SENATE BILL NO. 435

Offered January 14, 2004 Prefiled January 14, 2004

A BILL to amend and reenact § 20-108.2 of the Code of Virginia, relating to child support guideline.

Patron-Wagner

Referred to Committee for Courts of Justice

Be it enacted by the General Assembly of Virginia:

1. That § 20-108.2 of the Code of Virginia is amended and reenacted as follows: 10

§ 20-108.2. Guideline for determination of child support; triennial review by Child Support 11 12 Guidelines Review Panel; executive summary.

13 A. There shall be a rebuttable presumption in any judicial or administrative proceeding for child 14 support under this title or Title 16.1 or 63.2, including cases involving split custody or shared custody, 15 that the amount of the award which would result from the application of the guidelines guideline set forth in this section is the correct amount of child support to be awarded. In order to rebut the 16 presumption, the court shall make written findings in the order as set out in § 20-108.1, which findings 17 may be incorporated by reference, that the application of the guidelines guideline would be unjust or 18 inappropriate in a particular case as determined by relevant evidence pertaining to the factors set out in 19 20 §§ 20-107.2 and 20-108.1. The Department of Social Services shall set child support at the amount 21 resulting from computations using the guidelines guideline set out in this section pursuant to the 22 authority granted to it in Chapter 19 (§ 63.2-1900 et seq.) of Title 63.2 and subject to the provisions of § 63.2-1918. 23

24 B. For purposes of application of the guideline, a basic child support obligation shall be computed 25 using the schedule set out below. For combined monthly gross income amounts falling between amounts shown in the schedule, basic child support obligation amounts shall be extrapolated. However, unless 26 27 one of the following exemptions applies where the sole custody child support obligation as computed 28 pursuant to subdivision G. 1. is less than \$65 per month, there shall be a presumptive minimum child 29 support obligation of \$65 per month payable by the payor parent. Exemptions from this presumptive 30 minimum monthly child support obligation shall include: parents unable to pay child support because 31 they lack sufficient assets from which to pay child support and who, in addition, are institutionalized in a psychiatric facility; are imprisoned with no chance of parole; are medically verified to be totally and 32 33 permanently disabled with no evidence of potential for paying child support, including recipients of 34 Supplemental Security Income (SSI); or are otherwise involuntarily unable to produce income. "Number 35 of children" means the number of children for whom the parents share joint legal responsibility and for 36 whom support is being sought. 37

C. For purposes of this section, "gross income" means all income from all sources, and shall include,
but not be limited to, income from salaries, wages, commissions, royalties, bonuses, dividends, severance
pay, pensions, interest, trust income, annuities, capital gains, social security benefits except as listed
below, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits,
veterans' benefits, spousal support, rental income, gifts, prizes or awards.

If a parent's gross income includes disability insurance benefits, it shall also include any amounts paid to or for the child who is the subject of the order and derived by the child from the parent's entitlement to disability insurance benefits. To the extent that such derivative benefits are included in a parent's gross income, that parent shall be entitled to a credit against his or her ongoing basic child support obligation for any such amounts, and, if the amount of the credit exceeds the parent's basic child support obligations, the credit may be used to reduce arrearages.

Gross income shall be subject to deduction of reasonable business expenses for persons with income from self-employment, a partnership, or a closely held business. "Gross income" shall not include benefits from public assistance and social services programs as defined in § 63.2-100, federal supplemental security income benefits, or child support received. For purposes of this subsection: (i) spousal support received shall be included in gross income and spousal support paid shall be deducted from gross income when paid pursuant to an order or written agreement and (ii) one-half of any self-employment tax paid shall be deducted from gross income.

Where there is an existing court or administrative order or written agreement relating to the child or children of a party to the proceeding, who are not the child or children who are the subject of the present proceeding, then there is a presumption that there shall be deducted from the gross income of the party subject to such order or written agreement, the amount that the party is actually paying for the support of a child or children pursuant to such order or agreement.

