Offered January 10, 2001

Prefiled January 10, 2001

*A BILL to amend and reenact §§ 3.1-530.1, 3.1-530.2, 3.1-530.10, and 9-6.14:4.1 of the Code of Virginia and to amend the Code of Virginia by adding in Article 3.1 of Chapter 21 of Title 3.1 a section numbered 3.1-530.11, relating to regulation of milk and milk products; penalty.*

Patron—Hanger

Referred to Committee on Agriculture, Conservation and Natural Resources

**Be it enacted by the General Assembly of Virginia:**

**1. That §§ 3.1-530.1, 3.1-530.2, 3.1-530.10, and 9-6.14:4.1 of the Code of Virginia are amended and reenacted, and that the Code of Virginia is amended by adding in Article 3.1 of Chapter 21 of Title 3.1 a section numbered 3.1-530.11, as follows:**

§ 3.1-530.1. Board authorized to establish standards, adopt regulations, etc.; advice and guidance of State Health Commissioner.

A. The State Board of Agriculture and Consumer Services is authorized to establish definitions, standards of quality and identity and to adopt and enforce regulations dealing with the issuance of permits, production, importation, processing, grading, labeling and sanitary standards for milk, milk products, market milk, market milk products and those products manufactured or sold in semblance to or as substitutes therefor. Regulations concerning the processing and distributing of Grade A market milk and Grade A market milk products shall be adopted with the advice and guidance of the State Health Commissioner or his authorized representative. Regulations concerning the conditions under which the permits referred to in § 3.1-530.4 shall be issued will be promulgated by the Board. The Board may require permits in addition to those prescribed by the terms of this article, and shall promulgate regulations concerning the conditions under which such additional permits shall be issued.

B. In adopting any regulation pursuant to this section, the Board may adopt by reference:

1. Any regulation or part thereof under federal law that pertains to milk or milk products, amending the federal regulation as necessary for intrastate application.

2. Any model ordinance or regulation issued under federal law, including the Pasteurized Milk Ordinance (Public Health Service/Food and Drug Administration Publication Number 229) and the United States Department of Agriculture's Milk for Manufacturing Purposes and its Production and Processing Recommended Requirements (hereafter "the USDA Recommended Requirements"), amending it as necessary for intrastate application and to (i) require milk on each dairy farm to be cooled and stored at a temperature of forty degrees Fahrenheit or less, but not frozen; (ii) require the use of recording thermometers and interval timers on every milk storage tank installed on a permitted Grade A milk dairy farm; (iii) specify the design, fabrication, installation, inspection, and record keeping necessary for the proper use of such thermometers and timers; (iv) establish a definition for small-scale processors of cheese under the dairy plant processing requirements contained in the USDA Recommended Requirements; and (v) create exemptions for small-scale processors of cheese from the USDA Recommended Requirements regarding processing requirements for dairy plants, provided such exemptions do not compromise food safety.

3. Any reference, standard, or part thereof relating to milk, milk products or milk production published by the American Society of Agricultural Engineers, the American Public Health Association, the American Society of Mechanical Engineers, or the International Association of Food Protection.

4. Any method of analysis relating to milk or milk products including, but not limited to, any method of analysis published by the United States Public Health Service, the Association of Official Analytical Chemists, or the American Public Health Association.

C. Any regulation adopted pursuant to this section shall, unless a later effective date is specified in the regulation, be effective upon filing with the Registrar of Regulations, who shall publish the regulation as a final regulation in the Virginia Register of Regulations. Neither the provisions of the Administrative Process Act (§ 9-6.14:1 et seq.) nor public participation guidelines adopted pursuant thereto shall apply to the adoption of any regulation pursuant to this section. Prior to promulgating any regulation pursuant to this section, the Board shall publish a notice of opportunity to comment in the Virginia Register of Regulations. The notice of opportunity to comment shall contain (i) a summary of the proposed regulation; (ii) instructions on how to obtain the complete text of the proposed regulation; and (iii) the name, address, and telephone number of the agency contact person responsible for receiving public comments. The notice of opportunity to comment shall be made at least ninety days in

INTRODUCED

SB1164

59 *advance of the last date prescribed in the notice for submittals of public comment. The Board shall*  
60 *consider and keep on file all public comments received for any regulation adopted pursuant to this*  
61 *section.*

62 § 3.1-530.2. Conformity with recommendations, etc., of United States Department of Health,  
63 Education and Welfare and Department of Agriculture; application of Administrative Process Act.

