Referred to Committee on Education

Be it enacted by the General Assembly of Virginia:**1. That the Code of Virginia is amended by adding a section numbered 2.2-209.1 as follows:****2.2-209.1. Equal Educational Opportunity Plan required.**

The Secretary of Education shall develop and implement a statewide plan to provide for equal education opportunity in Virginia for all students in pre-kindergarten through grade twelve, undergraduate and graduate degree programs, and professional and post-doctorate degree programs. To facilitate and increase the diversification of state institutions of higher education in the Commonwealth, the Plan shall include, but not be limited to, (i) an annual profile of minority students enrolled in the public schools by grade, and in undergraduate, graduate, professional and post-doctorate degree programs in Virginia by discipline, (ii) strategies to assist local school boards and public two-year and four-year institutions of higher education in diversifying their personnel, (iii) strategies to increase college admissions, retention, and graduation rates of minority students at the undergraduate and graduate degree levels, particularly in disciplines in which they are under-represented, (iv) an assessment of the effect of the escalating costs of college on the enrollment of minority students at each degree level and in professional and post-doctorate degree programs, (v) an analysis of the preparation of minority students for college-level work, (vi) an evaluation of the impact of financial assistance, admissions and retention policies of higher education institutions, and public policies as inducements and obstacles to college education, (vii) a ten-year projection of minority enrollment and graduation rates at public institutions of higher education by discipline, and (viii) an evaluation of the effectiveness of the Plan. The Secretary shall modify as necessary and report the Plan, biennially, to the Governor and the General Assembly, beginning December 1, 2002. The report shall include appropriate and feasible recommendations to address issues or modify strategies identified by the Secretary as essential to the furtherance of the objectives of the Plan.