274 Where a party to the proceeding has a natural or adopted child or children in the party's household 275 or primary physical custody, and the child or children are not the subject of the present proceeding, 276 there is a presumption that there shall be deducted from the gross income of that party the amount as 277 shown on the Schedule of Monthly Basic Child Support Obligations contained in subsection B that 278 represents that party's support obligation based solely on that party's income as being the total income 279 available for the natural or adopted child or children in the party's household or primary physical custody, who are not the subject of the present proceeding. Provided, however, that the existence of a 280 281 party's financial responsibility for such a child or children shall not of itself constitute a material change 282 in circumstances for modifying a previous order of child support in any modification proceeding. Any 283 adjustment to gross income under this subsection shall not create or reduce a support obligation to an 284 amount which seriously impairs the custodial parent's ability to maintain minimal adequate housing and 285 provide other basic necessities for the child, as determined by the court.

port for port for to the

286 In cases in which retroactive liability for support is being determined, the court or administrative

287 agency may use the gross monthly income of the parties averaged over the period of retroactivity.

D. Any extraordinary medical and dental expenses for treatment of the child or children shall be
 added to the basic child support obligation. For purposes of this section, extraordinary medical and
 dental expenses are uninsured expenses in excess of \$100 for a single illness or condition and shall
 include but not be limited to eyeglasses, prescription medication, prostheses, and mental health services
 whether provided by a social worker, psychologist, psychiatrist, or counselor.

E. Any costs for health care coverage as defined in § 63.2-1900 and dental care coverage, when actually being paid by a parent, to the extent such costs are directly allocable to the child or children, and which are the extra costs of covering the child or children beyond whatever coverage the parent providing the coverage would otherwise have, shall be added to the basic child support obligation.

F. Any child-care costs incurred on behalf of the child or children due to employment of the custodial parent shall be added to the basic child support obligation. Child-care costs shall not exceed the amount required to provide quality care from a licensed source. When requested by the noncustodial parent, the court may require the custodial parent to present documentation to verify the costs incurred for child care under this subsection. Where appropriate, the court shall consider the willingness and availability of the noncustodial parent to provide child care personally in determining whether child-care costs are necessary or excessive.

G. 1. Sole custody support. The sole custody total monthly child support obligation shall be 304 305 established by adding (i) the monthly basic child support obligation, as determined from the schedule 306 contained in subsection B, (ii) all extraordinary medical expenses, (iii) costs for health care coverage to 307 the extent allowable by subsection E, and (iv) work-related child-care costs and taking into consideration all the factors set forth in subsection B of § 20-108.1. The total monthly child support obligation shall 308 309 be divided between the parents in the same proportion as their monthly gross incomes bear to their monthly combined gross income. The monthly obligation of each parent shall be computed by 310 311 multiplying each parent's percentage of the parents' monthly combined gross income by the total 312 monthly child support obligation.

313 However, the monthly obligation of the noncustodial parent shall be reduced by the cost for health 314 care coverage to the extent allowable by subsection E when paid directly by the noncustodial parent.

315 2. Split custody support. In cases involving split custody, the amount of child support to be paid
316 shall be the difference between the amounts owed by each parent as a noncustodial parent, computed in
accordance with subdivision 1, with the noncustodial parent owing the larger amount paying the
318 difference to the other parent.

319 For the purpose of this section and § 20-108.1, split custody shall be limited to those situations 320 where each parent has physical custody of a child or children born of the parents, born of either parent 321 and adopted by the other parent or adopted by both parents. For the purposes of calculating a child 322 support obligation where split custody exists, a separate family unit exists for each parent, and child 323 support for that family unit shall be calculated upon the number of children in that family unit who are 324 born of the parents, born of either parent and adopted by the other parent or adopted by both parents. 325 Where split custody exists, a parent is a custodial parent to the children in that parent's family unit and 326 is a noncustodial parent to the children in the other parent's family unit.

