Such person may be prosecuted either in the county or city in which the alcohol was possessed or consumed, or in the county or city in which the person exhibits evidence of physical indicia of consumption of alcohol.

B. No person under the age of 21 years shall use or attempt to use any (i) altered, fictitious, facsimile or simulated license to operate a motor vehicle, (ii) altered, fictitious, facsimile or simulated document, including, but not limited to a birth certificate or student identification card, or (iii) motor vehicle operator's license, birth certificate or student identification card of another person in order to establish a false identification or false age for himself to *consume*, purchase or attempt to *consume*, purchase an alcoholic beverage.

C. Any person found guilty of a violation of this section shall be guilty of a Class 1 misdemeanor; and upon conviction, (i) such person shall be ordered to pay a fine of at least \$500 or ordered to perform a minimum of 50 hours of community service as a condition of probation supervision and (ii) such person's license to operate a motor vehicle in the Commonwealth may be suspended for a period of not more than one year. The court, in its discretion and upon a demonstration of hardship, may authorize any person convicted of a violation of this section the use of a restricted permit to operate a motor vehicle in accordance with the provisions of subsection D of § 16.1-278.9 or subsection E of § 18.2-271.1 or when referred to a local community-based probation program established pursuant to Article 9 (§ 9.1-173 et seq.) of Chapter 1 of Title 9.1. During the period of license suspension, the court may require a person issued a restricted permit under the provisions of this subsection to be monitored by an alcohol safety action program. The alcohol safety action program shall report to the court any violation of the terms of the restricted permit, any condition related thereto or any failure to remain alcohol-free during the suspension period. However, the sentence imposed pursuant to clause (i) of this subsection shall not be suspended.

D. Any alcoholic beverage purchased or possessed in violation of this section shall be deemed contraband and forfeited to the Commonwealth in accordance with § 4.1-338.

E. Any retail licensee who in good faith promptly notifies the Board or any state or local law-enforcement agency of a violation or suspected violation of this section shall be accorded immunity from an administrative penalty for a violation of § 4.1-304.

F. When any person who has not previously been convicted of under-aged *consumption*, *purchase* or possession of alcoholic beverages in Virginia or any other state or the United States is before the court, the court may, upon entry of a plea of guilty or not guilty, if the facts found by the court would justify a finding of guilt of a violation of subsection A, without entering a judgment of guilt and with the consent of the accused, defer further proceedings and place him on probation subject to appropriate conditions. Such conditions may include the imposition of the license suspension and restricted license provisions in subsection C. However, in all such deferred proceedings, the court shall require the accused to enter a treatment or education program or both, if available, that in the opinion of the court best suits the needs of the accused. This program may be located in the judicial district in which the charge is brought or in any judicial district ordered by the court. The services shall be provided by (i) a program licensed by the Department of Mental Health, Mental Retardation and Substance Abuse
