6 **Be it enacted by the General Assembly of Virginia:**7 **1. That §§ 46.2-844 and 46.2-859 of the Code of Virginia are amended and reenacted as follows:**

8 § 46.2-844. Passing stopped school buses; penalty.

9 The driver of a motor vehicle approaching from any direction a clearly marked school bus which is  
10 stopped on any highway or school driveway for the purpose of taking on or discharging children, the  
11 elderly, or mentally or physically handicapped persons, who, in violation of § 46.2-859, fails to stop and  
12 remain stopped until all such persons are clear of the highway or school driveway, shall be subject to a  
13 civil penalty of \$250 and any such prosecution shall be instituted and conducted in the same manner as  
14 prosecutions for traffic infractions.

15 A prosecution or proceeding under § 46.2-859 shall be a bar to a prosecution or proceeding under  
16 this section for the same act and a prosecution or proceeding under this section shall be a bar to a  
17 prosecution or proceeding under § 46.2-859 for the same act.

18 In any prosecution for which a summons charging a violation of this section was issued within ten  
19 days of the alleged violation, proof that the motor vehicle described in the summons was operated in  
20 violation of this section, together with proof that the defendant was at the time of such violation the  
21 registered owner of the vehicle, as required by Chapter 6 (§ 46.2-600 et seq.) of this title shall give rise  
22 to a rebuttable presumption that such registered owner of the vehicle was the person who operated the  
23 vehicle at the place where, and for the time during which, such violation occurred.

24 *The testimony of the school bus driver, the supervisor of school buses or a law-enforcement officer*  
25 *that the vehicle was yellow, conspicuously marked as a school bus, and equipped with warning devices*  
26 *as prescribed in § 46.2-1090 shall be prima facie evidence that the vehicle is a school bus.*

27 § 46.2-859. Passing a stopped school bus.

28 A person shall be guilty of reckless driving who fails to stop, when approaching from any direction,  
29 any school bus which is stopped on any highway or school driveway for the purpose of taking on or  
30 discharging children, the elderly, or mentally or physically handicapped persons, and to remain stopped  
31 until all such persons are clear of the highway or school driveway and the bus is put in motion. The  
32 driver of a vehicle, however, need not stop when approaching a school bus if such school bus is stopped  
33 on the other roadway of a divided highway, on an access road, or on a driveway when such other  
34 roadway, access road, or driveway is separated from the roadway on which he is driving by a physical  
35 barrier or an unpaved area. The driver of a vehicle also need not stop when approaching a school bus  
36 which is loading or discharging passengers from or onto property immediately adjacent to a school if  
37 such driver is directed by a law-enforcement officer or other duly authorized uniformed school crossing  
38 guard to pass such school bus. This section shall apply to school buses which are equipped with  
39 warning devices prescribed in § 46.2-1090 and are painted yellow with the words "School Bus" in black  
40 letters at least eight inches high on the front and rear thereof. Only school buses which are painted  
41 yellow and equipped with the required lettering and warning devices shall be identified as school buses.

42 *The testimony of the school bus driver, the supervisor of school buses or a law-enforcement officer*  
43 *that the vehicle was yellow, conspicuously marked as a school bus, and equipped with warning devices*  
44 *as prescribed in § 46.2-1090 shall be prima facie evidence that the vehicle is a school bus.*
