Referred to Committee for Courts of Justice

**Be it enacted by the General Assembly of Virginia:****1. That § 18.2-325 of the Code of Virginia is amended and reenacted as follows:****§ 18.2-325. Definitions.**

1. "Illegal gambling" means the making, placing or receipt, of any bet or wager in this Commonwealth of money or other thing of value, made in exchange for a chance to win a prize, stake or other consideration or thing of value, dependent upon the result of any game, contest or any other event the outcome of which is uncertain or a matter of chance, whether such game, contest or event, occurs or is to occur inside or outside the limits of this Commonwealth. *Illegal gambling includes the making, placing or receipt of any bet or wager of money or other thing of value through the Internet or by any other electronic means.*

2. "Interstate gambling" means the conduct of an enterprise for profit which engages in the purchase or sale within the Commonwealth of any interest in a lottery of another state or country whether or not such interest is an actual lottery ticket, receipt, contingent promise to pay, order to purchase, or other record of such interest.

## 3. "Gambling device" includes:

a. Any device, machine, paraphernalia, equipment, or other thing, including books, records and other papers, which are actually used in an illegal gambling operation or activity, and

b. Any machine, apparatus, implement, instrument, contrivance, board or other thing, including but not limited to those dependent upon the insertion of a coin or other object for their operation, which operates, either completely automatically or with the aid of some physical act by the player or operator, in such a manner that, depending upon elements of chance, it may eject something of value or determine the prize or other thing of value to which the player is entitled; provided, however, that the return to the user of nothing more than additional chances or the right to use such machine is not deemed something of value within the meaning of this subsection; and provided further, that machines that only sell, or entitle the user to, items of merchandise of equivalent value that may differ from each other in composition, size, shape or color, shall not be deemed gambling devices within the meaning of this subsection.

Such devices are no less gambling devices if they indicate beforehand the definite result of one or more operations but not all the operations. Nor are they any less a gambling device because, apart from their use or adaptability as such, they may also sell or deliver something of value on a basis other than chance.

4. "Operator" includes any person, firm or association of persons, who conducts, finances, manages, supervises, directs or owns all or part of an illegal gambling enterprise, activity or operation.
