**Be it enacted by the General Assembly of Virginia:**

**1. That § 2.2-4304 of the Code of Virginia is amended and reenacted as follows:**

§ 2.2-4304. Cooperative procurement.

A. Any public body may participate in, sponsor, conduct, or administer a cooperative procurement agreement *on behalf of or in conjunction* with one or more other public bodies, or *public agencies or institutions or localities of the several states, territories of the United States, or the District of Columbia*, for the purpose of combining requirements to increase efficiency or reduce administrative expenses *in any acquisition of goods and services. Except for contracts for professional services, a public body may purchase from another public body's contract even if it did not participate in the request for proposal or invitation to bid, if the request for proposal or invitation to bid specified that the procurement was being conducted on behalf of other public bodies.* Any public body that enters into a cooperative procurement agreement with a county, city, or town whose governing body has adopted alternative policies and procedures pursuant to subdivisions 9 and 10 of § 2.2-4343 shall comply with the alternative policies and procedures adopted by the governing body of such county, city, or town.

B. Subject to the provisions of §§ 2.2-1110, 2.2-1111 and 2.2-1120, any authority, department, agency, or institution of the Commonwealth may participate in, sponsor, conduct, or administer a cooperative procurement arrangement *on behalf of or in conjunction* with *public bodies*, private health or educational institutions or with public agencies or institutions of the several states, territories of the United States, or the District of Columbia, for the purpose of combining requirements to effect cost savings or reduce administrative expense in any acquisition of goods and services, other than professional services. *A public body may purchase from any authority, department, agency or institution of the Commonwealth's contract even if it did not participate in the request for proposal or invitation to bid, if the request for proposal or invitation to bid specified that the procurement was being conducted on behalf of other public bodies.* In such instances, deviation from the procurement procedures set forth in this chapter and the administrative policies and procedures established to implement this chapter shall be permitted, if approved by the Director of the Division of Purchases and Supply. However, such acquisitions shall be procured competitively. Nothing herein shall prohibit the payment by direct or indirect means of any administrative fee that will allow for participation in any such arrangement.
