**Be it enacted by the General Assembly of Virginia:****1. That § 46.2-694 of the Code of Virginia is amended and reenacted as follows:**

§ 46.2-694. Fees for vehicles designed and used for transportation of passengers; weights used for computing fees; burden of proof.

A. The annual registration fees for motor vehicles, trailers, and semitrailers designed and used for the transportation of passengers on the highways in the Commonwealth are:

1. Twenty-three dollars for each private passenger car or motor home if the passenger car or motor home weighs 4,000 pounds or less, provided that it is not used for the transportation of passengers for compensation and is not kept or used for rent or for hire, or is not operated under a lease without a chauffeur.

2. Twenty-eight dollars for each passenger car or motor home which weighs more than 4,000 pounds, provided that it is not used for the transportation of passengers for compensation and is not kept or used for rent or for hire, or is not operated under a lease without a chauffeur.

3. Thirty cents per 100 pounds or major fraction thereof for a private motor vehicle other than a motorcycle with a normal seating capacity of more than ten adults including the driver if the private motor vehicle is not used for the transportation of passengers for compensation and is not kept or used for rent or for hire or is not operated under a lease without a chauffeur. In no case shall the fee be less than twenty-three dollars if the vehicle weighs 4,000 pounds or less or twenty-eight dollars if the vehicle weighs more than 4,000 pounds.

4. Thirty cents per 100 pounds or major fraction thereof for a school bus. In no case shall the fee be less than twenty-three dollars if the vehicle weighs 4,000 pounds or less or twenty-eight dollars if the vehicle weighs more than 4,000 pounds.

5. Twenty-three dollars for each trailer or semitrailer designed for use as living quarters for human beings.

6. Thirteen dollars plus thirty cents per 100 pounds or major fraction thereof for each motor vehicle, trailer, or semitrailer used as a common carrier of passengers, operating either intrastate or interstate. Interstate common carriers of interstate passengers may elect to be licensed and pay the fees prescribed in subdivision 7 of this subsection on submission to the Commissioner of a declaration of operations and equipment as he may prescribe. An additional five dollars shall be charged if the motor vehicle weighs more than 4,000 pounds.

7. Thirteen dollars plus seventy cents per 100 pounds or major fraction thereof for each motor vehicle, trailer, or semitrailer used as a common carrier of interstate passengers if election is made to be licensed under this subsection. An additional five dollars shall be charged if the motor vehicle weighs more than 4,000 pounds. In lieu of the foregoing fee of seventy cents per 100 pounds, a motor carrier of passengers, operating two or more vehicles both within and outside the Commonwealth and registered for insurance purposes with the Surface Transportation Board of the United States Department of Transportation, Federal Highway Administration, may apply to the Commissioner for prorated registration. Upon the filing of such application, in such form as the Commissioner may prescribe, the Commissioner shall apportion the registration fees provided in this subsection so that the total registration fees to be paid for such vehicles of such carrier shall be that proportion of the total fees, if there were no apportionment, that the total number of miles traveled by such vehicles of such carrier within the Commonwealth bears to the total number of miles traveled by such vehicles within and outside the Commonwealth. Such total mileage in each instance is the estimated total mileage to be traveled by such vehicles during the license year for which such fees are paid, subject to the adjustment in accordance with an audit to be made by representatives of the Commissioner at the end of such license year, the expense of such audit to be borne by the carrier being audited. Each vehicle passing

56 into or through Virginia shall be registered and licensed in Virginia and the annual registration fee to be  
57 paid for each such vehicle shall not be less than thirty-three dollars. For the purpose of determining such  
58 apportioned registration fees, only those motor vehicles, trailers, or semitrailers operated both within and  
59 outside the Commonwealth shall be subject to inclusion in determining the apportionment provided for  
60 herein.

61 8. Thirteen dollars plus eighty cents per 100 pounds or major fraction thereof for each motor vehicle,  
62 trailer or semitrailer kept or used for rent or for hire or operated under a lease without a chauffeur for  
63 the transportation of passengers. An additional fee of five dollars shall be charged if the vehicle weighs  
64 more than 4,000 pounds. This subsection does not apply to vehicles used as common carriers.

