## SENATE BILL NO. 841

Offered January 10, 2001

Prefiled December 20, 2000

A *BILL to create and empower the Tobacco Settlement Financing Corporation as an independent public corporation authorized to acquire from the Commonwealth its allocation of the tobacco settlement payments received from the Master Tobacco Settlement Agreement, entered into by forty-six states and the major tobacco manufacturers.*

Patron—Hawkins

Referred to Committee on Finance

**Be it enacted by the General Assembly of Virginia:**

1. § 1. *Short title. This Act may be referred to as the "Tobacco Settlement Financing Corporation Act."*  
 § 2. *Findings. The General Assembly hereby finds and declares as follows: A. The major United States tobacco manufacturers and forty-six states (including the Commonwealth of Virginia), the District of Columbia, the Commonwealth of Puerto Rico, Guam, the U.S. Virgin Islands, American Samoa and the Territory of the Northern Marianas have signed a Master Settlement Agreement (MSA) that should result in the Commonwealth's receiving substantial sums of money in perpetuity. Virginia has reached State-Specific Finality, the Master Settlement Agreement has become effective in accordance with its terms, and Virginia has begun receiving its allocation of the tobacco settlement payments made under the Master Settlement Agreement.*

*B. Tobacco is Virginia's number one cash crop. Although tobacco production occurs in many states, substantially all occurs in six states, including Virginia, in the southeastern United States. Virginia is home to tobacco growers, processors, warehouses and manufacturers. The relative prosperity of the tobacco industry directly influences the relative prosperity of the Commonwealth. Virginia derives income, sales and excise taxes directly and indirectly from the tobacco industry. Virginia derives a higher percentage of its general fund revenue directly and indirectly from the tobacco industry than do most other states.*

*C. The General Assembly has studied the techniques used recently by other jurisdictions to address their most critical needs and, in particular, the techniques used to convert future tobacco settlement payments receivable under the Master Settlement Agreement into current assets and thereby to reduce such jurisdictions' exposure to the payment risks associated with the Master Settlement Agreement and the credit risks associated with the tobacco industry and finds that many jurisdictions have sold their allocations of payments under the Master Settlement Agreement and applied the sale proceeds toward such needs.*

*D. The General Assembly has determined to authorize the Governor to sell a portion of the Commonwealth's tobacco assets to the corporation created hereby, such sale to transfer to the corporation that portion of the tobacco settlement payments allocable to the Commonwealth under the Master Settlement Agreement.*

*E. The General Assembly finds and determines that the optimum method for Virginia to convert its future tobacco settlement payments under the Master Settlement Agreement to current assets is one that does not require any increase in general taxes, that is not funded from taxes or other traditional general fund sources, that does not divert resources from other needs of the Commonwealth and that is non-recourse to, and requires no credit support by, the Commonwealth.*

*F. The General Assembly finds and determines that its creation of a special purpose corporation with power to issue obligations and use the proceeds to purchase from the Commonwealth its future tobacco settlement payments is compatible with the preceding paragraphs.*

§ 3. *Definitions. As used in this act:*

*"Agreement" shall mean the agreement or agreements referred to in this act between the Commonwealth, as seller of the Tobacco Assets, and the Corporation, as purchaser of the Tobacco Assets. The sale by the Commonwealth of the Tobacco Assets pursuant to any such agreement shall be a true sale and not a borrowing.*

*"Ancillary Contracts" means contracts described in subsection A of § 15 hereof.*

*"Board" means the Board of the Corporation.*

*"Bonds" means Tobacco Bonds and refunding bonds, notes and other evidences of indebtedness, issued by the Corporation pursuant to this act.*

*"Closing Date" means the date of delivery of the first issue of Tobacco Bonds.*

*"Commonwealth Allocation" means all money payable to the Commonwealth pursuant to the MSA.*

Corporation is vested (subject to § 8 and the other provisions hereof) with all the powers of a private corporation including, without limitation, the power to sue and be sued, to make contracts, to adopt and use a common seal and to alter the same and is further particularly authorized and empowered to:

