7 § 15.2-3232. Hearing before Commission on Local Government required.

8 A. Once the town and county governing bodies have decided upon the terms of an agreement
9 pursuant to § 15.2-3231, the proposed agreement shall be presented to the Commission on Local
10 Government. The Commission shall conduct a public hearing at some location in the town or the county
11 and interested parties may appear and offer evidence or comments. The hearing shall be duly advertised
12 in some newspaper having general circulation in the county and the town once a week for two
13 successive weeks, stating the time and place of the hearing, and summarizing the terms of the proposed
14 agreement. The second advertisement shall appear not less than six days nor more than ~~twenty-one~~ 21
15 days prior to the hearing. The Commission shall then determine whether the proposed agreement
16 provides for the orderly and regular growth of the town and county together, for an equitable sharing of
17 the resources and liabilities of the town and the county, and whether the agreement is in the best interest
18 of the community at large, and shall so advise the governing bodies in a written opinion.

19 B. In addition to the advertising required in subsection A, written notice of the Commission on Local
20 Government's hearing shall be given by the town at least 10 days before the hearing to the owner,
21 owners, or their agent of each parcel of land included in the area proposed for annexation under the
22 terms of the agreement. One notice sent by first-class mail to the last known address of such owner,
23 owners, or their agent as shown on the current county real estate tax assessment books or current
24 county real estate tax assessment records shall be deemed adequate compliance with this requirement,
25 provided that the clerk of the town shall make an affidavit that such mailings have been made and file
26 such affidavit with the Commission. Nothing in this subsection shall be construed as to invalidate any
27 subsequently adopted agreement because of the inadvertent failure by the town to give written notice to
28 the owner, owners, their agent or the occupant of any parcel in the area proposed for annexation.
