Amend Section 1 of Article II of the Constitution of Virginia as follows:

ARTICLE II**FRANCHISE AND OFFICERS Section 1. Qualifications of voters.**

In elections by the people, the qualifications of voters shall be as follows: Each voter shall be a citizen of the United States, shall be eighteen years of age, shall fulfill the residence requirements set forth in this section, and shall be registered to vote pursuant to this article. No person who has been convicted of a felony shall be qualified to vote unless his civil rights have been restored by the Governor or other appropriate authority. *In addition, the General Assembly may provide by general law for the restoration of civil rights to persons who have been convicted of nonviolent felonies and who fulfill the conditions prescribed by such law.* As prescribed by law, no person adjudicated to be mentally incompetent shall be qualified to vote until his competency has been reestablished.

The residence requirements shall be that each voter shall be a resident of the Commonwealth and of the precinct where he votes. Residence, for all purposes of qualification to vote, requires both domicile and a place of abode. The General Assembly may provide for persons who are employed overseas, and their spouses and dependents residing with them, and who are qualified to vote except for relinquishing their place of abode in the Commonwealth while overseas, to vote in the Commonwealth subject to conditions and time limits defined by law. The General Assembly may provide for persons who are qualified to vote except for having moved their residence from one precinct to another within the Commonwealth to continue to vote in a former precinct subject to conditions and time limits defined by law. The General Assembly may also provide, in elections for President and Vice President of the United States, alternatives to registration for new residents of the Commonwealth.

Any person who will be qualified with respect to age to vote at the next general election shall be permitted to register in advance and also to vote in any intervening primary or special election.

§ 2. The ballot shall contain the following question:

"Question: Shall Section 1 of Article II of the Constitution of Virginia be amended to authorize the General Assembly to provide by law for the restoration of civil rights to persons convicted of nonviolent felonies upon their satisfying the conditions prescribed by law?"

The ballots shall be prepared, distributed and voted, and the results of the election shall be ascertained and certified, in the manner prescribed by § 24.2-684 of the Code of Virginia. The State Board of Elections shall comply with § 30-19.9 of the Code of Virginia and shall cause to be sent to the electoral boards of each county and city sufficient copies of the full text of the amendment and question contained herein for the officers of election to post in each polling place on election day.

The electoral board of each county and city shall make out, certify and forward an abstract of the votes cast for and against such proposed amendment in the manner now prescribed by law in relation to votes cast in general elections.

The State Board of Elections shall open and canvass such abstracts and examine and report the whole number of votes cast at the election for and against such amendment in the manner now prescribed by law in relation to votes cast in general elections. The State Board of Elections shall record a certified copy of such report in its office, and without delay make out and transmit to the Governor an official copy of such report, certified by it. The Governor shall, without delay, make proclamation of the result, stating therein the aggregate vote for and against the amendment.

If a majority of those voting vote in favor of the amendment, it shall become effective on January 1, 2005.