64 In adopting regulations for the purpose of sanitation and to prevent deception, the Board shall be  
65 guided by those regulations recommended from time to time by the United States Department of Health,  
66 Education and Welfare and the United States Department of Agriculture. The definitions and standards  
67 so promulgated may conform, so far as practical, to the definitions and standards promulgated or  
68 recommended by the Secretary of the United States Department of Health, Education and Welfare. The  
69 regulations authorized by ~~§ 3.1-530.4~~ and this section shall be adopted in accordance with the  
70 Administrative Process Act (§ 9-6.14:1 et seq.).

71 § 3.1-530.10. Civil penalties.

72 A. In addition to the penalties prescribed in § 3.1-530.9, any person violating any provision of this  
73 article or regulation adopted thereunder may be assessed a civil penalty by the Commissioner for each  
74 violation in an amount not to exceed \$1,000; ~~provided, however, that any civil penalty which the~~  
75 ~~Commissioner assesses against a person as a consequence of a positive test for animal drug residues in~~  
76 ~~milk shall not exceed \$100.~~ Any civil penalty may be in lieu of suspension of a permit issued pursuant  
77 to § 3.1-530.1. In determining the amount of any civil penalty, the Commissioner shall give due  
78 consideration to (i) the previous violations committed by the person; (ii) the seriousness of the violation;  
79 and (iii) the demonstrated good faith of the person charged in attempting to achieve compliance with  
80 this article or regulation adopted thereunder after notification of the violation. Any civil penalty shall be  
81 in addition to any payment which may be required for the wholesale value of all milk and milk products  
82 which must be destroyed as a consequence of such violation.

83 B. A civil penalty may be assessed by the Commissioner only after the Commissioner has given the  
84 person charged with a violation an opportunity for a public hearing. Where such a public hearing has  
85 been held, the Commissioner shall make findings of fact and issue a written decision as to the  
86 occurrence of the violation and the amount of the penalty which is warranted, incorporating, when  
87 appropriate, an order therein requiring that the penalty be paid. When appropriate, the Commissioner  
88 shall consolidate such hearings with other proceedings pursuant to the provisions of this chapter. Any  
89 hearing under this section shall be a formal adjudicatory hearing in accordance with the Administrative  
90 Process Act (§ 9-6.14:1 et seq.). When the person charged with such a violation fails to avail himself of  
91 the opportunity for a public hearing, a civil penalty shall be assessed by the Commissioner after the  
92 Commissioner determines that a violation has occurred and the amount of the penalty warranted, and  
93 issues an order requiring that the penalty be paid.

94 C. Civil penalties assessed under this section shall be paid into the general fund of the state treasury.  
95 The Board shall prescribe procedures for payment of civil penalties. The procedures shall include  
96 provisions for a person to consent to abatement of the alleged violation and pay a penalty or negotiated  
97 sum in lieu of such penalty without admission of civil liability arising from such alleged violation.

98 D. Final orders may be recorded, enforced and satisfied as orders or decrees of a circuit court upon  
99 certification of such orders by the Commissioner. Such orders may be appealed in accordance with the  
100 provisions of the Administrative Process Act (§ 9-6.14:1 et seq.).

101 E. Nothing in this section shall require the Commissioner to institute proceedings for the imposition  
102 of civil penalties if the Commissioner considers the violations of this article to be minor. In such cases,  
103 the Commissioner may serve a suitable notice of warning in writing when he believes that the public  
104 interest will be served by so doing.

105 *F. The penalty provisions of this section shall not apply to violations of this article or any regulation*  
106 *adopted thereunder with respect to excessive drug residue. The penalty for any such violation shall be*  
107 *as provided in § 3.1-530.11.*

108 § 3.1-530.11. Excessive drug residue; penalty.

109 A. For the purposes of this section,

110 "Dairy farm" means any farm producing Grade A milk or milk for manufacturing purposes.

111 "Excessive drug residue" means drug residue that is (i) greater than the value specified as a safe  
112 level by the United States Food and Drug Administration; (ii) equal to or greater than the value  
113 specified as the minimum actionable level by the United States Food and Drug Administration; or (iii)  
114 greater than the value specified as the maximum tolerance level established by federal law. In the event  
115 that no safe level, actionable level, or tolerance level for drug residue has been established under  
116 federal law, any drug residue shall be deemed to exceed the safe level, minimum actionable level, or  
117 tolerance level of drug residue.

118 "Official drug test" means a test (i) performed by a laboratory that is certified by the Interstate Milk  
119 Shippers (IMS) and listed as certified in the IMS List Sanitation Compliance and Enforcement Ratings  
120 of Interstate Milk Shippers published by the United States Food and Drug Administration; (ii) performed

in a laboratory operated by the Commonwealth of Virginia; or (iii) performed using a method that has been reviewed and accepted by the United States Public Health Service, the Association of Official Analytical Chemists, or the American Public Health Association.

