229 *The General Assembly hereby finds and determines that the estimated useful life of the capital*
 230 *projects listed above is in excess of twenty-five years.*

231 *If any capital project relates to more than one state park or recreational facility, the Governor or his*
 232 *designee shall determine the amount to be allocated within such capital project to each such state park*
 233 *or recreational facility. To the extent that the cost of any capital project listed above is less than the*
 234 *amount allocated to such project, the Governor or his designee may increase the amount allocated to*
 235 *any other capital project listed above. No such allocation to a capital project may be increased,*
 236 *however, until it has been demonstrated to the satisfaction of the Governor or his designee that (a) the*
 237 *cost of the capital project has been reduced to the extent reasonable, (b) the capital project has not*
 238 *been expanded or enhanced beyond that originally approved, and (c) the capital project is suitable and*
 239 *adequate for the scope originally intended. No increase in the amount allocated to any capital project*
 240 *shall constitute an authorization for the issuance of bonds in an amount in excess of the aggregate*
 241 *amount authorized hereunder. No allocation shall be made to any capital project included herein until*
 242 *all applicable requirements of § 10.1-200.1 of the Code of Virginia have been met.*

243 *§ 4. Application of Proceeds. Proceeds (including any premium) of the bonds and any BANs (except*
 244 *the proceeds of (i) bonds the issuance of which has been anticipated by BANs, (ii) refunding bonds and*
 245 *(iii) refunding BANs) shall be deposited by the State Treasurer in a special capital outlay fund in the*
 246 *State Treasury and shall be disbursed only for the purpose for which the bonds or any BANs have been*
 247 *issued. In the event that the proceeds of the bonds or BANs exceed the cost of the projects specified in*
 248 *§ 3, the Treasury Board shall cause such excess proceeds to be applied to the retirement of the bonds*
 249 *or BANs. The proceeds of (i) bonds the issuance of which has been anticipated by BANs, (ii) refunding*
 250 *bonds and (iii) refunding BANs and any funds provided by the General Assembly, or available from any*
 251 *other source, for the purpose, shall be used to pay such BANs, refunded bonds and refunded BANs.*

252 *The proceeds of the bonds and any refunding bonds or BANs are hereby appropriated for*
 253 *disbursement from the state treasury for the current biennium pursuant to Article X, Section 7 of the*
 254 *Constitution of Virginia, and § 2.2-1819 of the Code of Virginia. The general conditions and general*

 256 *2.2 of the Code of Virginia, in effect from time to time, and all of the terms and conditions contained*
 257 *therein shall apply to the capital projects listed in § 3. The Governor or his designee is hereby*
 258 *authorized to increase the appropriation for any project listed in § 3 by the amount of the proceeds of*
 259 *donations, gifts, grants or other nongeneral funds paid into the state treasury in excess of such*
 260 *appropriation.*

261 *§ 5. Details, sale of bonds and BANs. The bonds shall be dated, shall mature at such time or times*
 262 *not exceeding twenty-five years from their date or dates and may be made redeemable before their*

 264 *by the Treasury Board, by and with the consent of the Governor. The principal of the bonds shall be*
 265 *amortized by payment into a sinking fund or otherwise, in annual installments. The first annual*
 266 *installment of principal of the bonds shall become due not later than one-tenth of the term of the bonds,*

 274 *the Treasury Board. The Treasury Board may contract for services of such registrars, transfer agents,*
 275 *or other authenticating agents as it deems appropriate to maintain a record of the persons entitled to*
 276 *the bonds and BANs. Bonds and BANs may be issued under a system of book entry for recording the*

284 *At the discretion of the Treasury Board, bonds and BANs may be issued at one time or in part from*
 285 *time to time and may be issued and sold at the same time with other general obligation bonds and bond*
 286 *anticipation notes, respectively, of the Commonwealth authorized pursuant to Article X, Section 9(a)(3),*
 287 *(b) or (c) of the Constitution of Virginia, either as separate issues, as a combined issue designated*
 288 *"Commonwealth of Virginia General Obligation Bonds [Bond Anticipation Notes], Series 20....," or as a*
 289 *combination of both. The bonds and BANs shall be signed on behalf of the Commonwealth by the*

290 Governor and by the State Treasurer, or shall bear their facsimile signatures, and shall bear the lesser
291 seal of the Commonwealth or a facsimile thereof. In the event that the bonds or BANs bear the facsimile
292 signature of the State Treasurer, they shall be signed by such administrative assistant as the State
293 Treasurer shall determine or by such registrar or paying agent as may be designated to sign them by
294 the Treasury Board. If any officer whose signature or facsimile signature shall appear on any bonds or
295 BANs shall cease to be such officer before the delivery, such signature or such facsimile shall
296 nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office
297 until such delivery, and any bond or BAN may bear the facsimile signature of, or may be signed by,
298 such persons as at the actual time of the execution are the proper officers to sign such bond or BAN
299 although, at the date of such bond or BAN, such persons may not have been such officers.

