No person shall submit business to any joint underwriting association or any plan established under this title for the equitable distribution of risks among insurers unless the person holds a valid license to transact the class of insurance involved.

C. No partnership, limited liability company, or corporation may act as an agent in this Commonwealth unless licensed and appointed, if appointment is required by statute. The existence of the partnership, limited liability company, or corporation shall be recorded pursuant to law, ~~and the authority of the corporation to act as an insurance agent or agency shall be specifically set forth in its charter.~~ The Commission may require proof of the foregoing before issuing a license to the partnership, limited liability company, or corporation.

As used in this subsection "enrolling individuals" means the process of informing individuals of the availability of coverages, calculating the insurance charge, assisting with completion of the enrollment application, preparing and delivering the certificate of insurance, answering questions regarding the coverages, and assisting the individual in making an informed decision whether or not enrollment under the group insurance plan is to be elected.