B. Where an official drug test detects the presence of excessive drug residue in milk produced at a dairy farm, the Commissioner may (i) assess a civil penalty not to exceed \$100 against the operator of the dairy farm or (ii) order the suspension of any permit issued to the operator pursuant to § 3.1-530.1. No civil penalty shall be assessed and no suspension shall be ordered under this section unless the operator of the dairy farm has been given the opportunity for an informal fact-finding conference pursuant to § 9-6.14:11. If the matter is not resolved by the informal fact-finding conference or the operator of the dairy farm is dissatisfied with the Commissioner's decision from the informal fact-finding conference, the operator may request a second informal fact-finding conference. Any such request shall be submitted by the operator to the Commissioner within thirty days after the operator's receipt of the decision. The Commissioner in his discretion may grant or deny such request.

Nothing in this section shall be construed to require the Commissioner to hold a formal hearing pursuant to § 9-6.14:12 prior to the assessment of a civil penalty or the suspension of a permit pursuant to this section.

C. If the Commissioner assesses a civil penalty pursuant to this section and the operator of the dairy farm fails to pay the civil penalty in a timely manner, the Commissioner shall suspend any permit issued pursuant to § 3.1-530.1 to the operator.

D. Civil penalties assessed under this section shall be paid into the general fund of the state treasury. The Board shall prescribe procedures for payment of civil penalties. The procedures shall include provisions for a person to consent to abatement of the alleged violation and pay a penalty or negotiated sum in lieu of such penalty without admission of civil liability arising from such alleged violation.

239 22. The types of pari-mutuel wagering pools available for live or simulcast horse racing.

240 23. The administration of medication or other substances foreign to the natural horse.

241 C. The following agency actions otherwise subject to this chapter and § 9-6.18 of the Virginia  
242 Register Act are excluded from the operation of Article 2 (§ 9-6.14:7.1 et seq.) of this chapter:

243 1. Agency orders or regulations fixing rates or prices.

244 2. Regulations which establish or prescribe agency organization, internal practice or procedures,  
245 including delegations of authority.

246 3. Regulations which consist only of changes in style or form or corrections of technical errors. Each  
247 promulgating agency shall review all references to sections of the Code of Virginia within their  
248 regulations each time a new supplement or replacement volume to the Code of Virginia is published to  
249 ensure the accuracy of each section or section subdivision identification listed.

250 4. Regulations which:

251 (a) Are necessary to conform to changes in Virginia statutory law or the appropriation act where no  
252 agency discretion is involved;

253 (b) Are required by order of any state or federal court of competent jurisdiction where no agency  
254 discretion is involved; or

255 (c) Are necessary to meet the requirements of federal law or regulations, provided such regulations  
256 do not differ materially from those required by federal law or regulation, and the Registrar has so  
257 determined in writing; notice of the proposed adoption of these regulations and the Registrar's above  
258 determination shall be published in the Virginia Register not less than thirty days prior to the effective  
259 date thereof.

260 5. Regulations which an agency finds are necessitated by an emergency situation. For the purposes of  
261 this subdivision, "emergency situation" means (i) a situation involving an imminent threat to public  
262 health or safety or (ii) a situation in which Virginia statutory law or the appropriation act or federal law  
263 or federal regulation requires that a regulation shall be effective in 280 days or less from enactment of  
264 the law or the appropriation act or the effective date of the federal regulation, and the regulation is not  
265 exempt under the provisions of subdivision C 4 of this section. In such cases, the agency shall state in  
266 writing the nature of the emergency and of the necessity for such action and may adopt such  
267 regulations. Pursuant to § 9-6.14:9, such regulations shall become effective upon approval by the  
268 Governor and filing with the Registrar of Regulations. Such regulations shall be limited to no more than  
269 twelve months in duration. During the twelve-month period, an agency may issue additional emergency  
270 regulations as needed addressing the subject matter of the initial emergency regulation, but any such  
271 additional emergency regulations shall not be effective beyond the twelve-month period from the  
272 effective date of the initial emergency regulation. If the agency wishes to continue regulating the subject  
273 matter governed by the emergency regulation beyond the twelve-month limitation, a regulation to replace  
274 the emergency regulation shall be promulgated in accordance with Article 2 (§ 9-6.14:7.1 et seq.) of this  
275 chapter. The Notice of Intended Regulatory Action to promulgate a replacement regulation shall be filed  
276 with the Registrar within sixty days of the effective date of the emergency regulation and published as  
277 soon as practicable, and the proposed replacement regulation shall be filed with the Registrar within 180  
278 days after the effective date of the emergency regulation and published as soon as practicable.

