Such tax shall be in such amount and on such terms as the governing body may, by ordinance, prescribe. If there are no local tourism industry organizations in the locality, the governing body shall hold a public hearing prior to making any determination relating to how to attract travelers to the locality and generate tourism revenues in the locality. *It is further provided that in Nelson County such tax shall not exceed the rate of five percent. B. The tax imposed hereunder shall not apply to rooms or spaces rented and continuously occupied by the same individual or same group of individuals for 30 or more days in hotels, motels, boarding houses, travel campgrounds, and other facilities offering guest rooms. In addition, that portion of any tax imposed hereunder in excess of two percent shall not apply to travel campgrounds in any county having a population of no less than 60,000 and no greater than 62,500, regardless of the number of days occupied by the same individual or same group of individuals.
