HOUSE BILL NO. 2466

Offered January 8, 2003

Prefiled January 8, 2003

A BILL to amend and reenact § 46.2-700 of the Code of Virginia, relating to fees for registration of well-drilling machinery or well-drilling support equipment.

Patrons—Stump; Senator: Puckett

Referred to Committee on Transportation

Be it enacted by the General Assembly of Virginia:

1. That § 46.2-700 of the Code of Virginia is amended and reenacted as follows:

§ 46.2-700. Fees for vehicles for transporting well-drilling machinery and specialized mobile equipment.

A. The fee for registration of any motor vehicle, trailer, or semitrailer on which well-drilling machinery or well-drilling support equipment is attached and which is permanently used solely for transporting the machinery shall be fifteen dollars.

B. The fee for the registration of specialized mobile equipment shall be fifteen dollars. "Specialized mobile equipment" shall mean any self-propelled motor vehicle manufactured for a specific purpose, other than for the transportation of passengers or property, which is used on a job site and whose movement on any highway is incidental to the purpose for which it was designed and manufactured. The vehicle must be constructed to fall within all size and weight requirements as contained in §§ 46.2-1105, 46.2-1110, 46.2-1113 and Article 17 (§ 46.2-1122 et seq.) of Chapter 10 of this title and must be capable of maintaining sustained highway speeds of forty miles per hour or more. Vehicles registered under this section shall be exempt from the requirements of § 46.2-1157.

C. Specialized mobile equipment which cannot maintain a sustained highway speed in excess of forty miles per hour, and trailers or semitrailers which are designed and manufactured for a specific purpose and whose movement on the highway is incidental to the purpose for which it was manufactured and which are not designed or used to transport persons or property, shall not be required to be registered under this chapter.