279 6. [Repealed.]

292 (§ 10.1-1300 et seq.) of Title 10.1 if the Board: (i) provides a Notice of Intended Regulatory Action in  
293 conformance with the provisions of subsection B of § 9-6.14:7.1, (ii) following the passage of thirty  
294 days from the publication of the Notice of Intended Regulatory Action forms a technical advisory  
295 committee composed of relevant stakeholders, including potentially affected citizens groups, to assist in  
296 the development of the general permit, (iii) provides notice and receives oral and written comment as  
297 provided in subsection F of § 9-6.14:7.1, and (iv) conducts at least one public hearing on the proposed  
298 general permit.

299 12. General permits issued by the State Water Control Board pursuant to the State Water Control  
300 Law (§ 62.1-44.2 et seq.), Chapter 24 (§ 62.1-242 et seq.) of Title 62.1 and Chapter 25 (§ 62.1-254 et  
301 seq.) of Title 62.1 if the Board: (i) provides a Notice of Intended Regulatory Action in conformance  
302 with the provisions of subsection B of § 9-6.14:7.1, (ii) following the passage of thirty days from the  
303 publication of the Notice of Intended Regulatory Action forms a technical advisory committee composed  
304 of relevant stakeholders, including potentially affected citizens groups, to assist in the development of

the general permit, (iii) provides notice and receives oral and written comment as provided in subsection F of § 9-6.14:7.1, and (iv) conducts at least one public hearing on the proposed general permit.

13. The development and issuance by the Board of Education of guidelines on constitutional rights and restrictions relating to the recitation of the pledge of allegiance to the American flag in public schools pursuant to § 22.1-202.

14. Regulations of the Board of the Virginia College Savings Plan promulgated pursuant to § 23-38.77.

15. The development and issuance of general wetlands permits by the Marine Resources Commission pursuant to subsection B of § 28.2-1307 if the Commission: (i) provides a Notice of Intended Regulatory Action in conformance with the provisions of subsection B of § 9-6.14:7.1, (ii) following the passage of thirty days from publication of the Notice of Intended Regulatory Action forms a technical advisory committee composed of relevant stakeholders, including potentially affected citizens groups, to assist in the development of the general permit, (iii) provides notice and receives oral and written comment as provided in subsection F of § 9-6.14:7.1, and (iv) conducts at least one public hearing on the proposed general permit.

Whenever regulations are adopted under this subsection, the agency shall state as part thereof that it will receive, consider and respond to petitions by any interested person at any time with respect to reconsideration or revision. The effective date of regulations adopted under this subsection shall be in accordance with the provisions of § 9-6.14:9.3, except in the case of emergency regulations, which shall become effective as provided in subsection B of § 9-6.14:9.

D. The following agency actions otherwise subject to this chapter are excluded from the operation of Article 3 (§ 9-6.14:11 et seq.) of this chapter:

1. The assessment of taxes or penalties and other rulings in individual cases in connection with the administration of the tax laws.

2. The award or denial of claims for workers' compensation.

3. The grant or denial of public assistance.

4. Temporary injunctive or summary orders authorized by law.

5. The determination of claims for unemployment compensation or special unemployment.

6. The suspension of any license, certificate, registration or authority granted any person by the Department of Health Professions or the Department of Professional and Occupational Regulation for the dishonor, by a bank or financial institution named, of any check, money draft or similar instrument used in payment of a fee required by statute or regulation.

E. Appeals from decisions of the Governor's Employment and Training Department otherwise subject to this chapter are excluded from the operation of Article 4 (§ 9-6.14:15 et seq.) of this chapter.

F. The Marine Resources Commission, otherwise subject to this chapter and § 9-6.18 of the Virginia Register Act, is excluded from the operation of subdivision C 5 of this section and of Article 2 (§ 9-6.14:7.1 et seq.) of this chapter.

G. A regulation for which an exemption is claimed under this section and which is placed before a board or commission for consideration shall be provided at least two days in advance of the board or commission meeting to members of the public that request a copy of that regulation. A copy of that regulation shall be made available to the public attending such meeting.

H. The Joint Legislative Audit and Review Commission shall conduct a review periodically of exemptions and exclusions authorized by this section. The purpose of this review shall be to assess whether there are any exemptions or exclusions which should be discontinued or modified.

I. Minor changes to regulations being published in the Virginia Administrative Code under the Virginia Register Act, Chapter 1.2 (§ 9-6.15 et seq.) of this title, made by the Virginia Code Commission pursuant to § 9-77.10:1 shall be exempt from the provisions of this chapter.
