### 7. Budget amendment necessary:

No.

### 8. Fiscal implications:

Requires a budget development process on an annual basis in addition to that already in place for the regular biennial budget. There will be an additional cost to Department of Planning and Budget and to the agencies to implement a new budget development process, the amount of which cannot be determined at this time.

### 9. Specific agency or political subdivisions affected:

The Department of Planning and Budget and all state agencies.

### 10. Technical amendment necessary:

No.

11. Other comments:

The bill continues the present revenue projection process mandated by § 2.2 -1503 of the Code and adds to it a requirement for a funding projection for each secretariat, based on the procedures specified in § 2.2 -1504. The bill repeals current § 2.2 -1503 and replaces it with § 2.2-1503.1. The bill leaves in place the current § 2.2 -1504 for the regular biennial budget.
