10. Technical amendment necessary: NO

11. Other comments: The General Assembly or the Commonwealth Transportation Board has the statutory authority to name Highways and Bridges that form a part of the systems of State Highways.

There is an \$800 cost to VDOT for the fabrication and installation of four signs. This cost can be absorbed within VDOT's operating budget. The bill as written would differ from the Commonwealth Transportation Board's practice of requiring an affected locality or localities to pay for the fabrication and installation of signs for naming a highway or bridge.