3. Shared custody support.

327

(a) Where a party has custody or visitation of a child or children for more than 90 days of the year,
as such days are defined in subdivision G 3 (c), a shared custody child support amount based on the
ratio in which the parents share the custody and visitation of any child or children shall be calculated in
accordance with this subdivision. The presumptive support to be paid shall be the shared custody
support amount, unless a party affirmatively shows that the sole custody support amount calculated as
provided in subdivision G 1 is less than the shared custody support amount. If so, the lesser amount
shall be the support to be paid. For the purposes of this subsection, the following shall apply:

(i) Income share. "Income share" means a parent's percentage of the combined monthly gross income
of both parents. The income share of a parent is that parent's gross income divided by the combined
gross incomes of the parties.

338 (ii) Custody share. "Custody share" means the number of days that a parent has physical custody, 339 whether by sole custody, joint legal or joint residential custody, or visitation, of a shared child per year 340 divided by the number of days in the year. The actual or anticipated "custody share" of the parent who 341 has or will have fewer days of physical custody shall be calculated for a one-year period. The "custody 342 share" of the other parent shall be presumed to be the number of days in the year less the number of days calculated as the first parent's "custody share." For purposes of this calculation, the year may begin on such date as is determined in the discretion of the court, and the day may begin at such time as is 343 344 345 determined in the discretion of the court. For purposes of this calculation, a day shall be as defined in 346 subdivision G 3 (c).

347 (iii) Shared support need. "Shared support need" means the presumptive guideline amount of needed
 348 support for the shared child or children calculated pursuant to subsection B of this section, for the

349 combined gross income of the parties and the number of shared children, multiplied by 1.4.

350 (iv) Sole custody support. "Sole custody support" means the support amount determined in 351 accordance with subdivision G 1.

Fixed costs. "Fixed costs" means that portion of the monthly child support obligation that remains
 constant for a parent regardless of the custody share. Each parent's fixed costs shall constitute 40
 percent of the amount calculated pursuant to subsection B.

(iv) Variable costs. "Variable costs" means that portion of the monthly child support obligation that
varies depending on the custody share. Such costs constitute 60 percent of the amount calculated
pursuant to subsection B.

(v) Support need. Each parent's support need for the shared child or children shall be determined by multiplying the parent's percentage of custody share by variable costs, then adding the parent's fixed costs. To that sum shall be added the cost of health care coverage to the extent allowable by subsection *E*, plus the parent's work-related child-care costs to the extent allowable by subsection *F*.

362 (b) Support to be paid. The shared support need of the shared child or children shall be calculated 363 pursuant to subdivision G 3 (a) (iii). This amount shall then be multiplied by the other parent's custody share. To that sum for each parent shall be added the other parent's cost of health care coverage to the 364 extent allowable by subsection E, plus the other parent's work-related child-care costs to the extent 365 allowable by subsection F. This total for each parent shall be multiplied by that parent's income share. 366 Each parent's support obligation to the other parent shall be determined by multiplying the parent's 367 368 income share by the other parent's support need for the shared child or children calculated pursuant to 369 subdivision G 3 (a) (v). The support amounts thereby calculated that each parent owes the other shall be 370 subtracted one from the other and the difference shall be the shared custody support one parent owes to 371 the other, with the payor parent being the one whose shared support is the larger. Any extraordinary 372 medical and dental expenses, to the extent allowable by subsection D, shall be shared directly by the 373 parents in accordance with their income shares, and shall not be adjusted by the custody share. The 374 parents shall pay their respective shares of these extraordinary medical expenses as they are incurred, 375 and they are not added to each party's shared custody support owed to the other party. The method of 376 payment of said allowable expenses shall be contained in the support order. When the shared support is 377 compared to the sole custody support to determine which is the lesser support, pursuant to subdivision G 378 3 (a), the extraordinary medical expenses shall not enter into either calculation.

