Referred to Committee on Militia, Police and Public Safety

Be it enacted by the General Assembly of Virginia:**1. That § 18.2-308.2:2 of the Code of Virginia is amended and reenacted as follows:**

§ 18.2-308.2:2. Criminal history record information check required for the transfer of certain firearms; firearm safety information to be provided.

A. Any person purchasing from a dealer a firearm as herein defined shall consent in writing, on a form to be provided by the Department of State Police, to have the dealer obtain criminal history record information. Such form shall include only, in addition to the information required by subdivision B 1, the identical information required to be included on the firearms transaction record required by regulations administered by the Bureau of Alcohol, Tobacco and Firearms of the U.S. Department of the Treasury, except that the copies of such forms mailed or delivered to the Department of State Police shall not include any information related to the firearm purchased or transferred.

B. 1. No dealer shall sell, rent, trade or transfer from his inventory any such firearm to any other person who is a resident of Virginia until he has (i) obtained written consent as specified in subsection A, and provided the Department of State Police with the name, birth date, gender, race, and social security and/or any other identification number and the number of firearms by category intended to be sold, rented, traded or transferred and (ii) requested criminal history record information by a telephone call to the State Police and is authorized by subdivision B 2 of this section to complete the sale or other such transfer. To establish personal identification and residence in Virginia for purposes of this section, a dealer must require any prospective purchaser to present one photo-identification form issued by a governmental agency of the Commonwealth or by the United States Department of Defense, and other documentation of residence. Except where the photo-identification was issued by the United States Department of Defense, the other documentation of residence shall show an address identical to that shown on the photo-identification form, such as evidence of currently paid personal property tax or real estate tax, or a current (a) lease, (b) utility or telephone bill, (c) voter registration card, (d) bank check, (e) passport, (f) automobile registration, or (g) hunting or fishing license; other current identification allowed as evidence of residency by Part 178.124 of Title 27 of the Code of Federal Regulations and ATF Ruling 79-7; or other documentation of residence determined to be acceptable by the Department of Criminal Justice Services, that corroborates that the prospective purchaser currently resides in Virginia. Where the photo-identification was issued by the Department of Defense, permanent orders may be used as documentation of residence. Additionally, when the photo-identification presented to a dealer by the prospective purchaser is a driver's license or other photo-identification issued by the Department of Motor Vehicles, and such identification form contains a date of issue, the dealer shall not, except for a renewed driver's license or other photo-identification issued by the Department of Motor Vehicles, sell or otherwise transfer a firearm to the prospective purchaser until thirty days after the date of issue of an original or duplicate driver's license unless the prospective purchaser also presents a copy of his Virginia Department of Motor Vehicles driver's record showing that the original date of issue of the driver's license was more than thirty days prior to the attempted purchase.

In addition, no dealer shall sell, rent, trade or transfer from his inventory any assault firearm to any person who is not a citizen of the United States or who is not a person lawfully admitted for permanent residence. To establish citizenship or lawful admission for a permanent residence for purposes of purchasing an assault firearm, a dealer shall require a prospective purchaser to present a certified birth certificate or a certificate of birth abroad issued by the United States State Department, a certificate of citizenship or a certificate of naturalization issued by the Immigration and Naturalization Service, an unexpired U.S. passport, a United States citizen identification card, a current voter registration card, a current selective service registration card, or an immigrant visa or other documentation of status as a person lawfully admitted for permanent residence issued by the Immigration and Naturalization Service.

Upon receipt of the request for a criminal history record information check, the State Police shall (1) review its criminal history record information to determine if the buyer or transferee is prohibited from possessing or transporting a firearm by state or federal law, (2) inform the dealer if its record indicates

59 that the buyer or transferee is so prohibited, and (3) provide the dealer with a unique reference number
60 for that inquiry.