1. Purchase the tobacco assets and, receive, or to authorize the indenture trustee to receive, as the same shall become due, the Tobacco Settlement Payments;
2. Adopt or alter or repeal any bylaws, rules or regulations as the Board may deem necessary or expedient;
3. Issue bonds as authorized by this act and refund any of such bonds;
4. Commence any action to protect or enforce any right conferred upon it by any law, contract or other agreement;
5. Pay its operating expenses;
6. Establish the residual trust; and
7. Do any and all other acts and things necessary, convenient, appropriate or incidental in carrying out the provisions of this act.

B. The Corporation is further authorized and empowered to incur obligations to pay its operating expenses in such form as may be authorized by the Corporation. This act shall govern the issuance of such obligations insofar as the same may be applicable.

C. The Corporation shall submit an annual report to the Governor, the Appropriations Committee of the House of Delegates and the Finance Committee of the Senate on or before November 1 of each year. Such report shall contain, at a minimum, the annual operating and financial statements of the Corporation for the year ending the preceding June 30. The annual report shall be distributed in accordance with the provisions of § 2.1-467.

D. Any funds held by the Corporation or by the indenture trustee may be invested and reinvested in securities that are legal investments under the laws of the Commonwealth for funds held by fiduciaries.

E. The Corporation, subject to such agreements with holders as may then exist, shall have power to purchase bonds out of any funds available therefor.

§ 7. Department of Treasury; Office of the Attorney General; Auditor of Public Accounts; consultants.A. The Department of the Treasury shall serve as staff to the Corporation.

B. The Office of the Attorney General shall serve as counsel to the Corporation, and the Corporation may employ or retain such other attorneys as it may deem necessary and fix their compensation.

C. The books and accounts of the Corporation shall be subject to audit not less than annually by the Auditor of Public Accounts or independent certified public accountants.

D. The Corporation may employ or retain such agents, financial advisers, accountants and consultants as it may deem necessary, and the provisions of any other law to the contrary notwithstanding, may determine their duties and compensation without the approval of any other agency or instrumentality of the Commonwealth.

E. The exercise of the powers granted by this act shall be in all respects for the benefit of the citizens of the Commonwealth and for the promotion of their welfare, convenience and prosperity. Property, whether real or personal or tangible or intangible, of the Corporation and the income and operations of the Corporation shall be exempt from taxation or assessments upon any property acquired or used by the Corporation under the provisions of this act.

F. The Corporation shall have perpetual existence. The Board of the Corporation may, however, wind up the affairs of the Corporation and terminate the existence of the Corporation at any time by making provisions for the discharge of all of its liabilities. All of the assets and property of the Corporation shall pass to and be vested in the Commonwealth upon the termination or dissolution of the Corporation.

§ 8. No bankruptcy. Prior to the date that is one year and one day after which the Corporation no longer has any bonds outstanding, the Corporation shall have no authority to file a voluntary petition under the federal bankruptcy code as it may, from time to time, be in effect, and neither any public officer nor any organization, entity or other person shall authorize the Corporation to be or become a debtor under the federal bankruptcy code during such period. The Commonwealth hereby covenants with the holders that the Commonwealth will not limit or alter the denial of authority under this paragraph during the period referred to in the preceding sentence.

§ 9. Exemptions from Public Procurement Act. The provisions of the Virginia Public Procurement Act (§11-35 et seq.) shall not apply to the Corporation.

§ 10. Jurisdiction of suits affecting corporation; service of process. The Circuit Court of the City of Richmond shall have exclusive jurisdiction of any suit brought by or against the Corporation, and process in such suit shall be served on the chairman of the Board.