(c) Definition of a day. For the purposes of this section, "day" means a period of 24 hours; however,
where the parent who has the fewer number of overnight periods during the year has an overnight period with a child, but has physical custody of the shared child for less than 24 hours during such overnight period, there is a presumption that each parent shall be allocated one-half of a day of custody for that period.

(d) Minimum standards. Any calculation under this subdivision shall not create or reduce a support
obligation to an amount which seriously impairs the custodial parent's ability to maintain minimal
adequate housing and provide other basic necessities for the child. If the gross income of either party is
equal to or less than 150 percent of the federal poverty level promulgated by the U.S. Department of
Health and Human Services from time to time, then the shared custody support calculated pursuant to
this subsection shall not be the presumptively correct support and the court may consider whether the
sole custody support or the shared custody support is more just and appropriate.

(e) Support modification. When there has been an award of child support based on the shared custody formula and one parent consistently fails to exercise custody or visitation in accordance with the parent's custody share upon which the award was based, there shall be a rebuttable presumption that the support award should be modified.

395 (f) In the event that the shared custody support calculation indicates that the net support is to be paid
396 to the parent who would not be the parent receiving support pursuant to the sole custody calculation,
397 then the shared support shall be deemed to be the lesser support.

398 H. The Secretary of Health and Human Resources shall ensure that the guideline set out in this section is reviewed by October 31, 2001, and every three years thereafter, by the Child Support 399 400 Guidelines Review Panel, consisting of 15 members that include four legislative members and 11 401 nonlegislative citizen members. Members shall be appointed as follows: three members of the House 402 Committee for Courts of Justice, upon the recommendation of the chairman of such committee, to be 403 appointed by the Speaker of the House of Delegates in accordance with the principles of proportional 404 representation contained in the Rules of the House of Delegates; one member of the Senate Committee 405 for Courts of Justice, upon the recommendation of the chairman of such committee, to be appointed by 406 the Senate Committee on Privileges and Elections; and one representative of a juvenile and domestic 407 relations district court, one representative of a circuit court, one representative of the Department of 408 Social Services' Division of Child Support Enforcement, three members of the Virginia State Bar, two 409 custodial parents, two noncustodial parents, and one child advocate, upon the recommendation of the

410 Secretary of Health and Human Resources, to be appointed by the Governor. The Panel shall determine 411

the adequacy of the guideline for the determination of appropriate awards for the support of children by 412 considering current research and data on the cost of and expenditures necessary for rearing children, and

413 any other resources it deems relevant to such review. The Panel shall report its findings to the General

414 Assembly as provided in the procedures of the Division of Legislative Automated Systems for the

415 processing of legislative documents and reports before the General Assembly next convenes following 416 such review.

417 Legislative members shall serve terms coincident with their terms of office. Nonlegislative citizen 418 members shall serve at the pleasure of the Governor. All members may be reappointed. Appointments to 419 fill vacancies, other than by expiration of a term, shall be made for the unexpired terms. Vacancies shall 420 be filled in the same manner as the original appointments.

Legislative members shall receive such compensation as provided in § 30-19.12, and nonlegislative 421 422 citizen members shall receive such compensation for the performance of their duties as provided in § 2.2-2813. All members shall be reimbursed for all reasonable and necessary expenses incurred in the 423 performance of their duties as provided in §§ 2.2-2813 and 2.2-2825. Funding for the costs of 424 compensation and expenses of the members shall be provided by the Department of Social Services. 425

The Department of Social Services shall provide staff support to the Panel. All agencies of the 426 427 Commonwealth shall provide assistance to the Panel, upon request.

428 The chairman of the Panel shall submit to the Governor and the General Assembly a triennial 429 executive summary of the interim activity and work of the Panel no later than the first day of 2005 430 regular session of the General Assembly and every three years thereafter. The executive summary shall be submitted as provided in the procedures of the Division of Legislative Automated Systems for the 431

432 processing of legislative documents and reports and shall be posted on the General Assembly's website.