61 2. The State Police shall provide its response to the requesting dealer during the dealer's call, or by
62 return call without delay. If the criminal history record information check indicates the prospective
63 purchaser or transferee has a criminal record or has been acquitted by reason of insanity and committed
64 to the custody of the Commissioner of Mental Health, Mental Retardation and Substance Abuse
65 Services, the State Police shall have until the end of the dealer's next business day to advise the dealer
66 if its records indicate the buyer or transferee is prohibited from possessing or transporting a firearm by
67 state or federal law. If not so advised by the end of the dealer's next business day, a dealer who has
68 fulfilled the requirements of subdivision B 1 of this subsection may immediately complete the sale or
69 transfer and shall not be deemed in violation of this section with respect to such sale or transfer. In case
70 of electronic failure or other circumstances beyond the control of the State Police, the dealer shall be
71 advised immediately of the reason for such delay and be given an estimate of the length of such delay.
72 After such notification, the State Police shall, as soon as possible but in no event later than the end of
73 the dealer's next business day, inform the requesting dealer if its records indicate the buyer or transferee
74 is prohibited from possessing or transporting a firearm by state or federal law. A dealer who fulfills the
75 requirements of subdivision B 1 of this subsection and is told by the State Police that a response will
76 not be available by the end of the dealer's next business day may immediately complete the sale or
77 transfer and shall not be deemed in violation of this section with respect to such sale or transfer.

78 3. Except as required by subsection D of § 9.1-132, the State Police shall not maintain records longer
79 than thirty days, except for multiple handgun transactions for which records shall be maintained for
80 twelve months, from any dealer's request for a criminal history record information check pertaining to a
81 buyer or transferee who is not found to be prohibited from possessing and transporting a firearm under
82 state or federal law. However, the log on requests made may be maintained for a period of twelve
83 months, and such log shall consist of the name of the purchaser, the dealer identification number, the
84 unique approval number and the transaction date.

85 4. On the last day of the week following the sale or transfer of any firearm, the dealer shall mail or
86 deliver the written consent form required by subsection A to the Department of State Police. The State
87 Police shall immediately initiate a search of all available criminal history record information to
88 determine if the purchaser is prohibited from possessing or transporting a firearm under state or federal
89 law. If the search discloses information indicating that the buyer or transferee is so prohibited from
90 possessing or transporting a firearm, the State Police shall inform the chief law-enforcement officer in
91 the jurisdiction where the sale or transfer occurred and the dealer without delay.

92 5. Notwithstanding any other provisions of this section, rifles and shotguns may be purchased by
93 persons who are citizens of the United States or persons lawfully admitted for permanent residence but
94 residents of other states under the terms of subsections A and B upon furnishing the dealer with proof
95 of citizenship or status as a person lawfully admitted for permanent residence and one
96 photo-identification form issued by a governmental agency of the person's state of residence and one
97 other form of identification determined to be acceptable by the Department of Criminal Justice Services.

98 6. For the purposes of this subsection, the phrase "dealer's next business day" shall not include
99 December 25.

100 C. No dealer shall sell, rent, trade or transfer from his inventory any firearm, other than a rifle or a
101 shotgun, to any person who is not a resident of Virginia unless he has first obtained from the
102 Department of State Police a report indicating that a search of all available criminal history record
103 information has not disclosed that the person is prohibited from possessing or transporting a firearm
104 under state or federal law. The dealer shall obtain the required report by mailing or delivering the
105 written consent form required under subsection A to the State Police within twenty-four hours of its
106 execution. If the dealer has complied with the provisions of this subsection and has not received the
107 required report from the State Police within ten days from the date the written consent form was mailed
108 to the Department of State Police, he shall not be deemed in violation of this section for thereafter
109 completing the sale or transfer.

110 D. Nothing herein shall prevent a resident of this Commonwealth, at his option, from buying, renting
111 or receiving a firearm from a dealer by obtaining a criminal history record information check through
112 the dealer as provided in subsection C.

113 E. If any buyer or transferee is denied the right to purchase a firearm under this section, he may
114 exercise his right of access to and review and correction of criminal history record information under
115 § 9.1-132 or institute a civil action as provided in § 9.1-135, provided any such action is initiated within
116 thirty days of such denial.

117 F. Any dealer who willfully and intentionally requests, obtains, or seeks to obtain criminal history
118 record information under false pretenses, or who willfully and intentionally disseminates or seeks to
119 disseminate criminal history record information except as authorized in this section shall be guilty of a
120 Class 2 misdemeanor.
