*An Act to amend the Code of Virginia by adding a section numbered 8.01-407.1, relating to creating a presumption of confidentiality of identity of anonymous communicators; exceptions.*

[H 819]

Approved

**Be it enacted by the General Assembly of Virginia:**

**1. That the Code of Virginia is amended by adding a section numbered 8.01-407.1 as follows:**

**§ 8.01-407.1. Identity of persons communicating anonymously over the Internet.**

*A. In civil proceedings where it is alleged that an anonymous individual has engaged in Internet communications that are tortious, any subpoena seeking information held by a nongovernmental person or entity that would identify the tortfeasor shall be governed by the following procedure unless more expedited scheduling directions have been ordered by the court upon consideration of the interests of each person affected thereby:*

*1. At least thirty days prior to the date on which disclosure is sought, a party seeking information identifying an anonymous communicator shall file with the appropriate circuit court a complete copy of the subpoena and all items annexed or incorporated therein, along with supporting material showing:*

*a. That one or more communications that are or may be tortious or illegal have been made by the anonymous communicator, or that the party requesting the subpoena has a legitimate, good faith basis to contend that such party is the victim of conduct actionable in the jurisdiction where the suit was filed. A copy of the communications that are the subject of the action or subpoena shall be submitted.*

*b. That other reasonable efforts to identify the anonymous communicator have proven fruitless.*

*c. That the identity of the anonymous communicator is important, is centrally needed to advance the claim, relates to a core claim or defense, or is directly and materially relevant to that claim or defense.*

*d. That no motion to dismiss, motion for judgment on the pleadings, or judgment as a matter of law, demurrer or summary judgment-type motion challenging the viability of the lawsuit of the underlying plaintiff is pending. The pendency of such a motion may be considered by the court in determining whether to enforce, suspend or strike the proposed disclosure obligation under the subpoena.*

*e. That the individuals or entities to whom the subpoena is addressed are likely to have responsive information.*

*f. If the subpoena sought relates to an action pending in another jurisdiction, the application shall contain a copy of the pleadings in such action, along with the mandate, writ or commission of the court where the action is pending that authorizes the discovery of the information sought in the Commonwealth.*

*2. Two copies of the subpoena and supporting materials set forth in subdivision A. 1. a. through f. shall be served upon the person to whom it is addressed along with payment sufficient to cover postage for mailing one copy of the application within the United States by registered mail, return receipt requested.*

*3. Except where the anonymous communicator has consented to disclosure in advance, within five business days after receipt of a subpoena and supporting materials calling for disclosure of identifying information concerning an anonymous communicator, the individual or entity to whom the subpoena is addressed shall (i) send an electronic mail notification to the anonymous communicator reporting that the subpoena has been received if an e-mail address is available and (ii) dispatch one copy thereof, by registered mail or commercial delivery service, return receipt requested, to the anonymous communicator at his last known address, if any is on file with the person to whom the subpoena is addressed.*

*4. At least seven business days prior to the date on which disclosure is sought under the subpoena, any interested person may file a detailed written objection, motion to quash, or motion for protective order. Any such papers filed by the anonymous communicator shall be served on or before the date of filing upon the party seeking the subpoena and the party to whom the subpoena is addressed. Any such papers filed by the party to whom the subpoena is addressed shall be served on or before the date of filing upon the party seeking the subpoena and the anonymous communicator whose identifying information is sought. Service is effective when it has been mailed, dispatched by commercial delivery service, transmitted by facsimile, or delivered to counsel of record and to parties having no counsel.*

*5. Any written objection, motion to quash, or motion for protective order shall set forth all grounds relied upon for denying the disclosure sought in the subpoena and shall also address to the extent feasible (i) whether the identity of the anonymous communicator has been disclosed in any way beyond*

its recordation in the account records of the party to whom the subpoena is addressed, (ii) whether the subpoena fails to allow a reasonable time for compliance, (iii) whether it requires disclosure of privileged or other protected matter and no exception or waiver applies, or (iv) whether it subjects a person to undue burden.

6. The party to whom the subpoena is addressed shall not comply with the subpoena earlier than three business days before the date on which disclosure is due, to allow the anonymous communicator the opportunity to object. If any person files a written objection, motion to quash, or motion for protective order, compliance with the subpoena shall be deferred until the appropriate court rules on the obligation to comply. If an objection or motion is made, the party serving the subpoena shall not be entitled to inspect or copy the materials except pursuant to an order of the court on behalf of which the subpoena was issued. If an objection or motion has been filed, any interested person may notice the matter for a hearing. Two copies of any such notice shall be served upon the subpoenaed party, who shall mail one copy thereof, by registered mail or commercial delivery service, return receipt requested, to the anonymous communicator whose identifying information is the subject of the subpoena at that person's last known address.

B. The party requesting or issuing a subpoena for information identifying an anonymous Internet communicator shall serve along with each copy of such subpoena notices in boldface capital letters in substantially this form:
