

# State Corporation Commission

## 2002 Fiscal Impact Statement

1. **Bill Number** SB554

**House of Origin**    ☐ Introduced    ☐ Substitute    ☐ Engrossed  
**Second House**    ☐ In Committee    ☒ Substitute    ☐ Enrolled

2. **Patron**        Norment

3. **Committee**    Passed Both Houses

4. **Title**            Electric generating facilities.

5. **Summary/Purpose:**

Electric generating facilities. Provides that the State Corporation Commission, in considering whether a proposed electric generating facility and associated facilities are contrary to the public interest, shall be bound by the permits and approvals of federal, state, and local agencies charged by law with the responsibility for issuing permits. The Commission must also enter into a memorandum of agreement with DEQ. Authorizes DEQ and the State Air Pollution Control Board to consider the cumulative impact of new and proposed electric generating facilities within Virginia on attainment of the national ambient air quality standards regarding coordination of reviews of the environmental impacts of proposed electric generating facilities that must obtain SCC certificates.

6. **No Fiscal Impact on state agencies**

7. **Budget amendment necessary:** No

8. **Fiscal implications:** None

9. **Specific agency or political subdivisions affected:** State Corporation Commission; Department of Environmental Quality; Virginia Marine Resources Commission; State Air Pollution Control Board
