HOUSE JOINT RESOLUTION NO. 516
AMENDMENT IN THE NATURE OF A SUBSTITUTE
(Proposed by the House Committee on Rules
on January 28, 2003)

(Patron Prior to Substitute—Delegate Callahan)

Continuing the Virginia-Maryland-District of Columbia Joint Legislative Commission on Interstate Transportation. Report.

WHEREAS, House Joint Resolution No. 154 of the 2000 Session of the General Assembly established a joint legislative commission on interstate transportation to meet with legislators from the State of Maryland and representatives of the District of Columbia to advise the General Assembly and the Governor on efforts to address interstate transportation issues in the Metropolitan Washington region; and

WHEREAS, the considerable size of this panel, the unprecedented nature of its mandate, the sensitivity and complexity of the many challenges involved, and the very considerable cost associated with virtually every attempt to meet those challenges have all combined to make the work of the Commission very time-consuming; and

WHEREAS, the Commission was continued for an additional 2 years by House Joint Resolution No. 526 (2001); and

WHEREAS, the Commission has not yet arrived at a sufficient consensus to permit it to make final recommendations to the Virginia and Maryland state legislatures and the Washington, D.C., city council; and

WHEREAS, however cumbersome and time-consuming this process may be, the need for interjurisdictional dialogue aimed at comprehensive, creative, region-wide solutions to the area's many and vexing transportation difficulties is so urgent, and the possible benefits from such interjurisdictional cooperation are so valuable that a long-term commitment by the Commonwealth to the process is amply justified; now, therefore, be it