§ 11. Sale of tobacco assets. To the extent set forth in the general appropriation and other acts, and subject to the limitations and conditions set forth in this section, the Governor is authorized to sell, from time to time, all or any portion of the Commonwealth allocation to the Corporation and, in particular,

182 to execute and deliver an agreement on the closing date. Such agreement shall provide that the  
183 purchase price payable by the Corporation to the Commonwealth for the tobacco assets sold (being up  
184 to and including 100 percent of the Commonwealth allocation from and after such date as shall be  
185 specified in the appropriation act) shall consist of the net proceeds (after financing costs) of each issue  
186 of tobacco bonds and the beneficial interest in the residual trust.

187 Any sale of tobacco assets shall be treated as a true sale and absolute transfer of the property so  
188 transferred and not as a pledge or other security interest for any borrowing. The characterization of  
189 such a sale as an absolute transfer by the participants shall not be negated or adversely affected if less  
190 than all of the Commonwealth allocation is transferred, nor by the Commonwealth's acquisition of an  
191 ownership interest in the residual trust or a subordinate interest in the tobacco assets, nor by any  
192 characterization of the Corporation or its bonds for purposes of accounting, taxation or securities  
193 regulation, nor by any other factor whatsoever.

194 § 12. Ownership of tobacco assets and tobacco settlement payments. On and after the effective date of  
195 each sale of tobacco assets, the Commonwealth shall have no right, title or interest in or to the tobacco  
196 assets sold; and the tobacco settlement payments shall be property of the Corporation and not of the  
197 Commonwealth, and shall be owned, received, held and disbursed by the Corporation or the indenture  
198 trustee and not the State Treasury. On or before the closing date and the effective date of any  
199 subsequent sale, the Commonwealth through the Attorney General shall notify the escrow agent under  
200 the MSA that the tobacco assets have been sold to the Corporation and irrevocably instruct such escrow  
201 agent that, subsequent to the closing date or other effective date, the tobacco settlement payments are to  
202 be paid directly to the indenture trustee for the account of the Corporation.

203 § 13. Issuance of bonds of Corporation. In order to provide funds for the direct or indirect use or benefit  
204 of the Commonwealth, the Board is hereby authorized to provide by resolution, at one time or from time  
205 to time, for the issuance of bonds of the Corporation in such amount or amounts as the Board shall  
206 determine. Such bonds shall be payable solely from funds of the Corporation, including, without  
207 limitation, all or any combination of the following sources: (i) tobacco settlement payments, (ii) the  
208 proceeds of the sale of any such bonds, (iii) earnings on funds of the Corporation or the indenture  
209 trustee, and (iv) such other funds as may become available, as shall be provided by the resolution of the  
210 Board authorizing any such bonds. Bonds issued under the provisions of this act shall not be deemed to  
211 constitute a debt of the Commonwealth or a pledge of the faith or credit of the Commonwealth, and all  
212 bonds shall contain on the face thereof a statement to the effect that neither the faith and credit nor the  
213 taxing power nor any other assets or revenues of the Commonwealth or of any political subdivision  
214 thereof is or shall be pledged to the payment of the principal of or the interest on such bonds.

215 The bonds of each issue shall be dated, shall bear interest (which may be includable or excludable in  
216 the gross income of the holders for federal income tax purposes) at such fixed or variable rates, payable  
217 at or prior to maturity, and shall mature at such time or times, as may be determined by the Board and  
218 may be made redeemable before maturity, at the option of the Corporation, at such price or prices and  
219 under such terms and conditions as may be fixed by the Board. The principal and interest of such bonds  
220 may be made payable in any lawful medium. The Board shall determine the form of the bonds,  
221 including any interest coupons to be attached thereto, and the manner of execution of the bonds and  
222 shall fix the denomination or denominations of the bonds and the place or places of payment of  
223 principal and interest thereof, which may be at any bank or trust company within or without the  
224 Commonwealth. If any officer whose signature or a facsimile thereof appears on any bonds or coupons  
225 shall cease to be such officer before the delivery of such bonds, such signature or facsimile shall  
226 nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such  
227 delivery. The bonds may be issued in coupon or in registered form or both, as the Board may  
228 determine, and provisions may be made for the registration of any coupon bonds as to principal alone  
229 and as to both principal and interest and for the reconversion of any bonds registered as to both  
230 principal and interest into coupon bonds. The Board may sell such bonds in such manner, either at  
231 public or at private sale, and for such price as it may determine to be for the best interests of the  
232 Corporation. The proceeds of such bonds shall be disbursed for the purposes for which such bonds were  
233 issued under such restrictions, if any, as the laws of the Commonwealth and the resolution authorizing  
234 the issuance of such bonds or the trust indenture provided for in § 14 hereof may provide. The  
235 Corporation may also provide for temporary bonds and for the replacement of any bond that shall  
236 become mutilated or shall be destroyed or lost. Such bonds may be issued without any other  
237 proceedings or the happening of any other conditions or things than the proceedings, conditions, and  
238 things that are specified and required by this act.

