Approved April 2, 2003

Be it enacted by the General Assembly of Virginia:

1. That § 32.1-127.1:03 of the Code of Virginia is amended and reenacted, and that the Code of Virginia is amended by adding a section numbered 16.1-248.3 as follows:

§ 16.1-248.3. Medical records of juveniles in secure facility.

Whenever a juvenile is placed in a secure facility or a shelter care facility pursuant to §16.1-248.1, the director of the facility or his designee shall be entitled to obtain medical records concerning the juvenile from a provider. Prior to using the authority granted by this section to obtain such records, the director of the facility or his designee shall make a reasonable attempt to obtain consent for the release of the records from the juvenile's parent or legal guardian or, in instances where the juvenile may consent pursuant to § 54.1-2969, from the juvenile. The director of the facility or his designee may proceed to obtain the records from the provider if such consent is refused or is not readily obtainable and the records are necessary (i) for the provision of health care to the juvenile, (ii) to protect the health and safety of the juvenile or other residents or staff of the facility or (iii) to maintain the security and safety of the facility.

The director or his designee shall document in writing the reason that the records were requested and that a reasonable attempt was made to obtain consent for the release of records and that consent was refused or not readily obtainable.

No person to whom disclosure of records was made pursuant to this section shall redisclose or otherwise reveal the records, beyond the purpose for which such disclosure was made, without first obtaining specific consent to redisclose from the juvenile's parent or legal guardian or, in instances where the juvenile may consent pursuant to § 54.1-2969, from the juvenile.

Substance abuse records subject to federal regulations, Confidentiality of Alcohol and Drug Abuse Patient Records, 42 C.F.R. Part 2, shall not be subject to the provisions of this section. The disclosure of results of a test for human immunodeficiency virus shall not be permitted except as provided in § 32.1-36.1.

The definitions of "provider" and "records" in § 32.1-127.1:03 shall apply to this section.

§ 32.1-127.1:03. Patient health records privacy.

A. There is hereby recognized a patient's right of privacy in the content of a patient's medical record. Patient records are the property of the provider maintaining them, and, except when permitted by this section or by another provision of state or federal law, no provider, or other person working in a health care setting, may disclose the records of a patient.

Patient records shall not be removed from the premises where they are maintained without the approval of the provider, except in accordance with a court order or subpoena consistent with § 8.01-413 C or with this section or in accordance with the regulations relating to change of ownership of patient records promulgated by a health regulatory board established in Title 54.1.

No person to whom disclosure of patient records was made by a patient or a provider shall redisclose or otherwise reveal the records of a patient, beyond the purpose for which such disclosure was made, without first obtaining the patient's specific consent to such redisclosure. This redisclosure prohibition shall not, however, prevent (i) any provider who receives records from another provider from making subsequent disclosures as permitted under this section and the federal Department of Health and Human Services regulations relating to the electronic transmission of data and patient privacy promulgated as required by the Health Insurance Portability and Accountability Act of 1996 (42 U.S.C. § 1320d et seq.) or (ii) any provider from furnishing records and aggregate or other data, from which patient-identifying prescription information has been removed, encoded or encrypted, to qualified researchers, including, but not limited to, pharmaceutical manufacturers and their agents or contractors, for purposes of clinical, pharmaco-epidemiological, pharmaco-economic, or other health services research.

H. 1. No party to an action shall request the issuance of a subpoena duces tecum for an opposing party's medical records or cause a subpoena duces tecum to be issued by an attorney unless a copy of the request for the subpoena or a copy of the attorney-issued subpoena is provided to opposing counsel or the opposing party if they are pro se, simultaneously with filing the request or issuance of the subpoena. No party to an action shall request or cause the issuance of a subpoena duces tecum for the medical records of a nonparty witness unless a copy of the request for the subpoena or a copy of the attorney-issued subpoena is provided to the nonparty witness simultaneously with filing the request or issuance of the attorney-issued subpoena.

