**Be it enacted by the General Assembly of Virginia:**

**1. That §§ 10.1-515, 10.1-516, 10.1-523, 10.1-525, 10.1-528, and 10.1-530 of the Code of Virginia are amended and reenacted as follows:**

§ 10.1-515. Composition of governing body.

If the Board determines that the operation of the proposed district within the defined boundaries is administratively practicable and feasible, and the proposed district is created, then its governing body shall be a board of district directors appointed or elected, ~~and may include members of the governing body of a local government,~~ in the number and manner specified as follows:

1. If the district embraces one county or city, or less than one county or city, the board of district directors shall consist of five members, three to be elected by the registered voters of the district and two appointed by the Board.

2. If the district embraces more than one county or city, or parts thereof, the board of district directors shall consist of two members elected by the registered voters from each county or city, or parts thereof embraced by the district. Two members-at-large shall be appointed by the Board.

§ 10.1-516. Status of district directors in event of transfer, merger, or division of districts.

In the event of the transfer, merger, or division of districts, the status of the district directors involved shall be affected as follows:

1. The composition of an existing district board of a district to which territory is transferred shall remain in effect until the terms of office of the present elected members expire. Upon the transfer of a county or city, or parts thereof, from one district to another district, *(i) elected district directors residing within the territory transferred shall be appointed as directors of the district to which the territory is transferred for a term of office to coincide with that of the elected directors of the district to which the territory is transferred; and (ii) appointed district directors residing within the territory transferred shall be appointed as directors of the district to which the territory is transferred for a term of office to coincide with that of the appointed directors, either as an extension agent appointee or an at-large appointee of the district to which the territory is transferred.* At the option of the petitioners, a petition may request that a proposed transfer be treated as a merger or division for the purpose of this section, and the Board at its discretion may grant or refuse such request.

2. Upon the merger of existing districts, or upon the separation from two or more existing districts of a county or city, or parts thereof, which merge to create a new district, all district directors residing within the territory merged shall be appointed as directors of the new district ~~for terms of office as hereinafter provided. If the organization of the new district is completed in such time that district directors may be nominated for election in the general election in November of the same calendar year in which the district was organized, one district director shall be appointed for a one-year term, and one district director shall be appointed for a two-year term. Appointments of the other district directors shall be for terms to expire on December 31 of the year in which the district is organized. If the organization of the new district is not completed in such time so that district directors may be nominated for election in the general election in November of the same calendar year in which such district is organized, one district director shall be appointed for a two-year term, and one district director shall be appointed for a three-year term. Appointments of the other district directors shall be for terms to expire on December 31 of the year following the year in which the district was organized. Following the merger, (i) elected district directors residing within the territory of the new district shall be appointed as directors of the new district for a term of office to coincide with that of elected directors as provided in § 10.1-529; and (ii) appointed district directors residing within the new district shall be appointed as directors of the new district for a term of office to coincide with that of the appointed directors, either as an extension agent appointee or an at-large appointee of the district as provided in § 10.1-529.~~

3. Upon the division of an existing district, to create a new district, all elected or appointed district directors residing within the territory to be divided from the existing district shall be appointed as directors of the new district for terms of office as hereinafter provided. If the organization of the new district is completed in such time that district directors may be nominated for election in the general election in November of the same calendar year in which the district is organized, one district director shall be appointed for a one-year term, and one district director shall be appointed for a two-year term.

If there are any other district directors residing within the territory divided, their appointments shall be made for terms to expire on December 31 of the year in which the district is organized. If the organization of the new district is not completed in such time so that district directors may be elected in the general election in November of the same calendar year in which such district is organized, one district director shall be appointed for a two-year term, and one district director shall be appointed for a three-year term. If there are any other district directors residing within the territory divided, their appointments shall be made for terms to expire on December 31 of the year following the year in which the district was organized. *Following the division, (i) elected district directors residing within the territory of the new district shall be appointed as directors of the new district for a term of office to coincide with that of elected directors as provided in § 10.1-529; and (ii) appointed district directors residing within the territory of the new district shall be appointed as directors of the new district for a term of office to coincide with that of the appointed directors, either as an extension agent appointee or an at-large appointee of the district as provided in § 10.1-529.*

This section shall not be construed as broadening or limiting the size of a governing body of a district as prescribed by § 10.1-515. If the operation of this section results in a governing body larger or smaller than the appropriate size permitted by § 10.1-515, then such a variation, if not otherwise corrected by operation of this section, shall be cured by *appropriate appointments by the Board and* with the next general election after the transfer, merger, or division in which all those elected directors prescribed by § 10.1-515 may be elected.
