**Be it enacted by the General Assembly of Virginia:**

**1. That §§ 2.2-4310 and 2.2-4343 of the Code of Virginia are amended and reenacted, and that the Code of Virginia is amended by adding a section numbered 15.2-965.1 as follows:**

§ 2.2-4310. Discrimination prohibited; participation of small and minority-owned business.

A. In the solicitation or awarding of contracts, no public body shall discriminate against a bidder or offeror because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment. Whenever solicitations are made, each public body shall include businesses selected from a list made available by the Department of Minority Business Enterprise.

B. All public bodies shall establish programs consistent with this chapter to facilitate the participation of small businesses and businesses owned by women and minorities in procurement transactions. The programs established shall be in writing and shall include cooperation with the Department of Minority Business Enterprise, the United States Small Business Administration, and other public or private agencies. State agencies shall submit annual progress reports on minority business procurement to the Department of Minority Business Enterprise.

C. *Whenever an analysis performed to determine the existence of discrimination based on race or gender in the awarding of state agency contracting opportunities documents that a statistically significant disparity exists between the availability and utilization of women- and minority-owned businesses, the Governor may require such state agencies to implement appropriate remedies consistent with state and federal law. For the purposes of this subsection, "state agency" means any authority, board, department, instrumentality, institution, agency or other unit of state government. "State agency" shall not include any county, city or town.*

D. In the solicitation or awarding of contracts, no state agency, department or institution shall discriminate against a bidder or offeror because the bidder or offeror employs ex-offenders unless the state agency, department or institution has made a written determination that employing ex-offenders on the specific contract is not in its best interest.

§ 2.2-4343. Exemption from operation of chapter for certain transactions.

A. The provisions of this chapter shall not apply to:

1. The Virginia Port Authority in the exercise of any of its powers in accordance with Chapter 10 (§ 62.1-128 et seq.) of Title 62.1, provided the Authority implements, by policy or regulation adopted by the Board of Commissioners and approved by the Department of General Services, procedures to ensure fairness and competitiveness in the procurement of goods and services and in the administration of its capital outlay program. This exemption shall be applicable only so long as such policies and procedures meeting the requirements remain in effect.

2. The Virginia Retirement System for selection of services related to the management, purchase or sale of authorized investments, including but not limited to actuarial services. Selection of these services shall be governed by the standard set forth in § 51.1-124.30.

3. The State Treasurer in the selection of investment management services related to the external management of funds shall be governed by the standard set forth in § 2.2-4514, and shall be subject to competitive guidelines and policies that are set by the Commonwealth Treasury Board and approved by the Department of General Services.

4. The Department of Social Services or local departments of social services for the acquisition of motor vehicles for sale or transfer to Temporary Assistance to Needy Families (TANF) recipients.

5. The University of Virginia in the selection of services related to the management and investment of its endowment funds, endowment income, or gifts pursuant to § 23-76.1. However, selection of these services shall be governed by the Uniform Management of Institutional Funds Act (§ 55-268.1 et seq.) as required by § 23-76.1.

6. The Board of the Virginia College Savings Plan for the selection of services related to the

59 operation and administration of the Plan, including, but not limited to, contracts or agreements for the  
60 management, purchase, or sale of authorized investments or actuarial, record keeping, or consulting  
61 services. However, such selection shall be governed by the standard set forth in § 23-38.80.

62 7. Public institutions of higher education for the purchase of Items for resale at retail bookstores and  
63 similar retail outlets operated by such institutions. However, such purchase procedures shall provide for  
64 competition where practicable.

65 8. The purchase of goods and services by agencies of the legislative branch that may be specifically  
66 exempted therefrom by the Chairman of the Committee on Rules of either the House of Delegates or the  
67 Senate. Nor shall the contract review provisions of § 2.2-2011 apply to such procurements. The  
68 exemption shall be in writing and kept on file with the agency's disbursement records.

69 9. Any town with a population of less than 3,500, except as stipulated in the provisions of  
70 §§ 2.2-4305, 2.2-4308, 2.2-4311, 2.2-4315, 2.2-4330, 2.2-4333 through 2.2-4338, 2.2-4343.1, and  
71 2.2-4367 through 2.2-4377.

72 10. Any county, city or town whose governing body has adopted, by ordinance or resolution,  
73 alternative policies and procedures which are (i) based on competitive principles and (ii) generally  
74 applicable to procurement of goods and services by such governing body and its agencies, except as  
75 stipulated in subdivision 12.

