8 § 2.2-4337. Performance and payment bonds.

9 A. Upon the award of any (i) public construction contract exceeding \$100,000 awarded to any prime
10 contractor or (ii) construction contract exceeding \$100,000 awarded to any prime contractor requiring

14 1. A performance bond in the sum of the contract amount conditioned upon the faithful performance
15 of the contract in strict conformity with the plans, specifications and conditions of the contract.

16 2. A payment bond in the sum of the contract amount. The bond shall be for the protection of
17 claimants who have and fulfill contracts to supply labor or materials to the prime contractor to whom
18 the contract was awarded, or to any subcontractors, in furtherance of the work provided for in the
19 contract, and shall be conditioned upon the prompt payment for all materials furnished or labor supplied
20 or performed in the furtherance of the work.

21 "Labor or materials" shall include public utility services and reasonable rentals of equipment, but
22 only for periods when the equipment rented is actually used at the site.

23 B. Each of the bonds shall be executed by one or more surety companies selected by the contractor
24 that are authorized to do business in Virginia.

25 C. If the public body is the Commonwealth, or any agency or institution thereof, the bonds shall be
26 payable to the Commonwealth of Virginia, naming also the agency or institution thereof. Bonds required
27 for the contracts of other public bodies shall be payable to such public body.

28 D. Each of the bonds shall be filed with the public body that awarded the contract, or a designated

34 conditioned upon the payment to all persons who have and fulfill contracts that are directly with the
35 subcontractor for performing labor and furnishing materials in the prosecution of the work provided for
