Referred to Committee on Transportation

**Be it enacted by the General Assembly of Virginia:****1. That § 46.2-498 of the Code of Virginia is amended and reenacted as follows:**

§ 46.2-498. Driver improvement clinics; voluntary attendance; limitation on attending clinics via the Internet.

A. Whenever the driving record of any person who is eighteen years old or older shows an accumulation of at least twelve demerit points based on convictions for traffic offenses committed within a period of twelve consecutive months, or at least eighteen demerit points based on convictions for traffic offenses committed within a period of twenty-four consecutive months, respectively, the Commissioner shall direct the person to attend a driver improvement clinic.

B. Except for those persons whose licenses are subject to the restrictions of § 46.2-334.01, whenever the driving record of a person under the age of eighteen years shows an accumulation of (i) at least nine points based on convictions for traffic offenses committed within a period of twelve consecutive months or (ii) at least twelve points based on convictions for traffic offenses committed within a period of twenty-four consecutive months, the Commissioner shall direct the person to attend a driver improvement clinic and such person shall be subject to probation pursuant to § 46.2-499.

C. Except as provided for in subsection D of this section and in §§ 46.2-334.01 and 46.2-505, every person who attends a driver improvement clinic conducted by the Department or those businesses, organizations, governmental entities or individuals certified by the Department to provide driver improvement clinic instruction and who satisfactorily completes the clinic shall have five demerit points subtracted from his total accumulation of demerit points, except in those instances where a person has not accumulated five demerit points, in which case a reduction in demerit points and/or the award of safe driving points will be made. No person shall be allowed to accumulate more than five safe driving points.

Safe driving points shall be awarded or reductions in premium charges, as set forth in § 38.2-2217, shall be received for the completion of a driver improvement clinic only once within a period of two years from the date a person satisfactorily completes the clinic. Persons shall be eligible to voluntarily attend a driver improvement clinic again for either safe driving points or a reduction in premium charges, whichever was not awarded or received previously, one year from the date of satisfactory completion of a driver improvement clinic in which safe driving points or a reduction in premium charges was received or awarded.

D. Any resident or nonresident person holding a valid license to drive a motor vehicle in Virginia, whether or not he has accumulated demerit points, may apply to any business, organization, governmental entity or individual certified by the Department to provide driver improvement clinic instruction for permission to attend a driver improvement clinic on a voluntary basis. Such businesses, organizations, governmental entities or individuals may, when seating space is available, schedule the person to attend a driver improvement clinic.

Persons who voluntarily attend and satisfactorily complete a driver improvement clinic shall be eligible (i) to have five demerit points subtracted from their total accumulation of demerit points, except in those instances where a person has not accumulated five demerit points, in which case a reduction in demerit points and/or the award of safe driving points will be made, or (ii) to receive a reduction in premium charges as set forth under § 38.2-2217, either of which, but not both, shall be awarded or received no more than once in a two-year period, as set forth in subsection C of this section. Such persons shall inform the business, organization or individual providing instruction if they are attending to be awarded safe driving points or to receive a reduction in premium charges as set forth under § 38.2-2217.

E. No person who is directed by a court or by the Commissioner to attend a driver improvement clinic, having once attended such a clinic via the Internet, shall, if directed by a court or by the Commissioner for a second or subsequent time to attend a driver improvement clinic, be permitted to attend such clinic via the Internet.