300 § 6. Refunding. The Treasury Board is hereby authorized, by and with the consent of the Governor,
301 to sell and issue, at one time or from time to time, refunding bonds and BANs of the Commonwealth, to
302 refund any or all of the bonds and BANs, respectively, issued under this act or otherwise pursuant to
303 Article X, Section 9(b), of the Constitution of Virginia. Refunding bonds and BANs may be issued in a
304 principal amount up to the amount necessary to pay at maturity or redeem the bonds and BANs to be
305 refunded and pay all issuance costs and other financing expenses of the refunding. Such refunding
306 bonds and BANs may be issued whether or not the bonds or BANs to be refunded are then subject to
307 redemption. Any escrow or trust fund established with the proceeds from the sale of refunding bonds
308 shall be irrevocably pledged to the payment of the bonds to be refunded, and shall be used solely to pay
309 such bonds or BANs at maturity or upon redemption or for the purchase of not less than all of the
310 bonds or BANs to be refunded. Any such escrow or trust fund shall constitute a special fund for the
311 payment of such refunded bonds or BANs, and such refunded bonds or BANs, to the extent of amounts,
312 including the maturity amounts of investments, set aside for the payment thereof in such escrow or trust
313 fund, shall not be included for the purposes of determining any limitations upon the amount of bonded
314 indebtedness of the Commonwealth that may be incurred pursuant to Article X, Section 9(b), of the
315 Constitution of Virginia. The Treasury Board may, however, direct that the interest received from the
316 investment of the proceeds of the bonds or any BANs be transferred to the general fund of the State
317 Treasury.

318 § 7. Authorized Investments. Pending the application of the proceeds of the bonds or BANs (including
319 refunding bonds and BANs) to the purpose for which they have been authorized and the application of
320 funds set aside for the purpose to the payment of bonds or BANs, they may be invested by the State
321 Treasurer in securities that are legal investments under the laws of the Commonwealth for public funds
322 and sinking funds, as the case may be. Whenever the State Treasurer receives interest from the
323 investment of the proceeds of bonds or any BANs, such interest shall become a part of the principal of
324 the bonds or any BANs and shall be used in the same manner as required for principal of the bonds or
325 BANs.

326 § 8. Security for bonds and BANs. The full faith and credit of the Commonwealth is hereby
327 irrevocably pledged for the payment of the principal of and the interest on bonds, refunding bonds, and
328 (unless the Treasury Board, by and with the consent of the Governor, shall provide otherwise) BANs
329 issued under this act. The proceeds of (i) bonds the issuance of which has been anticipated by BANs,
330 (ii) refunding bonds and (iii) refunding BANs are hereby irrevocably pledged for the payment of
331 principal of and interest and any premium on such bonds or BANs to be refunded thereby. In addition,
332 the Treasury Board may pledge the full faith and credit of the Commonwealth for the payment of the
333 principal of and interest on any BANs. If sufficient funds are not appropriated in the general
334 appropriations act for any fiscal year for the timely payment of the principal of and the interest on the
335 bonds, any refunding bonds or any BANs where the full faith and credit of the Commonwealth has been
336 pledged, there shall be set apart by direction of the Governor, from the first general fund revenues
337 received during such fiscal year and thereafter, a sum sufficient to pay such principal and interest.

338 § 9. Expenses. All expenses incurred under this act shall be paid from the proceeds of the bonds, or
339 any refunding bonds or BANs, or from any other available funds as the Treasury Board shall determine.

340 § 10. Exemption of interest from tax. The bonds and BANs issued under the provisions of this Act,
341 their transfer, and the income therefrom, including any profit made on the sale thereof, shall at all times
342 be exempt from taxation by the Commonwealth and by any political subdivision thereof. The interest on
343 the bonds and any refunding bonds or BANs may be subject to inclusion in gross income of the holders
344 thereof for federal income tax purposes.

345 § 11. Referendum. The question of the effectiveness of this act and the authorization of the bonds
346 shall be submitted to the qualified voters of the Commonwealth at the general election to be held on
347 Tuesday, November 5, 2002. The referendum shall be supervised and held, notice thereof given, ballots
348 prepared, returns made and certified, votes canvassed and results ascertained and made known, as
349 provided by law. The ballots to be used at the election shall pose the question in substantially the
350 following form:

352 *general obligation bonds of the Commonwealth of Virginia in the maximum amount of \$119,040,000*
