Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding in Article 1 of Chapter 11 of Title 2.2 a section numbered 2.2-1102.1 as follows:

§ 2.2-1102.1. Recovery audits of state contracts.

The Department shall procure the services of one or more private contractors, in accordance with the Virginia Public Procurement Act (§ 2.2-4300 et seq.), to conduct systematic recovery audits of state agency contracts. Such recovery audit contracts shall be performance-based and shall contain a provision that authorizes the contractor to retain a percentage of any payment error that is recovered by such contractor, not to exceed 10 percent of the amount recovered. Individual recovery audits shall consist of the review of contracts to identify payment errors made by state agencies to vendors and other entities resulting from (i) duplicate payments, (ii) invoice errors, (iii) failure to apply applicable discounts, rebates, or other allowances, or (iv) any other errors resulting in inaccurate payments. The Department shall report on the status and effectiveness of recovery audits, including any savings realized, to the Chairs of the House Committee on Appropriations and the Senate Committee on Finance by January 1 of each year.
