6 **Be it enacted by the General Assembly of Virginia:**7 **1. That § 38.2-3418.13 of the Code of Virginia is amended and reenacted as follows:**

8 § 38.2-3418.13. Coverage for the treatment of morbid obesity.

9 A. Notwithstanding the provisions of § 38.2-3419, each insurer proposing to issue individual or group  
10 accident and sickness insurance policies providing hospital, medical and surgical, or major medical  
11 coverage on an expense-incurred basis; each corporation providing individual or group accident and  
12 sickness subscription contracts; and each health maintenance organization providing a health care plan  
13 for health care services shall offer and make available coverage under any such policy, contract or plan  
14 for the treatment of morbid obesity through gastric bypass surgery or such other methods as may be  
15 recognized by the National Institutes of Health as effective for the long-term reversal of morbid obesity.  
16 The provisions of this section shall apply to any such policy, contract or plan delivered, issued for  
17 delivery, or renewed in this Commonwealth on and after July 1, 2000.

18 B. The reimbursement for the treatment of morbid obesity shall be determined according to the same  
19 formula by which charges are developed for other medical and surgical procedures. Such coverage shall  
20 have durational limits, dollar limits, deductibles, copayments and coinsurance factors that are no less  
21 favorable than for physical illness generally. ~~Insurers may not~~ *Standards and criteria, including those*  
22 *related to diet, used by insurers to approve or restrict access to surgery for morbid obesity shall be*  
23 *based upon dietary or any other criteria not approved current clinical guidelines recognized by the*  
24 *National Institutes of Health.*

25 C. For purposes of this section, "morbid obesity" means (i) a weight that is at least 100 pounds over  
26 or twice the ideal weight for frame, age, height, and gender as specified in the 1983 Metropolitan Life  
27 Insurance tables, (ii) a body mass index (BMI) equal to or greater than 35 kilograms per meter squared  
28 with comorbidity or coexisting medical conditions such as hypertension, cardiopulmonary conditions,  
29 sleep apnea, or diabetes, or (iii) a BMI of 40 kilograms per meter squared without such comorbidity. As  
30 used herein, BMI equals weight in kilograms divided by height in meters squared.

31 D. The provisions of this section shall not apply to short-term travel, accident-only, limited or  
32 specified disease policies or contracts designed for issuance to persons eligible for coverage under Title  
33 XVIII of the Social Security Act, known as Medicare, or any other similar coverage under state or  
34 governmental plans or to short-term nonrenewable policies of not more than six months' duration.
