11. **Other comments:** The General Assembly or the Commonwealth Transportation Board has the statutory authority to name Highways and Bridges that form a part of the systems of State Highways.

As a lieutenant, the late Mr. Newman won the Medal of Honor for his heroism in World War II.

The cost to VDOT includes the fabrication and installation of two signs. The bill as written would differ from the Commonwealth Transportation Board's practice of requiring an affected locality or localities to pay for the fabrication and installation of signs for naming a highway or bridge.