65 9. Twenty-three dollars for a taxicab or other vehicle which is kept for rent or hire operated with a  
66 chauffeur for the transportation of passengers, and which operates or should operate under permits issued  
67 by the Department as required by law. An additional fee of five dollars shall be charged if the vehicle  
68 weighs more than 4,000 pounds. This subsection does not apply to vehicles used as common carriers.

69 10. Eighteen dollars for a motorcycle, with or without a sidecar. To this fee shall be added a  
70 surcharge of three dollars which shall be distributed as provided in § 46.2-1191.

71 11. Twenty-three dollars for a bus used exclusively for transportation to and from Sunday school or  
72 church, for the purpose of divine worship. If the empty weight of the vehicle exceeds 4,000 pounds, the  
73 fee shall be twenty-eight dollars.

74 12. Thirteen dollars plus seventy cents per 100 pounds or major fraction thereof for other  
75 passenger-carrying vehicles.

76 13. An additional fee of ~~two~~ four dollars per year shall be charged and collected at the time of  
77 registration of each pickup or panel truck and each motor vehicle under subdivisions 1 through 12 of  
78 this subsection. All funds collected pursuant to this subdivision shall be paid into the state treasury and  
79 shall be set aside as a special fund to be used only for emergency medical service purposes. The  
80 moneys in the special fund shall be distributed as follows:

81 a. Two and one-half percent shall be distributed to the Virginia Association of Volunteer Rescue  
82 Squads;

83 b. Thirteen and one-half percent shall be distributed to the State Department of Health to support (i)  
84 emergency medical services training programs (excluding advanced life support classes), (ii) advanced  
85 life support training, and (iii) recruitment and retention programs (all funds for such support shall be  
86 used to recruit and retain volunteer emergency medical services personnel only, including public  
87 awareness campaigns, technical assistance programs, and similar activities). Any funds set aside for  
88 distribution under this provision and remaining undistributed at the end of any fiscal year shall revert to  
89 the Rescue Squad Assistance Fund;

90 c. Thirty-one and three-quarters percent shall be distributed to the Rescue Squad Assistance Fund;

91 d. Twenty-seven and one-quarter percent shall be available to the State Department of Health for use  
92 in emergency medical services; and

93 e. Twenty-five percent shall be returned by the Comptroller to the locality wherein such vehicle is  
94 registered, to provide funding for training of volunteer or salaried emergency medical service personnel  
95 of licensed, nonprofit emergency medical services agencies and for the purchase of necessary equipment  
96 and supplies for use in such locality for licensed, nonprofit emergency medical and rescue services.

97 The Comptroller shall clearly designate on the warrant, check, or other means of transmitting these  
98 funds that such moneys are only to be used for purposes set forth in this subdivision. Such funds shall  
99 be in addition to any local appropriations and local governing bodies shall not use these funds to  
100 supplant local funds. Each local governing body shall report annually to the Board of Health on the use  
101 of the twenty-five percent of the funds which were returned to it. In any case in which the local  
102 governing body grants the funds to a regional emergency medical services council to be distributed to  
103 the licensed, nonprofit emergency medical and rescue services, the local governing body shall remain  
104 responsible for the proper use of the funds. If, at the end of any fiscal year, a report on the use of the  
105 twenty-five percent of the funds for that year has not been received from a local governing body, any  
106 funds due to that local governing body for the next fiscal year shall be retained until such time as the  
107 report has been submitted to the Board.

108 B. All motor vehicles, trailers, and semitrailers registered as provided in subsection B of § 46.2-646  
109 shall pay a registration fee equal to one-twelfth of all fees required by subsection A of this section or  
110 § 46.2-697 for such motor vehicle, trailer, or semitrailer, computed to the nearest cent, multiplied by the  
111 number of months in the registration period for such motor vehicles, trailers, and semitrailers.

112 C. The manufacturer's shipping weight or scale weight shall be used for computing all fees required  
113 by this section to be based upon the weight of the vehicle.

114 D. The applicant for registration bears the burden of proof that the vehicle for which registration is  
115 sought is entitled by weight, design, and use to be registered at the fee tendered by the applicant to the  
116 Commissioner or to his authorized agent.