76 This exemption shall be applicable only so long as such policies and procedures, or other policies  
77 and procedures meeting the requirements of § 2.2-4300, remain in effect in such county, city or town.  
78 Such policies and standards may provide for incentive contracting which offers a contractor whose bid is  
79 accepted the opportunity to share in any cost savings realized by the locality when project costs are  
80 reduced by such contractor, without affecting project quality, during construction of the project. The fee,  
81 if any, charged by the project engineer or architect for determining such cost savings shall be paid as a  
82 separate cost and shall not be calculated as part of any cost savings.

83 11. Any school division whose school board has adopted, by policy or regulation, alternative policies  
84 and procedures which are (i) based on competitive principles and (ii) generally applicable to  
85 procurement of goods and services by the school board, except as stipulated in subdivision 12.

86 This exemption shall be applicable only so long as such policies and procedures, or other policies or  
87 procedures meeting the requirements of § 2.2-4300, remain in effect in such school division. This  
88 provision shall not exempt any school division from any centralized purchasing ordinance duly adopted  
89 by a local governing body.

90 12. Notwithstanding the exemptions set forth in subdivisions 9 through 11, the provisions of  
91 subsections C and D of § 2.2-4303, and §§ 2.2-4305, 2.2-4308, 2.2-4311, 2.2-4315, 2.2-4317, 2.2-4330,  
92 2.2-4333 through 2.2-4338, 2.2-4343.1, and 2.2-4367 through 2.2-4377 shall apply to all counties, cities  
93 and school divisions, and to all towns having a population greater than 3,500 in the Commonwealth.

94 The method for procurement of professional services set forth in subdivision 3 a of § 2.2-4301 in the  
95 definition of competitive negotiation shall also apply to all counties, cities and school divisions, and to  
96 all towns having a population greater than 3,500, where the cost of the professional service is expected  
97 to exceed \$30,000 in the aggregate or for the sum of all phases of a contract or project. A school board  
98 that makes purchases through its public school foundation or purchases educational technology through  
99 its educational technology foundation, either as may be established pursuant to § 22.1-212.2:2 shall be  
100 exempt from the provisions of this chapter, except, relative to such purchases, the school board shall  
101 comply with the provisions of §§ 2.2-4311 and 2.2-4367 through 2.2-4377.

102 13. A public body which is also a utility operator may purchase services through or participate in  
103 contracts awarded by one or more utility operators which are not public bodies for utility marking  
104 services as required by the Underground Utility Damage Prevention Act (§ 56-265.14 et seq.). A  
105 purchase of services under this subdivision may deviate from the procurement procedures set forth in  
106 this chapter upon a determination made in advance by the public body and set forth in writing that  
107 competitive sealed bidding is either not practicable or not fiscally advantageous to the public, and the  
108 contract is awarded based on competitive principles.

109 14. Procurement of any construction or planning and design services for construction by a Virginia  
110 nonprofit corporation or organization not otherwise specifically exempted when (i) the planning, design  
111 or construction is funded by state appropriations of \$10,000 or less or (ii) the Virginia nonprofit  
112 corporation or organization is obligated to conform to procurement procedures that are established by  
113 federal statutes or regulations, whether those federal procedures are in conformance with the provisions  
114 of this chapter.

115 15. Purchases, exchanges, gifts or sales by the Citizens' Advisory Council on Furnishing and  
116 Interpreting the Executive Mansion.

117 16. The Eastern Virginia Medical School in the selection of services related to the management and

122 persons for the construction, operation, and maintenance of projects consistent with the Chippokes  
123 Plantation State Park Master Plan approved by the Director of the Department of Conservation and  
124 Recreation pursuant to the requirements of § 10.1-200.1 and designed to further an appreciation for rural  
125 living and the contributions of the agricultural, forestry, and natural resource based industries of the  
126 Commonwealth, provided such projects are supported solely by private or nonstate funding.

127 19. *The purchase of goods and services by any authority, board, department, instrumentality,*  
128 *institution, agency or other unit of state government when such purchases are made under a remedial*  
129 *plan established pursuant to subsection C of § 2.2-4310.*

130 B. Where a procurement transaction involves the expenditure of federal assistance or contract funds,  
131 the receipt of which is conditioned upon compliance with mandatory requirements in federal laws or  
132 regulations not in conformance with the provisions of this chapter, a public body may comply with such  
133 federal requirements, notwithstanding the provisions of this chapter, only upon the written determination  
134 of the Governor, in the case of state agencies, or the governing body, in the case of political  
135 subdivisions, that acceptance of the grant or contract funds under the applicable conditions is in the  
136 public interest. Such determination shall state the specific provision of this chapter in conflict with the  
137 conditions of the grant or contract.

138 § 15.2-965.1. *Participation of women- and minority-owned businesses.*
