

Department of Planning and Budget 2001 Fiscal Impact Statement

1. Bill Number HB2419

House of Origin	Introduced	Substitute	Engrossed
Second House	In Committee	Substitute	X Enrolled

2. Patron Wardrup

3. Committee Passed both houses

4. Title Management of the Commonwealth's central vehicle fleet.

5. Summary/Purpose:

Transfers from the Commonwealth Transportation Commissioner to the Director of the Department of General Services the responsibility for managing the Commonwealth's central vehicle fleet. This transfer, however, is inapplicable to the Virginia Department of Transportation (VDOT); VDOT will continue to control its own vehicle fleet.

6. No Fiscal Impact

7. Budget amendment necessary: See item # 11.

8. Fiscal implications: There are no fiscal implications with this transfer. This legislation will eliminate the management and control of the Transportation Pool Services Program, from VDOT and transfer management and control of the program to the Department of General Services. The revenue for this program is derived solely from rental rates paid for the use of fleet vehicles.

9. Specific agency or political subdivisions affected: The Department of General Services and the Department of Transportation.

10. Technical amendment necessary: No

11. Other comments: The necessary transfer can be effected administratively should no amended appropriation be obtained.