In instances where medical records being subpoenaed are those of a pro se party or nonparty witness, the party requesting or issuing the subpoena shall deliver to the pro se party or nonparty witness together with the copy of the request for subpoena, or a copy of the subpoena in the case of an attorney-issued subpoena, a statement informing them of their rights and remedies. The statement shall include the following language and the heading shall be in boldface capital letters:

NOTICE TO PATIENT

The attached document means that (insert name of party requesting or causing issuance of the subpoena) has either asked the court to issue a subpoena or a subpoena has been issued by the other party's attorney to your doctor or other health care providers (names of health care providers inserted here) requiring them to produce your medical records. Your doctor or other health care provider is required to respond by providing a copy of your medical records. If you believe your records should not be disclosed and object to their disclosure, you have the right to file a motion with the clerk of the court to quash the subpoena. You may contact the clerk's office to determine the requirements that must be satisfied when filing a motion to quash and you may elect to contact an attorney to represent your interest. If you elect to file a motion to quash, it must be filed as soon as possible before the provider sends out the records in response to the subpoena. If you elect to file a motion to quash, you must notify your doctor or other health care provider(s) that you are filing the motion so that the provider knows to send the records to the clerk of court in a sealed envelope or package for safekeeping while your motion is decided.

2. Any party filing a request for a subpoena duces tecum or causing such a subpoena to be issued for a patient's medical records shall include a Notice to Providers in the same part of the request where the provider is directed where and when to return the records. Such notice shall be in boldface capital letters and shall include the following language:

NOTICE TO PROVIDERS

IF YOU RECEIVE NOTICE THAT YOUR PATIENT HAS FILED A MOTION TO QUASH (OBJECTING TO) THIS SUBPOENA, OR IF YOU FILE A MOTION TO QUASH THIS SUBPOENA, SEND THE RECORDS ONLY TO THE CLERK OF THE COURT WHICH ISSUED THE SUBPOENA OR IN WHICH THE ACTION IS PENDING AS SHOWN ON THE SUBPOENA USING THE FOLLOWING PROCEDURE: PLACE THE RECORDS IN A SEALED ENVELOPE AND ATTACH TO THE SEALED ENVELOPE A COVER LETTER TO THE CLERK OF COURT WHICH STATES THAT CONFIDENTIAL HEALTH CARE RECORDS ARE ENCLOSED AND ARE TO BE

HELD UNDER SEAL PENDING THE COURT'S RULING ON THE MOTION TO QUASH THE SUBPOENA. THE SEALED ENVELOPE AND THE COVER LETTER SHALL BE PLACED IN AN OUTER ENVELOPE OR PACKAGE FOR TRANSMITTAL TO THE COURT.

3. Health care providers shall provide a copy of all records as required by a subpoena duces tecum or court order for such medical records. If the health care provider has, however, actual receipt of notice that a motion to quash the subpoena has been filed or if the health care provider files a motion to quash the subpoena for medical records, then the health care provider shall produce the records to the clerk of the court issuing the subpoena or in whose court the action is pending, where the court shall place the records under seal until a determination is made regarding the motion to quash. The securely sealed envelope shall only be opened on order of the judge. In the event the court grants the motion to quash, the records shall be returned to the health care provider in the same sealed envelope in which they were delivered to the court. In the event that a judge orders the sealed envelope to be opened to review the records in camera, a copy of the judge's order shall accompany any records returned to the provider. The records returned to the provider shall be in a securely sealed envelope.

4. It is the duty of any party requesting a subpoena duces tecum for medical records or the attorney issuing the subpoena duces tecum to determine whether the patient whose records are sought is pro se or a nonparty. Any request for a subpoena duces tecum and any attorney-issued subpoena for the medical records of a nonparty or of a pro se party shall direct the provider (in boldface type) not to produce the records until ~~ten~~ 10 days after the date on which the provider is served with the subpoena duces tecum and shall be produced no later than ~~twenty~~ 20 days after the date of such service.

In the event that the individual whose records are being sought files a motion to quash the subpoena, the court shall decide whether good cause has been shown by the discovering party to compel disclosure of the patient's private records over the patient's objections. In determining whether good cause has been shown, the court shall consider (i) the particular purpose for which the information was collected; (ii) the degree to which the disclosure of the records would embarrass, injure, or invade the privacy of the individual; (iii) the effect of the disclosure on the individual's future health care; (iv) the importance of the information to the lawsuit or proceeding; and (v) any other relevant factor.

The provisions of this subsection have no application to subpoenas for medical records requested under § 8.01-413, or issued by a duly authorized administrative agency conducting an investigation, audit, review or proceedings regarding a provider's conduct. The provisions of this subsection apply to the medical records of both minors and adults.

A subpoena for substance abuse records must conform to the requirements of federal law found in 42 C.F.R. Part 2, Subpart E.

Providers may testify about the medical records of a patient in compliance with §§ 8.01-399 and 8.01-400.2.
