1. Protection against liability imposed by law for damages resulting from any claim:

a. Made against any state department, agency, institution, board, commission, officer, agent, or employee for acts or omissions of any nature while acting in an authorized governmental or proprietary capacity and in the course and scope of employment or authorization;

b. Made against participants, other than professional counsel, in student disciplinary proceedings at public institutions of higher education for nonmalicious acts or omissions of any nature in the course and scope of participation in the proceedings; or

c. Resulting from an authorized indemnification agreement entered into by a Virginia public institution of higher education, which agreements the institutions may execute if the Governor (i) considers in advance of execution (a) the institution's analysis of the relevant public benefit and risk of liability, (b) the Division's charge to be assessed against the institution for providing insurance or self-insurance coverage for the claims resulting from the indemnification agreement, and (c) the Office of the Attorney General's comments, and (ii) determines that execution is necessary to further the public's best interests. The indemnification agreement shall limit the institution's total liability to a stated dollar amount and shall notify the contractor that the full faith and credit of the Commonwealth are not pledged or committed to payment of the institution's obligation under the agreement;

2. Protection against tort liability and incidental medical payments arising out of the ownership, maintenance or use of buildings, grounds or properties owned or leased by the Commonwealth or used by state employees or other authorized persons in the course of their employment; and

3. For the payment of attorneys' fees and expenses incurred in defending such persons and entities concerning any claim that (i) arises from their governmental employment or authorization, that (ii) arises from their participation in such student disciplinary proceedings, or (iii) is described in any such indemnification agreement, where the Division is informed by the Attorney General's office that it will not provide a defense due to a conflict or other appropriate reason.

B. Any risk management plan established pursuant to this section shall provide for the establishment of a trust fund or contribution to the State Insurance Reserve Trust Fund for the payment of claims covered under the plan. The trust fund shall also provide for payment of administrative costs, contractual costs, and other expenses related to the administration of such plan.

C. The risk management plan for public liability shall be submitted to the Governor for approval prior to implementation.