239 Neither the members of the Board nor any other person executing the bonds shall be subject to any  
240 personal liability or accountability by reason of the issuance thereof.

241 § 14. Security for payment of bonds; provisions of trust indenture or resolution. A. In the discretion of  
242 the Board, any Bonds issued and any swaps or ancillary contracts made under the provisions of this act  
243 may be secured by a trust indenture by and between the Corporation and the indenture trustee, which

244 may be any trust company or bank having the powers of a trust company, whether located within or  
 245 without the Commonwealth. Such trust indenture or the resolution providing for the issuance of such  
 246 bonds may:

247 1. Pledge or assign all or any part of the Income or other assets of the Corporation available for such  
 248 purpose;

249 2. May provide for the creation and maintenance of such reserves as the Board shall determine to be  
 250 proper;

251 3. Include covenants setting forth the duties of the Corporation in relation to the bonds, the income of  
 252 the Corporation, the related agreement and the tobacco assets;

253 4. Contain provisions respecting the custody, safeguarding and application of all money and securities  
 254 and such provisions for protecting and enforcing the rights and remedies (pursuant thereto and to the  
 255 related agreement) of the holders and other beneficiaries as may be reasonable and proper and not in  
 256 violation of law; and

257 5. Contain such other provisions as the Corporation may deem reasonable and proper for priorities and  
 258 subordination among the holders and other beneficiaries.

259 It shall be lawful for any bank or trust company incorporated under the laws of the Commonwealth that  
 260 may act as depository of the proceeds of bonds or of any other funds or obligations received on behalf  
 261 of the Corporation to furnish such indemnifying bonds or to pledge such securities as may be required  
 262 by the Corporation. Any reference in this act to a resolution of the Board shall include any trust  
 263 indenture authorized thereby.

264 B. Any pledge made by the Corporation shall be valid and binding from the time when the pledge is  
 265 made. The income or other assets so pledged and then or thereafter received by the Corporation shall  
 266 immediately be subject to the lien of such pledge without any physical delivery thereof or further act,  
 267 and the lien of any such pledge shall be valid and binding as against all parties having claims of any  
 268 kind in tort, contract or otherwise against the Corporation, irrespective of whether such parties have  
 269 notice thereof. Neither the resolution nor any other instrument by which a pledge is created need be  
 270 recorded or filed to perfect such pledge.

271 C. Whether or not the bonds are of such form and character as to be negotiable instruments under the  
 272 terms of the Uniform Commercial Code, the bonds are hereby made negotiable instruments for all  
 273 purposes, subject only to the provisions of the bonds for registration.

274 § 15. Swaps and ancillary contracts. A. The Corporation may enter into, amend or terminate, as it  
 275 determines to be necessary or appropriate, any ancillary contracts (i) to facilitate the issuance, sale,  
 276 resale, purchase, repurchase or payment of bonds or the making or performance of swap contracts,  
 277 including without limitation bond insurance, letters of credit and liquidity facilities, or (ii) to attempt to  
 278 hedge risk or achieve a desirable effective interest rate or cash flow. The determination of the Board  
 279 that an ancillary contract or the amendment or termination thereof is necessary or appropriate as  
 280 aforesaid shall be conclusive. Such contracts shall be made upon the terms and conditions established  
 281 by the Board, including without limitation provisions as to security, default, termination, payment,  
 282 remedy and consent to service of process.

