

VIRGINIA ACTS OF ASSEMBLY -- 2004 SESSION

CHAPTER 807

An Act to amend and reenact §§ 33.1-268, 33.1-269, and 33.1-277 of the Code of Virginia, relating to the State Revenue Bond Act; issuance of Commonwealth of Virginia transportation credit assistance revenue bonds for the purpose of funding a portion of the Dulles Corridor mass transit project.

[H 1005]

Approved April 14, 2004

Whereas, Section 9 (d) of Article X of the Constitution of Virginia and §§ 33.1-267 through 33.1-295 of the Code of Virginia, as amended, provide that the General Assembly may authorize the issuance of bonds or notes secured and payable subject to appropriations therefor by the General Assembly; and

Whereas, in accordance with the Transportation Infrastructure Finance and Innovation Act of 1998, the United States Transportation Department may provide credit assistance in the form of secured, direct loans, loan guarantees or lines of credit for surface transportation projects of national or regional significance; and

Whereas, mass transit related improvements in the Dulles Corridor are deemed to be of regional and national significance and utilizing such credit assistance in connection with a loan or loans to be evidenced by the issuance of Commonwealth of Virginia Transportation Credit Assistance Revenue Bonds would accelerate the development of mass transit in the Dulles Corridor to improve safety, reduce congestion, and stimulate economic development; now, therefore,

The proceeds of the Bonds may be used together with any federal, local or private funds which may be made available for such purpose. § 4. The terms and structure of each issue of the Bonds shall be determined by the Commonwealth Transportation Board, subject to approval by the Treasury Board in accordance with § 2.2-2417 of the Code of Virginia, as amended. In the event that the Bonds shall bear the facsimile signature of the chairman or vice chairman of the Commonwealth Transportation Board, such Bonds shall be signed by such administrative assistant as the chairman of the Transportation Board shall determine or by any registrar/paying agent that may be designated by the Commonwealth Transportation Board. In case any officer whose signature or a facsimile of whose signature appears on any Bonds shall cease to

be such officer before the delivery of such Bonds, such signature or facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in office until such delivery.

§ 7. All expenses incurred under this Act or in connection with issuance of the Bonds shall be paid from the proceeds of such Bonds or from any available funds as the Commonwealth Transportation Board shall determine.

§ 8. The Commonwealth Transportation Board is hereby authorized to borrow money at such rate or rates through the execution and issuance of notes for the same, but only in the following circumstances and under the following conditions:

The proceeds of the Bonds and of any anticipation notes herein authorized, together with any investment earnings thereon, shall not be taken into account in computing, and shall be in addition to funds allocated pursuant to the highway allocation formula set forth in § 33.1-23.1 of the Code of Virginia, as amended.

§ 10. The Commonwealth Transportation Board is hereby authorized to receive any other funds that may be made available to pay costs of mass transit in the Dulles Corridor and related improvements and to enter into the appropriate agreements to allow for those funds to be paid into the state treasury, or to a trustee in accordance with § 33.1-283 of the Code of Virginia, as amended, and, subject to appropriation, to make available the same to pay a part of the costs of the project or to pay principal or purchase price of, and redemption premium, if any, and interest on the Bonds.

The Commonwealth Transportation Board, in connection with the issuance of the Bonds, may establish a fund in accordance with § 33.1-286 of the Code of Virginia, as amended, either in the state treasury or with a trustee in accordance with § 33.1-283 of the Code of Virginia, as amended, which shall secure and be used for the payment of the Bonds to the credit of which there shall be deposited such amounts, appropriated therefor by the General Assembly, as are required to pay principal or purchase price of, and redemption premium, if any, and interest on, the Bonds, as and when due and payable, from available revenues received by the Commonwealth with respect to or generated by the Dulles Toll Road (i.e., net revenues of the Dulles Toll Road system remaining after making required transfers to provide for the payment of interest on and principal of any notes or bonds outstanding to finance such system to which such revenues are pledged and to fund reserves for extraordinary maintenance and repairs related to such system) and any mass transit projects in the Dulles Corridor.

§ 12. Bond proceeds and moneys in any reserve funds and sinking funds in respect of the Bonds shall be invested by the State Treasurer in accordance with the provisions of general law relating to the investment of such funds belonging to or in the control of the Commonwealth, or by a trustee in accordance with § 33.1-283 of the Code of Virginia, as amended.

§ 13. The interest income from, and any profit made on the sale of, the obligations issued under the provisions of this Act shall at all times be free and exempt from taxation by the Commonwealth and by any municipality, county or other political subdivision thereof.

§ 14. All obligations issued under the provisions of this Act are hereby made securities in which all persons and entities listed in § 33.1-280 of the Code of Virginia, as amended, may properly and legally invest funds under their control.

3. That, insofar as the provisions of this act are inconsistent with the provisions of any other general, special or local law, the provisions of this act shall be controlling.

4. That if any clause, sentence, paragraph, section, or part of this act or the application thereof to any person or circumstance is adjudged invalid by any court of competent jurisdiction, such judgment shall not affect the validity of the remainder hereof but shall be confined to the clause, sentence, paragraph, section, or part hereof directly involved in the controversy in which such judgment shall have been rendered, and to this end the provisions of this act are severable.
