopeds, etc., not to attach to vehicles.9 A. No person shall play on a highway, other than on the sidewalks thereof, within a city or town or
10 on any part of a highway outside the limits of a city or town designated by the Commonwealth
11 Transportation Commissioner exclusively for vehicular travel. No person shall use roller skates,
12 skateboards, toys, or other devices on wheels or runners, except bicycles, mopeds, and motorcycles, on
13 highways where play is prohibited. The governing bodies of counties, cities, and towns may designate
14 areas on highways under their control where play is permitted and may impose reasonable restrictions on
15 play on such highways. If the highways have only two traffic lanes, persons using such devices, except
16 bicycles, mopeds, and motorcycles, shall keep as near as reasonably possible to the extreme left side or
17 edge of the left traffic lane so that they will be facing oncoming traffic at all times.18 No person riding on any bicycle, moped, roller skates, skateboards, toys, or other devices on wheels
19 or runners, shall attach the same or himself to any vehicle on a roadway.20 B. Notwithstanding the provisions of subsection A of this section, the governing body of any county
21 having a population of at least 170,000 but less than 200,000 may by ordinance permit the use of
22 devices on wheels or runners on highways under such county's control, subject to such limitations and
23 conditions as the governing body may deem necessary and reasonable.
