An establishment which prohibits the presence of minors unless accompanied by an adult is not open to the general public.

B. No person less than ~~eighteen~~ 18 years of age shall *attempt to purchase*, purchase or possess any tobacco product, including but not limited to cigarettes, cigars, and bidis. The provisions of this subsection shall not be applicable to the possession of tobacco products by a person less than ~~eighteen~~ 18 years of age making a delivery of tobacco products in pursuance of his employment.

[*This subsection shall not apply to purchase, attempt to purchase or possession by a law-enforcement officer or his agent when the same is necessary in the performance of his duties.*]

C. No person shall sell a tobacco product, including but not limited to cigarettes, cigars, and bidis, to any individual who does not demonstrate, by producing a driver's license or similar photo identification issued by a government agency, that the individual is at least ~~eighteen~~ 18 years of age. Such identification is not required from an individual whom the person has reason to believe is at least ~~eighteen~~ 18 years of age or who the person knows is at least ~~eighteen~~ 18 years of age. Proof that the person demanded, was shown, and reasonably relied upon a photo identification stating that the individual was at least ~~eighteen~~ 18 years of age shall be a defense to any action brought under this subsection. In determining whether a person had reason to believe an individual is at least ~~eighteen~~ 18 years of age, the trier of fact may consider, but is not limited to, proof of the general appearance, facial characteristics, behavior and manner of the individual.

This subsection shall not apply to mail order sales.

D. A violation of subsection A or C by an individual or by a separate retail establishment that involves a tobacco product other than a bidi shall be punishable by a civil penalty not to exceed \$100 for a first violation, a civil penalty not to exceed \$200 for a second violation, and a civil penalty not to exceed \$500 for a third or subsequent violation. Where a defendant retail establishment offers proof that it has trained its employees concerning the requirements of this section, the court shall suspend all of the penalties imposed hereunder. However, where the court finds that a retail establishment has failed to so train its employees, the court may impose a civil penalty not to exceed \$1,000 in lieu of any penalties imposed hereunder for a violation of subsection A or C involving a tobacco product other than a bidi.

A violation of subsection B shall be punishable by a civil penalty not to exceed \$100 for a first violation and a civil penalty not to exceed \$250 for a second or subsequent violation. A court may, as an alternative to the civil penalty, and upon motion of the defendant, prescribe the performance of up to 20 hours of community service for a first violation of subsection B and up to 40 hours of community service for a second or subsequent violation. If the defendant fails or refuses to complete the community service as prescribed, the court may impose the civil penalty. Upon a violation of subsection B, the judge may enter an order pursuant to subdivision 9 of § 16.1-278.8.