283 B. The Corporation may enter into, amend or terminate, any swap contract that it determines to be  
 284 necessary or appropriate to place the obligations or investments of the Corporation, as represented by  
 285 the bonds or the investment of their proceeds, in whole or in part, on the interest rate, cash flow or  
 286 other basis desired by the Board, which contract may include without limitation, contracts commonly  
 287 known as interest rate swap agreements, and futures or contracts providing for payments based on  
 288 levels of, or changes in, interest rates. These contracts or arrangements may be entered into by the  
 289 Corporation in connection with, or incidental to, entering into, or maintaining any (i) agreement that  
 290 secures bonds or (ii) investment, or contract providing for investment, otherwise authorized by law. The  
 291 determination by the Board that a swap contract or the amendment or termination thereof is necessary  
 292 or appropriate as aforesaid shall be conclusive. These contracts and arrangements may contain such  
 293 payment, security, default, remedy, and other terms and conditions as determined by the Board, after  
 294 giving due consideration to the creditworthiness of the counterparty or other obligated party, including  
 295 any rating by any nationally recognized rating agency, and any other criteria as may be appropriate.

296 § 16. No invalidity. Any failure of the Corporation to comply with this act shall not invalidate or impair  
 297 any bond or swap or ancillary contract. Bonds may contain a recital that they are issued pursuant to  
 298 this act, which recital shall be conclusive evidence of their validity, the validity of the related  
 299 agreements, and the regularity of the proceedings relating thereto.

300 § 17. Bonds exempt from taxation. The Bonds, their transfer and the income therefrom, including any  
 301 profit made on the sale thereof, shall at all times be free and exempt from taxation by the  
 302 Commonwealth and by any municipality, county, or any other political subdivision thereof.

303 § 18. Distributions subject to appropriation. Amounts received by the Commonwealth, whether received  
 304 as purchase price for the tobacco assets sold or with respect to the Commonwealth's beneficial interest

305 *in the residual trust, shall be subject to appropriation in accordance with the provisions of Article X,*  
306 *Section 7 of the Constitution of Virginia.*

307 *§ 19. Pledge and agreement. The Commonwealth pledges and agrees with the Corporation, and the*  
308 *holders of the bonds in which the Corporation has included such pledge and agreement, that the*  
309 *Commonwealth will (i) irrevocably direct the escrow agent under the MSA to transfer all tobacco*  
310 *settlement payments directly to the Corporation or its assignee, (ii) enforce the Corporation's rights to*  
311 *receive the tobacco settlement payments to the full extent permitted by the terms of the MSA, (iii) not*  
312 *amend the MSA in any manner that would materially impair the rights of the holders, (iv) not limit or*  
313 *alter the rights of the Corporation to fulfill the terms of its agreements with such holders, and (v) not in*  
314 *any way impair the rights and remedies of such holders or the security for such bonds until such bonds,*  
315 *together with the interest thereon and all costs and expenses in connection with any action or*  
316 *proceeding by or on behalf of such holders, are fully paid and discharged.*

317 *§ 20. Construction and Effect. This act and all powers granted hereby shall be liberally construed to*  
318 *effectuate its and their purposes, without implied limitations thereon. This act shall constitute full and*  
319 *complete authority for all things herein contemplated to be done. All rights and powers herein granted*  
320 *shall be cumulative with those derived from other sources and shall not, except as expressly stated*  
321 *herein, be construed in limitation thereof. Insofar as the provisions of this act are inconsistent with the*  
322 *provisions of any other act, general or special, the provisions of this act shall be controlling. If any*  
323 *clause, sentence, paragraph, section or part of this act be adjudged by any court of competent*  
324 *jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof but*  
325 *shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly*  
326 *involved in the controversy in which such judgment shall have been rendered. #*
