§ 18.03. Alternative procedures in condemnation.

The city may, in exercising the right of eminent domain conferred by the preceding section, make use of the procedure prescribed by the general law as modified by said section or may elect to proceed as hereinafter provided. In the latter event the resolution or ordinance directing acquisition of any

property, as set forth in the preceding section, shall provide therein in a lump sum the total funds necessary to compensate the owners thereof for such property to be acquired or damaged. Upon the adoption of such resolution or ordinance the city may file a petition in the clerk's office of a court enumerated in the preceding section, having jurisdiction of the subject, which shall be signed by the ~~city manager~~ *chief administrative officer* and set forth the interest or estate to be taken in the property and the uses and purposes for which the property or the interest or estate therein is wanted, or when property is not to be taken but is likely to be damaged, the necessity for the work or improvement which will cause or is likely to cause such damage. There shall also be filed with the petition a plat of a survey of the property with a profile showing cuts and fills, trestles and bridges, if any, and a description of the property which, or an interest or estate in which, is sought to be taken or likely to be damaged and a memorandum showing names and residences of the owners of the property, if known, and showing also the quantity of property which, or an interest or estate in which, is sought to be taken or which will be or is likely to be damaged. The publication shall in all other respects conform to §§ 8.01-316, 8.01-317 and 8.01-319 of the Code of Virginia.

Upon the filing of said petition and the deposit of the funds provided by the council for the purpose in a bank to the credit of the court in such proceedings and the filing of a certificate of deposit therefor the interest or estate of the owner of such property shall terminate and the title to such property or the interest or estate to be taken in such property shall be vested absolutely in the city and such owner shall have such interest or estate in the funds so deposited as he/she had in the property taken or damaged and all liens by deed of trust, judgment or otherwise upon said property or estate shall be transferred to such funds and the city shall have the right to enter upon and take possession of such property for its uses and purposes and to construct its works or improvements. The clerk of the court in which such proceeding is instituted shall make and certify a copy of the petition, exhibits filed therewith, and orders, and deliver or transmit the same to the clerk of the court in which deeds are admitted to record, who shall record the same in his/her deed book and index them in the name of the person or persons who had the property before and in the name of the city, for which he/she shall receive the same fees prescribed for recording a deed, which shall be paid by the city.

If the city and the owner of property so taken or damaged agree upon compensation therefor, upon filing such agreement in writing in the clerk's office of such court, the court shall make such distribution of such funds as to it may seem right, having due regard to the interest of all persons therein whether such interest be vested, contingent or otherwise, and to enable the court or judge to make a proper distribution of such money it may in its discretion direct inquiries to be taken by a special commissioner in order to ascertain what persons are entitled to such funds and in what proportions and may direct what notice shall be given to the making of such inquiries by such special commissioner.

If the city and the owner cannot agree upon the compensation for the property taken or damaged, if any, upon the filing of a memorandum in the clerk's office of said court to that effect, signed by either the city or the owner, the court shall appoint commissioners provided for in §§ 25.1-220 and 25.1-226 through 25.1-230 of the Code of Virginia or as provided for in § 18.02, and all proceedings thereafter shall be had as provided in Chapter 2 (§ 25.1-200 et seq.) of Title 25.1 of the Code of Virginia insofar as they are then applicable and are not inconsistent with the provisions of this and the preceding section, and the court shall order the deposit in bank to the credit of the court of such additional funds as appear to be necessary to cover the award of the commissioners or shall order the return to the city of such funds deposited that are not necessary to compensate such owners for property taken or damaged. The commissioners so appointed shall not consider improvements placed upon the property by the city subsequent to its taking nor the value thereof nor the enhancement of the value of said property by said improvements in making their award.
