*A BILL to amend and reenact §§ 2.2-1509, 2.2-1510 and 9.1-169 of the Code of Virginia, relating to funds distributed to counties, cities and towns for law-enforcement expenditures of local governments.*

**Be it enacted by the General Assembly of Virginia:**

**1. That §§ 2.2-1509, 2.2-1510 and 9.1-169 of the Code of Virginia are amended and reenacted as follows:**

§ 2.2-1509. Budget bill.

A. On or before December 20 of the year immediately prior to the beginning of each regular session of the General Assembly held in an even-numbered year, the Governor also shall submit to the presiding officer of each house of the General Assembly, at the same time he submits "The Executive Budget," copies of a tentative bill for all proposed appropriations of the budget, for each year in the ensuing biennial appropriation period, which shall be known as "The Budget Bill." "The Budget Bill" shall be organized by function, primary agency, and proposed appropriation item and shall include an identification of, and authorization for, common programs and the appropriation of funds according to programs. Except as expressly provided in an appropriation act, whenever the amounts in a schedule for a single appropriation item are shown in two or more lines, the portions of the total amount shown on separate lines are for information purposes only and are not limiting. No such bill shall contain any appropriation the expenditure of which is contingent upon the receipt of revenues in excess of funds unconditionally appropriated.

B. The salary proposed for payment for the position of each cabinet secretary and administrative head of each agency and institution of the executive branch of state government shall be specified in "The Budget Bill," showing the salary ranges and levels proposed for such positions.

C. "The Budget Bill" shall include all proposed capital appropriations, including each capital project to be financed through revenue bonds or other debt issuance, the amount of each project, and the identity of the entity that will issue the debt.

D. Concurrently with the submission of "The Budget Bill," the Governor shall submit a tentative bill involving a request for authorization of additional bonded indebtedness if its issuance is authorized by, or its repayment is proposed to be made in whole or in part, from revenues or appropriations contained in "The Budget Bill."

E. For each fiscal year covered by "The Budget Bill" and for the purposes set forth in § 9.1-169, "The Budget Bill" shall provide for a percentage increase or decrease in the total amount of funds to be distributed, pursuant to § 9.1-169, from the preceding fiscal year. Such increase or decrease for each fiscal year shall equal the anticipated percentage increase or decrease in total general fund revenue collections for such fiscal year as stated in "The Budget Bill". "The Budget Bill" shall provide funding to local governments for the purposes set forth in § 9.1-169 as adjusted by such increase or decrease from the preceding fiscal year. In no event, however, shall such percentage change in the amount of funds to be distributed pursuant to § 9.1-169 for any fiscal year be amended or otherwise changed after the relevant fiscal year has begun.

EF. On or before December 20 of the year immediately prior to the beginning of each regular session held in an odd-numbered year of the General Assembly, the Governor shall submit to the presiding officer of each house printed copies of all gubernatorial amendments proposed to the general appropriation act adopted in the immediately preceding even-numbered year session. In preparing the amendments, the Governor may obtain estimates in the manner prescribed in §§ 2.2-1504, 2.2-1505, and 2.2-1506. On the same date he shall also submit a tentative bill during the second year of the appropriation period, a request for authorization of additional bonded indebtedness if its issuance is authorized by, or its repayment is proposed to be made in whole or in part, from revenues or appropriations contained in the proposed gubernatorial amendments.

§ 2.2-1510. Publication of budget highlights; public hearings.

A. The Governor shall ensure that a summary of the highlights of each budget submitted pursuant to § 2.2-1508 and set of amendments submitted pursuant to subsection EF of § 2.2-1509 are sent to a newspaper of general circulation in the following geographical areas of the Commonwealth: Northern Virginia, Hampton Roads, Richmond/Petersburg, Central Virginia, Shenandoah Valley, Roanoke Valley, Southside, and Southwest Virginia prior to the convening of each session of the General Assembly.

B. The House Committee on Appropriations and the Senate Committee on Finance shall hold at least four regional public hearings on the budget bill submitted by the Governor. The four public hearings
